RECIPE OF THE MONTH

Turkey Breast Roulade with apple, corn bread and sausage

Ingredients:

- 1 TBSP. Olive oil, divided
- 1 medium fresh apple (Gala variety, peeled and finely chopped)
- 1 Rib Celery (finely chopped)
- ½ cup Onion (yellow variety, finely chopped)
- 7/8 tsp. Kosher Salt, divided
- 5 oz. Sweet Italian Sausage
- 1 TBSP. fresh Rosemary, finely chopped
- 3 ½ oz. prepared Cornbread, crumbled (about 1 cup)
- 2 TBSP Fresh Parsley, flat-leaf, finely chopped
- 2 TBSP. Maple Syrup
- 1/8 tsp. freshly ground black pepper, or to taste
- Boneless skinless turkey breast, uncooked, butterflied and flattened to ½ inch thickness

Directions:

1. In a large skillet with lid, heat 1 tsp. oil over medium heat.
2. Add apple, celery, onion and 1/8 tsp. salt.
3. Cook, covered, stirring once or twice, until mixture is tender, 8 – 10 minutes.
4. Add Sausage and rosemary; continue cooking (uncovered), stirring occasionally and breaking up sausage into small bits with a wooden spoon, until sausage is cooked through, 5-7 minutes more.
5. Remove pan from heat: stir in corn bread, parsley, maple syrup, ½ tsp. salt and generous pinch of pepper.
6. Transfer to a large plate to cool.
7. Lay turkey breast flat and season with ¼ tsp. and generous pinch of pepper.
8. Spread corn bread filling on top, leaving a ½ inch border. Starting at one long side, roll up turkey jelly-roll style, and secure with kitchen twine if necessary: place in a baking dish. (Roulade can be prepared 1 day ahead; cover and refrigerate.)
9. Preheat oven to 400 degrees with rack in the middle. Drizzle remaining 2 tsp. oil over roulade; roast until thermometer inserted into thickest part registers 165 degrees, 40-45 minute.
10. Remove roulade from oven; transfer to a cutting board and let rest at least 15 minutes. Slice crosswise into 8 thick or 16 thin pieces, serve.
11. This is a great substitute instead of stuffing and cooking a whole turkey for only 1-4 people.

12. As a side dish, make Fresh Cranberry-apple Relish.
13. 12-ounce Fresh Cranberries,(frozen also works, no need to thaw); 1 large fresh apple (peeled, cored and cut in chunks) 2/3 cup sugar, ½ tsp. lemon zest and ¼ tsp. table salt.
14. Put cranberries and apple in a food processor; pulse until finely chopped and spoon into a medium bowl.
15. Add sugar, lemon zest, and salt to bowl. Stir, cover and refrigerate at least 30 minutes for flavors to blend.

Serving size: 1 ½ rounded tablespoons

May be stored in the refrigerator for several days. just add a dash of lemon juice before storing to prevent apples from

LIBRARY

Every month I try to pick a book and give a report of a new author. So, I pick this book, “A Trick of Light”, by Stan Lee and Kat Rosenfield. As usual I look up the author on the internet...which made me find my Grandson, Sam, and ask him “Why didn’t you tell me who Stan Lee is?” His reply was “everyone knows who Stan Lee is.” Not me! In case you do not know, he is Mr. Marvel! He helped to create Fantastic Four, Spiderman, Hulk, Avengers, X-Men to name a few! Stan Lee was born and raised in New York City.

In “A Trick of Light”, we have A I (artificial intelligence). Have you ever wondered with all our high-tech electronics what would happen if an AI gained total control of them? This book explores what would or could happen.

Don’t forget the Library is open daily 10:00 a.m. to 6:00 p.m. and the WIFI usually can be accessed from the screen room anytime.

LADIES LUNCHEON

The Ladies Luncheon was held Oct. 12th at Roosterfish restaurant. There were 12 ladies and gentlemen in attendance.

