## ON THE COVER:

The Halloween Dance party was fun and leave it to Lincolnshire to bring the jungle safari to the party. The big game hunter, Joe, and the zebra, Joni, from 7th Street, out for a night of fun

## FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

Here we are with the Christmas Holiday season upon us once again. It seems that the years fly by faster all the time. I would like to wish all our Lincolnshire residents a Merry Christmas, Happy Hanukkah, and Happy New Year. The entertainment committee has a lot of things planned for the rest of the year and into the new year to come. Don't forget to make plans to attend or take part in our first annual art show and sale. Get your original art or crafts together to display and sell on January 6. Please check with Noreen or Albert to find out more about how to take part, as the set up for the show is in Albert's hands

It's also time again for renewal of membership in the HOA. You may be visited by a director to make sure you are still on the membership rolls, or to sign you up if you are new owner here in Lincolnshire. Speaking of which, if you have not filled out your dial directory information, please give me a call to get a form to you

See you next year

## FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

Welcome back to all our Northern Friends. Our season now begins. I know the Covid is still out there and please if you feel sick and can test yourselves, please do so we protect everyone in the park. If you do so positive, follow the CDC rule and stay in for at least 5 days.

When John and I came to Lincolnshire there we no motorcycles or golf carts. Today we have them all over the park. Golf carts I would say we have at least 50, keep in mind when your grandchildren come down for the holiday's golf carts are like a vehicle and should be treated like one. The proper age for a driver is 14yrs. I see a lot of kids driving them without parents and remember you are responsible for that cart and your guest. We have a lot of people that walk, and ride bikes and kids don't always pay attention. So, to keep your kids safe and our community please watch your grandchildren. We want everyone to enjoy our park and have fun.

I wish you all a Merry Christmas and Happy New Year, may we all stay healthy.

Linda

## ANNUAL RITA SULLIVAN FOOD DRIVE

**B**y the time you are reading this, the food drive for the fall season will have ended, and donations will have been sent to the food pantry. A summary of the amount we were able to send will be in next month’s edition. We want to thank everyone for the donations that were received, and especially for the new method of collection of cash donations as well. Food items that are normally not donated were able to be purchased using these additional donations.  
Thank you, Lincolnshire, for all your support.

# THE POET'S CORNER

A new article we hope to continue monthly (submit entries to Donna at [momshse@aol.com](mailto:momshse@aol.com))

With all the many talents of Lincolnshire Residents, we hope to make this article a regular part of the monthly voice. We are asking residents to submit their poetry and prose to be published here. Just submit your poetry to Donna at the above email address,

Here is our first submission and a thank you to Sandy Wallen of lot #1016 for this great poem right on time for this holiday season.

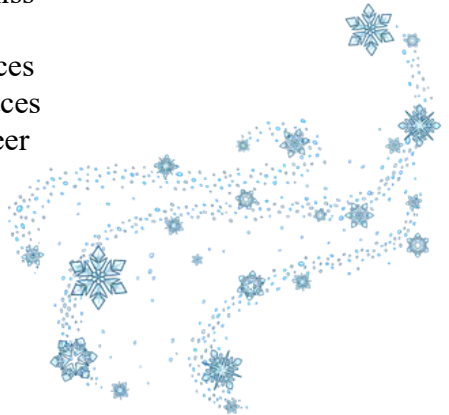

## CHRISTMAS MIST

While shopping thru the stores today  
I noticed people bright and gay  
Withdrawing all their woes of past  
For Christmas Day is here at last

On every corner Santa's jolly  
Windows full of wreaths of holly  
Mistle toe and Bells a Bliss  
A boy's delight to steal a kiss

Candy canes and sticky faces  
Sending cards to far off places  
Wishing all a Holiday Cheer  
To spread and share  
Throughout the year

## CAN YOU FIND IT??

As we have mentioned before, the items that you search for may be anywhere in the community, around someone's lot, or any public area. Last month if you spent time in the fitness center, you may have been "watched" by the item that was described and it may have helped to see if you attained your goal, for it was the upright scale for your weigh in the fitness center. Photo above.

