## PARADISE ISLAND UPDATE

*Pat Walker, Association President*

**W**elcome October! The autumn season always makes me homesick for Indiana – I miss the crisp fall air and the beautiful changing colors of the leaves. Does anyone other than me remember Nat King Cole singing Autumn Leaves? I know, you’re asking who is Nat King Cole, right? Aah nostalgia, it’s comforting for a moment then I remember what comes next - the icy wind, slushy snow and heavy wool coats - and I am so glad I live in Florida.

Thanks to everyone who attended the Labor Day BBQ, and special thanks to our chefs Richard & Lei Crance who sweated bullets over the hot burners preparing the perfectly cooked hamburgers and hot dogs. Just a thought for whoever is in charge of the association next year, consider canceling the traditional BBQs during the summer – it’s sheer torture for the cooks as the temperature never seems to go below 90 degrees, and adding the heat from the grill, it’s well over 100 degrees which is beyond everyone’s comfort zone. Or you could offer them hazard pay, that might work.

This month’s pot luck is baked ziti – hope you have signed up as it is on October 1st, the first Saturday of the month; bring your place setting and beverage. And, monthly Association Meetings also start on that date – 8:30AM for coffee and donuts; meeting starts at 9:00AM. Everyone in Park #1 is welcome to attend; we especially look forward to meeting the many new residents. I have met Mary Jane & Dave Holleran in #56 and Deb & John in #50, but there are many others we want to welcome to Paradise Island, so come and say hi to your neighbors.

Carla & John Corley are anxious to start karaoke and will kick-off the season with a Karaoke Halloween Party on Friday, October 28 @6PM. An announcement will be posted on the bulletin board and the Happenings Facebook page. Be brave, come in costume and join the singing – it’ll be a hoot!

Bingo is back on a weekly schedule – I’m working on some challenging “specials” because I know how much you all love them. (LOL) Peggy Lyter has joined the calling staff which will afford Lei and Deb an additional night to participate in playing and perhaps even winning an occasional game.

Be sure you have reserved Saturday, December 10, for the annual Christmas Party. This year we will revert back to holding it in the clubhouse. The entertainment committee has determined the menu and are awaiting a quote from the caterer before we can set the ticket price.....remember, everything has gone up this year, but we’re determined to keep the price at an affordable amount.

One resident is anxious to organize a Holiday Decoration Contest – give it some thought.

It would be a lovely experience to see the park all decked out in bright lights for the season.

It's not too soon to start collecting those items you no longer need for donation to our annual community sale -- the last Saturday in January 2023. Household items, linens, kitchen utensils, tools, small electronics and furniture are examples of donations we accept for the sale. No mattresses, bed pillows, non flat-screen TVs, or heavy furniture will be accepted. We're considering not collecting clothing, but a final decision hasn't yet been made. When you have items ready, call Lei Crance or me – our numbers are in the directory – and we will schedule a time to meet at the storage garage.

See you at the Association Meeting – y'all come! Or is it “all y'all come”?

HAPPY HALLOWEEN EVERYONE

## **LAKE HAVEN MOBILE HOME OWNERS, INC.**

---

**R**EMINDER: The Humana Food Pantry is scheduled to provide a bag of free food to anyone in Lake Haven who wants to participate in the program. The food is made available through donations to Tampa Bay Harvest. In order to determine the exact number of food bags to order (100 bags is the site maximum), sign-up forms are posted in each of the three clubhouses. This program is entirely free and there is absolutely no stigma attached to participating.

Food for the October 25 date will be delivered and available at noon in the Paradise Island (Park #1) Clubhouse. Since some items may be perishable, please be prompt when collecting your food bag.

If participation supports this program, future dates will be scheduled as they become available. With the cost of everything rising almost daily, the demand for this type program is heavy – we had hoped to provide it monthly, but that may not be possible. Residents will be notified when the next date becomes available.

ELS has completed the installation of automatic locks for the clubhouses and pools; these facilities will open at 8AM and close at 10PM every day.

The HOA Board of Directors meets the third Thursday of every month at 10:30-11:00AM in the Park #1 clubhouse; home owners are always welcome to attend and may speak on agenda items.

## TREASURE COVE HAPPENINGS-PARK 2

---

**H**appy Fall Y'all! Is everyone ready for the temperature to cool down? I sure am. I hope everyone had a great summer and you're ready to move into our next season filled with all things pumpkin, apples and football!

