Checking Out? Leave a forwarding address with the post office

- If you are leaving the community for an extended period of time, don't forget to leave a forwarding address for your mail. There are forms in the office if needed or you can get one from our mail carrier. Simply fill it out and leave it on your mailbox for the mail carrier to pick up. Don't forget to change your mail back to be delivered here when you return.
- PLEASE REMOVE YOUR ORANGE OR FADED DOTS FROM THE MAILBOX UPON YOUR RETURN TO THE PARK

Important Update to Check In and Check Out Process

All residents are required to check in upon arrival and check out if leaving for a month or more. We need to have appropriate documentation in writing for the check ins and check outs and cannot accept phone calls or voice mails for this activity. Some residents run into difficulty getting to the office between 9 am and 1PM Monday thru Friday so we are implementing a new method for residents to check in or out when the office is closed.

You will find forms next to the office door where you can check in or out and deposit the form in the mail slot on the door. This is a RESIDENT check in/out only and not for guests. Guests should continue to use the guest sheet on the bulletin board. Alternatively, an email to check in or out can be sent to Goldgateresassoc@tampabay.rr.com if you cannot make it to the office at all.

Recycle

NOTE: Please bring all your aluminum cans to the Clubhouse for recycling. The Association continues to collect aluminum cans for recycling. For your convenience, four (4) stations have been designated as pick – up areas.

One is the trash building behind the Clubhouse.

One (blue container) is in the east area of the Shuffle Court.

One (blue container) is at the Maintenance Area.

One on the rear patio.

Thank you for your contributions and cooperation.

Parking

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules! **NO PARKING ON SIDEWALKS.** Your maintenance fees pay for all repairs. **Please use common sense** (not a rule) and do not park near or on corners or close to intersections. Please Park on the same side of the street to avoid traffic having to “zig-zag” to get by. This causes obstructions and creates a dangerous situation for pedestrian, cars, golf carts and bicycles. This means if you decide to park on the street and there is a car already parked on the street please park on the same side of the street as the car that is already there.

Church in the Park Update:

We are back in the park, come worship with us and experience the love of God. House and on-line as well. Please continue to post any requests for prayers on the Church in the Park Web-Site. We hope everyone stays safe and enjoys the Summer!

Golden Gate Theater Club

Greetings and Salutations, My parents, Pat and Wally Heintz, from Waltham, MA and Otisfield, ME moved to Golden Gate in 1995. They spent many Winters there, up until Dad's passing in 2012 and Mom's in 2021. It wasn't long before they joined the many wonderful activities offered in our wonderful community: Shuffleboard; Bowling; Horseshoes; Swimming; Dancing. Mom and Dad also started the C&E group; Christmas and Easter, aka "Come and Eat"! Apparently, Dad recruited the Kitchen Crew with the Grasshoppers made in the blender with vanilla ice cream and cream d' menthe!

And then of course, there was Theater Club. Mom wasted no time joining that club. And what a club it was! Her stories and the tapes are legendary. She was Lucy selling Vegemitamin, she sang the Indian Love Call and she danced many numbers. She even dragged Dad into a few roles, which is no small feat. It was no surprise that Mom went on to become president of the club for a time.

Of course, as their daughter, I recall saying on more than one occasion, "I will never live in Golden Gate or be in the Theater Club!" Well, never say never!!

My husband and I moved into Golden Gate in 2016. It was never a question that I'd be a joiner like Mom and soon we were in Theater Club together. We were Nuns at Christmas and I was line dancing in the Spring Show. We had a blast! Then somehow, Marie Avitable, groomed me to be president of the club. We produced several more shows with all the terrific talent in our community. I was proud to be part of it all.

As I step down as president, I could not be prouder to hand over the role to Gloria Ledoux. She is a master! At organization and at performing. Thank you, Gloria! Our Spring Show, REMEMBER WHEN, the 50's and 60's, will be Sunday, March 19, 2023 @ 7.00pm and it will be fantastic! So, mark your calendars!

Thank you to all who have supported me, and the Theater Club. I look forward to many more creative endeavors as our club continues to thrive and flourish.

Sincerely,
Susan O'Byrne

Some tips for raising your healthy lifestyle quotient

For improving overall health—try the following tips from Ann Kearney-Cooke, author of *Change Your Mind, Change Your Body*.

- Follow a good diet. Eating a diet that promotes emotional health may help reduce the possibility of back pain and other problems.
- Exercise. Short exercise sessions boost brain chemicals that make you feel good. It can help release your anger.
- Appreciate your accomplishments. Don't forget to take stock of your achievements. Sometimes the world and the people closest to us forget to do this. Doing it for yourself ensures a healthy self-image.
- Allow yourself your emotions, but don't get stuck in them. If you have a disappointing or frustrating experience, let yourself feel it, but put a time limit on it, so you don't tread water in the land of frustration.
- Let the small annoyances in life go. Don't let things like traffic and minor insults control how you feel during your day.
- When you are feeling stressed, connect with a friend and do something distracting.
- Recognize your emotions. If you deny your negative emotions, they often flood the mind with even more power. Recognizing your emotions does not mean acting on them. It is usually helpful to write about your negative emotions, and then try to learn something from them.
- Recognize how your life experiences have colored how you now see the world. If you react inappropriately because of some emotional baggage, recognizing it is the first step to being free of it eventually.
- Don't overcommit. When you over schedule yourself, you deplete your inner resources, and it will be more difficult to deal with the everyday stresses that life is sure to throw your way.
- Get enough sleep. A good night's sleep helps us cope with stressors. If you find yourself going over the edge quickly, you might be sleep deprived.

—adapted from Natural Health

Does the thought of starting a new exercise program make you cringe?

If you've been thinking or talking about starting an exercise program but you just can't get started, you might want to think about exercise in a new way. Some people think that if they don't exercise at least 30 minutes or more, they might as well not do anything. But that's just not true.

Start off by exercising in the morning before you go to work—shoot for 10 or 15 minutes. Once you get into the groove of your routine you can expand it or not, depending on your preference. A lot of people put off starting a program because they feel like they just don't have the time. But when you're talking about 10 or 15 minutes it's a lot easier to get started.

Eventually you can shoot for two 15 minutes sessions per day. One before work and one after. You'll likely be surprised at the results. — adapted from Self
