## ON THE COVER:

**C**ongratulations to Jim and Sandy Wallen on their 55th wedding anniversary. A wonderful celebration held in the clubhouse with family and friends.

## FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

**“Well, it’s been quite a summer.....”  
Breakfasts, and dances and cookouts too  
Though our friends may be fewer in number  
Each event got a rave review.**

**L**ots of new things are being discussed for the upcoming season, and we hope that our northern friends will all be helpful In making them as successful as the summer activities have been. Welcome back everyone. Remember, dances are great fun, but we have many other activities in the plans, and all of them need volunteers to make them happen. Please let Linda know if you have any time to help with planning and implementing these ideas. Especially if you have any expertise in an area that could help such as decorating, cooking, or just plain “grunt” work. Our new manager is helpful in planning ideas, and we look forward to more events as the year goes forward

Speaking of volunteers, we need a few for specific functions. It’s almost time for the annual “Rita Sullivan food drive” and we will need help coordinating it, since some of our prior helpers are no longer here. We need someone with computer skills to keep the DVD library up to date. Soon we will also be looking for a person to take over the position of voice editor. Computer skills are needed for this job as well and should be a year round resident.

See you next month

## FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

**O**ur summer is over with Labor Day here and gone. We will be looking forward to seeing all our friends from up North returning to the park. The fall colors will start to take shape. Please keep in mind we still have problems with the Covid going around and I hope you are all taking care. If you feel sick, please stay in your house for the time the CDC recommends. We want to have a nice winter in the park, and we need to take care of each other. Keep in mind they are now giving the flu shot and I don’t think it would hurt anyone to get it.

I want to thank everyone that helped with the Labor Day lunch, a big thanks to Harold and

*Continued on page 6*

Donna for doing all the shopping since I was up north. We will be working on trying to get things together for Thanksgiving Dinner. We will give more details at coffee hour each week. So, stay safe have a good trip back to us and we are looking forward to seeing all of you.

## CAN YOU FIND IT??

---

Here is the photo of the item searched for in last month's voice. The "bird" appeared in the front planter of lot #974. Thanks for permission to print the photo.

We had 5 winners in last month's contest. Each received a free entrée in the weekly

draw at coffee hour, and a free donut. The winners were: Betty B, Barb T, Maybelle W, Tammy H, and Jim W.

Let's start a new search: Here is something that long ago was almost a necessity for every home. It currently sits in a planter in a home here in Lincolnshire, but has a new job, now being only decorative with a plant. Once it was needed to quench your thirst, and someone always had the job of making a trip to use it. There was always a method to create a "prime" even in hot dry times. Your arm could get tired when using it. Start searching!

## THOUGHT FOR THE MONTH:

---

“End of one month makes way for the beginning of another month, keep that positive vibes alive and let go of those negative vibes, allow not your spirit to be shaken, be determined and nothing you do will be short of glory, you just need courage with a little faith. You will definitely see good results.”

## DVD LIBRARY UPDATE:

---

**E**ffectively immediately, the new Honor System DVD LIBRARY is available to all community residents.

Most have been donated by the residents over many years.

Should you wish to contribute, please see the Current Librarian first. Do not place them in the cabinets.

You will notice 3 new cabinets just below the TV screen. DVD's have been sorted and categorized for your selection.

We ask that you maintain the area in a neat manner. Always close the doors when finished.

When returning your DVD, insert it in the same cabinet along with same color code as shown in the attachment.

For the time being a complete listing of over 700 DVD's is available by email only .

Send an email request to below address with your lot number, name & email address.

We hope there will be a new DVD Librarian which will be announced soon.

Looking for a couple volunteers. One of you must have EXCEL on their computer.

## LINCOLNSHIRE HISTORY:

---

*By: the "new - old timers"*

**T**he beginnings of a new column here in the voice, we are happy to be able to share some of the history of our community that has been buried for some time. Things that many owners know nothing about. Some things that are discussed in this column will surprise you. Over the next months we will share a little at a time – “From the beginning.” Articles, interviews from the past, and research are all part of the tales we will tell.

Did you know that long before there was a Largo Florida, there was a large, beautiful lake located just a few hundred yard east of what is now Lincolnshire estates?

That entire lake was drained. Why and where did all the water go? And what is that small body of water now just south of the park behind 15th street?

