Board of Directors

Bob Barr, President

Proxies – Our annual meeting is coming up on December 5th. We need 159 signed proxies by the start of the meeting at 10am. Please turn your proxy in (early) by one of the following ways: Drop it off at the clubhouse by putting it in the Directors office mail slot; come down to coffee on Wednesday mornings and give it to a Director; give it to a friend/neighbor to turn it in; call a member of the Board of Directors and ask if they could stop by and pickup your ballot; and as a last resort (or if you are out of town) you can mail your ballot back to Progressive Management, no later than 11/28.

Many thanks to Kim Ramalho, and Christina Tambasco for their help cleaning sign posts, as they needed cleaning badly.

Thanks also go to anonymous who painted the map sign at Briar Creek's entrance.

Annual Inspections

Lynn Lijewski, Director

Volunteers to perform inspections are always welcome. Just drop your name and contact information in the mail slot on the office door inside the clubhouse.

Shuffling

Bob Barr

Help Help, our new season starts **November 28**. We need new shufflers women and men from phase 1 and/or 2. Shuffling is an easy, fun, and sometimes challenging sport. We do have cue sticks for use by anyone not having one. We will be willing to give sage advice during free lessons. The advice, however, will not make you a good shuffler, lots of practice and some competition will help. We currently shuffle, against 7 other teams, on Monday and Wednesdays leaving Briar Creek around 11am, for away games, with competition starting at noon time and returning by ~4pm. With enough players not everyone will be asked to play both Mondays and Wednesdays, if we can get a total of 32 players, or more, this would allow us to field two full teams. Practice will be starting in earnest the end of October and the first week of November.

Captains are Gerry Harvey and Audrey Pringle.

Will be arriving in Briar Creek Community soon. All Aboard! Schedule available soon. Look for decorated collection box in Phase 1 Clubhouse.

Bring a new, unwrapped toy or donate \$5 on December 10 at 10:00a.m. and join us for brunch.

Briar Creek Bird Walk

Bill Kaempfer

Find out more about the natural setting of Briar Creek on our monthly bird walks on the first Friday of each month. Please join me on **Friday, December 2nd at 8:00 a.m.** for a 60-to-90-minute walk up and down our streets and out to the canal. We meet at the Phase 1 Clubhouse, wear sturdy walking shoes, and bring binoculars, if you have them.

On November 4th we had 10 participants and found 35 bird species including Limpkin, Eastern Bluebird, and great looks at an immature Red-shouldered Hawk.

Give me a call if you need more information. Bill 303-717-5063

Pool Renovations –

Gene Arend

Our pool renovation has begun. The plan calls for our pool to be out of service for 6 – 8 weeks. Pool Works has started the work on November 1st by removing all of the existing equipment. The pool area is a construction site so access had been restricted during the renovation. The pool was originally installed in the 1970's and the equipment has been maintained with Duct Tape, remanufactured parts, paper clips, and altered parts to keep the system running.

The heating and pumping system will be completely replaced with state-of-the-art equipment. Moving from the switching and manual maintenance to circuit boards and computer boards. This removes the need to manually manage the systems. The new system will monitor itself and make immediate adjustment as needed. The heaters are all being replaced. These include some Titanium parts so the life expectancy will likely last longer than us. There will be a heater for the Spa and now 3 units for the pool instead of the 2 previous heater / chiller units. There were a few times during the year when it required the two heaters to maintain the 84-degree pool temperature year-round and at times placed a strain both power and temperature on the pool requirements. Water cutoff values have also put in place, removing the need to disconnect the main water lines.

I will provide updates on the progress from a layman point of view every week or two. As of November 9th, all of the pumping and heating equipment has been removed. There is now a new power supply upgrade located behind the pool shed. The system will no longer share the power supply from the clubhouse which placed the equipment on the edge of overload and required occasional resetting of the circuit breakers. The heater/chiller units will all be placed behind the pool shed as they use air to maintain the systems, moving us away from the geothermal system used previously. I have seen the equipment in action at another site and it is very quiet. The Pool Shed will add even another sound buffer. Therefore, the noise from the old system will make the noise from the new system almost undetectable.

