**THIS EDITION OF THE "HI-LITES"
MAGAZINE IS DEDICATED TO THE MEMORY
OF NORMA ENGLISH**

To know my aunt was to love her. RWG aunt
Norma English. I'm still so much in shock.
Please see below for funeral/arrangements.

NORMA W. ENGLISH

1940 - 2022

Norma W. English, 82, of Baden, passed away on Wednesday, Nov. 2, 2022, while under the care of UPMC Passavant Hospital in McCandless Township. Born March 12, 1940, in Pittsburgh, she was the daughter of the late Elmore Walker and Ethel Martha Kuschel Walker.

Norma was a graduate of Evans City High School and earned her B.S. degree in biology at Capital University in Columbus, Ohio. She was employed at Shadyside Hospital and Children's Hospital. She also was employed by the DER as a water specialist, and at Cranberry Beer Distributor.

Norma loved cards and played with the same girlfriends for more than 40 years. She loved traveling. She enjoyed her cabin at Seven Springs, where she would go downhill skiing. She was a stunning hostess and cook, and will long be remembered for having the best laugh ever. Norma will be greatly missed and lovingly remembered by her family and friends.

Norma leaves behind to cherish her memory her siblings, Richard (Cheryl) Walker of Titusville, Robert (Wendy) Walker of Zelienople and David (Sherry) Walker of Cranberry Township; her sister-in-law, Sylvia Harris; and 17 nieces and nephews.

In addition to her parents, Norma was preceded in death by her husband of 50 years, Clyde Lenley English, who passed away on June 5, 2020; and her brother, James Walker.

Friends of Norma W. English, who died Wednesday, Nov. 2, 2022, will be received from 1 p.m. until the time of the service at 4 p.m. Tuesday, November 8, 2022 at BOYLAN-GLENN-KILDOO FUNERAL HOME & CREMATION SERVICES, 130 Wisconsin Ave., Cranberry Township, with Pastor Derek Howell officiating.

Norma will be laid to rest at St. John's of Lovi Cemetery.

Memorials in honor of Norma may be made to St. John's Lovi Church, 1001 Freedom Road, Cranberry Township, where she was a lifelong member. Expressions of sympathy may be shared with the family at www.boylanfuneralservices.com.

CONTRIBUTOR OF THE MONTH

JOEL DANIELS

Joel Daniels has been a prolific “Hi-Lites” contributor since he moved from WW I into WW II. He has a lot of friends who send him “stuff” on his phone and Joel forwards them to me. He also sends me articles he has written.

He was just recognized as a “Super Star Contributor” for having sent items in every “Hi-Lites” magazine this summer. As an Eagle Scout, Joel still practices the Scout Slogan i.e., “Do A Good Turn Daily.” He is always helping people in the park. He presently serves on the R.O.C. Board of Directors. He’s well prepared for this job as a retired City Manager.

Joel remained VERY active in Scouting. He was awarded the prestigious “Silver Beaver Award” for his MANY years of service to scouting. Both of his sons were Eagle Scouts as well.

It didn’t take Joel very long to meet and become friends with MOST of the people in BOTH parks.

Joel and Sally live in #450 and have turned their unit into a “showplace.”

Joel can be summed up in two words: “GOOD GUY.”

NOV., 2022 CONTRIBUTORS

MANY THANKS to these people who have contributed stories and pictures this month: Maria Seraphim, Bobbie/Shelley Inglehart, Ed Fox, Joe Cvach, Elaine Panke, Carolyn Albertson, Renee Herrmann, Joyce Pinckney, Annette Cuffe, Pat Snyder, Deb & Paul Grandmont, Rose Sullivan, Tom Finnegan, Dee & Bob Fenton, Don Rowan, Barbara Schutt, Alice Weber, Karen Hanafin, Trish Craig, Lynn Miller, Jill Desranleau, Brenda Rowan, Carl Stone, Max Herrmann, Joel Daniels, and Elaine Blank.

They all sent articles and/or pictures for this month's “Hi-Lites.” Without their help, there would be VERY LITTLE to report in this edition of the “Hi-Lites.”

THANK YOU!