Mark your calendars for Oct 29th when we have our Park 2 Annual Halloween Party! Menu and time are still being discussed so stay tuned and watch your tubes for the Halloween Party flyer. Every year the costumes are so great and prizes are awarded to the best costumes. So, start thinking and planning now! Its always so fun with great food and great company. It's also an opportunity to meet new residents that may have just moved here.

We will also be having our Park 2 meeting to which all Park 2 residents are welcome. It will be held in the clubhouse on Tuesday, October 4 at 7pm. We would love to see as many as possible attend. We welcome ideas and suggestions for future social events.

Remember its still hurricane season so stay prepared. Check in on your neighbors from time to time as well. Not everyone can get out as much nor do they have access to information online. Let's be a caring and kind community. You never know what others may be going through.

## Guana Cay News and Updates

*Rob Peacock – Park 3 Association President*

---

**F**all is here. Temperatures at night are cooling down and days are getting shorter. There are many beautiful pictures from the north of the colors changing. Our tropical patterns have certainly not been what they have in the past. They are still dormant to their origins. Stay alert to any tropical updates.

There will be many festivals throughout our surrounding towns this month. Music, food, costume parties and plenty of locations celebrating Octoberfest. This is a great month for fun throughout our area. Watch for “The Witches Of Dunedin” to come out and perform their rituals. The VFW Halloween golf cart parade and costume night are traditionally a huge success with many decorated carts and a whole lot of fun. Stay tuned for dates of activities.

“Scoop The Poop” Please pick up after your pets (you know who you are). We are getting a lot of complaints throughout our community.

Once again...please refrain from throwing large items in our dumpster area. It will make a difference in our disposal bill.

We are having our season opener BBQ park 3 membership drive on October 29th! Memberships are \$10.00 per person for the entire year.

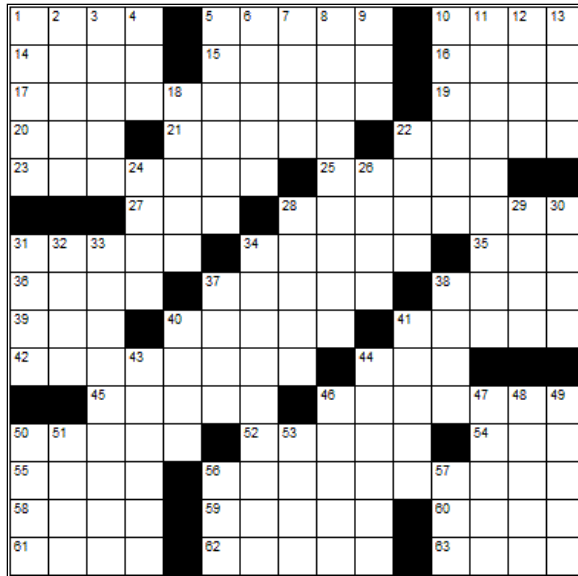

Show dignity and respect toward one another and the world would be a much better place.

## OCTOBER CALENDAR

---

**American Pharmacists Month.** The role pharmacists play in our health, our communities, and our lives has never been more crucial. Take a moment to reflect on their work, appreciate their efforts, and spread the word about the valuable services pharmacists provide.

**Cybersecurity Awareness Month.** This year's theme, "See Yourself in Cyber," will focus on the "people" part of cybersecurity, providing information and resources to help educate the public and ensure all individuals and organizations make smart decisions, whether on the job, at home, or at school, now and in the future.

**Down Syndrome Awareness Month.** According to the Centers for Disease Control and Prevention, approximately one in every 772 babies in the United States is born with Down syndrome, making Down syndrome the most common chromosomal condition. About 5,100 babies with Down syndrome are born in the United States each year.

**National Substance Abuse Prevention Month.** Millions of Americans suffer from substance abuse, which includes underage drinking, alcohol dependency, nonmedical use of prescription drugs, abuse of over-the-counter medications, and illicit drug use. Early intervention helps prevent substance abuse and reduce the negative consequences of addiction before they occur.

## The crucial difference

---

A heart surgeon took his car to his local garage for a regular service. “So tell me,” said the mechanic, “I’ve been thinking about what we both do for a living, and how you get paid a lot more than me.”

“Yes?” said the surgeon.

“Look at this,” said the mechanic as he opened the hood. “I open it up, check how it’s running, fix the valves, and put it all back together so it works good as new. We basically do the same job, don’t we? But you get paid ten times more than I do. How do you explain that?”

The surgeon thought for a moment, then smiled. “Try it with the engine running.”

