NFL Championship Trivia

- The New England Patriots have appeared in the most NFL Championships. 11 NFL Championships games (2018, 2017, 2016, 2014, 2011, 2007, 2004, 2003, 2001, 1996, 1985).
- The Pittsburgh Steelers and NE Patriots are tied for the lead with six championships apiece.
- The Denver Broncos and NE Patriots are tied with five losses each.
- Four teams have the distinction of never making it to a NFL Championship: The Detroit Lions, Cleveland Browns, Houston Texans, and Jacksonville Jaguars.
- Miami has hosted the NFL Championship 11 times, New Orleans 10 times.
- The Tampa Bay Buccaneers were the only team to play the NFL Championship in their home stadium.
- The players get post-season bonuses, in addition to their NFL salaries.
- In 2021, players on the winning teams got \$130,000, but when you add in their bonuses from previous playoff rounds, most took home \$250,000.
- Last year, the losers ended up with about \$185,000 for their post-season play.
- Tom Brady is the oldest person to play in a NFL Championship for the Tampa Bay Buccaneers at 43 years old.
- The winning team normally receives about 150 gem-encrusted NFL Championship rings for players, coaches, and other important members of the organization. The total for the set adds up to about \$5 million.
- Use of Roman numerals began with the fifth NFL Championship, and then I through IV were retroactively added to the first four events.
- The Roman numerals were adopted to clarify any confusion that may occur because the NFL Championship Game—the Big Game—is played in the year following a chronologically recorded season.
- The Lombardi Trophy, named after former Packers coach Vince Lombardi, is made each year by Tiffany & Co. and is valued at about \$50,000.
- The sterling silver trophy weighs in at about 7 pounds, making it easy for the victors to lift over their heads.
- Tom Brady has won the coveted MVP award five times, more than any other player.

Timeless Valentine

As time goes by from year to year,
One thing is surely true, my dear;
Though decades come and decades go,
Just seeing you sets me aglow.

Time shifts my body; I start to sag,
When I pass a mirror, it can make me gag.
My joints all ache; I can hardly move;
Still a smile from you, and I'm in the groove.

Getting older can be a pain,
But with you along, I can't complain.
Despite the things that we go through,
I know I'll never stop loving you.

Your loving heart turns life to play,
As we laugh at time from day to day.
So I write this poem, and I'll hang my sign,
Saying, "Always Be My Valentine."

Joke(s) of the Month

Boyfriend: "Honey, on this Valentine's Day, I want to tell you something... I'm not rich like Jack, I don't have a mansion like Russell or a Porsche like Martin. But, I do love you and want to marry you."

Girlfriend: "Oh, dear... I love you too... But, what was that you said about Martin?"

For the last twenty years, I've received a Valentine's Day card from the same secret admirer. So, I was upset when I didn't get one this year. First my granny dies, now this?
