From The President

Diane McSweeney

FEBRUARY

Dear Residents ,

Happy New Year and let's welcome 2023 in Holiday Shores. I am honored to serve as your president another year. This park is an amazing place to reside. We should all be very proud of the way things look here. It is so wonderful to see so many of our residents return and enjoy the amenities of the park.

We are repurposing the area behind the maintenance shed for activities. You will still be able to hang your laundry, but other activities will be taking place at times. We are looking for a “catchy” name for this area. Some activities that have been mentioned are ping pong, cornhole, bocce ball (not regulation), badminton, volleyball, or a great place to hang out with friends. There is a group of volunteers that are painting a mural to enhance aesthetics of the area. Any other ideas? Please submit ideas and or names to the office. We are also looking for quality outdoor furniture donations.

The next board meeting will be Thursday evening at 7:00 on February 16, 2023. An evening meeting was planned so hopefully more residents may attend.

A few housekeeping notes:

Residents may sign out tables and chairs. This is done through the office. The newer blue chairs and round tables are NOT to be removed from the clubhouse at anytime. There are different chairs and tables available for lending. Tables for the garage sales must be also be signed out from the office only. When the time comes, there is a limit of two tables per household, please follow the rules. Failure to comply with the rules will be a loss in the privilege to borrow items.

The round tables and navy chairs are setup in the clubhouse. When any group or activity sets up the long rectangular tables for use, it is important to return the tables to the storage area. The round tables need to be setup as they are the “normal” setup. Please adhere to this policy.

Tree Talk

We are governed by Pinellas County on the removal of trees. Permits are required to remove trees. The county only issues a permit upon inspection of the tree by the county arborist. Many species of trees are covered by this regulation. The county does NOT issue permits for leaves, tree overhangs, needles etc. The oak trees are considered the most protected as the roots help to hold our soil together.

We have a tree budget for our park. We have the arborist go through the park to determine what needs to be pruned and removed. The arborist determines the health of each tree. The last tree taken down was \$5000.00. We have to abide by Pinellas County Laws when it comes to tree removal.

GEARED UP TO SERVE

There is a tree committee within the park. The tree committee has been trained in the care of our Trees. It is only this group that waters and maintains new trees in the park. Over watering of trees, especially palms causes chlorosis which kills the tree and causes black mold on the soil. Tree requests, if the budget allows are made through this committee. Gardening angels are a subgroup of this committee. They will be responsible for the plantings to control erosion behind lots 1 - 6. Please contact Phoebe Garrett or stop in the office if interested.

Trees may be planted by residents, at your expense, upon approval of the board. A work request must be filled out in the office.

Have a wonderful winter,
Diane McSweeney

Partially Empty Paint Can Drop Off:

In addition to partially empty paint cans, other types of hazardous materials have also been dropped off at the maintenance shed, for disposal. Unfortunately, the Park is not equipped to handle these types of materials so, we are forced to discontinue this practice effective, immediately.

GOLF: HOLIDAY CHIPPERS

Priscilla Donegan

On a cool December day 21 residents showed off their putting skills. There was a three way play-off between Dave Crosman, Jack Wallace and Ray Innocenti. Each of them has 16 putts. Dave came in 1st, Jack 2nd and Ray 3rd.

There was a play-off for the women too. Merrill Morrissey and Pat Knight had 19 putts each. Merrill came in 1st and Pat 2nd. Peggy Wallace was 3rd with 22 putts.

No one won the mystery hole but there were 2 hole-in-ones in that contest. Tom Mikulka and Dave Nichols decided to split the winnings.

Pat Knight won the 50/50.

Things you'll never hear your consultant say:

- You're right; we're billing you way too much for this.
- How about you only pay me based on the success of this project.
- The whole strategy is based on a Harvard business case I read the other night.
- I don't know enough about that to speak about it intelligently.
- Implementation? I was just going to write a long report for you.
- The only real problem you have is too much work for too few people.
- Everything looks OK to me. You really don't need me.

Not too bright

A famous actress who was known for her smooth and creamy skin was staying at a four star hotel that catered to the rich and famous. The actress had heard that taking a bath in milk was good for the skin, and so she called the hotel desk and asked that 20 gallons of milk be delivered to her room.

“Do you want it pasteurized?” the clerk asked.

“No, that’s OK,” the actress said, “just fill the tub up to my neck.”

No future in it

John: “I don’t think Steve is going to make it as a speaker.” **Ed:** “Why?”
John: “Because yesterday, when he asked if they could hear him in the back, and the answer was no, everyone in the front moved to the back.”

Laughter is the shortest distance between two people.

Seven days without laughter makes one weak.
