HOA New Year's Eve Party Plans are still in the Works!

The IITS HOA New Year's Eve Party is still being planned. This is a popular event that sold out last year. Grant Hemond has been booked to provide musical entertainment for the evening. Ticket prices and sales will be announced after Thanksgiving once we have confirmation the clubhouse will be reopened. We need your assistance to make this a successful event. If you would like to take part in the party planning, we welcome your help! Please reach out to any HOA Board member. If you cannot help with planning, consider volunteering for setting up and decorating earlier that day, serving food during the event or cleaning up the next morning. We need our community to be a part of our community events!

Resident Spotlight

Phil and Tammy Blaisse, Lot 297

This month we are featuring Phil and Tammy Blaisse who reside at Lot 297 and have lived in IITS since March of 2021.

The couple first met when they were both Air Force active duty, stationed in Myrtle Beach. One night in 1984, Tammy's supervisor invited her to a club on base. She met Phil and they ended up going downtown together, walking on the beach and talking all night. Six weeks later, Phil popped the question and six weeks after that, they were married. They celebrated their 38th anniversary on August 10th. The couple has two sons, one lives locally and the other lives in upstate Oklahoma with their three grandsons.

Tammy is originally from Indiana and Phil is from Philadelphia, so he is "Phil from Phillie". He is an Eagles football fan and their home is adorned with his brother's collection of eagle sculptures. In 2015, they were living in Oklahoma when Tammy was offered a promotion. They knew they wanted to retire to Florida and Phil's brother was living in Dunedin, so they made their plan to relocate. Tammy moved first but it took 3 years of a long distance relationship before Phil was able to join her full-time in Florida.

Phil was in the Air Force for 20 years and is now a civilian contractor working through MacDill Air Force Base. He currently teaches continuation training to boom operators on inflight refueling through academics and simulators. He finds this less stressful than actually training in the air with students as he did in Oklahoma!

Tammy was in the Air Force for 6 years as a fuel systems mechanic. She now works for CAE USA, the same company Phil ended up working for after his military retirement. She says she "herds cats" for a living and is in a jack-of-all-trades position. Primarily, she works as a program coordinator updating simulators in operational flight trainers, insuring modifications to aircrafts are reflected in the OFT, keeping it current.

In their down time, the couple loves to go on cruises together as well as with friends and family. They began taking Carnival cruises before the Covid pause and have resumed enjoying trips throughout the Caribbean. Just this year, they will have completed three cruises by the end of 2022!

When asked what they like about living in IITS, they agree it is the community. They really enjoy socializing with their friendly and outgoing neighbors as well as working together to make our neighborhood a better place to live. Tammy has recently stepped up and become our HOA Treasurer and successfully hosted the Labor Day picnic. Together, she and Phil hosted the Halloween Cart Crawl and Poker Run and they also take part in Chit Chat on Friday nights.

Thanks for this Kindness

Contributed by Carol Robertson

One of the first things my husband did when we moved here 20 years ago, was put up the USA flag. God and Country meant everything to him. Recently, I had to remove the last one that I had put up because it was torn. One day, I was out doing errands and as I pulled into my driveway, my eyes went directly to a new flag!! I was filled with much emotion and got busy asking family and friends if they did it so I could say “thank you”. They all said they did not have anything to do with it. I can only feel that someone here in the park did this. I want to reach out with my “Thank You” and sincere gratitude for this wonderful act of kindness.

Pet Spotlight

Zoe, Mischief, Onyx and Oakley are the kitty quad that live with Phil and Tammy Blaisse. You may know their home on the corner of Trinidad and Kingston from them posing in the windows, either on their cat tree in the kitchen or the back of the living room couch. Believe it or not, Phil did not used to be a cat person and at one point declared they would never have a cat in the house. Zoe is the queen on the household and the oldest at 13. She was a Christmas present back in 2008 when she was rescued from the pound as a tiny kitten that fit in the palm of your hand. Mischief is 12, he and his brother were adopted when some friends were moving an unable to take the cats with them. When Mischief lost his beloved brother, Tammy set out to get him another friend. She headed to a Tampa cat rescue where three black kittens were waiting to be adopted. Once she arrived, two were left to choose from. Tammy says she's glad one already found a home or all three may have come home with her! She could not choose so she scooped up both Onyx and Oakley and took them off to start their new wonderful life.

Our accomplishments are numerous and include the creation of Florida Statute 723, "The Florida Mobile Home Act", which safeguards your rights as homeowners on rented lots in Florida.

Most recently we've successfully lobbied for the extension of The Mobile Home Tie-Down Program for 10 more years.

NOVEMBER CALENDAR

American Diabetes Month. For the millions of people at risk for diabetes, November is a time to get educated, find resources, and make sure everyone is aware of their risk. And for the millions of people living with diabetes, it's a chance to tell their stories and awaken the world.

National Epilepsy Awareness Month. One in 10 people will have a seizure in life, and one in 26 will develop epilepsy during their lifetime. Emotional health is important for people with epilepsy, along with their family members, caregivers, and friends. With the power of community, we can bring hope to everyone experiencing the challenges of epilepsy.

National Native American Heritage Month. What started at the turn of the century as an effort to win a day of recognition for the first Americans and the significant contributions they made to the establishment and growth of the United States has resulted in a whole month dedicated to that purpose.

National Runaway Prevention Month. National Runaway Prevention Month is a public awareness campaign designed to spotlight the experiences of runaway and homeless youth who too often remain invisible, and to highlight the resources available to support youth in crisis around the nation.

Daily

National Animal Shelter Appreciation Week, Nov. 5-11. There are approximately 3,500 animal shelters across the United States, housing the estimated 6-8 million homeless animals that seek refuge each year—only half of which are adopted. National Animal Shelter Appreciation Week is a perfect opportunity for you, your family, and your community to become acquainted with your local shelter and help homeless pets.

Hunger and Homelessness Awareness Week, Nov. 12-22. Hunger and Homelessness Awareness Week is an annual program where people come together to draw attention to the problems of hunger and homelessness. Participating groups spend the week holding a series of educational, service, fundraising, and advocacy events.

National Nurse Practitioner Week, Nov. 13-19. National Nurse Practitioner Week is held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so nurse practitioners will be allowed to use the full extent of their experience and education.

Geography Awareness Week, Nov. 15-19. Established by presidential proclamation more than 25 years ago, this annual public awareness program encourages citizens young and old to think and learn about the significance of place and how we affect and are affected by it.
