FROM THE PRESIDENT

By Mark Vetter

February, 2023

Hello Neighbors,
Well, we are off and running for the New Year. I am writing this to help all of us better understand a problem that impacts all of us, not just those who live on the canal.

Cross Bayou Canal Issue Exposed

Friends, this is becoming very serious. Clearwater Cascade HOA is a cooperative, meaning all shareholders are equal partners in our park and the park's land. This is not just a problem for the residents that live on the canal. This is a problem for the entire community and it is not going away. The longer we ignore it, the more and more expensive it will be to resolve for all of our residents. We need to get more informed and be involved in the solution that we hope comes soon.

We have a very high turbidity and this is a serious problem!

We are losing more ground on our banks and as a result, the sandbars are growing and the turbidity is getting worse. What is turbidity you ask? It is the cloudiness or haziness of a fluid caused by large amounts of individual particles that are generally invisible to the naked eye, similar to smoke in air. The measurement of turbidity is a key test of both water clarity and water quality. High turbidity is a problem for wildlife (fish, turtles, manatees, etc.). This also affects the water birds searching for food.

The kayak launch is mostly grounded now and as a result the kayakers are unable to enter the waterway. No one can get through under the railroad trestle due to the condensed brushes and trees that block the flow of the water.

The canal has a very slow water flow. This low and slow flow characteristic does "not" support strong debris flushing. As a result, obstructions do not get moved on by tidal or storm water moving through.

Sometime back, the Bardmoor Golf & Tennis Club aka the Bayou Club placed a small culvert on their golf course that is much too small for the proper water flow. We have not been able to ascertain whether it was properly permitted when installed. This restricted water flow from this culvert has resulted in an altered Cross Bayou Canal and a major reason for our bank erosion issues.

Pinellas County nor their Public Works division have been the least bit interested in helping us to resolve this problem. Sandy Draper has been a frontline advocate seeking assistance from all available sources including the State of Florida.

However, we need your involvement. We may be contacting the media shortly to come out so we can tell our story. When this happens, we need as many residents to show up for the cameras. Watch for this announcement. We also need you to come to the Cross Bayou Canal Committee meetings. Watch for the next meeting announcement on VOLO, Facebook and the official postings at the mailboxes and library.

Thank you, Mark

MANAGER'S MESSAGE

By Bobbi Gumm

Election – The deadline for this article is early January so I don't know the results of the election but I would like to welcome the 2023 Board of Directors and say that we look forward to working with you!

Alteration Requests – This is just a reminder that any changes to the outside of your home must be approved by the Alteration Committee and two Board Members prior to starting any project.

CWC Decals – We have noticed some residents do not have CWC Decals on their vehicles. All residents must have one. If you do not have a decal on your vehicle, please bring your registration up to the office. We will make a copy and issue you a new Decal. In addition, all golf carts need to have their Lot number on them. We have decals for the golf carts in the office.

Library Windows Update – We are still waiting for some windows to be replaced and work to be done around the windows in the library. Due to supply issues, we do not have a date when they will arrive yet. Once they are installed, the windows will have to be inspected and then we can remove all the stickers and we will have the windows cleaned.

Tax Exemptions – In addition to a Homestead Exemption for year around residents, there are several other exemptions you may qualify for. Some examples are: Widow/Widower Exemption, Blind Persons Exemption, Disability Exemptions, Disabled Veterans or Surviving Spouse Exemptions, and Low-Income Senior Exemption. The deadline to file for these exemptions is March 1, 2021. For more information, contact the Pinellas County Property Appraiser's Office by calling 727-464-3207 or visit their new office located at 2500 34th Street North, Second Floor.

Office Closure- The business office will be closed February 20th for President's Day.

Estoppel – Funny word, isn't it...if you are buying a home in a deed restricted community, you will be asked if you want to purchase an Estoppel. It is an added expense; however, it is to protect the purchaser. Estoppels will show if there are any outstanding violations for the home you may be purchasing, it will show if taxes are owed on the home, or if the seller has an outstanding balance on their account. When you purchase a new home in a deed restricted community or park, you agree to abide by the governing documents AND you become responsible for any outstanding violations or money owed. In other words, buyer beware.

That is all I have for this month, stay safe.

FROM THE EDITOR

By Donna Collins

Congratulations to the new Board Directors. As I write this, I don't know who you are but as I look over the ballot, I am confident that whomever has been elected will do their best to work together for the benefit of the entire Park. Working with eight other people is difficult enough but trying to make every resident happy is an impossible task. Negotiating, compromising, and agreeing to disagree are all necessary and I wish you well as you take on these responsibilities. As residents, I hope that we will support our BOD, and sympathize with their attempts to try to make the right decisions for the entire community. This is an amazing place to live so let's continue to all work together so it stays that way.

