PRESIDENT'S MESSAGE

By Mark Vetter

KINDNESS IS BRAVE!

April, 2023

I want to start my message by saying how much I appreciate so many residents for their help and support. We wouldn't have the community that we do without the dedication and hard work of all our volunteers. Without each of you we could not do all the great things that happen here in Clearwater Cascade.

However, many of us are disturbed by all the negativity directed at all our wonderful volunteers.

We all too often forget that our volunteers do not receive any remuneration, but also save CCHOA many thousands of dollars. We criticize our volunteers who are only trying to help. I've recently come to think we like to circle the wagons and shoot inward rather than lend a helping and cooperative hand. It is no wonder that it is difficult to get volunteers to help! No one enjoys volunteering their time if all they get is negative comments in return.

Facebook comments – can we talk about those for a moment? If we don't like what is said or how something (activities) has been posted, we rush to point out what is wrong. We need to talk to each other more and stop taking cheap shots. No one is perfect.

Whether you agree with another individual's thoughts or position on a subject, they deserve to be treated with kindness and respect. It seems like a great time for us to reflect on how we can be better towards each other. Less drama is healthier for all of us.

Let's extend kindness to each other.

KINDNESS IS BRAVE. BE BRAVE!

MANAGER'S MESSAGE

By Bobbi Gumm, CMCA

Phone Directory – We are working on the new 2023 phone directory. Please let the office know of any changes before the 15th of April. The Business Office will send out a Volo message when they arrive.

MANAGER

Rules Reminder – Item 20(F) the Declaration of Master Occupancy Agreement pertains to alterations to the units. It reads, *“The Unit Owner shall not, without first obtaining the written consent of the corporation, alter the unit in any way or add to the mobile home presently located upon the unit or any of its fixtures and appurtenances. The unit owner shall not change the color of the mobile home located on the unit, or substantially alter its outward appearance without first having obtained the approval thereof from the Directors.”*

...continued on page 6

Seasonal Residents – Before you leave Florida to return to your summer residence, please ensure you put away all items that are on your carport and patio and turn off your water. If you are unsure about how to turn off your water, call the office and we will have someone assist you. Items left on the carports can become missiles during a hurricane or tornado. Also ensure your home is clean and free of mold and mildew and that your gutters are clean.

Sign Out – When you leave the community for more than a couple of weeks, please, stop in the office and sign out so we can update your record and ensure your mail is delivered to the correct address.

Walkers – Please wear light color clothing when you are walking or bike riding in the community during the evening hours.

That’s all I have for this month, have a nice April.

FROM THE EDITOR

By Donna Collins

How can it be that another winter season has flown by? It has been filled with new friends, happy times, sad times, protests and meetings to get the attention of city, county, state, and environmental officials. The weather has added its own surprises with rain, storms, wind, and high and low temperatures. It has been a busy season for many and a quiet one for others. Don’t think it is going to be quiet for too long, however. The grapevine has told me that there will be lots of things happening over the spring and summer months. Keep your eyes open and your ears tuned in to hear about some of these activities. For those who head north for the summer, be sure that our park will be in good hands. Let’s stay in touch and consider sharing stories of places you have been, things you have done, and ideas for next fall-winter season. Stay well, travel safely, and I will talk to all of you next month.

View this Newsletter in full color at www.monthly-media.com. Click on the Monthly Media Home page, click Park Newsletters. We are the third one down, click on the issue you want to see and it will download to your computer. They are not available until between the first and fourth of each month.

CASCADE SOCIAL CLUB INC.

By Sue Desnoyers, President

PRESIDENT'S NEWSLETTER FOR APRIL, 2023

March was a busy month for the Social Club. A well-attended breakfast started off the month, hosted by the group of New Yorker's. At the time that this article is being written, there will be the Variety Show and a St. Patrick's Day dinner/dance being hosted by Irene Schmidt and her group of volunteers. Next is a morning get-together with coffee and donuts. The final Social Club event will be the annual Park picnic put on by the members of the club. It takes a lot of work on the part of the Social Club board and volunteers to get it done, but it's well worth it.

The goal of the Social Club is to present a breakfast and a dinner/dance monthly during the Winter. To do this, the Club depends on volunteers to offer to host an event. For the dances, entertainment must be scheduled months in advance. Once the entertainment is scheduled the dance portion must be held regardless. The dinner portion is dependent on volunteers stepping up to host and if not, the dinner may be pot-luck or just snacks. Breakfasts, on the other hand, require volunteers to put together a group to present the meal.

Don't be put off by the idea of planning a breakfast or dinner. Put together a group of friends and, if you wish, decide on a theme for the meal. Sit down with club members who will help you plan your menu, decide quantities of supplies needed and give you a budget. You then go out and make the purchases. An advance is available if requested. The Social Club pays for all of the items required to put on the meal and gives you access to and assistance using the kitchen and utensils. All you have to do is get together with your friends, buy your supplies, prepare and serve the meal. It's fun, why not give it a try?

The Park Picnic will be the last Social Club event for the Spring, but we'll be back in the fall with, hopefully, many more events. We'll be looking for meal sponsors so line up some friends and give it a try.

Have a Happy Easter!

