## Spring Fling – Mar. 25

---

Plans are in the works for the annual Spring Fling. This will take place on March 25th. This is a final large gathering of residents before many begin their journey to northern regions. There will be games on the lawn and shuffle board court during the morning followed by a lunch for all. In the evening our very own East Bay Band will play for our listening and dancing pleasure. Watch the Clubhouse bulletin board for further details and signup sheets.

## Before You Head North

---

When you are preparing to leave for the season keep in mind that there will be a box available in the Clubhouse for canned or dry foods you don’t wish to bring home with you or leave here. The food products must be **unopened and nonperishable**. They will be donated to local food banks. The boxes will be available from the end of March through the end of April. Thank you in advance and safe travels.

In addition, Jack Sonneborn will serve as the liaison between SAC and various live entertainments for our dances. We are thrilled to have these two residents volunteer their time for the benefit of all our residents. Check the Clubhouse bulletin board frequently to keep up to date on events and entertainments.

## Meet Our New Community Association Manager

**M**s DeeVon Mummert, Licensed Community Association Manager (LCAM), joined us on January 16, 2023. ## Retirement Best Wishes to Chris

**R**onald “Chris” Puttick has been employed by CV for 14 years, since 11/7/2009. He is a single man whose family is in the Largo area. President Ray said, “I have known Chris for 10 years and he has always been responsive and helpful to share his experience and opinions. He is a proud man, skillful in many trades, enjoys conversation and humor. He has contributed to the high standard of our park and provided oversight and assurance to numerous Snowbirds. He will be missed.” Residents say, “If it ain’t broken, don’t attempt to fix it. If it is broken, call Chris”. He has helped residents with sprinkler systems, washers, dryers, and power washing., etc.

## Meet Our Long Time Residents

**M**eet Evelyn Van Duyne, a full time resident since 1965. Evelyn is a farm girl from Iowa. She and her first husband, Jim Kraus, looked around the area and chose the then vacant lot #57 to live. She has been actively involved in the park: use of the library, played bingo, and won trophies at shuffling. Evelyn was the chairman of the SAC, planned the Wednesday Dining Out and the Friday Coffee Socials. One still can see ‘the tiny lady’ taking her early morning walks. For many years, she delivered the Colonial Village Chronical to residents and recently handed this task to three ladies. Evelyn is an avid gardener and loves with her companion Lou. Every year her family comes the day after Thanksgiving to beautifully decorate for the Holidays. Many of Evelyn’s family have moved to this area. She has 3 children, 4 grandchildren and 4 great grandchildren. Evelyn is the Chairwoman of Memorials. Evelyn places a sympathy card, the Memorial Book and bouquet of flowers in the Club House, and notifies the office staff to lower the two flags. She encourages residents to notify her when there is a death in the park with information they want to share. The hall is available for memorial services for residents.

## Meet Our Long Time Residents

**M**eeet Kathleen ‘Kathy’ Conway, a full time resident since 1988 in Unit #20. Kathy and husband David came to the part from Pittsburg, PA. They were getting ready for retirement and were visiting family in the area and fell in love the Colonial Village; the Park’s Rules and Regulations fit their life style. Kathy’s involvement included being in charge of the kitchen and dinners. She loves the pool, played cards and bingo, shuffled, played 55 and took many park planned bus tours. David, now deceased, was very active in the park, as President of the Board and he was the Sales Manager of the team of residents who showed and sold units. About \$300 of that revenue from each sale went to the park. They loved the park and the people. David was an engineer and traveled overseas a lot, Kathy was able to join him frequently. She worked part time in a General Nutrition store. Kathy cheers for both the Pittsburgh and Florida hockey and football teams.

## If You See Something, Say Something

**N**eighborhood Watch, a division of the National Sheriffs' Association and a national program since 1972, has a presence in Colonial Village. Director Jon Lago unit #96 initiated and organized this a year ago when he invited the Largo Police Department to speak to residents. NW is an organization of residents devoted to crime and vandalism prevention within a neighborhood with cohesiveness and collaboration with local law enforcement groups. It unites law enforcement agencies, private organizations and individual citizens in an effort to reduce crime and improve local communities. Largo Police Officers conduct few late night drive throughs in the park. New Neighborhood watch signs were installed. Officer Bowling came to two dessert functions at the park and gave informative and engaging talks to two groups of about 30 residents each. His direct line is 727-587-6730; or use the nonemergency number; do not use 911. If you SEE something, SAY something. Do NOT try to intervene or engage! Take a picture or video. First, call the Largo Police Department's non-emergency number. Second, report it to the CV office. For your own safety, LOCK doors, windows, vehicles and bikes. TAKE pictures of valuables. KNOW your neighbors. INFORM the office when you leave for a period of time. Jon is our liaison with the park and Largo Police Department. Let Jon know if you think another Community Watch event is warranted since we have so many new residents. Jon said, "I will be happy to orchestrate the refreshments. Call me with any questions". Thank you, Jon.

## Geothermal Pool Heating System

1

6

Weddings, graduations, vacations . . . we plan them all down to the smallest detail. So why don't we want to plan our final care?

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Positive thinking

---

Three men set out on a journey. Each carried two sacks around his neck—one in front and one in back.

The first man was asked what was in his sacks.

“In this one on my back,” he said, “I carry all the kind deeds of my friends. In that way they are out of sight and out of mind and I don’t have to do anything about them. They’re soon forgotten. This sack in front carries all the unkind things people do to me. I pause in my journey every day and take these out to study. It slows me down, but nobody gets away with anything.”

The second man said he kept his own good deeds in his front sack. I constantly keep them before me,” he said. “It gives me pleasure to take them out and air them.” “The sack on your back seems heavy,” someone remarked to the second traveler. “What is in it?”

“That’s where I carry my mistakes,” said the second man. “I always keep them on my back.”

The third man was asked what he kept in his sacks. “I carry my friends’ kind deeds in this front sack,” he said.

Said an observer, “It looks full. It must be heavy.”

“No,” said the third man, “it is big, but not heavy. Far from being a burden, it is like the sails of a ship. It helps me move ahead.”

Added the observer, “I notice that the sack behind you has a hole in the bottom. It seems empty and of very little use.”

To which the third man replied, “That’s were I put all the evil I hear from others. It just falls out and is lost, so I have no weight to impede me.”

Guess which of the three travelers finished first in their journey through life? —from IdeaBank

## On watching your pennies

---

It’s a well-known fact that Andrew Carnegie had a liking for accountants.

One Sunday, when Carnegie was just a small boy, he went to church.

While he was attending Sunday school, his teacher called upon him to tell the class a quote he knew from the Bible.

Carnegie quoted a well-known Scottish proverb instead: “Take care of your pennies and your pounds will take care of themselves.”

The Sunday school teacher told Carnegie that while his proverb was a good one that it wasn’t in the Bible.

To which young Carnegie answered: “Well, it should be.” —
