PARADISE ISLAND UPDATE

Pat Walker, Association President

Today I'm gazing into my crystal ball and what do I see? I can clearly see that our annual Community Sale was a success – thanks in no small part to the enthusiasm and hard work of those who volunteered their time and talents. We call it a Community sale because it takes a whole community working together performing the myriad of chores necessary to get items organized, attractively displayed and priced. So to the Paradise Island Community and to our sister park friends who helped, thank you so very much! We certainly could not have done it without you. And, most importantly, thanks to the Sale Coordinator, Lei Crance, and to all the Hobby Club ladies who led the effort. Last, but certainly not least, thank you to all our park friends and neighbors who opened their wallets and made a purchase. We appreciate you all. We pledge our support at your park sales.

Do Johnnie & Carla Corley know how to throw a party or what??!! Everyone raved about the New Year's Eve Masquerade Party and couldn't stop talking about what a fun time it was. Such a unique idea to welcome in the new year. Thanks so much for hosting such an entertaining evening. If you enjoyed that event, well you are in luck as they will be hosting Karaoke Night on Saturday, February 25 – so y'all come and sing the night away.

Just want to give a shout out to Peggy Lyter for introducing us to Pennsylvania Dutch Chicken Pot Pie at the January pot luck dinner. Lots of compliments on the food could be heard at every table. Now that Linda Harrison has retired she was able to give Peggy a helping hand – is she perhaps a chef in training??

Speaking of pot luck dinners, guess what's in store for February – a Chili Cook Off. We've had them before and they have always been a hit. In order have a successful cook-off we need a variety of dishes to compare – so bring a pot to showcase your favorite recipe and compete for bragging rights.....or perhaps a tangible prize.

Thanks to everyone who attended the January Association meeting. Unfortunately Steve Krznarich had to withdraw his nomination for Association President due to extended family issues. Lacking any other nominations from the floor, I agreed to stay on for another term. The elected Vice Presidents are: 1st VP – Bob Spencer; 2nd VP – Paul Watts; Secretary – Cheryl Mathews; Treasurer – Lei Crance. I look forward to working with this dedicated team. I appreciate so very much the support I received during the past two years from Vern Lusk and Marcia Lilley – they were always available and willingly did anything asked of them. Vern and Toni will be travelling around the country for the next three, four or more months – we are all envious and wish them safe travels. Marcia is taking a break to get her health back up to par – we will all help in any way we can to make this happen.

You have received envelopes for Park #1 Association and for Lake Haven HOA dues for 2023. Please return them as soon as possible to one of the locations listed. As an option, you can bring them to the February Association meeting. As a reminder, it has been a long-standing Park #1 tradition that current residents must pay Association dues no later than April 1 to qualify for the reduced ticket price for the Christmas Dinner; those paying after that date will pay full price.

See you at the February Association Meeting on Saturday, February 4 – it is open to all residents of Paradise Island.

Happy Valentine’s Day – enjoy a fun day with your spouse, partner, or best friend. Eat lots of chocolate!

TREASURE COVE-PARK 2 HAPPENINGS

Happy February! Known as the month of love we celebrate the Feast of St. Valentine. Its not just for valentines or sweethearts. It's also for self-love and love for family and friends. February is also the only month that has less than 30 days. It is said that those born in this month are loving, affectionate, caring, giving and have the most beautiful hearts. I personally know several people born this month and I can confirm that's true!

The board wants to make sure that a BIG thank you goes out to those that donated in December to our Helping Hands Fund. Please know that the recipients of that were overcome with joy and gratitude. Donations are accepted all year long and our next donation will be given out for Easter. If you would like to donate to that please see Lori #254 or Susan #501. Cash is always accepted as well as new clothing and toiletries. If you know of anyone that is in need, please tell one of us so we can help them as well. Again, thank you for your generosity. It truly has an impact!

Membership and HOA dues are needed by February 10. HOA is \$5 per household and Membership dues are \$10 per person. You should be receiving an envelope so please watch your tubes. You can bring your dues to Lori #254, Susie #280, or Susan #501.

Our annual Community Rummage/Bake Sale will be held on February 25th from 8am-1pm. If you would like to rent a table and sell your own items, please see Susie #280. The fee to rent a table will be \$12. We will also have a Bake Sale with pies, cookies and brownies. If you'd like lunch, we will be grilling hot dogs with chips and soda for a small fee. If you have items or baked goods you would like to donate, please see Lori, Susie or Susan.