MEET YOUR NEIGHBOR

PAUL & DEBBIE GRANDMONT #462

We are Paul and Debbie Grandmont. We live in South Hadley, Massachusetts but in the winter months we call Westwind our home. We are blessed to share five children, 4 sons and 1 daughter. We also have 11 grandchildren, 5 boys and 6 girls. They keep us very busy when we are up north and feel so fortunate to be close enough to see them often. Sometimes maybe too often! We enjoy traveling, camping, and boating. Of course, we love dining out and playing cards as well. We just celebrated our 30th wedding anniversary.

Paul loves to play the guitar. You can hear him from our porch most afternoons. That may be a good or bad depending on your hearing. Deb enjoys playing golf, even with her high handicap.

Paul is a Vietnam veteran and served in the Army in the 1st Air Cavalry division. Deb is a proud Vermonter who happened to settle in Massachusetts.

Paul retired in 2005 as a general contractor/construction consultant. He spent many years designing and constructing buildings. Deb worked for many years as a mammographer and retired in 2017. If you ask Paul, he will say “finally“ retired. He always said I would know when it was the right time to retire. However, after a few years, he said he was going to go with or without me. That was the last winter I worked. He wasn’t going without me!

Our journey to Westwind was through dear friends from Massachusetts. We visited them many times in Westwind. In 2017 we wintered in Palm Harbor in our RV. We had so much fun, but almost weekly we found ourselves in Westwind for various activities. Residents were so friendly and we always felt so welcome. By the time our first season was over, we found ourselves looking at units to purchase in Westwind. The last day that we were in Florida that year, we put a deposit on the unit that we are in today. It was the very best decision we could have ever made. We have made so many dear friends and great memories here at Westwind and we are looking forward to making many more.

MEET YOUR NEIGHBOR

WRITING A “MEET YOUR NEIGHBOR/NEIGHBOUR” ARTICLE IS A GREAT WAY TO INTRODUCE YOURSELF TO OTHERS IN THE PARK. HAVING THEM INCLUDED IN THE MEMORY BOOK IS ALSO THE ONLY MEANS WE HAVE OF BEING REMEMBERED BY OTHERS IN THE PARK WHEN WE ARE GONE. THE GOAL IS FOR EVERYONE IN THE PARK TO BE INCLUDED IN THE BOOK KEPT IN THE LIBRARY.

IF YOU HAVE NOT YET WRITTEN A “NEIGHBOR” ARTICLE, I am reserving months for 2023. Just let me know which month you would like. (I don’t assign months.

HOW I SPENT MY SUMMER VACATION

THANKS TO PAT SNYDER FOR THIS:

This is Pat with her “great grandson,” Auden. This was Pat’s birthday “cake.” Pat spent two days a week with Auden until he started back to school. Now she is a volunteer aide in Auden’s classroom 2 days a week.

On Mondays, Pat spends all day with one of her friend’s grandchildren. This is her “Rent-a-Granny” day.

BOOK CLUB

THANKS TO ELAINE BLANK FOR THIS:

The Westwind Book Club meets every month on the last Tuesday of the month at noon in the library. The book we are reading for December is The Code Breaker by Jennifer Doudna. The following is a summary of the book.

When Jennifer Doudna was in sixth grade, she came home one day to find that her dad had left a paperback titled *The Double Helix* on her bed. As she sped through the pages, she became enthralled by the intense drama behind the competition to discover the code of life. Even though her high school counselor told her girls didn't become scientists, she decided she would.

Driven by a passion to understand how nature works and to turn discoveries into inventions, she would help to make what the book's author, James Watson, told her was the most important biological advance since his co-discovery of the structure of DNA. She and her collaborators turned a curiosity of nature into an invention that will transform the human race: an easy-to-use tool that can edit DNA. Known as CRISPR, it opened a brave new world of medical miracles and moral questions.

The development of CRISPR and the race to create vaccines for coronavirus will hasten our transition to the next great innovation revolution. The past half-century has been a digital age, based on the microchip, computer, and internet. Now we are entering a life-science revolution. Children who study digital coding will be joined by those who study genetic code.

Should we use our new evolution-hacking powers to make us less susceptible to viruses? What a wonderful boon that would be! And what about preventing depression? Hmmm... Should we allow parents, if they can afford it, to enhance the height or muscles or IQ of their kids?