POOL Director

Pat Rivera

The job is underway! The PoolWorks crew arrived on November 2 – almost two weeks ahead of the long-anticipated rescheduled date.

Be aware that the entire pool/patio area is off limits until the project is completed. The door from the clubhouse to the pool area will be secured during construction.

Big round of applause to Gene Arend for managing the pool project. Read his update above.

Phase 2 has extended their warm welcome to those of us who enjoy daily dips in the water. Water aerobics classes will be held; days and time may vary as we work together on an amicable schedule to accommodate all pool users in Briar Creek.

Keep in mind, their children's hours are specific to Phase 2 rules. **Under 18 hours are 11:00 a.m. – 2:00 p.m. and between 5 and 8 p.m. Children under 15 must be accompanied by a resident adult.** These are different from Phase 1.

The pool in Phase 2 has a smaller capacity. If you notice that your presence is exceeding the approved capacity, please be respectful to their kindness and leave so they can enjoy the pool.

THE HISTORY OF THE HONOR FLIGHT NETWORK

The Honor Flight Network was formed in 2005 by Jeff Miller and Earl Morse with a mission of honoring our nation's veterans by bringing them to Washington, DC to visit the memorials and monuments dedicated to their service and sacrifice. While originally focused on honoring our nation's World War II veterans, the Honor Flight Network now also honors those who served in the Korean War, Vietnam War, intermediary operations, and in special cases of terminal illness or injury, veterans from more recent service eras. Since its formation in 2005, the Honor Flight Network has taken more than 245,000 veterans to Washington D.C. Today, the Honor Flight Network is currently comprised of over 128 hubs throughout the country dedicated to carrying out the Honor Flight mission and the Network, as a whole, serves over 22,000 veterans each year.

Flight scheduled for 2023 have not yet been determined. If you are interested, contact the local representatives below.

Briar Creek Bugle Phase II – DECEMBER 2022

(Pete Loranger - Editor Phone 421-2321)
(E-Mail: ploranger006@gmail.com)

Board of Directors:

Bob Raynor – President

2022 has been a challenging year for the world in which we live. The economic, social and political divisions our country is experiencing have created a level of stress many have never experienced before. It has affected how people relate to each other. Families, neighbors and friends often struggle to communicate and share opinions and views. Avoiding the destruction of hurricane Ian has made some wonder if they should remain in Florida. It is easy to question what the future holds for each of us and how we can make things better for ourselves and our Briar Creek community.

As 2022 comes to a close, we have the opportunity to reflect on the challenges we have faced in the last year as individuals and as a community. As 2023 approaches perhaps one way of thinking about how we would like to see our community in the year ahead is to be reminded of what the holiday season truly means.

The spirit of this holiday season for Christians is of a birth that brought hope, peace, togetherness and gratitude. Other faiths celebrate the holiday season for different reasons but all share a similar spiritual and moral compass. It is a time of selflessness in which we care more about others than ourselves. It is time when it is more important to do right than be right. It is a time in which we give hope to others and come together as a community to promote peace and goodwill. It is a time to give thanks for the many blessings we have.

One place to start is by saying thanks to all those who worked so hard to keep our community safe and secure during the most difficult of times. Thank you to those in our Briar Creek family who went out of their way to support their neighbors and friends with both those big as well little things that mean so much. Thank you to those who fostered a sense of community when it was most needed. Thanks to all of those who have tried to help the less fortunate through their generous donations of food and other life needs. Thank you to our past and present Board of Directors who made tough decisions to help keep us safe and secure. A special thanks to Bill Russo and PJ Weirzbowski who are retiring from the Board for their time and commitment to serving BCII residents. Finally, thank you to those who inspire us with your courage to foster peace and give us hope.

So in the coming year, let us celebrate our good fortune by looking forward to coming events, united as a caring community, and with a sense of hope and appreciation. Join your

board by volunteering and participating as we work to enhance the quality of life for all our residents. Together, let's help make 2023 a wonderful year in BCII.

