LIBRARY

Cape Refuge, written by Terri Blackstock, is a compelling story on faith in God. Is there or isn't there a God? Thelma and Wayne run Cape Refuge as a place for helping others and giving them an opportunity for a second chance at life. They have two daughters, Morgan their eldest, who helps them at Cape Refuge, and Blair who runs the town library. When Morgan's parents are murdered, the police arrest her husband, Johnathon! After all, the murder weapon is his spear gun and most of the town heard him arguing with them that very morning! Morgan believes the answer is God and Blair questions if there is a god, why did this happen to such good people? Terri was a well-established author when she got a spiritual awakening to use her gift to only write books that would point her readers to God. Her books are about Christian's in crisis and God's provisions for their mistakes and bad choices. She was part of an Air Force family growing up. Because Terri was always "the new kid", imagination was her closest friend. She sold her first novel at age 25. Mississippi is considered home for her now. Don't forget the Library is open daily 10:00 a.m. to 6:00 p.m. and the WIFI usually can be accessed from the screen room anytime.

THANK YOU

A GREAT BIG THANK YOU to the Social Club and all who worked on my Going away party. It was one I shall remember for a long time. It was great to see everyone and all the thank yous and good wishes. I am going to miss everyone and wish I was here especially when the weather gets cold in Indiana. The cakes looked wonderful and were delicious. Daughter Connie took many pictures and I now have them on my phone to look at whenever I want to, and I will many times. Again, thank you all. Keep up the good work and keep this place growing. I also want to thank Mr. Larson for his best wishes. It was good to see him.

Love to All, Nedra Woodroof

LADIES LUNCHEON

The Ladies Luncheon was held at Applebee's on August 19th at noon, there were 18 attendees. Ron and Little Mike hosted and gave out about 12 door prizes. Everyone had a great time with great food and service. The next Ladies Luncheon will be on September 14th at noon. Amy Skura (Angela Robinson's daughter) will host the luncheon. The sign-up sheet will be posted on the clubhouse door. Location is yet to be announced, stay tuned.

FROM THE OFFICE

I am typing this my first day back at work after a 2-week vacation, where I found out I am having my first Great Grand Baby and IT'S A GIRL. For those of you who don't know, I have 4 Grandsons!

I also want to thank everyone who kept Joelle busy during my absence; she knows the Park rules, and I will back her up on any decisions she makes in my absence.

Many residents still do not understand the Park rules when it comes to visitors! They must provide photo ID if they are staying over 48 hours; If they plan to stay beyond 30 days, it must first be approved by Park Management and then a tenant check must be run, \$150; adult children are not allowed to move in, we are a 55+ park. I sometimes make an exception, which is solely at my discretion (refer to park rule #39); Kids under age 18 are only allowed to be here for 30 days a year (a year is defined as 365 days from the day they arrive); you cannot just say "they are a caregiver". A caregiver must be certified as a caregiver in the State of FL and the resident must have a notarized document from their doctor that they require 24-hour in-home care; furthermore, if there is a spouse or someone else living in the residence, you will not be approved to have a caregiver unless they also meet the requirements for a caregiver. **PETS**-if a guest has a pet, it must be approved by me **BEFORE** they arrive with it! Once approved, they will have to provide valid health records.

I mentioned in the August News & Views that you are responsible to clean/weed your back yards....I am repeating it again because by the looks of the backyards, many people didn't read it! If you are a snowbird reading this, make sure you have someone cleaning your entire yard, not just the front. I will be sending out letters in the near future.

STOP— the red octagon shaped signs mean that you must halt the operation of whatever mode of transportation you are on....car, truck, golf cart, bike, motorcycle, et al. The purpose of the signs is to slow down the traffic in the park to make it safer for everyone. If residents don't start obeying them, I will be left with no choice other than to install large speed bumps throughout the

park. If you want to see an example, go over to Whispering Pines Mobile Home Park off 142nd Ave. They have speed bumps every block...ironically, they don't need a bunch of stop signs! It is a shame that some residents ruin it for everyone else, but the number of speeders and people who disobey the stop signs is a large percentage of the Park.

Providing a safe environment for everyone in the Park is the reason for stop signs, guest rules, pool rules, etc. I would like nothing better than to write this article full of sunshine and roses, all things good, instead of having to address all these issues!

ZODIAC SIGNS FOR SEPTEMBER

Virgo August 23 thru Sept. 22

Libra Sept. 23 thru October 22nd

SONG OF THE MONTH

September Morn

Stay for just a while
 Stay, and let me look at you
 It's been so long, I hardly knew you
 Standing in the door
 Stay with me a while
 I only wanna talk to you
 We've traveled half way 'round the world
 To find ourselves again

CHORUS:

*We danced until the night became a brand new day
 Two lovers playing scenes from some romantic play
 September morning still can make me feel that way
 Look at what you've done
 Why, you've become a grown-up girl still can hear you crying in the
 Corner of your room
 And look how far we've come
 So far from where we used to be
 But not so far that we've forgotten how it was before*

REPEAT CHORUS

Written by Neil Diamond and Gilbert Becaud 1979

SEPTEMBER CALENDAR

Baby Safety Month. Keeping your baby safe is your No. 1 priority as a parent or caregiver. Whether you're expecting your first baby, adding to your family, or enjoying being a grandparent, now is the ideal time to take some simple steps to keep your baby healthy and safe.

Hunger Action Month. For tens of millions of people in America, a daily meal isn't a choice between different dishes. It's a choice between food and other crucial needs—like medicine, electricity, or child care. This September, join Feeding America for Hunger Action Month by choosing to stand against hunger.

National Happy, Healthy Cat Month. One of the easiest ways to make a cat happy is with a new toy. Not all toys have to be store bought. Paper sacks, wadded up paper, and empty boxes will entertain cats for hours.

Ovarian Cancer Awareness Month. Ovarian cancer is a leading cause of cancer-related death in American women, largely because early ovarian cancer often has no symptoms. Age and a family history of the disease are the strongest risk factors. Screening for ovarian cancer is difficult, but pelvic imaging and blood tests are currently the best tests for diagnosing ovarian cancer.

Daily

Labor Day, Sept. 5. Celebrate the contributions of the American worker.

National Iguana Awareness Day, Sept. 8. Iguanas make great pets for people cramped for space or who don't want to spend a lot of time looking after a pet. These cold-blooded reptiles can be amazing and affectionate pets for many decades if they are given proper care and attention.

National Sober Day, Sept. 14. Getting sober at any age is one of the hardest, messiest, happiest, and most exhilarating experiences a person can have.

National Public Lands Day, Sept. 24. Celebrated annually at public lands in the United States on the fourth Saturday of September. A signature event of the National Environmental Education Foundation, it promotes both popular enjoyment and volunteer conservation of public lands.

National Psychotherapy Day, Sept. 25. Therapy is an effective, economical, natural, and meaningful way to improve lives.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
