WIFI (Wireless Internet)

There is WIFI available in the Clubhouse for all our residents to use. There is no fee but you must be in or right outside of the Clubhouse for it to work. You will have to contact the office to obtain the password. If you have any questions about it contact Maureen in the office at 727-799-4807 and she can help.

Notes from the Twin Lakes Management Office

A couple of our friends are headed back up north for the summer and we wish them safe travels! The rest of us are ready for our wonderful days in the sun! Lots of pool and beach time ahead for those staying the summer here, just don't forget the sunscreen!

Just a few reminders from the office:

- Please NO grass parking
- No Street Parking
- Put all trash inside the dumpsters, not on top of or around the dumpsters. If your normal dumpster is full, please check the other two so that trash does not get scattered around.
- Please park in the parking lot to use the laundry facilities.
- Please register all guests with the office and get pool pins for your guests if they would like to use our pool
- And Please Remember the Rules are put in place for the protection of our residents and their homes. We want everyone to always feel safe in our community and be proud to call Twin Lakes "Home"!

Our email address is twinlakesclearwater@gmail.com if you ever have any questions or concerns. Please take a look at and share with your friends our website at www.twinlakesinc.org You can also check us out on Facebook at www.facebook.com/twinlakesinc. Don't forget to hit the LIKE button so you can see all the activities that are posted!

Are you selling your home?

Please call the Twin Lakes Office at 727-799-4807 so we can help. We will free advertise for you by putting your home on our Homes For Sale list. This list is given to anyone that comes into the office, emails or calls us looking for a home. Being on this list can really boost the amount of people that come to check out your home. Remember if you refer a friend and they purchase one of our brand new park owned models, you can get a free months lot rent.

Send us your photos!

Help, we need pictures of our residents in our community having fun at our various events. Wouldn't it be fun to have some of our residents make the cover page of the Twin Lakes Times! You can email any of these pictures directly to info@monthly-media.com. Just make sure to include a brief description of the picture and a statement saying that you release them to reprint the picture. We can scan them at the office too if you only have a printed copy. If you have any questions just call Maureen at the office.

Got a great recipe?? Please Share!

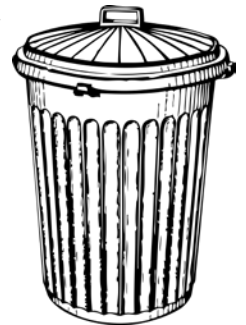

Email to twinlakesclearwater@gmail.com or drop it off to the office. We want everyone to enjoy them. We will put your picture in the newsletter along with your recipe. Please help us out!

Dumpsters – Garbage

Just a few reminders:

- Please use garbage bags when possible so that your trash does not fly out of the dumpster, grocery bags are very light and tend to fly when they dump the dumpster into the truck.
- Put everything in the dumpster, not around the dumpster, no one else wants your trash.
- There are 3 dumpsters that everyone is allowed to use. You are not assigned to one dumpster, so if your usual dumpster is full, please take to one of the other two.
- Do not put trash in the blue recycle bins, also no garbage bags or grocery bags in the recycle bins.
- When it comes to recycling, we put out a pamphlet in the newsletter to remind everyone of all the do's and don'ts of recycling in Clearwater (It is different in every county and every state). Please follow the flyer and when you are in doubt, please just throw it out. It is better to throw it out than to put the wrong items into the recycling system. If you need a new one just ask the office, we will be glad to give you one.
- If you have any scrap metal or old appliances that you need to get rid of, there is a junkman that will come to your home and pick it up and take it off for free for you. Ronnie Kitchen at 727-657-4428, He will also come and pick up those items that you are not allowed to put in the dumpster, such as mattresses, furniture, or other large items but he does charge a FEE for this. You can also call a local thrift store such as St Vincent's, hospice, goodwill, or Salvation army and donate to them if the item is in good repair.

Believe in yourself

The night before Douglas MacArthur took the entrance exam for West Point, he was very nervous. At the time, his mother offered him some sage advice. She told her son not to lose his nerve and that he needed to believe in himself, because if he didn't no one else would either. She also told her son that even if he failed, he would succeed in knowing that he had done his best. With this bit of wisdom MacArthur tackled the exam — and when the results came back he finished in the No. 1 slot. — adapted from *The Speaker's Library of Business Stories, Anecdotes and Humor* by Joe Griffith

A problem-solving legend

In 333 B.C., the famous Macedonian general Alexander and his army arrived in Phrygia to spend the winter. According to Greek legend, a farmer named Gordius became king of Phrygia by fulfilling a prediction made by an oracle that the next king of the country would ride into the public square on an oxcart. In gratitude, Gordius tied his cart in the temple of the oracle's god, using a knot so intricate that no one was able to untie it, though many tried. A legend arose that whoever untied the "Gordian Knot" would rule Asia.

When Alexander the Great encountered the challenge of the Gordian Knot, he was fascinated. He studied the problem.

Finally, in a burst of inspiration (or was it frustration), Alexander pulled out his sword and sliced the knot in half, solving the complex problem with a simple solution and becoming part of the legend himself. He and his armies went on to capture and rule more territories in the ancient world than anyone who had gone before him. This included Asia, although in Alexander's day that extended only as far as India.

Sometimes, the best way to solve a difficult problem is to slice away some of the complexities with a single stroke, despite opposition and advice to do otherwise. — adapted from IdeaBank

On men

If men can run the world, why can't they stop wearing neckties? How intelligent is it to start the day by tying a little noose around your neck?

— *Linda Ellerbee*

My ancestors wandered lost in the wilderness for 40 years because even in biblical times, men would not stop to ask for directions.

— *Elayne Boosler*

How Mickey Mouse was born

The legacy of Walt Disney is now a \$20 billion media giant. It includes film studios, TV networks, publishing houses, famous theme parks and hundreds of retail stores.

Disney was the last of five children born in 1901 to parents who lived in Chicago. Disney became enamored with drawing and started a company with his brother Roy to try and build an animation business. Disney was barely making it financially.

On a long train ride back from a disastrous business setback in which he lost the rights to a character he had created, the idea came to Disney to create another character based on a mouse that scampered across his drawing board. This idea blossomed into the character of Mickey Mouse.

Later, when Disney spent an unprecedented \$1.5 million to produce the masterpiece Snow White, critics and naysayers dubbed the project “Disney’s Folly.” However, the animated film became the most profitable ever released and set Disney on the path of creating animated classics, and he became known as the father of the animated-film genre. — adapted from the Los Angeles Times article “50 people who most influenced business this century”

The devil’s secret weapon

There is an old-time fable that the devil once held a sale and offered all the tools of his trade to anyone who would pay their price.

They were spread out on the table, with each one labeled — hatred, malice, envy, despair, sickness, sensuality — all the weapons that everyone knows so well.

But off on one side, apart from the rest, lay a harmless looking, wedge-shaped instrument marked “DISCOURAGEMENT.” It was old and worn looking, but it was priced far above all the rest.

When asked the reason why, the devil explained: “Because I can use this one so much more easily than the others. No one knows that it belongs to me, so with it I can open doors that are tightly bolted against the others. Once I get inside, I can use any tool that suits me best.” — from IdeaBank

On vision

I had an almost intolerable awareness that every morning began with infinite promise. Any book may be read, any idea thought, any action taken. Anything that has ever been possible to human beings is possible to most of us every time the clock says six in the morning. On a day no different from the one now breaking, Shakespeare sat down to begin Hamlet.