Merry Christmas, Happy Hannakuh and to all, best wishes for a wonderful holiday season. Here's to 2023 when we again try to keep our New Years resolutions to eat healthy, exercise more, lose ten pounds and can say after two months that we haven't given in to our ice cream urge.

Sam Oliverio – Vice President, Pool Director

Great news everyone, our pool heater is working and the temperature is holding as it should. The pool temp is set at 84, but during the day when the Sun is out the temp has risen to 88! Our Spa is holding steady at 103, but will rise to 105 with the Sun.

A schedule has been set for various activities, since we are also accommodating our neighbors in Phase 1. The schedule is as follows:

The pool is open from 8 am to 10 pm

8 am to 10 am is reserved for lap swimming

10 am to 12 noon is reserved for water aerobics

Children's hours are 11 am to 2 pm and 5 to 8 pm

If any issues arise, please do not confront anyone with your concerns. Instead, please contact me, or another Phase 2 Board Member with your concerns.

The construction at Phase 1 pool should only be another 5 to 6 weeks, please be patient and welcome our Phase 1 neighbors how you would like to be welcomed in their pool.

Jim Tashjian – Director

Over the last few weeks several of our winter residents have returned from the north. Welcome home! As you plan your home improvement projects for the season please keep in mind that all outside alterations require board approval before work begins.

Alteration request forms can be found just outside of the office door in the library area of the clubhouse. Completed requests can be left in the office door mail slot or in my "rock box" at 193 Clubview Drive. Please make safety a priority as you work on your projects and don't forget to call (811) before you dig.

I wish you all a happy and safe holiday season. Please continue to keep those affected by Hurricane Ian in your thoughts and continue to give and help however you can. (Red Cross, Food Pantries, Florida Disaster Relief, Salvation Army, etc.)

Thank you.

Emotional Support Animal Reminder

Briar Creek II has a process where emotional support animals are allowed in the non-pet section, only after approval by the Board. The support animal must conform to the same restrictions as the Pet Section of the community.

We will need paperwork from a medical professional that states the following:

Verifies that you have a physical or mental impairment that substantially limits one or more major life activities.

Describes your need for a reasonable accommodation to keep a support animal in your home.

Shows the relationship between your disability and the need for the support animal.

An Emotional Support Animal certificate does not meet the above requirements.

After the accommodation is approved, the resident must provide a photo of the animal, proof of current immunizations and proper licensing by Pinellas County and again at each renewal/revaccination.

Please remember, the animal should be leashed and under your control at all times and not be allowed on private property of your neighbors. The animal should be walked in the Pet Section of Briar Creek II.

Common areas in the non-pet section are not to be used to walk your dogs. Remember to clean up after your pet and dispose of it properly. The animal should not create a nuisance or unreasonably disturb the peaceful enjoyment of the community.

If for some reason, you no longer have your support animal and wish to have another one, you must repeat the approval process from the Condo Board.

Please remember approval for an Emotional Support Animal needs to be completed prior to obtaining your animal.

REMINDERS:

Overnight Parking in the street is NOT allowed.

Daytime Parking – please **Park on ONE SIDE of the street** in your area. This will keep our streets open for Emergency Vehicles.

Social Club

Barbara Bergling

It has been my honor to serve you as president of your Social Club this past year. I wish to thank all the board members for their support and hard work. Peggy Raynor and Carol Rodriguez have done a great job heading up the travel club. They are ready to retire, therefore, we're looking for a couple of people to take over. If you're thinking of volunteering, Peggy or Carol would answer any questions. If you've enjoyed the shows, games, and all the fun functions at our clubhouse this year, you can thank Amber Oliverio, Margi Swets and their committee. Amber is retiring but Margi is going to remain, but, she needs help. I have to thank Pete for all his help especially while I was recuperating. Pam was thrown into the role of president, without any preparation, and did a wonderful job. I want to thank all of you for your encouragement and support. Briar Creek is a special place to live because of all the people here.