We had 3 winners last month: Tammy L, Teri T, and Sandy W.

This month the search is for Native American dwellings. Cliff dwellers of Arizona here in Lincolnshire? That is a bit unusual don't you think? Let's see who has an eye for unusual architecture.

## COFFEE DRAW WINNERS:

## THOUGHT FOR THE MONTH:

“It's time to stop being afraid of what could go wrong and start being excited about what could go right. After all, life is full of possibilities.

Yes, bad things can happen, but good things can happen too. And when we focus on the good, we open ourselves up to even more positivity and success.

So let's take a deep breath and embrace all the wonderful things that could happen. Let's start living in excitement instead of fear and see just how far we can go!”

The Lincolnshire DVD LIBRARY is available to all community residents.

Most have been donated by the residents over many years.

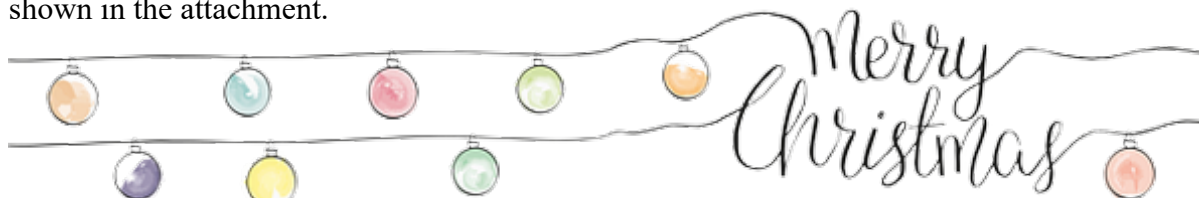

Thanks to Pete & Marge Kristall for volunteering as librarians for the DVD library

**Should you wish to contribute, please see Pete & Marge Kristall first. Do not place them in the cabinets.**

You will notice 3 cabinets just below the TV screen. DVD's have been sorted and categorized for your selection.

We ask that you maintain the area in a neat manner. Always close the doors when finished.

When returning your DVD, insert it in the same cabinet along with same color code as shown in the attachment.

## “CITRUS CITY”

Clearwater was the only spot on the peninsula that resembled a town for many years. About 4 miles south of this trading place for the settlers on the North South highway is Largo which later became known as Citrus City because it was the largest suitable citrus shipping point in state for its area.

Mostly settled by farmers, cattlemen, and citrus growers in the mid to late 1800's

Then in 1887 came the railroad, and Largo became the midpoint between Clearwater and St. Petersburg for farmers to bring produce to be shipped to market. It was then that the railroad depot took on the name Largo because of the nearby Lake Largo.

Around 1849 John S. Taylor came to "Largo" and was persuaded to buy this property just south of Clearwater. He traded his negro cook for 160 acres. The family was glad to get rid of her because she had tried to poison the Taylor family. Thus, the price of a negro slave was paid for the greater part of Clearwater. They then proceeded to buy additional tracts of land around what is now Largo and planted citrus groves and built a packing plant near the railroad.

Stay tuned - - next month - - LARGO - - THE TOWN

## CHOMP AND CHAT A SUCCESS

Special thanks to Bob Behm and Linda Casey for bringing the many representatives from the Largo area to Lincolnshire for the "chomp & Chat" luncheon. Reps from the Largo police & fire depts. And many other organizations were present to discuss local resources. Over 130 residents visited the booths full of information and listened to the enlightening discussion about fraud especially aimed at seniors. Oh - and lunch was delicious

Merry  
Christmas

## Did you know how Santa got a ninth Reindeer??

**W**e are all so familiar with Rudolph that extra special reindeer that Santa depends on every year to lead his team on the trip around the world. But do you know how Santa got to have Rudolph on his team?

