## ON THE COVER:

## FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

From the Editor

Great to see our northern friends returning for the season. Hope they all enjoyed their summer vacation homes, and welcome home to Lincolnshire. I'm sure we will have a lot of participation in the events coming up this year. We had a lot of activity over the summer and now we need more volunteers to continue over the winter. Up coming over this season, we have Thanksgiving Dinner (need table captains and help for cleanup,) Dances, Christmas events, New Year's Eve, the bazaar, Ladies salad lunch, Arts & crafts show (get your items ready for display and sale,) and much more. Sports are back up & running too. The thing we like most about Lincolnshire is the number of people who come out for fun events year-round. No more excuses – come out and join the fun

See you next month

## FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

We were very lucky that the storm did not hit us. Please remember during the hurricane season make sure if you are a snowbird that you put away items in your drive and garden. We don't need these items flying around and if you live here full time always have a plan. With everyone returning it is now time for all the fun. We have a lot of things planned. Please keep in mind the Residents Club is always looking for volunteers to help us with the different functions. Just look in the back of the voice and you will see what social events we need help with. We had a great summer and now it's time to have the fun continue.

So take care, stay safe and stay healthy

Linda

## ANNUAL RITA SULLIVAN FOOD DRIVE

Once Again, it's time for Lincolnshire residents to help the less fortunate in Pinellas County. We have been so successful in past years with the gifts to the local food pantry. This is the time of year that the need increases. Our drive takes place at this time and continues until the week after Thanksgiving because the food pantry gets depleted at Thanksgiving while the needs continue to increase. Let's see if we can set a new record again this year. We are famous for donating over 1000 pounds of food during the fall drive. Bins will be placed on the stage for your donations. When you shop Bogos – remember one for you, one for those in need. We also need more helpers this year for delivery of the food bins. Some of our past volunteers are no longer here in Lincolnshire. It doesn't take a lot of time, so if you can help – let us know

## CAN YOU FIND IT??

Here is the photo of the item searched for in last month's voice. The "flower pump" appeared in the planter of lot #1033. Additional pumps were discovered on other lots, but this one is the one we picked. Others that fit the description were counted as winners as well if they were actual pumps, and not ceramic replicas.

We had 4 winners in last month's contest. Each received a free entry in the weekly draw at coffee hour, and a free donut. The winners were: Jim W., Tammy L., Jane P., and Teri T.

Let's start a new search. This one will be more difficult, as you will need to use the clue a bit more to figure out what you are looking for. - - "I stand alone watching you. I'll stand here all the while you and others are busy doing what you do. When you finish, I'll help you find out if you are getting closer to your goal. Do you know what I am?"

## DVD LIBRARY UPDATE:

Effectively immediately, the new Honor System DVD LIBRARY is available to all community residents.

Most have been donated by the residents over many years.

**Should you wish to contribute, please see the Current Librarian first. Do not place them in the cabinets.**

You will notice 3 new cabinets just below the TV screen. DVD's have been sorted and categorized for your selection.

We ask that you maintain the area in a neat manner. Always close the doors when finished.

When returning your DVD, insert it in the same cabinet along with same color code as shown in the attachment.

We hope there will be a new DVD Librarian which will be announced soon.

**Looking for a couple volunteers. One of you must have EXCEL on their computer.**

## LINCOLNSHIRE HISTORY:

*By: the "new - old timers"*

.....Continued - - -

“Lake Largo” existed just east of the current LARGO CENTRAL PARK area before the dam that was constructed making LAKE SEMINOLE stole the lake from our area. Unknown to most, hunters killed the last deer in the area which was Lake Largo.

The lake was there – one of the prettiest lakes you ever saw. ALLIGATORS – lots of them, and nobody fooled with them. People walked down to the lake, and they had boats there. Nothing to rent, but just boats. It was a destination on Sunday afternoons – no cars in your way. If it was a river instead of a lake it could be the inspiration for “Cruising Down the river on a Sunday afternoon”

Then came the “lake Largo – Cross Bayour Drainage project” in 1915. I wouldn’t want to figure out what the \$120,00 project would cost today, but 2 large canals and about 57 miles of ditches were created to drain the 13,127-acre district south and east of Largo. The higher ground contained groves, cane fields, ponds, and lakes. The object was to drain lower lands to make acreage available for growing vegetables, hay, and other agricultural products.