The favor of the day was spiders, made of Oreo cookies and pretzels. Ron managed to eat 4 of them! Publix gift cards were won by Barb, Terry, and Ron, Ron all need help with our grocery bills! A Fun time was had by all.

The next Ladies Luncheon will be in January with Amy hosting. Hope to see more residents there, watch for the sign-up sheet.

EXERCISE IS BACK!

Hello! My name is Elaine Pepper, and I will be teaching a strength/conditioning exercise class for seniors here in the Park. Would you like to be stronger? More Flexible? Have more endurance and better balance? We will work on all those things using weights, stretch bands, and balls. We will stand or sit, no floor work required. We will be meeting every Tues. and Fri. mornings from 8:45 a.m. to 9:30 a.m. in the Clubhouse. This program is free, and available to both men and women. I am at Lot 833. Stop by with any questions.

FROM THE OFFICE

The
Office

Once again, we missed a “sure thing” as Hurricane Ian spared the Tampa Bay area. I estimated that about 60% of the residents heeded the mandatory evacuation order; unfortunately, some of them ended up in the path of high water that followed after the Hurricane devastated towns to the south of us. Even though mobile home parks are considered “mandatory evacuation” zones, not everyone has the resources it takes to leave, and shelters are a poor option. I just wish I could make you understand how important it is that the Office knows who is leaving (or staying)! If we ever get a major storm, residents may die because no one knows they are here, or time is wasted searching mobiles where the residents have left. Hurricane season runs through the end of November.

Important information for when we have an extended power outage or storm in our area: you should limit the use of water and flushing toilets when power is out, and for a few days after it comes back on. It takes power to run Embassy’s lift stations, and we are just a small part of Pinellas County, so we do not know if the county systems are up and running and able to accept sewage from our lift stations. You should wait a few days to do laundry after a power outage as this adds extra water to dispose of.

Speaking of laundry, we did lose more of the fence at the 12th street laundry; I am in the process of getting the entire fence replaced, whether wood or vinyl will depend on the price and availability.

The monthly calendar in the center of this issue may not be 100% correct, I had to use the information from last spring’s planning meeting as none of the park committees have confirmed any details for this year. The calendar will be posted in a display case outside of the Clubhouse back door (by the pool). I have ordered new display cases for flyers, one for the front of the clubhouse and one for the back (besides the one for the calendar). They will have locks on them, which will be available in the Clubhouse. The locks on the Clubhouse have been changed; if you qualify to have a key you will need to stop in the office, verify why you need a key, sign for it, and return it at the end of the season. When too many residents have keys, it is hard to hold anyone accountable when the lights and a/c are left on, or the doors are not properly locked. The bathrooms by the pool are not only for the pool users but also the shufflers until the Clubhouse is opened for their break. There will also be a key available for any resident who needs it for a one-time event. Hobby House keys remain the same, no one should have one except the Sewing Club and Bible Study.

Hopefully by the time you are reading this the pool deck will be refinished; as of today I am waiting on the company to get us on their schedule. If it’s not done yet, it will be closed for about a week when it is. We have had to wait for dryer weather and cooler temperatures to do it. Dennis Larocque is here for a week, Dennis, Roy, Patrick & Brandon fixed all of the broken straps on the pool furniture.

This is another reminder to all residents---I will be sending out letters, especially regarding

mold on the exterior and shutters of your mobile and messy backyards. Just a reminder, Park rules state that all mobiles must be power washed a minimum of once a year. There are several power washing companies that advertise in the News and Views; I use one of them, it is less than \$100 and he does an awesome job. Many back yards can't be mowed because the trees have become over grown and the mower can't get through. You are responsible for all trees and shrubs on your lot except the palm tree in the front of your mobile (if there still is one, many have died and been removed).