## First confession

---

After twenty-five years in the same parish, Father O’Riley was retiring. At his retirement dinner, an eminent member of the congregation — a leading politician — had been asked to make a short speech, but he was late. So the priest took it upon himself to fill the time, and stood up to the microphone:

“I remember the first confession I heard here 25 years ago and how it worried me as to what sort of place I’d come to,” Father O’Riley said. “That first confession remains the most troubling I’ve ever heard. The chap confessed that he’d stolen a TV set from a neighbor and lied to the police when questioned, successfully blaming it on a local scallywag. He said that he’d stolen money from his parents and from his employer; that he’d had affairs with several of his friends’ wives; that he’d taken hard drugs.

“However, I’m pleased to say that as the days passed I soon realized that this sad fellow was a frightful exception and that this parish was indeed a wonderful place full of kind and decent people.”

At this point the politician arrived and apologized for being late. Eager to take the stage, he immediately stepped up to the microphone and pulled his speech from his pocket:

“I’ll always remember when Father O’ Riley first came to our parish,” said the politician. “In fact, I’m pretty certain that I was the first person in the parish that he heard in confession ...”

## Hearing returned

---

An elderly gentleman had a serious hearing problem for a number of years. He went to the doctor, who fitted him for a set of hearing aids that help the gentleman’s hearing gradually return to 100%.

The elderly man went back to the doctor a month later for a checkup. The doctor performed some tests, and then said, “Your hearing is perfect. Your family must be really pleased that you can hear again.”

The gentleman smiled. “Oh, I haven’t told my family yet. I just sit around and listen to them talk. I’ve already changed my will three times!”

## Seven wonders

---

A teacher asked her students to make a list of what they considered the seven wonders of the world. After a few minutes of discussion, they came up with this list:

- Egypt's Great Pyramids
- The Taj Mahal
- The Grand Canyon
- The Panama Canal
- The Empire State Building
- St. Peter's Basilica
- The Great Wall of China

The teacher noticed that one young girl hadn't participated. She asked for the girl's own thoughts.

"I couldn't make up my mind," the student said, "because there are so many."

"Why don't you tell us what they are, and maybe we can help you choose?" the teacher suggested.

The girl hesitated, and then read her list:

- To see
- To hear
- To touch
- To taste
- To feel
- To laugh
- To love

Moral: The things we overlook as simple and ordinary, that we take for granted, are the most truly wondrous.

## No single answer to leadership

---

Leadership consultant and blogger Tim Milburn likes to tell this story about the noted leader John C. Maxwell:

As he finished up a speech, Maxwell was approached by a young man with a determined expression on his face: "Dr. Maxwell, what's the one thing I need to know in order to be an effective leader?"

Appreciating the young man's sincerity, Maxwell replied with the same determination: "Young man, the one thing you need to know is that there is more than one thing you need to know."

In anything that counts, success is based on lots of factors. Looking for one simple answer will rarely get you what you need.

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

## Conversation starters — or stoppers

**D**o you ever find yourself at a loss for words? Maybe one of these random comments can add some spice to your conversations:

- As the prophecy foretold.
- But at what cost?
- So let it be written; so let it be done.
- So it has come to this.
- Is this why fate brought us together?
- Just like in my dream.
- Be that as it may, still may it be as it may be.
- There is no escape from destiny.
- Wise words by wise men write wise deeds in wise pen.
- In this economy?
- And then the wolves came.

## Halloween is here—are you ready?

**T**rick or treating is about to commence. Here are some fun facts to share while you're handing out candy:

- The word “witch” comes from an Old English word, “wicce,” meaning “wise woman.”
- Black and orange are associated with Halloween because they're signs of autumn. Orange signifies harvest, and black alludes to darkness coming earlier.
- Jack-o-lanterns are Irish. In an Irish folktale, a man named Stingy Jack fooled the devil and was punished by being forced to walk the Earth with only a burning coal in a hollowed turnip to light his way. "Jack of the Lantern" became "Jack-o-lantern."
- Trick-or-treating has a long history. In medieval times, children would go door to door on All Souls Day, asking for food in exchange for prayers for the inhabitants' deceased family members.
- The most popular kids' Halloween costume is Spider-man. According to the National Retail Federation, it's followed by princesses, Batman, witch, ghost, pumpkin, Superman, zombie, and Avengers hero.

*I love Halloween, and I love that feeling; the cold air, the spooky dangers lurking around the corner.*

— *Evan Peters*

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