An early survey (1844) shows “Lake Tolulu” in the immediate area (credit Pinellas County Museum) the lake was renamed “Lake Largo” by a surveyor in 1882 – using the Spanish name for “large” The lake was situated mostly on the property that is now East Bay Golf Club and partly on the property that is now New Haven Condominiums.

More about Lake Largo, the draining or the lake and the beginnings of Largo next month  
Stay tuned

# Dial Directory and Database

By Donna Wurtz (#938.....509-1182.....momshse@aol.com)

The dial directory for the 2022-2023 year has been submitted to the publisher. We thank everyone who sent in their changes to be published in the book and welcome our new residents who have completed their forms to be included.

For those who did not choose to fill out the forms, please note you will not appear in the dial directory until 2023-2024, and if you have not provided your number to the directory editors, you will most likely NOT receive any notifications that may be provided by your block captains. Therefore, please do not make complaints regarding non-notifications of things like water shutoff, as we cannot call you if we don't have a number.

The new book has been delivered over the summer months and distributed to your block captains for distribution. Those who are part time residents can expect to be able to pick up their new books from their block captains upon their return in the fall.

Meanwhile, please add or delete the following listings missed by the publisher in your existing Dial directory. **BLOCK CAPTAINS PLEASE TAKE NOTE:**

Please Delete: Roper/716, Lemke/1506

New additions:

#716: Dave & Jill Douglas 443-480-2126

#1506: Frank & Renee Culp 309-231-6880

For those who are new, please address any questions directly to Donna Wurtz at lot # 938, (phone number above)

Please remember the only way we can publish your name & number as being a resident here in Lincolnshire is if you fill out the form and return it to lot #938. The office cannot share your information to us, and the book is published only once each year.

Thank you for your cooperation.

**H**alloween is a great time for festive snacks in an eerie style. Try these spooky devilled egg spiders - shared by Linda Casey: Looking for spooky treats and Halloween dinner ideas? We've got you covered when it comes to delicious recipes that also serve as Halloween appetizers, the key to a truly great Halloween party is creating the spookiest night of the year with everything from spooky decorations to a dinner table that has a bit of a scare factor.

### Ingredients:

Hard boiled eggs                      Mayonnaise                      Dijon Mustard  
Salt & Pepper to taste              large black olives

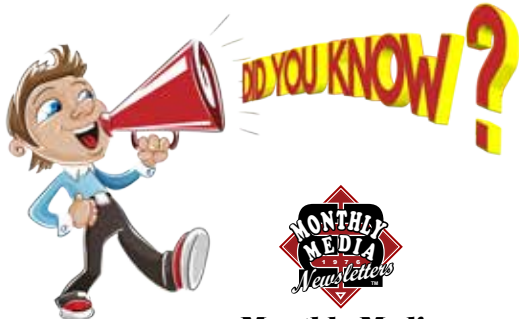

Prep the olive: cut 6 in half and set aside. Cut 6 more in half, and slice the halves into ½ moon shapes.

### For the eggs: DIRECTIONS

2. Stir in mayonnaise, mustard, salt, and pepper.

**W**ith the leaves turning and cold weather coming, we snowbirds are looking forward to our return to Lincolnshire.

There will be no scheduled meetings with the welcome committee in the near future. There are very few new residents at the moment. Marge will be visiting any new residents. Anyone who is new, please contact Marge at the number above. Also, don't forget to fill out the dial directory phone form and give it to Donna at Lot 938. This is important if you want to have your name in the phone book.

## LIBRARY:

BY: Cynthia Varga..... (lot #163.....584-6402)

---

**I**t never ceases to amaze me that people who read books, can't read signs. I've asked repeatedly for books that are being returned to the library be put into the cabinet.

That's what it's there for.

When you attempt to help me by shelving your returns, it messes up my system.

I appreciate that you mean well, but it makes more work for me.

If you have many books to donate, it would be very helpful if you brought them to my coach so I can sort them first.

## I GOT IT:

By: Shirley Bettencourt..... (lot 874.....508-207-3659)

Come and play “I got it,” played on the second and fourth Thursday each month. The group is getting larger, and we will continue to play throughout the summer. Lots of great comments about the difference between “I Got IT” and “Bingo.” If you haven’t tried it yet, come out and have the fun we have. The group is much more interactive, and everyone had a fun time in addition to winning prizes.

