## President's Report

By Ray Lamoureux #9

The fall is on its way and residents are planning their trip back to Golden Acres. The weather is still very hot in Florida this time of year and the rain falls every afternoon because of all the heat from the day. The weather will start to change in October and make it more comfortable to be outside.

The back gate is fixed with a new operator that will keep it operating on time. The old motor on the last operator kept tripping out and would not work most of the time. Let's hope this will cure the problems that are a heavy gate to move.

It is time to trim the palm trees they are starting to hang down to the sidewalks. Some have seeds on them and when they fall they make a mess of the roads and sidewalks. The order is in and we are trying to get a date for the trimming. Also, a big branch from an oak tree fell down and needed to be cleaned up. No damage to anyone's unit.

The pool deck painting is scheduled for the second week in October. The pool will be closed for one week for the painting. The weather will play a part on the week it will be done as they can't paint it in the rain and the pool will be covered for the painting, so no chips get in the pool and clog the filters.

We still have no units for sale in the park and none that we hear of in the near future. They sell so fast it's hard to tell when one will come up for sale.

The office has had complaints of the smell at the back dumpster. A dead rabbit was put in the dumpster and the smell was really bad. Don't throw anything in that dumpster that is not leaves or branches the residents near the dumpster don't need to smell anything rotting away.

The back shed behind the back laundry area is not a place to put your unwanted items. The shed is so full we can't walk in it now. Please don't drop off anything at the door.

Have a safe trip back to Golden Acres.

## From the Editor's Desk

By Sue Bailey #188

suebail@tampabay.rr.com

Some of our residents will be coming back to Golden Acres this month. From this point on, the park will be filling up and hopefully this year we will be having more activities than we have had the past three years. I have counted sixteen new owners since our last telephone directory was published. Due to COVID, they have not really experienced the fun we normally have in our park with all the different activities our Recreation Committee schedules. As you can see this month, Bob & Cathy Eckland #168 are planning on starting coffee hour early. Also, Debra Farris #28 is continuing with AquaFit.

*...continued on page 6*

I personally am looking forward to some cooler weather. It has been the hottest August in the Tampa Bay area ever recorded.

Hardly any articles and pictures for this month's Newsletter. Many thanks to those of you that did submit for October. You will read an article welcome across the fence, 50th Anniversary reminder, News in Health, and Fraud Watch.

Important dates in October include Monday, October 10th is Canadian Thanksgiving Day and in the USA is Columbus Day; and Monday, October 31st is Halloween. Happy Thanksgiving to all our Canadian residents and enjoy your time with family and friends!

**Quote of the Month: "Know this one great truth: you are in control of your own life."**

*– Rachel Hollis, author*

Until next time,

May God bless and keep you well and safe...

## Greetings from the Office

*By Karin Desmone #1*

- Please welcome fulltime resident Mark Kirincich #206 to the park. Congratulations and may you find lots of happiness, fun, and laughter in your new home.
- Please sign in at the office or the library when you arrive in the park. "Welcome Home"
- October 1st - The access code to use the power tools in the hobby shop has changed. Please stop by the office to sign waiver and receive new code.
- 2022-2023 Park directory will be distributed to everyone in October. Residents not returning in October will receive yours when you arrive in the park.

## Coffee Hour Starting on October 12

*By Bob & Cathy Eckland #168*

Cathy and I will host, and we would like volunteers for future weeks. We will leave a sign-up sheet in the club house at the end of September.

## Welcome Across the Fence

By Elaine Janes #216

Our new neighbors in coach #109 did not have to go far to find or move into Golden Acres. Some of you knew them in Golden Crest, where they lived for six years; some of you might have seen them moving items in their golf cart! Not many new residents can do that.

Michael McCallum and Susan Jarema found one another in Flint, Michigan, and now live in Davison, a small town near Flint. Michael retired from General Motors, the Buick plant, in Flint. Susan retired from the City of Flint, working in the judicial system. Susan states they feel lucky to have found each other after the death of their spouses. Together they share eight adult children, fourteen grandchildren, and two great-grandchildren located in Michigan, Minneapolis, and Florida.

Susan and Michael decided to move to Golden Acres because they always admired the management practices and upkeep of the community. Their plan is to live six months in Dunedin and six months in Davison. Michigan is home base, but they love everything about Dunedin. When they are in Dunedin, they like to take advantage of all that Dunedin has to offer -- Honeymoon Island, downtown festivals, the breweries and distillery, restaurants, shops, the arts, and of course, all the live music. When in Davison, spending time with the kids, grands, and great-grands is the priority.

The couple has no trouble staying busy. Their hobbies include reading, camping, antiquing, and finding off-the-beaten-path shops in search of treasures. Mike also enjoys woodworking and collecting/repairing antique clocks; Susan enjoys quilting, working with glass, and doing most crafts.

Michael and Susan were fortunate to spend the month of July in Dunedin this year. It reaffirmed how happy they are to be part of the Golden Acres community. We wish Susan and Michael happiness and many years of active living in Golden Acres! It is wonderful to have them in the park to contribute to our community.

## **Pull the Plug on Utility Scams**

*By Sue Bailey #188 as an AARP Fraud Watch Fighter*

*Free Helpline at (877) 908-3360 or*

*<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>*

---

**A** record hot summer is finally over, but while the triple-digit temps may be done, many people are still working to pay off those high utility bills. Enter the criminal scammer who loves to impersonate utility companies in order to get into your wallet.

### **How it Works**

- You receive a communication (phone, email, text) saying your account is past due and you must pay immediately, or they will cut off your power.
- Someone claiming to be from your utility company shows up at your home unannounced, offering to provide maintenance or an energy audit for a fee or claiming they will shut off your power if you don't pay immediately.
- You get a call claiming that you overpaid your utility bill, and they ask for your banking account information to provide a refund.

### **What you Should Know**

- None of these tactics represent the way utility companies do business. They won't show up unannounced, they won't threaten to cut off your power without first mailing you notices if an account is past due, and they won't handle any overbilling this way.
- It appears that utility scammers tend to target older adults and non-native English speakers.
- Requests for payment by way of purchasing a gift card and sharing the information off the back is surefire proof that it is a scam.

### **What you Should Do**

- Call the utility company, at the customer service number listed on your bill, to find out if you're behind on a payment or if they have tried to contact you. Do not use a callback number provided by an unknown caller.
- Remember that utility companies do not request personal information over the phone, and they do not cut off service without considerable advance warning.
- Notify the utility company if you've been approached by an imposter and notify your neighbors because these scams often hit people in the same geographic area.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
