The Royalites Social Club Report

The Royalite Social Club mission is to provide activities and entertainment. This includes (but not limited to) dances, meals, games, and other social events. If you are interested in connecting with the Royalites, please contact Cathy Maringer at cmaringer@acegroup.cc with your email address. If you are on Facebook, please let her know your Facebook name so she can add you to the Park Royale Facebook Messenger group and the Royalite Events page.

Due to the quality of entertainment we are able to bring to you and the higher cost of food, we have made a decision we need to raise the cost of our events to \$15.00. We know you will truly enjoy all the new and exciting events we have planned for you next season!

Upcoming Events:

April 8 - Easter Egg Hunt: Time TBD

This is an adult Easter egg hunt with the time to be determined. We need a nice crowd to make this happen. Please sign up in the clubhouse so we can create this free fun event!

April 11 - Ladies Luncheon 11:30

Mugs Sports Bar and Grill

13563 Icot Blvd., Clearwater, Fl.

April 22 - Magical Mystery Tour, Splash Harbour Water Park

10:00 - 2:00, \$13.95 +

Come experience thrills, chills and a splash-tacular day at this water park at 399 Second Street, Indian Rocks Beach. Have a great time in the Blue Lagoon zero-entry pool with mushroom waterfalls and ground sprays. Maybe you would like to spend the day in the lazy river. Their 600 foot long relaxing lazy river features waterfalls, sprays, and mists to keep you cool while you're soaking up the Florida sun.

We need 40 people to make this happen so sign up in the clubhouse soon!

Community Manager Notes

Welcome to the new Community Manager, Scott Seegert!

Keep your eye on this space next month for his monthly update. I'm sure he would want you to be reminded to get your home in shape for the up-coming 4 Sided Inspections to begin March 31st.

Hawaiian Pineapple Cream Cheese Dip

By Melody Norton

If you enjoyed the pineapple cream cheese dip we served at the Flamingo Luau last month, here is the recipe! It is my all time favorite dip! If you want to make a special presentation, cut a pineapple long ways keeping the green stalk in place, and scoop out the pineapple to make a bowl to put the dip in. Beautiful on your favorite platter surrounded by crackers and veg-gies. Peeled shrimp is also a perfect compliment to this dip.

Ingredients

- 2 8-ounce packages softened cream cheese
- 1 20-ounce can drained crushed pineapple
- 1 cup finely chopped pecans
- 1/4 cup finely chopped green pepper
- 2 tablespoons chopped green onion (optional)
- 1 teaspoon seasoned salt (Lawry's Salt)

Instructions

1. Gather all of the ingredients. Let the cream cheese sit out at room temperature to soften so the ingredients combine more easily.
2. Drain the pineapple in a colander to remove as much pineapple juice as you can.
3. Chop the pecans with a chopper or a knife.
4. Combine the softened cream cheese, the drained crushed pineapple, chopped pecans, and Lawry's Seasoned Salt in a medium-sized bowl. Green onions are optional.
5. Use a handheld mixer or food processor to blend completely.
6. Keep refrigerated until ready to serve. Serve with your favorite crackers or veggies. My favorite is Tollhouse Original Crackers!

***I would love to highlight some of your favorite recipes! Please email them to me at parkroy-alemedia@gmail.com and look for them in an upcoming edition of the Monthly Media!

Bocce

Bocce is now being offered twice a week! Come and play Tuesday mornings at 10 am or Thursday nights at 6:30 pm. Come and play. It's easy to learn and all are welcome!

Veteran's Corner

by Anthony Suglia arsuglia@gmail.com

To understand a Military Veteran you must know:

We left home as teenagers or in our early twenties for adventures unknown. Some of us were drafted, some of us joined.

We loved our country enough to defend it and protect it with our own lives.

We said goodbye to family and friends and everything we knew.

We found new friends, and became Sisters and Brothers regardless of color, race or creed.

We didn't get enough sleep, and didn't earn a great wage.

We experienced the happiness of receiving mail from family and the loved ones we left behind.

We experienced the sadness of missing important events and holidays. Some of us felt our innocence was taken from us.

We grew up fast, and yet somehow, we never grew up at all. We didn't know when, or even if, we were ever going to see our loved ones or home again.

Some of us saw actual combat, and I'm glad, some of us did not.

Some of us saw the world, and some of us did not.

Some of us dealt with physical warfare, most of us dealt with psychological warfare. We have seen and experienced and try to deal with things we can not fully describe and explain, as not all of our sacrifices were physical.

We have celebrated and mourned. We have dealt with victory and tragedy. We regret we have lost a few along the way.

When our adventure was over, some of us returned home, some never did. We have told amazing stories, that most people will never experience, and few will understand. Some of us remain silent.

Being a Veteran is something that had to be earned, and can never be taken away.

My respect to the Veterans of our community, their families and friends.

Respectfully,

Anthony Suglia
Command Sergeant Major, Retired, Infantry
United States Army

How to plant a great herb garden

If you love having fresh herbs at your fingertips here are a few suggestions on setting up a herb garden you will use and love.

- Plant your herb garden as close to the kitchen as you can manage. Your herb garden can be grown in a series of containers if that helps you locate it where it will be most convenient. If you have to go to too much trouble to get to and pick the herbs, you won't use them as much.
- If you want to get the most pleasure you can from your herbs, plant them along walkways and where people will brush up against them. They won't release their fragrances until something brushes or bruises them.
- Make sure to place your marjoram, parsley and thyme along borders. These plants only grow a few inches high and they will get lost among taller plants.
- Dill, tarragon and coriander grow up to 2 feet high. If you have a walkaround garden, the center is the best place. If your garden is up against a wall or object then you will want to place these plants at the back of the garden.
- Grow bay leaves and rosemary in clay pots just beneath the soil of your garden. When the weather turns cold, just dig them up and take them inside. They will continue to grow and you can enjoy their fragrance and flavor year round.
- Remember some herbs spread (like mint, wild marjoram and tarragon). Each year they will take more and more room. To contain their growth, confine their roots by burying a section of stovepipe. The pipe will keep them from spreading.
- Cut your herbs just before they flower for optimum flavor. That's when their oils peak. If you're going to store your herbs, it's best to cut them midmorning on a sunny day.
- Store your herbs by freezing or drying or in oil or vinegar. You can use the oil and vinegar as seasonings when you cook.
- If you have refrigerator space, keep your dried herbs there, as they will keep better.