SANTA CLAUS WILL VISIT BRIAR CREEK

Marge

The Safety Harbor Fire Dept. Santa Claus tour will be in Briar Creek on Friday, Dec. 16. Last year we had several decorated golf carts that paraded following the truck. All of Briar Creek is welcome to participate. Meet outside of phase II clubhouse at 5:30. BYOB and a snack to share. We will meet and greet each other in the parking lot while we await Santa's arrival. For safety sake, all golf carts must have at least head lights. Let's give them a warm welcome on all streets to show our appreciation for their work.

The real-time Santa GPS Tracker will be available on the City's website and Safety Harbor Fire Dept. Facebook page. This will give us some idea of timing.

Food Pantry

Joan Davis/Arnold/Sonny

Our truck will be in front of the clubhouse 9-11 AM . on **December 14th**. If raining, the truck will be in the garage. Hope to see you there.

Phone books for Snowbirds

Sheena Lee

For any snowbird who didn't receive a copy of the 2022-2023 Briar Creek Phone Directory before leaving for the summer, I have your copy so please contact me and it will be delivered. I do have a list of the houses to which a phone was not delivered because the house was empty but if you, by chance, took your directory up north and left it there I may have some extra copies.

TRAVEL CLUB - Phase II

Our Travel Club has planned two trips to the Early Bird Dinner Theatre in Clearwater for 2023. The first show, A Mom's Gift, is scheduled for Sunday, April 23, 2023 at 4:00 PM. The second is Same Time, Next Year on Sunday, June 25, 2023 at 4:00 PM.

Watch for further information about the plays on our bulletin board, the BC Travel Club emails and the BC II Phone Tree.

Also, Peggy and Carol are "retiring" from their duties with the Travel Club, effective January 1, 2023.

They are hoping a volunteer or two or more will step up and assume the responsibilities of the Travel Club for BCII. They work closely with other Travel Club members from BCI to plan and coordinate trips for our community.

Please contact Peggy Raynor at 239-298-2230 or Carol Rodrigues at 413-427-8580 with any questions or to let them know you are interested in volunteering.

Ladies' Luncheon

Carol Smitley

The Ladies Luncheon will be held December 14th at Daddy's Grill, 3682 Tampa Rd. I have always tried to reserve a special place for our Christmas Luncheon. I contacted many restaurants and they all said the same thing. With 20 or more reservations you have to use a private room which would entail a fee and could not order from menu. Daddy's is always decorated for Christmas so I am hoping for a good attendance. Phase I and Phase II ladies and guests are always welcome. Reservations will be turned in the Monday before the luncheon. Please mark the date on your calendar. It is one week earlier because of Christmas. If for some reason you have to cancel, please give ME a call before Monday.

Remember it is at 1:00.

p.s. After six years of being in charge of reserving restaurants it is time to turn the duties over to another.

BC2PhoneTree

Marsha Bowlby

We all receive the Bugle (monthly media) and can read what is happening in Briar Creek. Well, the Phonetree is another way to receive information. The Phonetree can give you updated information, has an event been changed, information from the Condo or Social Club Boards, or other committees. We also inform you of someone passing (The original purpose of the phonetree)

If you have not signed up yet and want to be on the phone tree, send an e-mail to BC2phonetree@gmail.com. Include your name, address, and phone number

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

So, you signed up for the phonetree, but you are not getting any emails?

Have you changed your e-mail address lately and not sent it to me. You can send me an email at BC2phonetree and have me check what I have .

or it could be in your spam/trash file to be sure the emails are not going there, for some reason you've been getting them all along and now you're not, it happens. If they are not there, **PLEASE E-MAIL ME** at BC2phonetree@gmail.com and we will see what's happening.

This Is Not the Magic Kingdom

By Jody Larson

It's wonderful here at Briar Creek. We have so many advantages and amenities! But it's easy to forget that our community is part of a larger one, and to think we're exceptional. Please consider the following ideas. They may help orient you to reality.