## Sunshine Committee

By: Mary Jo Webert & Marge Kristall

### October, 2022

October the month of change for us full time Floridians. The middle of the month usually starts the break in our daily humidity highs, cooler temperatures at night and less rain. We are all looking forward to fewer

showers after a wet end of August and beginning of September. I for one cannot wait to get out my Fall decorations. Autumn was always my favorite time of year up north. Peter & I will be making a trip to Buffalo in mid-October for a great nephews wedding. Looking forward to spending time with the wild & crazy bunch of folks we call family. Cannot wait to enjoy tastes of autumn, fresh apple cider, baked apple pies, apple fritters and the best tasting apples fresh from the orchards, don’t forget the colors on those trees, yellow, orange & red.

Thanks again to Linda Casey & all the Social committee members that helped make our Labor Day cookout a great success. We had a great summer of cookouts this year! Hope we can do it again next summer.

Welcome back to some of our Snowbirds!! We missed you. Hope you all had a great summer and are ready for lots of fun gatherings with your Lincolnshire neighbors over the next 6 months. Make sure you circle those calendar dates from the Voice so you don’t miss any of the fun.

Well for us Seniors its Medicare enrollment time starting October 15th. Every year we get overwhelmed with in-mail flyers and TV & print Ads listing all the benefits their plans can offer over and above base Medicare. Do not be afraid to ask questions. Make sure the Doctors you currently use are enrolled in a plan if you choose to change plans. It is a tough time for us Seniors with so many plans to choose from. Check the Voice October calendar for dates when

October 11th is also the last day you can register to vote in Pinellas County for the November election 2022. Do not forget there is a referendum on the November 2022 ballot for Largo residents only! Our chance to say NO to the purchase of eighty-seven acres of land for the Recreational Sports Complex that Porter Development wants to build in our backyard. It has been many months since they first spoke to us as a community, but we still have a chance with our vote to possibly stop the land purchase. If you are not a registered voter (new to Florida or just never bothered to register) you might want to think about registering. Primary positions up for re-election are also Governor, State Senator and open Commission seats for the City of Largo. Voter registration can be done on-line or in person at the Board of Elections on Starkey Rd.

HAROLD WURTZ {Lot 938....459-0394.....bigchees99@aol.com}

**T**hank you to Karen Ward for sharing this message with us when we lost Wicket. Sharing now with others to remember.

Just this side of heaven is a place called the rainbow Bridge.  
When an animal dies that has been especially close to someone here,  
that pet goes to the rainbow bridge.  
There are meadows and hills for all of our special friends  
So they can run and play together

All the animals who had been ill and old are restored to health  
And vigor, those who were hurt or maimed are made whole and  
Strong again, just as we remember them in our dreams of days  
And time gone by  
The animals are happy and content, except for one small thing:  
They each miss someone very special to them  
Who had to be left behind

They all run and play together, but the day comes when  
One suddenly stops and looks in the distance.  
His bright eyes are intent, his eager body quivers.  
Suddenly he begins to run from the group, flying over  
The green grass, his legs carrying him faster and faster

You have been spotted, and when you and your special friend  
Finally meet, you cling close together in joyous reunion  
Never to be parted again. The happy kisses rain upon your face;  
Your hands again caress the beloved head.  
And you look once more into the trusting eyes of your pet,  
So long gone from your life but never absent from your heart.

Then you cross the rainbow bridge together

Military retirees and veterans receiving disability pay from the Department of Veterans Affairs are likely to see record monthly check increases for the second year running thanks to the pace of inflation, according to new estimates. The annual VA disability pay and military retirement cost-of-living pay adjustment, known as COLA, is typically tied to the Social Security rate change, which will likely be announced in October. An early projection based on national inflation data by The Senior Citizens League (TSCL), a nonpartisan senior advocacy nonprofit, estimates rates will rise by 9.6%. That increase would be the highest veterans and seniors have seen since 1981, when it went up 11.2% in response to inflation at the time, according to a TSCL press release. For 2023, that means military retirees would see an average increase of more than \$240 in their monthly retirement checks. Veterans receiving disability compensation from the VA also would see their monthly disability payments increase, with the average monthly amount going up by more than \$150.

