REFLECTIONS FROM THE NEW PRESIDENT OF THE HOA.

By Tim Daily

The new HOA Board of Directors were elected at the January 3rd meeting and all are looking forward to serving, to the best of our abilities, to represent the homeowners of Paradise Island. Those Director's names and contact information appear every month in the front of this publication and our meetings are publicized and open to all residents of the park. The only exception is that when a question is put to our membership, only HOA members votes may be counted. We will endeavor to foster an atmosphere of trust and respect in all we do as a board. Whether Co-Op or HOA we all live in this community together. One definition of "community" is "a feeling of fellowship with others, as a result of sharing common interest and goals." The events of the recent past, both nationally, the isolation of the Pandemic for example, and locally have seemed to divide us. One of President Lincoln's speeches contained the phrase "a house divided against itself cannot stand." That statement was true not just in 1857 but today as well. We live in the greatest country in the world. We enjoy freedoms here that don't exist in many places throughout this planet. For centuries we have, with a few exceptions, evolved this experiment of "democracy" for the better. Men and women of all nationalities and beliefs have died to make those freedoms live. Our hope lies in mutual respect for the opinions of others. You don't have to agree with your neighbor but we are all in the same boat called the United States and in that smaller boat called Paradise Island. Let us call on our "better angels" lest both experiments end up on the dung heap of history. I look forward to making "our" home a fun, safe and peaceful place to live. Thank you, Tim Dailey – Lot 780 -

Emergency Exit and Safety Reminders

By the Neighborhood Watch Program Team

The unfortunate accident that happened at the Willow Street entrance in December provided an opportunity to review observations with the goal of making improvements in our communications and responses to traffic flow emergencies. We learned that some residents are unaware of where the 'back gate' on Palm Island is located. See the diagram below between lots 500 and 501 on Palm Island, at the south end of Grand Cayman.

The emergency gate is only opened by calling PI Co-Op office to let big moving vans in and out or in case of emergencies as an alternative for exit / entrance. If you are not familiar with how to enter our community through the back gate, you turn north onto Tall Pines off Ulmerton. Follow Tall Pines all the way to the PI gate entrance.

As a safety precaution, it is advisable when exiting our community from **Willow Street onto Starkey that a right turn only** is made during normal heavy traffic flows. Many accidents have occurred when left turns onto Starkey were attempted. Recent updates from the City of Largo indicate that a traffic signal has been approved for the Willow / Starkey intersection with an estimated completion date of 2025.

No errand is so urgent or trip so important that our safety and the safety of others should be overlooked.

Co-Op Update

By Al Noeller

The Coop Board has worked very hard for all the residents over the last year and I want to thank them, the staff and all the volunteers that made that possible. The new Coop Board will continue the work to promote/improve the quality of our Paradise Island experience. Continued use of committees will resume soon. Looking forward to working closely with the new HOA and SC Boards this year. Everything can be better, even Paradise.

The Spectrum Updated Contract implementation has now been delayed until April. The negotiations for an interim partial implementation broke down primarily due to supply chain issues with equipment required for completion in addition to the added expense of a partial implementation. Therefore, we will remain under the existing contract until the updates required to implement all of the changes under the new contract can be implemented. We are sorry for the delay, but it is out of our control and fully on Spectrum. We will keep you updated as we are made aware.

Please welcome our new maintenance supervisor Jeremy Vibbert to Paradise Island. The maintenance team is working hard to identify / find shut off valves. They now have methods and tools in place to greatly reduce the need for water shut downs. One event has happened and no shut off was needed. Please help by being careful when you dig in your yards. A work order system has also been implemented to assist in accomplishing requested tasks.

The compound now has an open dumpster for the use of maintenance personnel Only. This dumpster is intended to separate the yard waste from the compactor to save money for the community. Insurance restricts access to the compound to Resource employees and management. Residents need to follow the existing garbage collection rules.

Please take care of your home, you agreed to be part of this community and taking care of the look of the exterior of your home adds or distracts from the community. Looking around I notice roof gutters with growing plants, mold on sidewalks and walls, trees / bushes that need trimming and raking up leaves, etc. Save yourself money, simple things that are left unattended cause roof leaks, wall damage and other expensive issues. For those that do, Thank You, if not, Please do. Neighbors helping neighbors also helps everyone and builds relationships, Please consider it.

As we continue through and out of the covid experience, tensions have risen over time. Please dial it down, the community will be happier, Let's make 2023 the best!

