LA PLAZA MANAGER'S POST

Happy September La Plaza Residents! We have officially been your park managers for a year, WOW, that flew by so quickly. We truly have enjoyed every moment and appreciate all of you who make this job so enjoyable! This month I want to emphasize Hurricane preparedness, yard cleanup and Fire Safety. Cleanup around your home, now is the time to get some cleanup done. We are working hard to make this the best looking park around and with a little effort from all of us, we are succeeding! Please clean, paint, and replace screens on your unit. I am adding some resources to assist you in case you need help.

Am vets, will pick up clothes and household items you no longer want or need. Call 1-866-294-4488.

Pinellas Co. Solid Waste, You can take a truck load of unwanted garbage for approx. \$12.00, 727-464-7500

Papas Pal, go to www.papa.com and see if your Medicare plan is accepted and they can assist you with odd jobs around your home for no cost.

Pinellas Opportunity Council/Chore Services can assist with a once a year deep clean on your home at no charge, get on the waiting list at 727-327-3091

Call 211 for Pinellas County Adult Emergency Financial assistance program for hardships.

To prepare for Hurricane season, have the following ready, Food & Water, Clothing & Daily Use Items, Medical needs and Supplies, Emergency Contact list and Cash, Important Documents, Radio, Flashlight & Signaling devices. This is a basic list, to see more check out the bulletin boards!

Please weed around your mobile home and flower beds, its rainy season and they grow overnight, do not park on the street or sidewalks for any length of time, people like to walk and walking in the street is not safe, **Do Not Park** on the grass anytime. Keep your pets on a leash at all times, unleashed pets are not allowed in the park and animal control will be notified. No SEED bird feeders allowed in the park as we have a Duck/Goose waste problem. Please do not feed any of the Florida Wildlife including the Ducks/Geese you are endangering their lives, they need to learn to fend for themselves and it is against Florida LAW.

The Largo Fire Department will be here on September 28th for Donuts & Coffee hour, they will be talking about Fire Safety in a mobile home, and this is very near and dear to my heart so please plan to attend. I want all residents of La Plaza to be Fire Prepared & safe in their home. One last thing, we would like all residents to place house numbers on the back of your homes.

continued on page 6

This would make it easier for the mowers, the meter readers and for the Fire & Police in case of emergency.

Stay safe, healthy and hydrated.

LIBRARY

Jude Decker

Hello La Plaza readers! If you haven't had a chance to visit our corner room library, please take a peek next time you find yourself in our clubhouse. We have quite a selection of paperback and hard bound books for you to borrow and no library card is needed. Find a new author or go outside your normal reading genre and try something different to read. We have a whole book case full with Romance and among the other shelves you'll find suspense and legal thrillers by David Baldacci, fast paced adventure thrillers by Clive Cussler, or contemporary mysteries with a touch of humor by a Jersey-girl author, Janet Evanovich only to name a few. So drop by, pick up a book or three, take them home to read and when done drop them off at our library's return table. Also, if you have any children's or young adult books to donate, please bring them in. I would be happy to set up a shelf for our younger visiting readers.

*****REMINDER*****

We are now accepting donations of **MAGAZINES** from the current year and **BOOKS** having a publishing or copyright date from **2010 to Current**. Place your donations on the return table.

Thank you and Happy Reading.

ICE MAKER

The ICE MAKER that is located in the clubhouse kitchen was purchased by the association for everyone to use. Please be sure to **close the cover** after getting the ice. If there is an event scheduled please don't empty the ice machine for your own use. We need it for the guests.

ATTENTION:

La Plaza Mobile Home Park has a **COMPACTOR** not a **DUMPSTER**! This compactor is changed out every Tuesday morning between 7:00 and 8:00 am. **PLEASE** do not dump your trash during this change out time.

QUOTES / ARTICLES FOR THE MONTH

Cece Bell

In every battle there comes a time when both sides consider themselves beaten, then he who continues the attack wins. ~~~ Ulysses S. Grant

THE CONSTITUTION OF THESE UNITED STATES OF AMERICA

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquillity, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Article. VI.

All Debts contracted and Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any state to the Contrary notwithstanding.

The Senators and Representatives before mentioned, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, shall be bound by Oath or Affirmation, to support this Constitution; but no religious Test shall ever be required as a Qualification to any Office or public Trust under the United States

DID YOU KNOW?

10% of the world population is left-handed.

Our first of our did you know facts are about left-handed people. It is said that men are more likely to be left-handed than women. Various studies have also suggested that the handedness of a person can be determined from the time they spend in the mother's womb. Some studies also suggest that one's heritage may also play a role in determining if someone will be left or right-handed.

RECYCLING SUGGESTION

Bobbi Paye

The La Plaza Homeowners Association has voted to discontinue collecting aluminum soda and beer cans by the dumpster. The containers for collection have been removed. If you wish to continue recycling them, you can include them with all your other recycling items.

The following information is about where you can take all recyclables if you choose not to dispose of them as garbage:

Zero sort recycling is available behind Tri-City Mall on the other side of east bay.

Directions: just go out the back exit of La Plaza onto 69th Street and go across East Bay Drive onto the road going into Tri-City Mall and take a right at the end of the road.. Continue along that road all the way to Ross, turn left and go north a short ways, then turn west. You should see the recycling bins behind Petco. It is zero sort recycling, so flattened cardboard, newspapers, magazine, plastic bottles, aluminum cans, glass, etc. can be placed in the containers. Happy recycling. Our environment will love you for it. No plastic bags!

Honey never spoils.

Here’s one of our sweetest did you know facts about food. When honey is heated and strained and sealed properly, it will not be able to absorb moisture and therefore will stay as it is forever. The oldest jar of honey ever found is stated to be over 5500 years old today.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

REMEMBER:

Community members only serve as the extra "eyes and ears" of law enforcement. They should report their observations of suspicious activities to law enforcement; however, citizens should never try to take action on those observations. Trained law enforcement should be the only ones ever to take action based on observations of suspicious activities.

The Chairperson will be Rick Johnson at lot #211. If you have interest in learning more about this you can contact me.