- **Lock your doors.** Cars, shed, and house. The fact is that anyone can drive into Briar Creek, and we don't know who they are.
- **Don't let your grandkids wander unattended.** If they want to ride bikes, for example, an adult should go with them. See above.
- **We have rules, and they apply to YOU (and all of us).** When you buy or rent in Briar Creek 1 or 2, you affirm in writing that you have read the condo documents and that you agree to abide by them. "I didn't know" is no excuse. Every home has a copy of these documents.
- **Safety Harbor, Pinellas County, and the State of Florida have rules, too.** Many changes to your property require permitting beyond the requirements of Briar Creek 1 or 2.
- **Anyone who resides here must undergo a background check.** This includes owners, renters, and anyone else who is living here, such as adult children helping out their parents.

Briar Creek is a real gem among mobile home communities, and we are fortunate indeed to be here. It's easy to think that we're living in a utopia because of the many positives. This list is just a friendly reality check and reminder. Continue to enjoy your time here!

Golf 'stuff' for sale at the Annual Bazaar

Bill Steiner

For the last few years I have looked after the collection of golf related material donated for sale at the Bazaar, and I already have a good start for the upcoming bazaar. Over the last 3 years golf stuff at the bazaar has raised nearly \$700 dollars in total for the Social Club, so I think it is a worthwhile activity.

I collect all the golf bags, golf clubs, and related material like golf umbrellas that are donated and clean them up as necessary, and I make up sets where possible. Then of course there are the used golf balls. Most of these are balls found on golf courses when we play and when I get home, I wash, bleach and clean and sort the balls by brand, and quality and store them in egg cartons. Sometimes however I find bags of balls in my mailbox. There are already some 40 plus boxes of balls ready for sale in my shed (hint, if you need more golf balls now, there is a large selection available now). Thank you to everyone for the donation of egg cartons. I think I have plenty in hand, so I don't need any more donations of egg cartons at this time.

The reason for this note in the Media is to ask anyone donating a golf bag to check the pockets before bringing it over here. I have found prescription drugs, money and other personal items like golf jackets and mementos and of course I return these if possible. Sometimes however, bags are left in our lanai with no ID.

In that case any money becomes part of the donation to the bazaar.

So, in summary, I have golf balls available for those who need them at \$3 per dozen. This

...continued on page 46

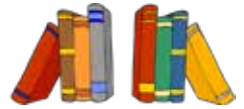

is a very, very good deal as some of the local golf courses charge anywhere from \$8 to \$12 per dozen for used golf balls. But I will happily accept any more that you wish to donate. Also, if you have unused golf gear in your shed that you would like to donate, bring it over or give me a call and I'll come and pick it up. The dollars do add up!

Humane Society & the Haven

Barbara Bergling

Thanks for all your generous donations for the Humane Society and the Haven. I used to be able to donate clothes, but they no longer accept them. The exception is new socks for children and thongs in all sizes for use in the show.

The humane society and the Haven also don't accept sheets.

Remember that if your linens are in good condition, we sell them at our bazaar.

The humane society request is for everything you are donating but especially towels. Also, they receive a lot of dog food and treats but very little cat food or treats. Thanks to all of you for your donations. As I have said before, Briar Creekers are extremely generous.

Thanks again everyone

THANKSGIVING TIME

Dr. Marty Finkelstein

Well it's that time of the year again. Some of us will be with family and friends. We tend to think of these holidays as celebratory yet it is a time for many of us as we reflect on those love ones who are no longer here. Thanksgiving was always a wonderful time in my childhood. My mom and dad usually invited family members or friends who may have been alone during these times. It was a time of sharing of giving and being grateful.

Both my parents are gone but they remain in my memory and my heart as they travel with me through so many stories that we shared through the years.

Stories are like treasures
Worth more than their weight of gold
And stories they last forever
As long as these stories are told.....

This Thanksgiving me and Julie will be in Atlanta with family and friends and most of all our granddaughter Solana. At 4 years old she is so much fun and such a joy to be with.

During Thanksgiving we are to be reminded that the greatest gift we can bring is our love and open heart. Whether it is being with friends or family or simply around strangers remember to be kind and generous. All of us can use a helping hand at times.
