From The President

Diane McSweeney

Dear Residents,

Welcome to March at Holiday Shores. The activities this season have been wonderful! So many folks have dedicated so much time and energy to the International party, Valentine's Dance, Cahal Dunne, music through the decades, Super Bowl party, pancake breakfast, presentation for neighborhood watch, and garage sale committee. Many thanks to all the volunteers and their time they have dedicated to these events.

The next great event has been the mural painting behind the maintenance shed. Headed by renowned artist, Brenda Lyness and her committee of artists are making the area a truly welcoming place. The other artists include; Liz Kerr, Judy Garneau, Joann Taylor, and Sue Mesarich, Mary Stradley, and Julie Pion. If you have not seen this wonderful work of art, please take a look! We are still looking for a name for this multi use area. The area is being developed to have activities such as: ping pong, corn hole, bocce ball, badminton, movie night, happy hour, and any other ideas you may have.

Our last Long and Short Committee meeting had a presentation from Doris Heitzman. Doris is a representative from the University of Florida, cooperative Extension, Florida Friendly Landscaping Management Program. As many of you are aware of there has been an ongoing erosion and deposition problem behind lots # 1-7. Doris gave us wonderful insight how to naturally alleviate this problem by plantings that are native to Florida. Phoebe Garrett is assisted by Skip Wagner in this endeavor. The plan is to start with a 20 feet section and go from there. The grass on the edge of this area will not be mowed a width of 12 to 18 inches. This will prevent the grass clippings from going into the water which is the source of one of the problems. This will also prevent the growth of algae.

We have had multiple complaints in the office about new residents not following the rules. Please read the rules and regulations you were given at orientation. We want your living experience to be very happy at Holiday Shores. Our residents take great pride in the way the park looks. This is why many of you purchased here. All exterior modifications require a work order request to be filed, appliances are NEVER allowed under the carport or around the exterior of the home, very few items are allowed within your thirty six inch perimeter. Storage bins and deck boxes are not allowed. All storage type of containers can only be under your carport and must be firmly secured to the structure in the event of high winds or hurricanes. Some folks have sheds that were grandfathered in the past. If your container/ shed was placed there after 2017, it must be moved under your carport. Thank you for your cooperation.

Pool lighting will begin March 6, 2023.

On a sad note, Pat Merl, park manager has resigned her position at Holiday Shores. We want to thank Pat for her hard work and dedication over the past five years. We all wish her well on her future endeavors and retirement.

From The Office

Pat Merl

The
Office

Dear Residents,
If you're looking for something to do, be sure to take a look at the activities calendar which offers a plethora of events and activities available for our shareholders and residents. If you don't find anything that interests you there, you can also volunteer to become a member of one of the multiple committees that are currently active. Right now, everyone is out and about enjoying the beautiful weather and the great friendships they have made, as a result of the social interaction these events and committees provide. Who could ask for more?

Now that the majority of our residents are here, the streets are filled with cars and carts. Please be sure that you park all vehicles within your carport. The back nor front end should extend over the sidewalk, at any time. Also, please try to keep the roads as clear as possible, for emergency reasons. Do not park on the opposite side of a car that is also parked on the street. There needs to be enough room for emergency vehicles to get through, at all times. Remember, if you have too many vehicles to Park at your home, you can obtain a parking pass from the office and park in the clubhouse lot. You are allowed to park in the clubhouse lot overnight, with a parking permit, for a maximum of 30 days each year.

Several years ago, Dan and I moved to Florida to be closer to my mom and brother. As fate would have it, after a few years of working as a part time office manager at a Condo Association, I began my career as a Licensed Community Association Manager at Holiday Shores Park. I was so impressed with the park, I moved my mom and brother here a few years ago. I've enjoyed representing the Park and working with everyone here, for the past five years. It's time for me to retire and spend more time with Dan, my brother and our friends. It was not an easy decision to make but, it's the right decision. Besides, I'll probably see more of everyone since I'm not going away, I'm just not going to work 😊

GOLF: HOLIDAY CHIPPERS

Priscilla Donegan

On a very windy, cool, Saturday we had a rescheduled chippers event. Eleven golfers braved the weather conditions.

For the men: Jack Wallace won 1st place, Tom Speranza was 2nd, and Ray Innocenti and Tom Mikulka had a playoff for 3rd with Ray winning.