Golf Cart, Bicycle Registration – Saturday, February 4th, 2023, 9 am to 11am

It is time again to get your Golf Cart or Bicycle (of any kind) registered. The bicycle/golf cart registration process includes affixing a numbered decal to the item and recording the information about the owner and the bicycle/golf cart for retrieval in the event the bicycle is stolen. We will host on St. Thomas Way, the north side of the clubhouse. Forms will be available at the registration. We had a great turn out at the last event. Come meet the officers and have a great time. **Sponsored in conjunction with your Neighborhood Community Watch.**

Social Committee Update

By Diane Billman

I would like to address a few things for all residents of Paradise Island. When the park was purchased by the residents and became a Co-Op -Leaseholder Park, a combined meeting of the HOA and Co-Op Boards was held on February 3, 2006 for the purpose of establishing the Paradise Island Resident Social Committee. It was determined that the social committee was to be organized to present social events in the interest of and for the well-being and enjoyment of all residents of the Paradise Island Community. On April 17, 2008 the Paradise Island Social Committee, Inc. was incorporated as an independent business entity operating as the sole provider of social and entertainment events in Paradise Island. It did not qualify as a Section 501 C 7 Not for Profit Social Club because it receives more than the 15% allowable income from outside the Paradise Island community. We pay state sales tax on every ticket we sell for any event on a monthly basis. Our monthly accounting can be found in the clubhouse in the glass cases for all residents of Paradise Island to see. We support over 40 activities and are open to adding new activities as long as there is an interested party to chair the activity and there is enough interest for the activity. All one has to do is contact me, present it at a board meeting and the PISC Directors will vote on the motion to add it or not. We recently did this at our last meeting and a Quilting Club was added to our activities.

The PISC is equally represented by 5 HOA Directors and 5 Co-Op Directors and they are the ones that vote on all motions. There are 4 Officer positions which are President, Vice-President, Secretary and Treasurer. Officers DO NOT vote on any motions and can be either a HOA member or Co-Op member. No one person owns the Paradise Island Social Committee, Inc and all Officers and Directors are updated with the State of Florida on a yearly basis. All Officers and Directors volunteer their time and are not paid any monies for their many hours of service. The PISC, Inc also files a yearly tax return like any other corporation.

Since its inception there have been many residents who have served on the PISC board and volunteered their time to be of service to this community. The majority of the residents in Paradise Island enjoy the activities sponsored and are appreciative of the time and service we give to the community. Recently I have been hearing accusations, which as President, I have investigated and found to be false. Any and all monies received by the PISC from your patronage of the events goes back into the community to support the free events and provide enhancements to the community. The PISC has donated purchased items totaling more than \$30,000 to the Co-Op in the last 8 years. Our current budget for 2023 is almost \$14,000 to support all activities we sponsor.

The PISC Officers and Board of Directors appreciates all our volunteers, Chairpersons and residents who participate in the activities and events provided to Paradise Island. I urge all residents to get involved, volunteer at an event or participate in an activity. We are in our retirement years and are here to enjoy life and have fun. I also urge you to NOT listen to the false statements and accusations that are made against the PISC. See for yourself, do your own due diligence and make up your own mind. If you have any questions, you can email me at

PISCPrez@gmail.com or give me a call at 727-434-0048.

I try to keep these articles short and concentrate on the events but I truly felt this needed to be addressed for all to read. I hope to see you at one of our many activities in the near future!

Exercise Program

By Bev MacMillan

We started exercise this past week with great success. If you want to feel better, lose weight and look great then consider this easy program.

It is just 4 steps, (walking, side steps, kicks and knee lifts), you do it at your own pace, it can be for beginners, intermediate or advanced, you choose.

Come try it out and see how it relieves stress . We all need to keep our joints moving and there is no other program that will do it better.

Hope to see you there every Monday, Wednesday and Friday at 8:45a.m. in the clubhouse. An easy 45 minute program.

Thursday Co-Ed Bowling

By Shirley Pultorak

The Paradise Island Bowling League bowls every Thursday at Liberty Lanes on Starkey Rd. Practice starts at 12:15. We bowl 3 games and have enough time to be at bingo. We need **SUBSTITUTE BOWLERS**. Why not give it a try? We will call you at least a day in advance of our absence. It's **NOT** too late to join our league. We welcome all skill levels. All that is required is that you laugh and have fun while meeting new friends. This is a great opportunity for new residents in PI or any snowbird returning to PI. There is **NO CHARGE** when you are unable to bowl. If you are interested in bowling with us, please call Shirley Pultorak at 315 796-2110 or sign up on the bulletin board in the clubhouse. I look forward to hearing from you.