After helping to discover CRISPR, Doudna became a leader in wrestling with these moral issues and, with her collaborator Emmanuelle Charpentier, won the Nobel Prize in 2020.

Our December meeting will be noon on **Tuesday, December 27th, 2022**. Hope to see you there.

Elaine Blank

THANKS TO PAT SNYDER FOR THIS:

Christmas will be here before you know it!! Once again this year, I will be picking up Toys for Tots donation boxes. The boxes will be available **Saturday, November 12th** or **Sunday, December 11th**. On Monday, December the 12th, I will be delivering them to the donation center. The organizers are always impressed by the amount of toys our generous residents donate. It's never too early to toy shop, so start looking for those great deals!!!

FYI—**All toys must be new and NOT in wrapping paper.** Recipient ages are birth to 12. TOYS FOR TOTS WILL NOT DISTRIBUTE TOYS WITH REALISTIC LOOKING WEAPONS OR GIFTS WITH FOOD.

PLEASE CHECK TO SEE IF YOUR TOY REQUIRES BATTERIES. IF SO, PLEASE PURCHASE THEM AND TAPE TO THE BOX. It would be sad for a child to receive a toy on Christmas morning that he/she can not play with!!!!

Please remember Toys for Tots on your next shopping excursion.

Thanks,
Pat Snyder

Fwd: I did not write this - but WOW does it speak to my heart!!! Worth the read. Barely the day started and... it's already six in the evening. Barely arrived on Monday and it's already Friday. ... and the month is already over. ... and the year is almost over. ... and already 40, 50 or 60 years of our lives have passed. ... and we realize that we lost our parents, friends. and we realize it's too late to go back... So... Let's try, despite everything, to enjoy the remaining time... Let's keep looking for activities that we like... Let's put some color in our grey... Let's smile at the little things in life that put balm in our hearts. And despite everything, we must continue to enjoy with serenity this time we have left. Let's try to eliminate the afters... I'm doing it after... I'll say after... I'll think about it after... We leave everything for later like "after" is ours. Because what we don't understand is that: Afterwards, the coffee gets cold... a

Daughter Fishing

When she was about three years old, I began taking my daughter, Sally, fishing with me. Since she caught very little, I'd ask her if she'd like to reel in one of my fish. This, I felt, would give her the idea of how it was to be done, and keep her from getting disheartened and bored.

Just before her 13th birthday, we were out in the canoe and she was pulling in fish after fish, while I couldn't hook even one. Finally, after about her 12th fish, Sally turned to me and softly asked, "Would you like to reel in my next fish, Dad?"

NOW YOU KNOW!

THANKS TO MAX HERRMANN FOR THIS:

SEE WHAT YOU'RE MISSING...GET ON THE "Hi Lites" MAGAZINE LIST TODAY! mitrengrub@gmail.com

THANKS TO MARIA SERAPHIM FOR THE FOLLOWING: NOW YOU KNOW.....YOUR MORNING DOSE OF USELESS INFORMATION....

A SHOT OF WHISKEY

In the old west a .45 cartridge for a six-gun cost 12 cents, so did a glass of whiskey. If a cowhand was low on cash he would often give the bartender a cartridge in exchange for a drink.

This became known as a "shot" of whiskey.

BUYING THE FARM

This is synonymous with dying. During WW1 soldiers were given life insurance policies worth \$5,000.

This was about the price of an average farm so if you died you "bought the farm" for your survivors.

IRON CLAD CONTRACT

This came about from the ironclad ships of the Civil War. It meant something so strong it could not be broken.

RIFF RAFF

The Mississippi River was the main way of traveling from north to south. Riverboats carried passengers and freight but they were expensive so most people used rafts. Everything had the right of way over rafts which were considered cheap.

continued on page 32

The steering oar on the rafts was called a "riff" and this transposed into riff-raff, meaning low class.

COBWEB

The Old English word for "spider" was "cob".

SHIP STATE ROOMS

Travelling by steamboat was considered the height of comfort. Passenger cabins on the boats were not numbered. Instead they were named after states. To this day cabins on ships are called staterooms.