Story has it that there was an employee at a Montgomery Ward department store named Robert L. May. Mr. May wrote a Christmas-themed story-poem to help bring holiday traffic into his store. He used a similar theme to the famous Christmas poem written “’Twas the Night Before Christmas”. He told us all about a young reindeer who was teased because of his large glowing red nose. Luckily for Rudolph one Christmas Eve was very foggy and Santa worried that he would not be able to deliver all those gifts to the children of the world. So, the former outcast Rudolph became the hero because of his glowing red nose. The message to the world that given the opportunity, a liability can be turned into an asset.

That year thanks to Rudolph’s story Mr. May sold almost two and a half million copies of the story in 1939. Several years later a friend of Mr. May’s wrote a catchy song based on Rudolph’s story (1949) and it was recorded by Gene Autry. Since then, the story has been translated into 25 languages, made into a television movie, narrated by Burl Ives which has charmed audiences every year since 1964.

So, check you TV listings and don’t miss the Story of Rudolph that very special reindeer on Santa’s team. One of my favorites.

## TRAVEL CLUB NEWS:

**Y**ou just can't stop Lincolnshire residents from traveling. A group of 18 residents cruised on the Carnival Paradise for a Halloween cruise – all dressed as “tacky tourists from Bubba’s RV Park Travel Club

And here we are again, getting ideas from residents who like to travel, and enjoy travelling in groups for day trips and overnight trips to places far and near – and of course cruising the 7 seas (and maybe some of the world’s best rivers)

As you read this, we should have seen a group from Lincolnshire cruise on the new Wonder of the Seas, the largest ship currently sailing the Caribbean. A report on the ship and the cruise with photos will be in the next edition.

Also in the last week of November a group of our residents enjoyed a cruise on the new Margaritaville at Sea ship “Paradise.” We talked of this one last month. Photos of the trip will be on the Lincolnshire Facebook page, and more about that trip again in next month's edition as well.

Now - - time to ask for your help - - we need your ideas for future trips. Let us know where you would like to go, and when. We can arrange for theater dates for the early bird dinner theater too, but it would be nice to know when most people would like to go, rather than just telling you when we have reservations.

Thanks, and safe travels to all

## COOKING IN LINCOLNSHIRE

By: Donna Wurtz (#938.....509-1182.....momshse@aol.com)

### TWO SIMPLE CHRISTMAS COCKTAIL RECIPES FROM THE WURTZ FAMILY

1 The Green Christmas Tree: (creamy and minty) place 1 oz Rumpelintz liqueur, ½ oz white Godiva liqueur, and ½ oz green cream de mint in a cocktail shaker with ice. Shake and strain into martini glass – garnish with whipped cream & cherry if desired.

2 Champaign Christmas Tree: (advance prep required) Place 2 T strawberry jam at bottom of champaign flute and place in freezer for about 4 hours. Rim the top of the flute with red sugar. When ready to serve, Insert a sprig of fresh rosemary into the jam. Pour champaign into flute and serve (A non-alcoholic version is easily made by substituting Mountain Dew for the champaign)

## Sunshine Committee

By: Mary Jo Webert & Marge Kristall

---

December 2022

Happy Holidays to all our Lincolnshire neighbors! Hope everyone had a great Thanksgiving no matter how you celebrated the holiday.

As we are writing this article Mary Jo is prepping for her annual family vacation to Marco Island. Luckily the Condo community she timeshares was not affected by Hurricane Ian. Hope her trip is full of lots of family memories. Putting 2022 in our rear-view mirror brought some reflection on all that has happened in the wide world and our own personal sphere.

Foremost COVID has been tamed! Not cured but under control with the vaccines. This gave us back our freedom to socialize again. Our Coffee hour is back every week, had barbecues, dances and filled the swimming pool with neighbors catching up with each other. So glad all that is back.

We have watched the Ukraine situation unfold on the nightly news. Too many times in our lives we have watched the brutality we as humans can inflict on each other. Prayers to all those brave Ukrainians for their endurance as they fight for their freedom.

We went to the polls again. So difficult to know what “real” news is and what is hyped across our daily newspapers and TV’s. Just know that our votes do send a message, only wish that more of our elected officials were listening to that message and working more with each other to get things done.

