# HOA President's UPDATES

Michele Dutchess, HOA President,

---

\*\*\*Facebook page: Serendipity Homeowners Association

**P**residents Message:

Can you believe it is already October, where has this year gone?

Sandy Segler and I were able to catch all the domestic bunnies that were let loose in our park. We have found them a good home.

The bylaws have been mailed out to all HOA Members for their review. Respectively, our meeting this month will include a town hall style question and answer segment. We will also be conducting a Zoom meeting of the same type for our out of park HOA Members to attend if they choose to.

We are moving forward with creating a projected budget for 2023, getting our taxes completed, and changing to a not-for-profit entity.

As the Holidays Season approaches, we will be announcing some more fun activities to bring our community together.

This month's quote: *"Once you replace negative thoughts with positive ones, you'll start having positive results"* – Willie Nelson

## Neighborhood Watch

Marty Ott, 727-787-3272

---

**H**i Serendipity Residents!

My name is Marty Ott and I live at #340 on India. I have been appointed the "Neighborhood Watch Liaison" for Serendipity MHP by the HOA and Pinellas County Sheriff's Department. My responsibility in this position is to take calls from the residents of Serendipity and give weekly feedback to the park manager and the PCSO Neighborhood Watch Commander, Deputy Chuck Skipper.

### September 2022 Notes:

Trespassing continues to be the only issue with people walking or riding their bicycle through yards. I have met with several people who have been at fault and reminded them that unless they have permission from the homeowner, it is considered trespassing and against the rules of Serendipity. Also, if you have guests visiting, please let them know they are not allowed to cut

through yards without the homeowner's permission.

Just a reminder if you see something dangerous or feel threatened, call 911. If it is just to report something suspicious, call the Sheriff's non-emergency number at (727) 582-6200. Then call me the next morning at (727) 787-3272 and I will note it in the daily log so that we can categorize the types of problems we are having, and the Sheriff can assign manpower to our park at times and places necessary.

Serendipity residents should ONLY CALL me during regular business hours which are 8:00AM - 5:00PM.

REMEMBER...IF YOU SEE SOMETHING, SAY SOMETHING

-Marty

### **UFO MYTHS?**

**W**hile researching the subject of UFO's, it is not uncommon to come across some events that seem to be a joke or unbelievable. This doesn't help the true believers to prove their point about any UFO event or statement. These myths or untrue events just 'muddy the water' about the subject. I have listed several events where statements have been made that I think require more clarification or proof. The astronomer Carl Sagan has said "that extraordinary events require extraordinary proof." There are scores of statements or stories made by others in the media like these:

1. The Roswell incident in 1942, that started the modern UFO surge, involved one live captured alien involved named Ebe (Extraterrestrial Biological Entity). Ebe lived about 5 years and died of unknown causes. He eventually did communicate with his captors and basically told them that his species was about 50,000 years ahead of Earth.
2. President Eisenhower is supposedly on a film walking into a flying saucer at a California air base to talk nuclear disarmament with two saucers circling overhead.
3. There was a flying saucer downed at one of our Pacific nuclear weapons tests in the 60's and it was recovered by the Navy.
4. General Eisenhower and Prime Minister Churchill exchanged correspondence about plasma balls harassing our bombers during the end of WWII. WE thought they were German, and Germans thought they were us.
5. President Nixon was friends with comedian Jackie Gleason who believed in UFO's. One night Nixon shows up at Gleason's Florida home and takes him to a Florida airbase where he was shown bodies of aliens.
6. A very large spacecraft shaped like a walnut followed a Japan Airlines 747 freighter across Canada. FAA radar saw it. When a meeting with all concerned was held, the CIA came in and confiscated all records and tapes and then told all concerned this never happened.
7. When President Carter became president, he requested a briefing on UFO's because he had reported a sighting once. George Busch Sr. was CIA chief then and told Carter his security clearance wasn't high enough. Carter finally received the report his last week in office. He was seen weeping at his desk after reading it.

These are just some of the weird things that are in the UFO files. Yes, some are very wild and appear to be in the hoax or joke class. Now the government has admitted the UFOs are real, but origin is unknown. Were the events mentioned above reported for their headline effect? They may have become UFO myths. Only full disclosure of extraordinary proof will determine their status. But, if only one is true: Oh, boy!!

**B**INGO! Please bring a friend with you to enjoy a night out it and visit with friends and neighbors! BINGO is played in the East clubhouse every THURSDAY at 7:00 P. M. sharp. We play 8 games and 1 speedy. Cards for speedy are \$.50 each. Six card sheets are \$3.00 and 9 card sheets are \$5.00.

We have added new games! We have added a “Speedy” at the beginning and now have a “50/50 Cash Drawing” at the end of the night.

If there is anyone wishing to play a second night, Riviera Mobile Home Park (right next door to the north of us on US 19) will now be open year-round on Mondays at 6:30 PM. They were normally closed for Bingo from May to November.

You must be 18 years old to play. It's a fun night out, all residents are welcome, and you can get a chance to meet new people. We have a great group of people, and we always welcome more to attend - the more the merrier! This also means the bigger the pots to win.

## Shuffleboard/Fun League

Chuck Bellinger (727-729-5039), George Wagner (716-604-6370)

## WATCH THE BULLETIN BOARDS AND THE MONTHLY MEDIA FOR MORE INFO

A note to all that may be interested in Shuffleboard. The last official shuffle gathering in Serendipity was March 2019. Covid ended shuffling for two years. At that time, we had a president, vice president, secretary, treasurer and four team captains. We played on Tuesdays and Thursdays from 1 to 3 pm. We had about 40 to 50 people playing 10 to a team. Over these Covid years we have lost many of the past participants, but we can get a shuffle group going if there is enough interest. The only people left as officers are Jan Barrett, Vice President, Jim Lewendowski, treasurer, and me.

To get back to what we were before we would need officers and captains. Serendipity has a long history of shuffling. As late as 2017 we had two traveling teams and a fun league. There were 16 people each on the A and B traveling teams and normally 50 to 60 people in the fun league. I am not suggesting we get back to traveling teams but a fun league within the park is possible if there is interest. But we would need people to pitch in and help get this going again. We will put a signup sheet at both club houses that will be there all summer. If interested, please sign up and mention if you are interested in being a captain or if you're interested in being an officer. None of the present officers are here in the summer. We really should elect new officers also if we get something going. Normally the fun league does not start until January.

*Try it you will like it! Chuck Bellinger, President*
