Social Committee Tidbits

Mary Gilmore

Autumn arrived on September 23rd and now we are already into the month of October. In Canada, October 10th is Thanksgiving and in the states, it is Columbus Day. Our Canadian residents are wished a Happy Thanksgiving with family and friends.

No named hurricane has developed in the waters surrounding Florida during the month of August. September 10th has passed which is the peak of the hurricane season. We were warned that this season was going to be an active hurricane season, but thankfully so far it has been quiet. As many of us know, even a no name wind and rain event can do damage. Boca

...continued on page 8

Ciega has had rain every day in the month of September. Today is September 11th as I am writing. Even though our streets look like rivers while it is raining, the meadow in Boca Ciega is behaving well and doing its job.

The all year rounders were joined by new residents and a family member of one of our residents at their Labor Day get-together at Roosterfish Grill. The folks who came out for good cheer and a nice dinner were Carla and Mike Brumbaugh, our new residents, Kevin Brogan who is Keith's son, Kathleen Kohler, Virginia Fuchtmann, Bobby Robortella, Norine Enot, Shirley Mann, Keith Brogan, Terry Maegdlin, Betty Cerny, and Doris Charlesworth. Thanks Virginia for taking pictures.

Before I left for Maine, the pest control people were in our park spraying the inside of our homes if we wanted that service. The woman who did my home told me that before I left, I should put a mixture of half bleach and half water down all of the drains. She said that this mixture would linger in the part of the drain that she referred to as the P-trap and would stop any pest from entering my home through a drain. Hope it works.

Soon, Rose Baldwin, the one gal Welcoming Committee, will be asking to visit with our new residents, Mike and Carla Brumbaugh who bought #123 belonging to Gloria and JR and Mary and Joe Shelter who bought #95 belonging to Pat and Ralph. Both Mike and Carla and Mary and Joe are down working on their homes. Each are painting and remodeling their bathrooms. Remember, you can't do everything at once and secondly, no one is ever done. That's not meant to scare you. Folks are always getting different ideas for their homes. So have fun too. We live in a beautiful area of Florida.

I want to thank Debbie McQueston for writing an article for our October Newsletter. Her trip to Scotland will be a good read for us. Remember during our off season as well as our busy Boca Ciega season, articles written by our residents are always a welcome addition to our newsletter.

The clubhouse activities that are still going on are Dominoes on Mondays at 6:30 PM, Rummikub on Wednesdays at 7:00 PM, and Cribbage on Fridays at 1:00 PM.

We received a Resident Alert from Don Boccinfuso telling us the sad news that Robin Morrith had died. She was 64. Robin was a member of our Board of Directors at Boca Ciega. She was on the Budget Committee with Virginia and Larry. You may not know this, but Robin was the person who was responsible for setting up our Boca Ciega website. Think about that. How many of us could do what Robin did? Paula and Darryl, our editors, said that Robin would put our newsletter on the website each month. She would also help anyone needing help to get on and use the website. Robin was optimistic about the treatments that she was receiving, but she developed a blood clot. She was a person who was easy to talk to and you enjoyed being with. Robin will be missed.

Another Summer at Camp in Maine

Mary Gilmore

Sign on the Maine Turnpike as you cross over the Piscataqua Bridge from Portsmouth, New Hampshire to Maine:

WELCOME HOME

The way life should be

I was at our New Vineyard library and Glenda, a friend of mine, asked me how many summers have I been coming to camp. I couldn't tell her right away, but figuring it out, I was married to Jim for 43 years and we only missed two summers and now three years later so that means that I've been coming to camp for 44 years.

After I opened camp this year, I found a 1968 Facts About Maine pamphlet that was interesting to read. The things that I am going to mention are quoted from that pamphlet.

State Capital: From 1820 - 1827, the seat of government was at Portland. On February 24, 1827, Augusta was chosen as the capital.

Maine has had one Vice President, Hannibal Hamlin who served with President Abraham Lincoln, 1861 - 1865.

Maine is the largest of the New England states. It is almost as large as the other five New England states put together. Aroostook County is bigger than the state of Connecticut and Rhode Island combined.

State Tree: White Pine

State Floral: White pine cone and tassel

State Bird: Chickadee (A chickadee once landed on Jim's hammer that was held in his hand and they both had a nice chat.)

Measured on a comparatively straight line, Maine's direct coastline totals nearly 228 miles. However, this coastline is so profusely notched with bays and coves and inlets that if all of them were similarly measured, the result would be a tidal line of over 3,500 miles. Such a figure equals half the length of the entire Atlantic coastline of the U.S.

As I said, this was an interesting read. Besides this pamphlet, I found a scrap of paper with a saying on it by an unknown author.

A woman must do all four.

Look like a girl.

Act like a lady.

Think like a man.

Work like a dog.

Perhaps to be continued? I don't know yet.

Summer Travel

Gary and Deb McQuestion

Hello to all of our Boca Ciega Friends!
Well it is hard to believe that summer 2022 is coming to an end and it won't be long before many of us will be back down in the park.

Gary & I were very fortunate to have done a bit of travelling this summer after 2 years of limited travel.

We embarked on a 14 day bus tour of Scotland with 14 of our friends in August.

Our tour with Globus Tours was called "Highlands & Islands of Scotland - 14 days".

We had a wonderful time with amazing weather. Scotland is known to be cool and wet/damp most often but we were lucky. Our days were sunny with comfortable temperatures (70's most days) and minimal rain.

We flew to Glasgow 2 days early to take in some sights - visiting "Stirling Castle" and doing a Hop-On/Hop-Off bus tour of the city. We have done many of those tours in cities around the world and they are truly a wonderful way to see city sights quickly & efficiently.

After meeting our "Globus Bus Tours" tour director Ian, and bus driver Mark, we set out for 3 nights in Edinburgh the next day, where the highlight was "The Royal Military Tattoo" Extravaganza - a wonderful show of marching bands and bagpipers at the famous Edinburgh Castle.

Off to St. Andrew's Golf Course where the world famous British Open Golf Tournament is played. This year was the 150th anniversary of The Open.

Our tour continued to Inverness, The Orkney Islands, Isle's of Skye & Mull, back to Glasgow. It was truly a detailed, busy circle tour of Scotland.

We stopped at Loch Ness, Loch Lomand and filming sets of "Outlander" and "Downton Abbey" & saw some areas of where "Braveheart" was filmed.

We stopped and toured many, many, stunning Castles & Cathedrals - some so old they were

in ruins. Some are still inhabited.

We visited Abbotsford where writer Sir Walter Scott lived.

We visited Singleton Scotch Whiskey Distillery near Inverness and Orkney Islands Brewery.

We were lucky enough to see the hairy, woolly Highland Cows and lots of sheep.

We went on trains & ferries as well as the bus.

Our flights with Air Transat were perfect - no delays or baggage issues, great service, good meals and comfortable seats.

It was a fabulous trip with lots of laughs making wonderful memories with our friends.