It was found that the lake had a flowing artesian well. It’s still there . . . but loaded with sulfur. In 1945 the water in the city went salty and you couldn’t drink it, so the city actually hooked on to that well and used that water for the city. - - and there are people today who don’t like the city water - - good thing you weren’t around then

Stay tuned - - next month - - it’s “CITRUS CITY”

## TRAVEL CLUB NEWS:

Are you a Jimmy Buffet Fan?

As promised, we have a critique on the Margaritaville at sea cruise. Nice short cruise, only 2 actual days, but disembarkation day is counted as a third day by the cruise ship, as it is on any cruise. The ship is older, but in very good condition after the renovation to make it into a “sailing Margaritaville” all buffet themed. Party time starts when you come aboard and doesn’t stop until you get off. Great service throughout the cruise, good food all day and into the late night. – Need I mention boat drinks? If you don’t know, then you don’t know Buffet. We recommend this cruise for a short inexpensive getaway any time.

## VETERAN’S DAY RECOGNITION

**Guy Webert – past resident listed in Military Court of Honor**

Guy Webert had a long and committed history of military service for our country. Always the volunteer to go beyond regardless of the potential sacrifice. His journey started while at Minnesota with the Army ROTC unit in 1960 including being a member of a prestigious Army drill team. Then transferred to a smaller state college and enlisted in a Naval Reserve Unit. Served 3 years including 2 Navy summer cruises as a cadet. After graduation with a business degree, he applied for a Navy commission, completed OCS and Air Intelligence Officer training leading to one deployment on the aircraft carrier, Shangri-La, in the Mediterranean Sea. In the height of the Viet Nam war, he volunteered to become a Naval Aviator due to an urgent need requiring a return to Aviation Officer Training in Pensacola. After months of training Guy finished Bombardier/Navigator qualifications for the A6 Navy all weather attack bomber and earned his gold Aviator wings. He completed one air combat tour in Viet Nam aboard the aircraft carrier Enterprise. He finished his naval service as a senior Lieutenant in the Naval Reserve Corp. Guy also wore the Viet Nam Service ribbon.

Guy continued his association with military and civil aviation in his business career until moving to Florida in the late 1990’s. Not stopping even then until his passing in December of 2019 he rose to the rank of Division Captain for the Coast Guard Axillary with zone responsibility for Tampa Bay Intracoastal Waterway. He often patrolled in his personal motor craft. Guy was also a licensed CG Master Sea Captain and often proctored the Coast Guard’s Sea Captain Examinations in addition to sea/ocean navigation. Tally Ho Guy.

## WELCOME TO LINCOLNSHIRE

BY: Vicki Marentette (Lot 950..281-2382) Marge Kristall(Lot 1523..474-5737)

Most of the Snowbirds have arrived. Welcome back!

There will be a Welcome meeting on November 20th in the clubhouse. If you have never attended one of these meetings, try to attend. They are very informative, with info within the park and in the surrounding area. In the meantime, give Marge a call if you have any questions.

See you in November.

Vicki

## LIBRARY:

BY: Cynthia Varga..... (lot #163.....584-6402)

It never ceases to amaze me that people who read books, can't read signs.

I've asked repeatedly for books that are being returned to the library be put into the cabinet.

That's what it's there for.

When you attempt to help me by shelving your returns, it messes up my system.

I appreciate that you mean well, but it makes more work for me.

If you have many books to donate, it would be very helpful if you brought them to my coach so I can sort them first.

Thanks for your cooperation.

November 2022

Hard to believe we are in the homestretch for another year. Where did 2022 go to? Hope everyone is enjoying our less humid weather! The beginning of October was rather refreshing being able to open windows and listen to the birds every morning.

November is the month of Thanks-Giving! Not a play on words but the fact that along with our American holiday of Thanksgiving we have so many other days this month to be Thankful for. I know that all of us at Lincolnshire are truly thankful that Hurricane IAN did not unload its rath on our homes. Please keep all our fellow Floridians that have been so devastated from IAN in your thoughts and prayers as they work to recover and rebuild their lives.