Future Events will be the Community Sale in February, A Spring Ahead party in March, Halloween Party in October and Christmas at the Dunedin Country Club 12/3/23. We will have more specifics as we get closer to these events so stay tuned.

Park 3 Guana Cay

President: Robert Peacock

FEBRUARY

Happy February! We hope all had a great New Year. There have been many fun celebrations throughout our community over the past few months. Thank you to all that attended and participated. An extra big thank you to all that helped behind the scenes, helpers, cleaners, cooks, planners. We can't do what we do without you, and you don't always get the recognition you deserve but please know you are greatly appreciated!

Over the past 2 months we've had an outbreak of covid, flu and a new bronchial virus which acts very much like covid. It seemed to have spread rapidly. It settles in the chest and bronchial tree and just won't let go very easily. If you contract this, please seek medical help, urgent care or your doctor for treatment. Keep in mind, the flu, covid, pneumonia and booster shots are important to help stay healthy. Quarantine when necessary to help keep the spread at a minimum. Stay healthy and safe.

The January Park 3 association meeting which was held on Wednesday, Jan. 4th held it's 2023 election for board members. We are excited to announce by unanimous vote, our new 2nd vice president, Mr. Robert (Bobby) Kawasaki! Bobby and his lovely wife of 33 years, Nancy have been very hands on and helpful with our activities, cooking, cleaning up, decorating, etc. They are a welcome addition to our community since settling here a year ago. He has also had a quite extensive career in electronic technician with a major corporation.

We also discussed rescheduling some of our events throughout the month including the first Park 3 association meeting to be held at night. The next meeting is scheduled for Wednesday, February 1st at 6pm. Hope to see you all there!

Please see the calendar in the clubhouse or in the middle of this book for new and changed events.

We have seen an inflex of big items in the dumpster area. Again...Please refrain from using that area for these items. If this continues, the dumpster area will be closed to the community. Seek other means of refuse pick up.

Be responsible with your pets. This is becoming an increasing problem. Scoop your poop, all pets should be on leashes when outside your home. You know and we know who you are.

Also, please allow room for the postman to deliver the mail around your cars parked on the street, if you continue to block the boxes, the mail will not be delivered.

Listen folks, I get a lot of complaints about being treated like children by management, but the above actions may be part of the reason. It's simple, the golden rule...treat others the way you would like to be treated. Be courteous and responsible or more amenities may be taken away.

Reduce your food label confusion

Are you confused by the labels on food products in the grocery store? Products now like to advertise that they are “fat free,” “reduced fat” and “low calorie.” So what do those terms really mean? The Food and Drug Administration regulates what foods can contain before they can make label claims. Here are a few FDA label-claims requirements for food manufacturers:

Free. This means that a product contains no amount of, or only trivial or “physiologically inconsequential” amounts of one or more of the following components: fat, saturated fat, cholesterol, sodium, sugars and calories. For example, “calorie-free” means fewer than 5 calories per serving, and “sugar-free” and “fat-free” both mean less than 0.5 grams per serving. Synonyms for “free” include “without,” “no” and “zero.” A synonym for fat-free milk is “skim.”

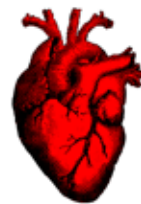

Low. This term can be used on foods that can be eaten frequently without exceeding dietary guidelines for one or more of these components: fat, saturated fat, cholesterol, sodium and calories. Thus, descriptors are as follows:

- Low-fat. 3 grams or less per serving.
- Low-saturated fat. 1 gram or less per serving.
- Low-sodium. 140 milligrams or less per serving.
- Very low sodium. 35 milligrams or less per serving.
- Low cholesterol. 20 milligrams or less and 2 grams or less of saturated fat per serving.
- Low calorie. 40 calories or less per serving.

Synonyms for low are “little,” “few,” “low source of” and “contains a small amount of.”

Many Americans suffer from heartburn

According to the AstraZeneca Web site, heartburn is a burning feeling that rises from the stomach or lower chest up toward the neck. The burning sensation is caused by acid that backs up from the stomach into the gullet (esophagus). Usually a valve at the lower end of the esophagus opens when you swallow and closes when the food has passed. However, in some people, this function does not work properly and does not close off when it should—after a meal, for instance. Anyone who suspects they are suffering from heartburn should seek a doctor’s advice; medicine may be required and more serious problems need to be eliminated as the cause of the discomfort.