Pat Knight and Peggy Wallace tied for 1st place with Peggy winning and Pat won 2nd place. Jan Harrison came in 3rd.

Jack Wallace won the mystery hole and is \$10.00 richer. No one won the hole-in-one contest.

Diane Wall was the lucky winner of the 50-50 draw. We only had one drawing which was \$25.00.

Love to see more residents come out for this event. For all you newcomers, we meet at noon at the putting green and usually begin around 12:30. Gives you time to practice or enjoy the delicious dogs or brats grilled by Bill Wall. There are drinks you can purchase, too, and for a reasonable donation there is beer.

The cost to golf is \$1.00 and your \$2.00 dues are due now for the year. In order for you to win a prize, your dues must be current. We have equipment for you to use.

The money you could win is: \$15.00 for 1st, \$10.00 for 2nd, and \$5.00 for 3rd. There is a mystery hole picked each month and it pays \$10.00. The hole-in-one contest also pays \$10.00.

Hope to see you at the putting green on the 3rd Saturday of the month.

Priscilla Donegan, Secretary

Make yourself laugh

If you're feeling blue or grouchy and you want to change your mood, here are a few suggestions for ways to get yourself laughing.

- Do something you normally do in a completely different way. For instance if you're right handed try eating with your left hand.
- Start a humor collection—it could be jokes, quotes or just something you find amusing.
- Pay attention to children—they usually do and say things that give us perspective on ourselves.
- Buy gifts for people you know at a garage sale. —adapted from www.allenklein.com

10 ways to tell a redneck has been working on a computer...

1. The monitor is up on blocks.
2. Outgoing faxes have tobacco stains on them.
3. The six front keys have rotted out.
4. The extra RAM slots have Dodge truck parts installed in them.
5. The numeric keypad only goes up to six.
6. The password is “Bubba.”
7. The CPU has a gun rack mount.
8. There is a Skoal can in the CD-ROM drive.
9. The keyboard is camouflaged.
10. The mouse is referred to as a “critter.” —from computerhumour.com

How to plan an adventure

If you're in need of an adventure, then you'll want to think about the following suggestions.

- To figure out what kind of adventure you want to go on, listen to your own desires. Once you know what your desires are, set your goal for your dream trip. Start a savings account to take the trip. Make a promise to yourself that it's going to happen—and it will.
- Overcome your fears. That's part of what going on an adventure is all about. Prepare yourself so that you can handle potential problems that could occur on your particular trip. Do your homework.
- If traveling alone is too intimidating for you, join a group. There are lots of tour groups, wilderness courses, etc. Check out the Internet. There are lots of services that get everything ready for you. All you have to do is show up and start your adventure. —adapted from Organic Style

You need a contractor— now what?

If you're remodeling your home and you need a contractor, what's the best way to go about getting a good one? Here are a few tips to help you find a quality contractor to transform your home.

- Ask your friends and acquaintances. Ask anyone who has had work done recently and find out if they were happy with the results. If they were, get the contractor's name. You also might get in contact with real estate agents in your area. It's likely they'll know who's reliable and who's not.
 - Make a list of what you need to have done, and be specific. Give model numbers and brand names of what you want installed. Write up the time frame you expect.
 - Get bids from at least three different contractors. Get the contractors' license numbers. Make sure you get license numbers for subcontractors who might come into the picture later as well.
 - Don't automatically go for the lowest bid. That contractor could be inexperienced or he may not know how to do the job correctly. Watch the high-end bids as well—they may be trying to take advantage of you. Do your research and you'll make the right choice.
 - Make a payment agreement before the work starts. For instance, you might put an initial deposit down of 30 percent to 40 percent.
 - Make yourself available to answer questions the contractor might have. This will prevent delays in the completion of the project. If things change during the course of the work—put the changes and the agreements concerning compensation, etc., in writing. Keep communication flowing and you'll end up with a result you love.
- adapted from Cooking Light

Looking good for the camera

Do you want to improve how you come out looking in a snapshot? Here are a couple of suggestions.

- Make sure the photographer is shooting the picture from an angle that is slightly higher than you are. This angle hides features such as slack chins and emphasizes your cheekbones.
- Don't face the camera straight on. Turn slightly. Most people look better photographed at a slight angle. — adapted from Self

On conclusions

A conclusion is the place where you got tired of thinking.
