HOA News

In October we will start to see our northern neighbors return and our park gets back into full swing! There are many varieties of activities available, check out the calendar in the media and try some out. I guarantee you will make friends and enjoy yourself. Additionally the HOA is always looking for volunteers to serve on various committees. Please contact a Board member or drop a note with your contact information in the HOA's drop box located on the wall by the kitchen in the clubhouse if you can help out.

In September the Board met with Kim Zuke and Scott Ottesen to discuss concerns of the residents. The minutes from that meeting were shared at the Board meeting in September and will be posted in the HOA's bulletin board located in the clubhouse. Also, my plan is to write "From the Desk of Penny Thompson" and to distribute them to your park mailbox. It will contain a variety of information on the park happenings, the Board's goals and accomplishments, etc.

It is not too late to pay your dues for 2021 and become a "Member in Good Standing". There are benefits to this designation as well as supporting your HOA. Join the HOA's Facebook

RENT INCREASE

Upon acquiring a property in Park Royale Mobile Home Park (MHP) you should be given a copy of prospectus including the lease, site document and rules and regulations. If you are purchasing from an individual either by a direct sale or via a real-estate broker, they ought to give you this documentation. Upon approval of your worthiness via a security background check the park management will complete the lease and also confirm that you have the governing documents. If you purchase the property from the park management’s real-estate broker they should provide you with a package of all these documents along with the sale and tax documents. If you have lost the prospectus and its attachments you can download the most current documents from the DBPR website at http://mygovhelp.info/FLDBPR/_cs/supporthome.aspx.

The amount of your monthly land lease amount will be included in the annual lease document along with the method of increasing the monthly rent in January of the following years. There are generally three methods of rent increases. The basis for the changes in the annual lease amount computation:

1. Base costs: changes for water, sewer, waste, maintenance, management, property taxes, major repairs, state and local government actions, and utility company;
2. Prevailing market conditions: rents and charges paid by comparable parks in the same general vicinity;
3. Prevailing economic conditions: factors considered by a prudent businessman: replacement costs; interest rates; alternative investment opportunities; Consumer Price Index (CPI); rate of return on owner equity (stock dividends); other economic factors.

Owners are to be notified 90 days in advance of an increase in the Lot Rental Amount. Depending on how you compute 90 days or 3 months you should expect to receive a notice of change on or about October 1st .

In review of the past annual changes in rent, my research suggests that the last time the rent did not increase was in 2007. At that time the charge for water usage was removed from the monthly lot lease base rent and became separately billable. It appears that the monthly amount was reduce by \$32 dollars with the issuance of a separate water usage billing. There was more to that agreement and as that information becomes available, we will share it with you.

The Royalites Social Club Report

Fall is here and we want to welcome back all our northern neighbors! The Royalties have a lot of fun activities planned for the season. This month we have two craft nights, a ladies lunch out, a Bunco night and a Halloween party with a DJ that will offer music and karaoke. We are looking forward to seeing you all!

Next month on November 5th from 8 am to 2 pm the park will be holding a Christmas craft and garage sale, so everybody needs to get all their treasures together to sell! The cost will be \$10 if you would like a table in the clubhouse and \$3 if you will be setting up at your home carport. We will also be allowing outside vendors for this event if you know someone who may want to come and sell their crafts. Contact Jane Williams for more information at 574-540-1394 or email her at jimjane1394@gmail.com.

If you are interested in connecting with the Royalites, please contact Cathy at cmaringer@acegroup.cc with your email address. If you are on Facebook, we have a Park Royale Facebook Messenger page and a Royalite Events page. We can add you to that too. **Remember, if you live in Park Royale, you are a Royalite!**

A study to help fully understand what our faith looks like, help us be able to explain it clearly and defend it.

In today's culture it is critical for us to be strong and not back down. To be a testimony for what Jesus Christ did for us. This study will guide us to delve into a deeper level and understanding of what we are here for.

The study will have a DVD presentation in and then a discussion time. All are welcome! Gloriaes6d@gmail.com

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
