Notes from the HOA Board of Directors

The board continues to search for another resident to fill the Director vacancy on the board. We are interviewing 3 candidates that have stepped up to volunteer and hopefully by the time you read this, one will be appointed. Being on the HOA Board isn't always fun and games. It seems sometimes we can't do anything correct and despite our unpaid hours of volunteering, we aren't given much credit. No wonder its hard to fill vacancies. We have had many challenges concerning health of board members and planning activities and we appreciate the help our residents have given us to make sure we can still have a liaison with Management.

We are happy that Lautrec purchased a dart board we had requested and it is installed in the clubhouse. It is free to residents and we just ask that it not be used when other activities are going on such as Bingo. We are looking at options for other enhancements to the clubhouse. Any ideas – let us know.

It has taken a long time for approval but the Pickle Ball court is getting close – just waiting for county permits to be issued.

We were finally able to present the Sheriff's Youth Ranch our donation of \$802 we raised with the charity dinner. A representative of the ranch attended our February meeting and explained what the ranch is about. The children living there are foster children that need housing as a family with their siblings and a Mom and Dad figurehead raising them. We were all invited to their open house on March 4 from 11:00 am to 2:00 pm for a tour and bar-b-que. Hopefully, some of our residents will attend to get a better idea of what they do. Many of us were of the understanding that these were juveniles who had been in trouble but that is not the case – just kids needing a home. What a great mission.

The park has been approved for the Florida tie-down program. We are now on a waitlist that may take awhile. A company will come in and check the tie-downs on all homes installed prior to 1999 and if updates are needed, the work will be done at no cost to the home owner. The program is called the Hurricane Loss Mitigation Program and is managed by the Gulf Coast State College.

How to Get Free Tax Help

What's your best tax strategy for 2023? Have highly qualified people do your taxes. For free.

Crazy talk, you say? Not at all. As long as you don't have a complex return — say, a small business with employees or alternative minimum tax — it's quite likely you can get your taxes done for free. Let's take a look at your options.

AARP Foundation Tax-Aide is the nation's largest free filing program, and it's aimed at taxpayers who are 50 or older. It's available across the country and staffed by volunteers who are trained and certified by the Internal Revenue Service. You don't even have to be an AARP member. Did we mention that it's free?

Tax-Aide locations open in early February. You can visit a Tax-Aide office in person or check in virtually. You have seven options, most of which include filing electronically — the fastest way to get a refund. (You can also print out your return, sign it and mail it, but you'll face a longer wait time for the IRS to process it.)

- **In-person visit.** A Tax-Aide volunteer will help you fill out your tax form in the office.
- **One-visit scan.** You make a digital copy of your tax records that is saved in IRS-provided software. Tax-Aide volunteers prepare the return remotely. You work with a volunteer online to finalize the return, file it and have the return sent to you using a secure transmission.
- **Two-visit scan.** You visit a Tax-Aide site, where a digital copy of your tax documents is created and stored in the IRS-provided software used to prepare your return. Tax-Aide volunteers then prepare the return remotely. During a second visit, you work with a volunteer to finalize your return and obtain a printed copy.
- **Drop-off.** You visit a Tax-Aide site and leave your tax documents with an IRS-certified volunteer. Your return is prepared by Tax-Aide volunteers working remotely. During a second visit, you work with a volunteer to finalize your return and file it. You leave with a printed copy of the return and your original documents.
- **No site visit.** (Internet only.) You create digital copies of your tax documents and upload them to the IRS-provided software used to prepare your return. Tax-Aide volunteers prepare your return remotely. You work with a volunteer online to finalize the return, file it and have the return sent to you using a secure transmission.
- **Coaching.** You prepare your own return and get support from an IRS-certified volunteer to help you along the way, no matter where you are in the process.
- **Self preparation.** You fully prepare your own return using a software product that we make available through AARP website.

If you want to visit in person, we recommend you make an appointment to cut down on wait times. Book an appointment now using the Site Locator tool, which will find a Tax-Aide site near you. If you would like to receive the latest information on Tax-Aide, sign up for SMS text alerts from AARP Foundation Tax-Aide.

Free file

The IRS will also help you file your taxes for free, provided you had adjusted gross income of \$73,000 or less. Adjusted gross income is your income minus educator expenses, student loan interest, alimony payments or contributions to a retirement account. (Your AGI will never be more than your gross income and will sometimes be less.)

The IRS offers two ways to file for free. The first is by using IRS-approved software, which will guide you through filling out the forms and help you send your return electronically to the IRS. Browse the offers and see which ones are best for you. Some will also do your state tax return.

For 2023, the following tax preparation providers are participating in IRS Free File.

- 1040Now
- ezTaxReturn.com
- FileYourTaxes.com
- On-Line Taxes
- TaxAct
- FreeTaxUSA
- TaxSlayer

Tax preparation companies offer the software for the free filing program, and offer many options — some of which may require a fee. Be sure to stay with the free file option. And if you have income other than what’s reported on a W-2 year-end tax form — such as unemployment benefits — make sure that the software you choose can handle it.

If you don’t want tax advice, but want an easier way to fill out the forms, try the Free File Fillable forms. The program will do the math for you. Then you can file electronically or print out the forms and mail in a paper return.

IRS Tax Volunteers

The IRS Volunteer Income Tax Assistance and Tax Counseling for the Elderly programs offer free basic tax return preparation to qualified taxpayers. The VITA program has operated for over 50 years. VITA sites offer free tax help to people who need assistance in preparing their own tax returns, including people who make \$60,000 or less, people with disabilities and limited English-speaking taxpayers. TCE offers free tax help, particularly for those who are 60 years and older, and specializes in questions about pensions and retirement-related issues pertinent to seniors.

For more information, visit the Tax Counseling for the Elderly page and the Free Tax Return Preparation for Qualifying Taxpayers pages. You can also contact the help line at 800-906-9887.

Senior Humor –

STINGY OLD LAWYER

A stingy old lawyer who had been diagnosed with a terminal illness was determined to prove wrong the old saying, “You can’t take it with you.”

After much thought and consideration, the old ambulance-chaser finally figured out how to take at least some of his money with him when he died.

He instructed his wife to go to the bank and withdraw enough money to fill two pillowcases. He then directed her to take the bags of money to the attic and leave them directly above his bed.

His plan: When he passed away, he would reach out and grab the bags on his way to heaven. Several weeks after the funeral, the deceased lawyer’s wife, up in the attic cleaning came upon the two forgotten pillowcases stuffed with cash.

“Oh, that old fool,” she exclaimed. “I knew he should have had me put the money in the basement.”

LOOKING GOOD

My face in the mirror isn’t wrinkled or drawn. My house isn’t dirty. The cobwebs are gone. My garden looks lovely and so does my lawn. I think I might never put my glasses back on.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