HAPPY VALENTINES DAY.

Paradise Island Church in the Park

By Serena Johnson

Happy Valentine's Day!

It is so good to have our snow birds all back by now. Hope you are enjoying the nice Florida weather. This is the Love month so called because of Valentine's Day. But **GOD** is **LOVE** and He is here all the time to love you and care about you. His love for you had Him send His Son, Jesus who willingly gave up His life for you that you may be in right relationship with God the Father. So, if you ask Jesus to come into your heart, and forgive you of your sin, He will. Then you will carry that love in your body through the Holy Spirit. How great is that!!

Everyone is cordially invited to join us on Sunday mornings at 9:30 AM in the Clubhouse. We are a non-denominational church we welcome all and look forward to meeting you.. Come feel the love of God as we worship the Lord. If you are unable to come you can see the service on Spectrum channel 732. We now are also on YouTube each Sunday at "PI Church in the Park" for those who are not in the Park and would like to tune in to our services.

You are always welcome to join us for Bible Study on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We had just started a new study called "Spiritual Warfare" by Dean Sherman. when due to recuperating we had to postpone the class. We shall resume the study on January 5th Always room for more,. All are welcome. We are also broadcasting the Bible Study on Spectrum channel 732.. After Bible Study we have choir practice from 10:30 to 11:30 am. led by Jenny Caldarello.

Also, something new has been added. We will have Prayer Meetings beginning Friday January 6th in the Clubhouse led by Serena Johnson. If you would like to have a closer walk with the Lord and would like to pray or be prayed for or have prayer requests, come join us. This is not a Bible study although it will be Biblical. Shy about praying for others? Come, learn and grow. You may call Serena with requests,

VETERAN'S CORNER

By Bob Behm

Nineteen veterans will begin roaming the halls of Congress next week, contributing to one of the biggest classes of lawmakers who served in the military in recent years. The 118th Congress' cohort of 97 total veterans includes a couple historic firsts: Congress' first two Black West Point graduates. Two female veterans will also be joining Congress. That's short of the record three women veterans who entered Congress in 2018. But when including incumbents, the seven total women veterans still match the record total number set by the 116th Congress.

Sixteen of the freshman veterans are Republicans, who won a narrow majority in the House after Democrats performed better in the midterm elections than expected. At least one of the veteran's joining Congress was at the Jan. 6, 2021, rally that preceded the attack on the U.S. Capitol, though he denies ever entering the building and has not been charged with any crime. One of the 19 "new" veterans is actually a familiar face. Navy SEAL veteran Ryan Zinke, R-Mont., is returning to Congress after leaving in early 2019 to become the interior secretary in the Trump administration. Zinke resigned as interior secretary amid allegations, later substantiated by an inspector general, that he violated ethics rules.

Finally, we may have someone in Congress that understand what a Veteran is and the hardships a veteran goes through.

Retired Army Chief Warrant Officer Neal Williams has owned several vehicles in the last 25 years that were modified to accommodate his wheelchair and let him drive with hand controls. For his first vehicle, Williams, who is paralyzed as the result of a combat injury in Vietnam, used a one-time grant from the Department of Veterans Affairs and drove it more than 250,000 miles, until it fell apart. Williams purchased subsequent vehicles, but he had to pay for them out-of-pocket, shelling out \$50,000 for his most recent van, because the VA program allowed for only one purchase across a veteran's lifetime.

New legislation signed Thursday by President Joe Biden changed that requirement. Now, Williams, 73, and other disabled veterans who need modified vehicles to get around, will be eligible for an automobile grant from the VA every 10 years. Under the Advancing Uniform Transportation Opportunities for Veterans, or AUTO, Act, veterans who have not received a grant in the past 30 years will be eligible for another grant. Thereafter, veterans will be eligible every 10 years. "This bill will help veterans preserve the freedom and independence that adapted vehicles provide them, ensuring they are able to travel safely to and from work, medical appointments, and family obligations," Heather Ansley, associate executive director of government relations at Paralyzed Veterans of America, said in a press statement on Monday. The legislation was a bipartisan effort by Sen. Susan Collins, R-Maine, and Sen. Joe Manchin, D-W.V. Williams worked with Collins to craft the bill.

The new legislation also includes a provision that allows the VA to pay for vehicle modifications as medical services, such as van lifts, raised doors or roofs, air conditioning or wheelchair tie-downs.