SLEEP TIGHT

Early beds were made with a wooden frame. Ropes were tied across the frame in a crisscross pattern. A straw mattress was then put on top of the ropes. Over time the ropes stretched, causing the bed to sag. The owner would then tighten the ropes to get a better night's sleep.

SHOWBOAT

These were floating theaters built on a barge that was pushed by a steamboat. They played small towns along the Mississippi River.

Unlike the boat shown in the movie "Showboat" these did not have an engine. They were gaudy and attention grabbing which is why we say someone who is being the life of the party is "showboating".

OVER A BARREL

In the days before CPR a drowning victim would be placed face down over a barrel and the barrel would be rolled back and forth in an effort to empty the lungs of water. It was rarely effective. If you are over a barrel you are in deep trouble.

BARGE IN

Heavy freight was moved along the Mississippi in large barges pushed by steamboats. These were hard to control and would sometimes swing into piers or other boats.

People would say they "barged in".

HOGWASH

Steamboats carried both people and animals. Since pigs smelled so bad they would be washed before being put on board.

The mud and other filth that was washed off was considered useless "hog wash".

CURFEW

The word "curfew" comes from the French phrase "couvre-feu", which means "cover the fire". It was used to describe the time of blowing out all lamps and candles. It was later adopted into Middle English as "curfew" which later became the modern "curfew". In the early American colonies homes had no real fireplaces so a fire was built in the centre of the room. In order to make sure a fire did not get out of control during the night it was required that, by an agreed upon time, all fires would be covered with a clay pot called a "curfew".

LETTERS TO THE EDITOR

THANKS TO ELAINE BLANK FOR THIS: THANK YOU!!

It is with the utmost gratitude in my heart that I write this message. On October 4, 2022 on Omaha Road in Palm Harbor, my car was T-Boned by a driver who just failed to look where she was going. She was distracted. I'm sure when she left her house, she did not intend to plow into the side of my car.

It is a wake-up call to all of us that we must give 100% of our attention when we are behind the wheel of a vehicle. I will eventually recover and I choose to look forward not backward. What is done is done and I will carry on as to the best of my ability. However, she will live the rest of her life knowing that her lack of attention caused someone else great bodily harm. I wish her no ill feelings as I must believe it was not intentional. However, it was not necessary - if only she had been paying attention.

I am so grateful for all of you who prayed for me, thought of me, was concerned for me, sent cards and hoped for my recovery. I'm here to tell you that it worked!! I have a ways to go, but I'm so grateful for the first responders, the doctors, the helicopter, the St. Joseph Trauma Hospital, Promedica skilled nursing facility and especially my three children who flew in, took charge and made sure that I got every available help possible. Thank you to my dear friends in the community who offered up their vehicles so the girls could get around to see me and take care of all the necessary business involved. My son has been staying with me and made sure I got a new car and insisted I get in and drive it. He has been fixing all my to do list and who knew he was such a good cook?? My gratitude is endless and I hope to be out and about being helpful where I can real soon. Remember: Stay alert when behind the wheel.

From the Editor

EDITOR'S NOTE: *Don Rowan suggested I send out this notice again - especially to people new to the park. We've had two units burn due to neglected bathroom exhaust fans.....see below:*

LETTERS TO THE EDITOR

THANKS TO JOEL DANIELS FOR THE FOLLOWING:

Please be aware of this potential fire risk within your home.

The suspected cause of a recent fire here in Westwind II was a bathroom exhaust fan. These fans can become a hazard when lint and dust buildup and then become ignited by an overheated fan motor. They are easy to clean with your vacuum cleaner hose and brush, and should be checked on a regular basis. Most exhaust fans can be unplugged and disabled if you choose to eliminate the potential hazard permanently.

Joel Daniels

EDITOR'S NOTE: *If you wish the name of someone in the park who can check your exhaust fan, please contact me....Tim*

FROM: *Don Rowan*...Most of the fan motors can be lubricated with a drop or two of 3-in-1 oil that can be purchased at any hardware store or Walmart. Do NOT use W-D-40.