It is very hard for me to know when a resident moves in extra people, or underage people. I rely on help from the neighborhood watch and other residents who see new people coming and going. I will gladly verify with you if I am aware of any extra people if you bring it to my attention....I do not reveal my source when I confront them! Residents need to understand that you cannot move your adult children into your home just because they have no other place to go, or they have been arrested and need an address in order to be released! We are a 55+ park and I do not participate in what is called the 80/20 rule. The resident must have a doctor's letter stating they need 24/7 care, and the caregiver must be a certified caregiver in the state of Florida. I will sometimes make an exception for a short period of time while they find a place to go, depending on the circumstances. Anyone staying over 30 days needs a background check. I have people telling me they own the mobile so they can have anyone they want live there.... **WRONG!** Read the rules that you signed for, it is all spelled out in there.

Also, I would appreciate any articles from residents to enhance the News & Views...like what it was like preparing for a hurricane, especially the Canadians who had one in Canada and one here the next week, where you went on vacation, etc. (Still need recipes).

Jessie Buchholtz, Property Manager

SPECIAL BREAKFAST

On Saturday, October 8th a breakfast was held at the Clubhouse. Residents enjoyed scrambled eggs, biscuits and gravy, fresh fruit, coffee and tea.

Everyone thoroughly enjoyed the gathering of friends, especially after not being together since the pandemic.

Thank you to all who donated to the cause, it was greatly appreciated.

NOVEMBER CALENDAR

American Diabetes Month. For the millions of people at risk for diabetes, November is a time to get educated, find resources, and make sure everyone is aware of their risk. And for the millions of people living with diabetes, it's a chance to tell their stories and awaken the world.

National Epilepsy Awareness Month. One in 10 people will have a seizure in life, and one in 26 will develop epilepsy during their lifetime. Emotional health is important for people with epilepsy, along with their family members, caregivers, and friends. With the power of community, we can bring hope to everyone experiencing the challenges of epilepsy.

National Native American Heritage Month. What started at the turn of the century as an effort to win a day of recognition for the first Americans and the significant contributions they made to the establishment and growth of the United States has resulted in a whole month dedicated to that purpose.

National Runaway Prevention Month. National Runaway Prevention Month is a public awareness campaign designed to spotlight the experiences of runaway and homeless youth who too often remain invisible, and to highlight the resources available to support youth in crisis around the nation.

Daily

National Animal Shelter Appreciation Week, Nov. 5-11. There are approximately 3,500 animal shelters across the United States, housing the estimated 6-8 million homeless animals that seek refuge each year—only half of which are adopted. National Animal Shelter Appreciation Week is a perfect opportunity for you, your family, and your community to become acquainted with your local shelter and help homeless pets.

Hunger and Homelessness Awareness Week, Nov. 12-22. Hunger and Homelessness Awareness Week is an annual program where people come together to draw attention to the problems of hunger and homelessness. Participating groups spend the week holding a series of educational, service, fundraising, and advocacy events.

National Nurse Practitioner Week, Nov. 13-19. National Nurse Practitioner Week is held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so nurse practitioners will be allowed to use the full extent of their experience and education.

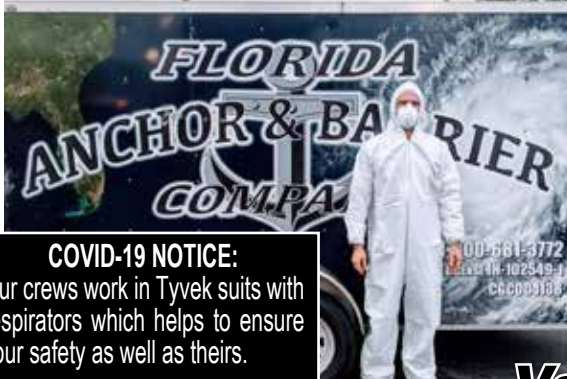

Geography Awareness Week, Nov. 15-19. Established by presidential proclamation more than 25 years ago, this annual public awareness program encourages citizens young and old to think and learn about the significance of place and how we affect and are affected by it.