Have a Happy Valentine's Day.

By Donna Thorn

And so, ends my six years as a volunteer on the Board of Directors. I first thought to make this article a thank you to all of those whom I have had the pleasure of serving with in my capacity as Secretary, President and Director on the Board. But then I thought, I have thanked all of those people already and what I really wanted to say was how much I have enjoyed the years participating in the growth of CCHOA. I have learned so much about our Park and the people who reside here.

Sure, there were some trying times...remember bed bugs, Covid pool closures and Bingo Gate?

Let's not forget moving the mailboxes.

But there have also been great strides in growth and population. The face of the Park has changed from my first year on the Board when we were populated primarily by snowbirds to now when we are over 60% full time residents.

I am proud of what has been accomplished and while our Boards have not been able to please everyone, I believe everyone can see the improvements.

Volunteering on the Board of Directors takes a great commitment of time and efforts. Please give the respect to these volunteers that they deserve and try to remember they are residents in this Park too... volunteering to keep things on track for your benefit.

I wish the new Board the best of luck.

As for me, I can finally say "See you at the Pool!"

St. Valentine: Patron Saint of Beekeepers

By Erin Snow, Heifer International

February 9, 2016

Last Updated: October 3, 2019

Heifer International is on a mission to end hunger and poverty in a sustainable way by supporting and investing alongside local farmers and their communities.

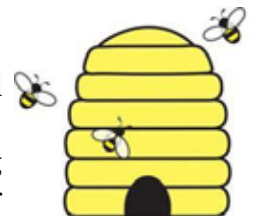

The roots of Valentine's Day date back to the year 496, when Pope Gelasius proclaimed that February 14 would be the feast day of St. Valentine of Rome, taking precedence over Lupercalia—a pagan Roman fertility festival long-celebrated February 13-15.

Besides couples, love and happy marriages, you might be surprised to know that St. Valentine is also the patron saint of beekeepers—charged with ensuring the sweetness of honey and the protection of beekeepers.

BUZZ about BEES:

*A single bee colony has the potential to double a farm's fruit and vegetable yields through pollination.

*Honeybees flap their wings about 11,000 times a minute, creating their signature buzzing sound, and can fly approximately 15 miles per hour.

COMMITTEES

BEAUTIFICATION

By Donna Miller

Happy February! January has come and gone so quickly with planting and undecorating the park now done. Decorating and undecorating the park always takes a while and can be taxing. Thank you to my helpers: Rick, Leigh and Debbie. With the limited number of decorations available for our use, the park looked very nice and will, hopefully, look even better in the years to come.

With this in mind, I would like to welcome Richard and Peggy Wolfe who are our new “Decorating Committee” starting in 2023. Rick and Peggy are now in charge of decorating (and undecorating) the park for Christmas; As a preview of things to come, the grand reopening of the Library and Office building showcased a beautifully decorated Christmas tree - I hope you were able to see it in person; if not, hopefully you can see it on Facebook!

Once again Steve Zuidema has arrived for the winter and has taken over watering the Butterfly Garden for me - thanks, Steve!

If you look around the park and see an area that needs “help”, please let me know. I appreciate all of the suggestions and help that is offered! Help keep your community beautiful!

COMMUNITY ACTIVITIES COMMITTEE

By Maddy Haber and Debbie Creighton

Did you hear about all the flamingos that are splashing down into our adult pool? Yep, they are back! On March 4 at 4:00 those cuddly little birds will be the highlight

of the FLA-MING CHA-CHING. This is the Community Activities Committee's largest fundraiser of the year and we want you to come and have a great time.

Let me tell you about what is all happening at your pool and clubhouse. Before the event, you can purchase a flamingo for \$5 (you can purchase as many as you like). Please note that no flamingos will be sold the day of the event. Maddy and Debbie will be around the park during activities to make the flamingos available for purchase. You can pick your favorite number from 1 to 200 (if it's still available). On March 4 all 200 flamingos will be placed in the pool (they are numbered on the bottom so you can't see the number from the top). The flamingos will be sporting a bow...50 of each color corresponding to the number you chose. One flamingo from each bow color will be drawn immediately to get the party started. These first four are WINNERS! Drawing of the flamingos will continue until the last flamingo in each bow color is left. These last four are WINNERS!

But wait...that is not all that will be going on. Every 15 minutes a ticket will be drawn for a table prize AND a ticket will be drawn for a basket. There will also be a "guess the number of candies in the jar" game that everyone attending can participate in. You can get your picture taken with a sparkly backdrop (Mark will be ready with his trusty camera).

IMPORTANT: There is something you can do for us. If you would, could you please bring a food item to share. It can be anything from hors d'oeuvres to dessert. We are not fussy!

You will also have to bring your own beverage. (Cups will not be supplied.)