Hurricane Ian, we of course are thankful that it spared our area again. Praying and supporting our fellow Floridians as they work thru the rebuilding of their homes and communities.

I am sure many of us have had our own share of ups & downs in 2022. Some may have been health related or loss of a loved one. The ups are easy to deal with, it is those down times when we need to reach out to the folks in our community for some physical and emotional support. Please keep this in mind and contact Mary Jo or me if you know of a neighbor that needs a call or card to let them know our community cares.

Make sure you check the December Voice issue calendar for all the fun events planned for this month. Always something for everyone to enjoy! Come out and spend some time with your neighbors.

### Residents, former residents that have passed away.

Former resident Dorothy Beishuizen passed away on 10/11/22. Many residents may remember Dorothy had been very active at Lincolnshire and was well known for her cooking & baking.

So happy to see Rita Sullivan at a November Coffee hour. She will be living back in the community soon! Her food drive is underway to re-stock the pantries after Thanksgiving.

*If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to beneficial use.*

### **D** ID YOU KNOW?

As our LHOA members have already noticed from the new Email Newsletter that they have received in November, big changes are taking place within The Lincolnshire HOA!

From several new faces being added to the Board of Directors, to a new Email Address (listed below), to a new newsletter. The LHOA Board has heard the suggestions/concerns/complaints of our members and is striving to better meet those needs. We are already receiving a lot of positive feedback from our members regarding how productive meetings have recently been, satisfaction with the new newsletter and the overall improvement in transparency and communication from the LHOA Board of Directors. We still have a lot of hard work ahead of us in 2023, and in order to succeed we will need member support. You can do that by attending meetings, giving us your feedback, volunteering for committees, telling others about the positive changes taking place and by renewing your membership for 2023.

Speaking of membership, our member drive for 2023 will be starting soon. We encourage those who are already registered members to give the 2023 roster a jumpstart by going ahead and renewing your membership for the upcoming year. You can do that by contacting an LHOA Board member or by coming to the December Board meeting (date/time listed below). If you are not currently a LHOA member and would like to know more, feel free to attend the next board meeting or contact a LHOA board member today.

We hope to see you all at our next Board meeting and look forward to sharing the changes coming to the LHOA in 2023 with you.

Sincerely, The LHOA Board of Directors

## VETERAN'S CORNER

First thing I would like to do is wish all the Veterans a Happy Veterans Day and say Thank you for your service! Since it is Veterans month, I would like to share a story about a famous American that I hope you enjoy.

Born Anthony Dominick Benedetto in 1926 to Italian immigrants, Tony Bennett has come a long way since growing up poor in Queens, New York, during the Great Depression. His father was a grocer who died when Tony was just 10 years old. It wasn't long before he started helping out the family by singing while waiting tables. Like many people and many families, the Benedettos' lives were forever changed by World War II. Bennett turned 18 in 1944 and was drafted into the U.S. Army. By March 1945, the young soldier was deploying to Europe with the 63rd Infantry Division, replacing casualties lost in the Battle of the Bulge. In his 1998 autobiography "The Good Life," he called the war a "front row seat in hell." Bennett wrote that he spent his time on the freezing battlefields digging into foxholes as German 88-millimeter flak guns rained death down on him and his unit. On March 15, 1945, the 63rd Infantry Division assaulted the Siegfried Line. It took them five days to breach the defenses east of Saarbrücken. The 63rd fought its way across Germany, leaving a path of "blood and fire" through Worms, Mannheim, Heidelberg, Gunzburg and Landsberg. It earned a collective seven Presidential Unit Citations and captured more than 21,000 enemy soldiers. From April 24-27, 1945, Bennett was among the soldiers who liberated the Kaufering Concentration Camp, the largest subcamp of the notorious Dachau complex. As the liberating U.S. Army approached, there were more than 10,000 prisoners at Kaufering. Many of those were transported to Dachau itself before the Americans arrived. Most of them were forcibly marched to other camps. Many of those who stayed behind were slaughtered. When soldiers like Bennett arrived, they found 500 charred corpses strewn out on the ground. World War II in Europe was over within days after the liberation of the Kaufering camp. Cpl. Benedetto, as Bennett was then known, was sent to Mannheim as part of the Allied occupation force of postwar Germany. It was there he first picked up the microphone to sing jazz standards with Army band units. He adopted the stage name Joe Bari and began singing with the 314th Army Special Services Band. He couldn't sing under his own name because he'd been demoted to private and reassigned to the Graves Registration Service for dining with a Black friend at a time when the Army was still segregated. It just so happened that Bennett ran into an old friend, Frank Smith, while they were both stationed in Mannheim. They had dinner together on Thanksgiving Day, when an Army captain walked into the hotel restaurant. The officer ripped his stripes off and put him on gravedigging detail. It lasted only a week before a colonel learned about it and sent Bennett to an orchestra. After returning home and leaving the Army, Bennett studied bel canto singing at the American Theater Wing using his GI Bill