As many of you probably know the Pact Act has finally passed. The law had called for phasing in conditions for many of the eligible veterans over the next several years. Instead, the VA will start processing claims for all beginning on Jan. 1, the "earliest possible date" the department can address them, McDonough said. "Veterans have waited too long for this care and these benefits already, and we're not going to make them wait any longer," McDonough said.

The law added 23 conditions to a list of presumptive illnesses considered related to burn pits, including certain types of cancer and respiratory illnesses, but they were to be phased in over the next three years, with those who are terminally ill, elderly or survivors having priority and eligible to file immediately.

The law also added high blood pressure to the list of illnesses presumed related to Agent Orange, a provision that could affect up to 500,000 Vietnam veterans. Most Vietnam veterans, except for those who are terminally ill; facing financial hardship or homelessness; or were 85 and older, weren't eligible to file a claim until October 2026, according to the law. However, the PACT Act gave the VA the authority to move more quickly, and McDonough said the department wants every veteran to "get the care they need and their benefits they've earned."

## A Nurse's Self Care Toolbox #52

Allyn Weibert, RN. Lot 1438, Lincolnshire Estates  
allynweibert@gmail.com

New research shows fatal falls have tripled in older Americans in recent years, rising to more than 35,000 fall related deaths yearly. Not good. Not to mention the impact on our lives when we do fall resulting in injury.

Traumatic and life altering brain injuries often happen from hitting hard objects like sinks, tables and concrete steps. Falling backward can result in a severe concussion too. Plus the associated hip/leg/ankle fractures leading to a very steep health decline are among causes of death in older adults who fall. Older adults fall forward. That is why so many broken hips, wrists, elbows and shoulders plus a nose or two. We no longer fall backwards as we did as toddlers. Cushy back there.

Reasons deaths with major injuries from falls have increased because we are living longer, independently, and are living with other medical issues that can effect mobility and sensation.

Some medications can make us prone to falls. That includes prescription drugs affecting balance. Certain psychiatric medications that can cause drowsiness and vision problems has increased substantially in recent years.

Falling is not 100% preventable though you can get pretty dog-gone close. If you want I certainly do. That's a great goal for all of us at Lincolnshire or at your home wherever that wonderful place is. Falls can happen anywhere! And Do! We can't fall up from the floor but the floor can cause us to fall. More on that later (a ploy to keep you reading.)

Let's face that fact that all our senses begin to age often accelerate as we get older. And the senses don't always age in the same manner or rate. Sight, Sound, and Touch are used constantly to assist in propelling all of us and our movement. When a person's ability to hear is taken away they are tentative. Simple example. You are walking on loose gravel, you feel it through a sense of touch, hear the crunch plus see it. Our pace gets adjusted to slower and bit more cautious. Gosh we are miraculous. Well I think so. Always did.

Speed is a major culprit to falls. Seems the older we get many of us want to get things done faster. Don't want to waste time. Whatever trek we make now just has to be a bit more calculated to ensure we not only get to where we are going but get back successfully. Stop the hurry!

*Continued on page 40*

Let's take a peek at well-known household hazards (they don't have blinking yellow lights but really should.) Number one is throw rugs on wood floors or tile. We either can slide or get caught up on them. Secondly it is electrical cords especially vacuum cleaners etc. Third is uneven floor surfaces like carpeting to wood or tile then back to carpet. Many falls in Lincolnshire are caused by the homes steps. I always use the railing no matter where. The last biggie is the bottom lip of a walk-in shower. I know this very well! Also carrying a laundry basket out the back door to the shed.

Outside our homes there are plenty of obstacles to overcome. Steps, curbs, parking space spacers, changes in the walking level and surfaces that are waiting for us. Eyes wide open here!

The last significant item is called distraction and pre-occupation. When I would ask someone who had recently fallen what was going on right before they fell. "I was talking and looking at my friend and didn't see the curb or step or my cell phone rang as I was trying to get it out of my pocket or purse." Eyes are our radar. Always keep looking forward while walking. Pay attention!

I believe you get the picture here. Even familiar surroundings have surprises.

Last attentions to our health are: get our yearly flu shot and pay attention to whether further Covid jabs are to be strongly considered. See you next month.