Dates to look for in November

11/6/2022 – Daylight Saving time. That wonderful (just joking) time when we turn our clocks back one (1) hour. Hopefully, this is the last date they will be turned back. The Senate passed the Sunshine Protection Act, but it does not take effect till November 2023. So, we will endure another winter of earlier dark days. Do not know about you but I am looking forward to a permanent time for our daylight hours.

11/8/2022 – Election Day. We have another couple of weeks to endure all the campaign ads on TV, flyers in the mail and the signs posted everywhere. Hope you are already registered to vote! It is a right and privilege we all have in this country. Make your views count by heading to the polls or getting your mail-in ballot turned in before 11/8.

11/11/2022 – Veterans Day. A day we have set aside to thank and honor all who have served, living and deceased but particularly the living veterans among us, originally called Armistice Day commemorating the end of World War I. The City of Largo will hold their Veterans Day ceremony at Largo Central Park from 11:00am till 12:00 noon on Friday 11/11/2022.

11/24/2022 – Thanksgiving Day. Established as a day to gather with family and friends to eat locally based foods the pilgrims may have eaten on the first Thanksgiving. So, we eat our turkey, dressing and cranberries. A time to reflect on what we are grateful for. Make sure you check the Voice for Lincolnshire's Thanksgiving Day dinner time. Come join your neighbors to celebrate this wonderful holiday.

*So glad to report Rita Sullivan #1550 will be returning to Lincolnshire in the next couple of weeks. Her annual food drive will be in full swing with containers being made available for your donations. See the Voice for more details regarding how you can contribute. Let us all help make Rita's food drive the best one yet for Lincolnshire.*

**O**ne issue that always comes up at this time of year is the Tax Pass Through. There are questions about why we have to pass the taxes for Lincolnshire Estates. We do not pay all of the taxes. we pay a small portion allowed by our state legislature. The formula is current taxes subtract what was paid in 2006, the remainder is divided by 464 lots Your HOA has been and continues to check the figures each year, so we know we are being charged the correct amount.

**DID YOU  
KNOW**

Total tax paid in 2006 = \$253,971.55

Total tax paid in 2021= \$421,272.19

increase = \$167,300.64 # Of lots = 464 cost per lot = \$360.56.

which is our cost. Owner still pays \$253,971.56 in taxes.

The other mobile home parks in the state also charge their tenants. Other parks may have the taxes included in their rent which does not favor the tenant. The taxes are not backed out the rent for the following year, so you are paying them year after year and not once yearly. It is a compounded fee.

## SHUFFLEBOARD:

---

We have been informed that the courts are soon to be completely resurfaced. It should be a good season as the new surfaces will be updated to the most modern of finishes.

## FUN BOWLING LEAGUE:

---

We've had a great summer of practice and still continuing. Please arrive by 11:45 every Thursday

The league starts up on November 10th – tentatively.

If you are interested in joining the weekly league, or fill in as a spare, please sign up in the laundry room in the correct column. Remember – this is a fun league – low averages are welcome – come have fun

## GOLF:

---

Once again, I will be doing the scheduling of the teams and tee times for the men's golf league.

If you or anyone you know are new to Lincolnshire and would like to join our Friday Gold league at the Landings Golf Course in Clearwater, contact me, Jane Pastva #1174, (303) 718-7789.

Golf league will start approximately Nov 4, 2022, however if we have enough golfers back in town, we can possibly start earlier.

I believe the rate will be \$32 but will know more after I meet with Cameron.

Current golfers, please let me know when you will be back to start.

I will run things the same way as last year. Sheet will be placed on the bulletin board on Thurs. of that week. I will deliver the sheets to the drivers on Thurs. morning.

Remember, if you can't golf a particular week or you have visitors coming that you would like to golf with, let me know by Tues. if possible but no later than Wed. AM and I will do my best to make it happen!

Thank you for all of your cooperation. With your help last year things ran very smoothly.