*Continued on page 40*

benefits while working a day job operating an elevator. He took his singing under the name "Joe Bari" into the nightclubs of New York City by night. One night, singer Pearl Bailey saw his act and asked him to open for her at the Greenwich Village Inn. When he did, actor and comedian Bob Hope happened to be in the audience. Hope met with the young singer and told him they would perform together in Hollywood, but there was just one problem: His name was no good. "He asks what my real name is," Bennett later recalled. "I say Anthony Benedetto. That doesn't do it for him, either. So, he goes out and says to the audience, 'And here's a new singer, Tony Bennett!' He had to introduce me twice, "because I didn't know who he was talking about." A little training paid by the GI Bill and one chance opening led to a career spanning seven decades, millions of records sold and 19 Grammy Awards.

## A Nurse's Self Care Toolbox #55

Allyn Webert, RN. Lot 1438, Lincolnshire Estates  
allynwebert@gmail.com

Contact me if there is a subject you want me to bring forward that impacts our Park residents.

Last month I started briefly on a series on nutrition, movement (exercise) and finally 3 months from now on diabetes.

The introduction last month was based on the beginnings of humans as we know them. As all living things we needed food. Oxygen the other ingredient to making energy in all our body cells was in every breath we took. Essential vitamins and minerals kept our bodies engineering meet the needs of successful daily living. So where was the food that we needed every day and multiple times a day? Actually, it was everywhere.

On or under the ground and in the trees. There was fruit, veggies, grains and if you were extremely lucky some animal protein lying on the trail, in the lake or along the seacoast. Remember we didn't know how to hunt or successfully fish yet, so protein was just a spontaneous find and very irregular. Food was fresh and ready to eat. Food spoiled quickly so it was "find and eat." Pretty simple recipe to me.

So, what was our day like way, way back then? No calendar and no weekends. The secret to getting control of our metabolism is in plain sight. At dawn we would begin to venture out of hiding (and I truly mean hiding as no weapons yet.) We, in a group, would begin to move out, finding food usually within an hour. Our body was demanding food for fresh sugar! We hadn't eaten for at least 10 hours. Our body was using what sugar remained from the previous day and some from fat to sustain us. Food was very abundant. So we ate. Probably sat for a bit as we do now after eating a meal. We were feeling happy. **Then!** We did something absolutely

**extraordinary**, we stood up and walked farther on. For our next meal! We walked (moved!) This sequence happened every 3-4 hours throughout the day. Somewhere close to dusk we began to find the same or another safe place to sleep which was our only protection. No street, porch lights or doorbells that took pictures of who was there. Curfew was darn early then! Next day, you guessed it, same plan. Day after day. It was our quest! We are here because the search for food and safety was relentless. Brought us to almost every corner of Mother Earth.

Next month we look at what happens when we eat. I ask each of you to see how your day compares to what was described above. Do you eat in the early morning, relax, move for 3-4 hours and eat a small meal again? Just think about how closer you can get to how we were designed to live. Until next month, choose wisely and chew well my friends.
