## Park News & Resident Messages

Neighborhood Watch - Ken Simms, Honeymoon Park Neighborhood Watch Coordinator

**Park Recycling** - A Message from Larry Hoffman, who along with Dale Wittig are the key people who keep our Aluminum Can Recycling Effort going during the winter months.

- We can only use aluminum cans and aluminum bottles from beverages. No plastic bottles, examples: wine bottles, or glass bottles of any kind. No metal cans, examples: cat food, soup or vegetable and no paper or garbage. Doug says he occasionally finds bags of cans in the dumpster. Please put them in the recycling can beside the dumpster.
- Also, if anyone is interested, we could use some help with the crushing. We can work with your schedule, based on response most likely one day a week.

I think this is a worthwhile project as we made over \$1,000 for the association this past year. Thanks in advance for your support.

Larry Hoffman

“I hate it when I can’t figure out how to operate the iPad and my tech support guy is asleep...he’s five, and often it’s past his bedtime.”

“It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller.”

**A.** Too many cheetahs.

### Good Health Prayer for Seniors:

God grant me the Senility to forget the people I never liked anyway, the good fortune to run into the ones I do, and the eyesight to tell the difference.

### Ten short jokes about getting older:

1. The older I get, the earlier it gets late.
2. Women rarely admit their age; men rarely act it.
3. I’m so old that my first car was a covered wagon.
4. How come everyone my age seem solder than me?
5. I’m at the age where I can’t keep up with all the things I hate.
6. A wise man remembers a woman’s birthday but never her age.
7. I’m so old I can remember when emojis were called hieroglyphs.
8. Regular naps will prevent old age, especially if taken while driving.
9. You know you’re old when dininig out means catching the early bird special.
10. When you’re young you make a lot of noise just having fun. When you’re older, you make a lot of noise just bending over.

## How Mickey Mouse was born

---

The legacy of Walt Disney is now a \$20 billion media giant. It includes film studios, TV networks, publishing houses, famous theme parks and hundreds of retail stores.

Disney was the last of five children born in 1901 to parents who lived in Chicago. Disney became enamored with drawing and started a company with his brother Roy to try and build an animation business. Disney was barely making it financially.

On a long train ride back from a disastrous business setback in which he lost the rights to a character he had created, the idea came to Disney to create another character based on a mouse that scampered across his drawing board. This idea blossomed into the character of Mickey Mouse.

Later, when Disney spent an unprecedented \$1.5 million to produce the masterpiece *Snow White*, critics and naysayers dubbed the project “Disney’s Folly.” However, the animated film became the most profitable ever released and set Disney on the path of creating animated classics, and he became known as the father of the animated-film genre. — adapted from the Los Angeles Times article “50 people who most influenced business this century”

## The devil’s secret weapon

---

There is an old-time fable that the devil once held a sale and offered all the tools of his trade to anyone who would pay their price.

They were spread out on the table, with each one labeled — hatred, malice, envy, despair, sickness, sensuality — all the weapons that everyone knows so well.

But off on one side, apart from the rest, lay a harmless looking, wedge-shaped instrument marked “DISCOURAGEMENT.” It was old and worn looking, but it was priced far above all the rest.

When asked the reason why, the devil explained: “Because I can use this one so much more easily than the others. No one knows that it belongs to me, so with it I can open doors that are tightly bolted against the others. Once I get inside, I can use any tool that suits me best.” — from IdeaBank

### *On vision*

*I had an almost intolerable awareness that every morning began with infinite promise. Any book may be read, any idea thought, any action taken. Anything that has ever been possible to human beings is possible to most of us every time the clock says six in the morning. On a day no different from the one now breaking, Shakespeare sat down to begin Hamlet.*

— *Ralph Waldo Emerson*