Looking forward to seeing you all soon

Safe travels south

Penny Coyle has once again agreed to schedule and run Lincolnshire Ladies League. You may contact her at lot #604, or 727-270-1495 or 286-6090

And thank you Penny

## Latest Estimate Puts 'Record' Military Retiree COLA Increase in Doubt

After spending much of 2022 on a steady rise, the monthly figures used to calculate annual raises for military retirees, Social Security recipients, VA disability payees, and others have leveled off in recent months, ending talk of a potential double-digit cost-of-living adjustment (COLA). The latest estimate by the nonpartisan Senior Citizens League puts the 2023 COLA at 8.7%, on par with the adjustment received by military retirees on March 1, 1982. It's important to note the adjustment's calculations have changed frequently over the past 40 years. The current military-retiree COLA calculation, using the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), is also used to determine the Social Security COLA, but that wasn't always the case; Social Security recipients received a 7.4% COLA in 1982, for example, following an 11.2% boost the previous year.

### Free legal services for Veterans, service members

Having legal challenges can get in the way of living the life you want to live. It can interfere with transitioning from the military, getting that next job or housing, as well as benefits and services you are eligible to access. Ignoring legal difficulties tends to make them worse; however, there are free and low-cost resources available to service members and Veterans that can make legal concerns less burdensome. Legal help for Veterans is available at VA and includes (Veterans Justice Outreach Specialists) copy and paste the name in the parenthesis on your search engine. Veterans Justice Outreach Specialists identify justice-involved Veterans and contact them through outreach, and they often work with Veterans treatment courts and free legal clinics. Moreover, they are frequently the point of contact for the 150+ legal clinics that serve Veterans around the country.

Just a reminder that a Veterans Day Ceremony will be held at Largo Central Park at the Veterans Memorial at 11am. If it rains it will be in the Cultural Center at the park.

## A Nurse's Self Care Toolbox #54

Allyn Webert, RN. Lot 1438, Lincolnshire Estates  
allynwebert@gmail.com

**T**he article last month centered on falls and how life changing that can be. Take a breath and slow down. Take our watches off and we have all the time in the world.

Starting in the December issue I will again laying out over the next several months how our bodies were designed relating to food and exercise (movement.) Lincolnshire has many new residents and owners. At the end, my goal is boosting an understanding how we were designed, how that compares to our lives now and lastly how to start a change. Easy and hard at the same time. It is a long story.

Our human story probably wasn't one single day in time but between 300-450,000 years ago, we as humans (*Homo sapiens*) finally rolled of the assembly line of life. Touched by our God or our Creator with a gentle touch by Mother Nature. Fortunately, we landed on our feet. That assembly line had begun eons before. I wasn't there.

Our body (all of it) was specifically designed to survive each and every day. Not a very simple task. Basically, we were physically male and female, thin or muscular depending on the abundance of food and amount of movement needed to find food each and every day. Our skin was purposely dark in the beginning to limit the amount of a necessary vitamin, (D), produced with help by the sun. We were very strong, athletic, could climb trees and walk for miles. We also didn't speak much because there wasn't much of a language. We were built to survive and surely did.

Food was very abundant and mostly year-round. Food is really packaged sugar that becomes energy with oxygen from our lungs for every cell in our body to do a specific job (including fat believe it or not.) Food travels into our stomach, down to the small intestine where almost all the sugar is removed, the large intestine and you know what follows that I'm thinking. This is called our digestive or GI system. It is unbelievable! Our GI system is a conveyer belt from one end to the other.

So where was the food that we needed every day and multiple times a day? Actually, it was everywhere. We will follow that trail of food and what we did with all we found. Stay tuned my friends.

As a reminder, Medicare Advantage Plan enrollment or program change is on the horizon for those of us eligible either for the first time or each year. As a former Medicare Advantage Nurse Case Manager for a very large health insurance company for over half of my 45 career I do want you to always consider when comparing plans/programs: is my primary care physician (family doctor) that I don't want to lose in the plan's network (if not then very costly and probably any specialist you may see too); will your drug costs remain the same, decrease or increase; and finally are the extra benefits like, exercise classes, monthly food allowance and value of the over the counter items you can order each month at no cost. We can always call 1-800-Medicare with questions. Medicare is ultimately responsible for these programs.