Please know that you do not have to purchase a flamingo or supply a food item, just come and enjoy yourself.

Call Maddy at 412-716-2129 with questions or to get your flamingo(s). Leave a message and I will call you back as soon as I can.

VERY IMPORTANT: ABSOLUTELY NO GLASS OR FOOD IN THE POOL AREA. NON-GLASS CUPS WITH LIDS ARE PERMITTED IN THE POOL AREA.

CROSS BAYOU

By Sandy Draper

It's been a continued and long process to get the problem resolved. We have encountered a lot of road blocks, but have been constantly working with Engineers, S.F.W.M. Commissioners, S.F.W.M. Manatee Marine Biologists, other county water departments and our County Commissioner Justice. Due to the holidays, the process has come to a near halt. This will not stop our investigation. With all the information we have gathered recently, our committee will be meeting soon to discuss our next plan of action. Remember, we are looking for a permanent solution, not a temporary fix, time is of essence.

Thank you all for your continued support to our team.

ELECTION

We would like to Thank everyone who came out to vote. Your vote is very important. Congratulations to the new board members.

We would also like to Thank our Election Committee for helping with the election process. Thanks again Dave & Debi McManus, Elfi Morton, Leigh Cesarz, Bruce Borowski, Tom Ranslow, Don Cooper, Sandy Draper, Bart Rosario, Donna Miller, Doug & Jeanne Mcleod.

Thanks again,

LIBRARY & BOOK TALK

By Ann Vetter

Welcome back to the Library! It is great to be open again. Our new space is beautiful and I'm sure we'll all enjoy it.

We appreciate the books we receive from our community and want to keep the collection current so we would like all donations to be copyrighted 2010 or later. There are notable exceptions such as timeless classics, books that are part of a series etc..... If you are unsure go ahead and leave the book with us. If we can't use it in our collection, we pass it on to one of several charities in the community. We can always find a home for a book in good condition.

Book Talk will meet Saturday, February 11 at 11:00 in the library. We are looking forward to seeing you.

Happy Reading!

VOLUNTEERS

By Jane Boucher

Bible Study is off to a nice start with five folks joining the group headed by our own Pastor Jimmy Keasling.

Bocce started with the first games being played 1/09/23. We need one more team player and could use a few more names to add to our list of subs.

The newly formed Chess Club has four members with coach Jim Hayward leading us in battle. It is a challenging game, but Jim makes it easy to learn.

Fun Shuffleboard and League Shuffleboard got folks back on the courts in style, after thwarting an invasion of termites in the sheds. Kudos to our fearless leaders, Patti Ranslow and Sandy Cooper, and their husbands for clearing and washing out those sheds. The sheds and grounds have been treated by a termite specialist.

Line dancing is garnering more interest each week. Our instructor, Phyllis Poitier, makes it so much fun learning new dances each week. And her husband keeps the music going to entice us to move our feet.

Scrapbooking is a fairly new activity happening on Mondays in our Clubhouse from 1:00 PM to 4:00 PM. All are welcome to join in creating pages for our photo albums. There's an abundance of supplies, so just come and join in the fun of creating pages to display the photos of our many activities & events in CWC. If you have any photos, they would love to have them.

We still need volunteers for Cornhole and Horseshoes.

It's exciting to see our community, come alive with so many snowbirds returning. We had a fun time welcoming in the New Year with the dance, and our first breakfast of this year totally packed our Clubhouse.

Come join in all the fun happenings.

~ Jane Boucher

ASK MIKE

By Mike Hoyt

Trash collection days are Tuesdays and Fridays, with Recycling on Wednesdays in the Park. Our trash collectors are great, picking up and disposing of almost anything that we put to the curb. As you drive around the park on trash collection days you'll see trash bags, shipping and packing boxes, toilets, cabinets, etc. out for pickup. Since the pandemic, many of us are utilizing the delivery services of companies such as Amazon, Wayfair, Chewy, and others. Shopping with these suppliers is convenient and time-saving. And it creates a pile of cardboard to dispose of. Unfortunately, many of these cardboard shipping containers go into the trash collection on Tuesday and Friday instead of the recycling collection on Wednesday. I say unfortunately because Clearwater Cascade receives a yearly rebate payment for our

recyclables that are collected on Wednesday. Once a year we receive a check divided equally between the Social Club and the Park. The Social Club's share is used to support their efforts such as breakfasts and dinners and entertainment. The Park's share can be used by the Board to support the activities in the Park. Only recyclables, such as cardboard, put out on Wednesdays for recycling count toward the rebate. Any recyclables you dispose of on Tuesday and Friday just go into the landfill. Drive around the Park on trash days and you'll see the money we are losing. Hopefully, we will all make an extra effort to keep our recyclables for Wednesday's recycling. It will benefit everyone.
