Mission Statement

Lake Seminole Resort is a vibrant resident owned 55+ community with opportunities for all to live in an engaged lifestyle.

Vision

We envision a community of neighbors working together in private, voluntary associations to build a vibrant, premier community neighborhood through the management of common areas, enforcement of rules and regulations, support of social initiatives that strengthen bonds among residents, and investment in capital improvements that benefit the greater good.

To: Lake Seminole Resort Residents

From: LSR Board

Subject: Monthly Activity Report: Sept 2022

Dear Fellow Residents:

Hurricane Ian: LSR was very lucky. Hurricane Ian moved south of the Tampa/Clearwater/St. Pete area at the last minute and spared the park from major damage. There are currently (as of this writing) two tropical depressions in the Atlantic on a similar track as Ian. Please stay vigilant.

Pinellas County Water Proposal: Voting has concluded for the Pinellas County water and sewer proposal. The County proposal was approved:

171 yes votes

14 no votes

The Board will meet on 7 November to ratify the vote.

Compliance: Some residents received letters regarding yard maintenance. Please make sure you maintain your property as required in the MOA and Rules and Regulations.

Maintenance:

- New pool filters and enclosures were installed in the pool room. There is a continuing issue with leaks in the pool room.
- The TV in the hall will be replaced in September.
- There is an erosion issue by the dock area. Last year several areas where the water runoff from the hall and the shuffleboard courts were causing problems were fixed. This is a continuation of the work that needs to be completed.
- The cameras in the park are still not up to par. Our supplier continues to work to correct the wiring issues from the cameras to the office area.

Rules and Regulations: Revised Rules and Regulations will be sent to shareholders via

email in the next few weeks. Shareholders will be asked to comment on the changes.

Trespasser: Local police were called on a person trespassing in the park during hurricane Ian. The person was apprehended, and the Park intends to pursue charges.

Lake Weeds: The board received several complaints regarding the condition of the weeds in the lake. Advanced Aquatics was terminated as the vendor spraying the lake weeds for LSR. A new vendor has been selected and will start the week of October 3rd.

As a reminder, the board currently intends to include a resolution at the AGM for spraying lake weeds along the lake front properties. This vote will determine whether the maintenance fee will pay for the additional lake weed spraying. Once a vote is taken, the matter will no longer be a board issue as the shareholder vote will be binding.

Email Blasts: In order to insure each shareholder is getting the latest information from the park, please make sure you are registered with the office to receive email blasts and receive voting information via email.

Legal: Foreclosure documents have been filed with the courts on the Wyatt property.

Financial Status:

- Financial information for August is posted in the hall.

Board Meeting: Next board meeting is scheduled for 7 November 2022 after coffee. The meeting will be in person in the hall and via Zoom. An invitation will be sent to all shareholder via email.

Best Regards,
Steve Schaefer

Interfaith Food Pantry

Thank you for continuing to donate for the Interfaith Food Pantry even through the summer and rising food prices. As much as the prices have risen for us, consider someone who is living on the edge every day, wondering how they will have enough to pay their family.

The Interfaith Food Pantry continues to fill this need for more and more of our food insecure neighbors. During just the month of August, the pantry served over 300 families which included almost 1200 individuals.

With Thanksgiving and Christmas approaching, the need will only grow. Your continued donations will help to supply these needs.

A recent letter from one of the leaders of the Pantry, thanking us for our donations stated: “It is because of you we have been able to remain open and continue serving our community. Our heartfelt thanks goes out to you”

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

The Armistice Day Blizzard rocked the nation

Nov. 11 is Armistice Day (called Veterans Day in the United States), the date in 1918 that marked the end of World War I. It's also the date of one of the biggest snowstorms ever to hit the U.S.—the Armistice Day Blizzard of 1940, which killed 150 people and thousands of livestock in the Midwest.

According to the National Weather Service website, a strong weather system originating in the Pacific Northwest destroyed the Tacoma Narrows Bridge on Nov. 7, and moved across Colorado by Nov. 10, headed for the central states. In Minnesota and western Iowa, Nov. 11 started out with temperatures in the 50s, prompting many duck hunters to head out in search of game. At first these hunters were pleased with the number of ducks and waterfowl flying overhead, not realizing they were fleeing the oncoming storm.

When temperatures dipped rapidly, falling rain turned to sleet and snow, and hunters in boats encountered 15-foot swells and winds of 70-80 mph. Hundreds lost their boats, and many drowned or froze to death when the early moderate temperatures dropped below freezing.

The storm created drifts of snow up to 20 feet high across the Midwest, burying cars and stranding passenger trains. Three large ships in the Great Lakes sank, with a loss of 58 sailors. Iowa's apple industry was devastated by the storm, causing farmers to shift from orchards to fields of corn and soybeans.

The storm forced the National Weather Service to revise its forecasting procedures. Instead of being directed by the Chicago office, forecasting responsibilities shifted to regional centers that could offer more timely and accurate weather predictions.

On the scene at the first Thanksgiving

We all know the story of the first Thanksgiving—how the pilgrims who settled in Plymouth, Massachusetts were aided by a Pawtuxet native named Squanto who taught them how to cultivate corn, catch fish, avoid poisonous plants, and other necessary skills for survival.

After the pilgrims' first successful corn harvest in November of 1621, Governor William Bradford invited the Native Americans living around the colony to a feast of celebration. Here's how one Pilgrim, Edward Winslow, recorded the event:

"Our harvest being gotten in, our governor sent four men on fowling, that so we might after a special manner rejoice together, after we had gathered the fruits of our labors; they four in one day killed as much fowl, as with a little help beside, served the Company almost a week, at which time amongst other Recreations, we exercised our Arms, many of the Indians coming amongst us, and amongst the rest their greatest king Massasoit, with some ninety men, whom for three days we entertained and feasted, and they went out and killed five Deer, which they brought to the Plantation and bestowed on our Governor, and upon the Captain and others. And although it be not always so plentiful, as it was at this time with us, yet by the goodness of God, we are so far from want, that we often wish you partakers of our plenty."

And that's what Thanksgiving is all about.