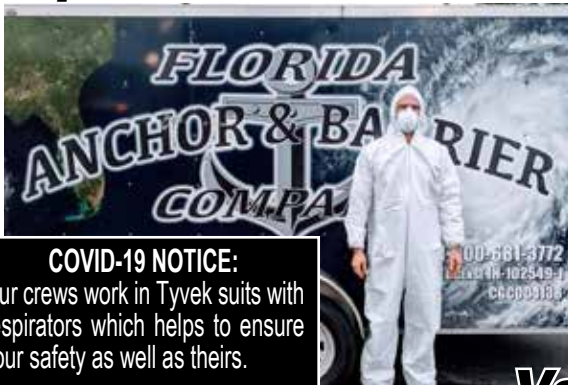

- In Western countries, about 40 percent (two in every five) of adults suffer from heartburn.
- Up to 44 percent of American adults suffer from heartburn at least once a month, and approximately 7 percent of Americans experience heartburn at least once a day.
- Twenty-five percent (one in four) of pregnant women experience daily heartburn and more than 50 percent have occasional symptoms.

On the fragility of opinions

A very long time ago, far away in another land, there lived six blind men. They had all been blind since birth. Mostly, the six spent their days sitting around inventing tall tales to see who could tell the best story.

One day, the six men fell into a great argument. The subject of their argument was the elephant. There were many tales throughout the land about the great elephant, but because none of the men had actually seen an elephant each of them had their own idea of what the beast was like.

The men hired a young guide to lead them in find—ing an elephant to settle the dispute. The blind men followed along, each one placing his hands on the back of the man in front of him, and in this way they made their way single file along a narrow forest path.

It wasn't long before the group came across a great elephant. The six became very excited. They decided that each man should take a turn at exploring the ele-phant's shape and form.

The first man fell against the side of the elephant and said, "My, the elephant is like a great and sturdy wall."

The second man grabbed hold of the tusk of the elephant and said, "My, the elephant is smooth and sharp, like a wonderful spear."

The third man approached the animal and grabbed on to the trunk and said, "My, the elephant is exactly like a snake."

The fourth man grabbed hold of the elephant's great leg and said, "My, the elephant is round and stur—dy, just like a tree."

The fifth man reached out and grabbed hold of the elephant's ear, "My," he cried out, "The elephant is just like a fan."

The sixth man reached out and grasped upon the elephant's tail and said, "My, the elephant is exactly like a rope."

And so, the men continued arguing, even more loudly than before, each arguing for his opinion of what the elephant was like. And even though each was a little right—all of the men were more than a little wrong.

At my age, when I order a three-minute egg, they make me pay in advance.

— **George Burns**

The most important ingredient

It was well known that Abraham Lincoln often slipped out of the White House on Wednesday nights to listen to the sermons of Phineas Gurley at New York Avenue Presbyterian Church. The president tried to slip in and out of the services unnoticed—so Gurley often left his study door open so the president could listen to his sermons privately. One night, Lincoln showed up and took his seat in the minister’s study and propped the door open a little wider so that he could hear what the preacher was saying.

An aide later asked Lincoln what he had thought of the most recent Wednesday night sermon.

The president thought for a moment and then replied: “The content was excellent ... he delivered with eloquence ... he put work into the message ...”

“Then you thought it was an excellent sermon?” the aide asked.

“No,” Lincoln answered plainly.

“But you said the content was excellent ... that it was delivered with eloquence and it was the fruit of hard work,” the aide said.

“That’s true,” Lincoln said. “But Dr. Gurley forgot the most important ingredient ... He forgot to ask us to do something great.”

A stone in the road

Once in a foreign land, a king had a boulder placed in the middle of a well-traveled road. Then the king hid himself from view, and watched to see what would happen.

Wealthy merchants whom the king knew well saw the boulder and stepped around it. Courtiers came and when they saw the boulder they walked around it as well.

It came to pass that many people criticized the king for not keeping the road clear, but no one in the kingdom did anything to get the giant stone out of the road.

One day, a peasant came down the road carrying a load of vegetables. When the man saw the stone, he laid down his load and commenced in trying to move the stone. After a great effort, the peasant finally was able to move the boulder. When the peasant went back to the road for his vegetables he noticed that in the place where the stone had been was a beautiful red purse. The peasant picked up the purse and saw that it was filled with many gold coins and a note from the king saying the gold was for the person who moved the boulder from the road.

Moral: What other men see as an obstacle can be an opportunity for the man who faces it head on.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Precision Vapor Barriers

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

**Fix Small Problems Today
Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a
20 Year Transferable Warranty!