PARK BUSINESS

THANKS TO JILL DESRANLEAU FOR THIS:

*******GREETINGS FROM WESTWIND*******

We are filling the sheds nicely, lots of work to do and we have such great volunteers! February is the sale. However, we have lots to sort and make room for more! We need bakers for our famous bake sale, please consider baking something for the sale.

I am in Westwind now for the season. If you have any questions about the sale, please feel free to call 802-488-4601 - my cell - and I live on 2nd street #268.

If you happen to be new to the park, we have a “tag sale” which we call our Windfall Sale at the end of February. We collect items throughout the year and the money we make goes to our Social Club for activities.

We are still accepting items for the sale right up to the end. So please consider donating any item you may not need anymore for our sale. If you’d like to get involved, we will be posting a sign-up sheet when the time gets closer if you would be willing to work the sale!

*******Please NO sofa beds, mirrors and TV’s*******

Thanks again everyone for all the work you do and have done in the past to make the Windfall Sale a success over the years. As I say ~ It takes a village ~

EMERGENCY CONTACT

We somehow managed to dodge hurricane Ian in September. When you see the devastation Ian caused not very far south of us, it gives us pause to realize how close we came to losing our beloved Westwind. This brings me to the point of this message: Do you have on file in the office a current mailing address and phone number where you can be reached if you are not residing in the Park? If you are a year- round resident, have you provided the office with an emergency name and phone number? This information is vital in the event of any emergency. If you filled-out and returned the form that we sent you last spring, we thank you very much. If not, please stop in or call the office and provide us this important information. You never know when a medical emergency, weather emergency or some other situation arises that it becomes necessary to contact you. Please keep the office informed of these numbers.

“WILL WORK FOR BEER”

Someone in WW II asked if we could try to bring back our old “Help Out Your Neighbor” that used to be in the “Hi Lites.”

Well.....we are! and here it is: We're calling it by a NEW name - “Will Work for Beer.” If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for “handyman projects.” It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to W W II residents

We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

JUST FOR LAUGHS & GIGGLES!

SENT BY ME

ONE WISH

A man was riding his Aprilia along the M6 when suddenly the sky clouded above his head and, in a booming voice the Lord said, 'Because you have tried to be faithful to me in all ways, I will grant you one wish.'

The biker pulled over and said, 'Build a bridge to The Isle of Man so I can ride over anytime I want.'

The Lord said, 'Your request is materialistic, think of the enormous challenges for that kind of undertaking; the supports required reaching the bottom of the Irish Sea and the concrete and steel it would take! It will nearly exhaust several natural resources. I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that could possibly help mankind.'

The biker thought about it for a long time. Finally, he said, 'Lord, I wish that I and all men could understand women; I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothing's wrong, and how I can make a Woman truly happy.'

The Lord replied, 'You want two lanes or four on that bridge?'

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

SILK PAJAMAS

A man called home to his wife and said, "Honey I have been asked to go fishing up in Canada with my boss & several of his Friends. We'll be gone for a week. This is a good opportunity for me to get that Promotion I've been wanting, so could you please pack enough Clothes for a week and set out my rod and fishing box, we're leaving from the office & I will swing by the house to pick my things up" "Oh! Please pack my new blue silk pajamas."

The wife thinks this sounds a bit fishy but being the good wife she is, did exactly what her husband asked. The following Weekend he came home a little tired but

otherwise looking good. The wife welcomed him home and asked if he caught many fish? He said, "Yes! Lots of Salmon, some Bluegill, and a few Swordfish. But why didn't you pack my new blue silk pajamas like I asked you to Do?"

The wife replied, "I did. They're in your fishing box."

A MAN AND WOMAN WERE MARRIED FOR MANY YEARS

Whenever there a confrontation, yelling could be heard deep into the night. The old man would shout, "When I die, I'll dig my way up and out of the grave and come back and haunt you for the rest of your life!"

Neighbors feared him. The old man liked the fact that he was feared.

He died at the ripe old age of 98.

After the burial, her neighbors, concerned for her safety, asked, "Aren't you afraid that he may indeed be able to dig his way out of the grave and haunt you for the rest of your life?"

The wife said, "LET HIM DIG. I HAD HIM BURIED UPSIDE DOWN...AND I KNOW HE WON'T ASK FOR DIRECTIONS."