ASK MIKE

By Mike Hoit

Call me foolish but I've decided to take on one of the oldest issues on the park. Year-round residents and “Snowbirds”. Let's dissect the issue and see where it goes. Historically, Snowbirds were those residents who spent a few months in Florida then went back to their state or province of residence. For our Canadian neighbors this was a necessity to keep their health insurance in effect. They have to pay for additional health insurance to come to the park and it's not cheap. They're willing to pay this to enjoy the milder weather we enjoy during the winter. Their advantage is that they can go north during the hot Florida weather and enjoy the nice weather up there. The same can be said for US residents that come down for the winter. Their advantage is that they don't have the loss of insurance hanging over their heads so they can stay as long as the weather is comfortable. Then they can go back north. The “year-round” residents, on the other hand, are residents of Florida and have the choice of living in Florida year-round. Interestingly, however, many of these year-round residents have northern families to visit, motor homes to travel in or summer cottages to visit during the hot summer. As a Florida resident, I consider myself to be a “Sunbird”. I enjoy the nice weather in Florida until I get too warm then I don my Sunbird costume and fly north. I think we all have the best of both worlds and can enjoy them as we like. If you spend 365 days a year in Clearwater Cascades then you're a full-time resident. If not, stop complaining about “Snowbirds” because you're a “Sunbird” and really, what's the difference. Anyway, that's my opinion. Happy Winter!

FLA-MING CHA-CHING

F Saturday, March 4, was not your “normal” afternoon. Flamingos (250 to be exact) splashed into the Clearwater Cascade adult pool! Along with them came a giant mother flamingo (thank you Norve and April). Oh yes, we can't forget the two huge flamingos that watched over all the attendees (thank you Keith Mosier and Mary Ann White).

Ann Vetter braved the water and pulled out the flamingos. The first five winning flamingos were pulled out by five of our Board members – Mark, Barry, Richard W, Chris, and Norve. When there was one flamingo of each color left in the pool, they were our final five winners. Here are the ten lucky winners:

Theresa Parson – Rachael Long – Lucy Husser – Marsha Tavernier – Mavis Askin –
Jerry Gibson - Bonnie Barnes – Joe Terrell – Ann Price – Joel Sauter

LIBRARY & BOOK TALK

By Ann Vetter

We are having Book Talk on April 8 at 11:00 in the library. I am pleased to welcome the author Debi Graham-Leard. She visited us in 2019 and since then has written two more books. She is coming to share them with us.

This will be our last Book Talk for the season.

I look forward to seeing you there.

Happy Reading!

CROSS BAYOU

By Sandy Draper

Our committee had a very successful meeting with the residents on February 11 at the CWC Clubhouse. There was a great turnout with many questions and concerns brought forth. Don Reich explained what the biggest problem we are facing with the canal issue involving the culverts at the Bayou Club. Nat Croucher provided me with additional photographic evidence of the blockages, pollution, trash and sandbars on the south end of our property and under the Belcher Bridge. This has caused a big problem for our wildlife, manatees, fish, ducks, otters. Another resident, Toni Cusick and her husband provided a list of agencies that have conservation volunteers which deal with preserving wildlife. Our wildlife has depleted due to the negligence by the county to preserve and maintain the waterway. On February 21st, we had an Engineer come out to evaluate our problem. We now have an engineer report on hand.

With the backing and interest of the residents from that meeting, I signed up to be a speaker at the Pinellas County Delegation on February 27th in Clearwater. Tim and Tracy Caddell met with me and we discussed the speech. We had three large PDF files of everyone we have contacted since May, 2021, to give to Chair Hooper's aide and I made an additional 12 packets for the delegates.

I met with Debbie Creighton who helped design our great signs SAVE OUR BAYOU, that I attached to paint sticks so the residents could hold them up when it was my turn to speak. We all carpooled and met at the Arts Center with our Save our Bayou Signs.

When my name was called to speak, the residents held up the signs. What an impact that made to the delegates. I presented our case, and thanked them for allowing us to speak. Senator Hooper told us to contact Representative Jacques and Nick DiCeglie for assistance.

The next day Representative Jacques' office was contacted and we obtained an appointment for March 1st. Connie and Tom Kastner, Bart Rosario and myself responded to his office. Rep. Jacques stated he would contact the county to inquire why they haven't tried to help us. He told the county to get hold of their engineers and associates and provide a solution and forward it to his Aide Amanda.

At our Meet and Greet with City Council, the Mayor, Vice Mayor and Bart Diebold told us that WE GOT THE COUNTY'S ATTENTION, and continue, don't stop. They are proud of us.

DOG WALKERS PLEASE BE AWARE!

Do you like walking barefoot on the road during the summer? I'm sure you don't, hopping from one foot to the other. **Please**, remember that if it is too hot for you to walk on the pavement in your bare feet, it is too hot for your pets as well. Let them walk on the edge of the grass and **PICK** up after them. Your dogs will love you and your neighbors will thank you.

VOLUNTEERS

By Jane Boucher

Sunday, March 5, 2023 the CC Veterans Group held a meeting in our Library. Gerry McGovern led the meeting with Kevin Begley, Dick Boucher and Judy Haseltine in attendance. Their plan is to update the bulletin board in our Clubhouse with our new logo, and provide updated maps of the VA campus of Bay Pines. We also want to get the word out that Canadian and all veterans are welcome to our monthly meetings. We do plan a Memorial Day celebration to be held in our Clubhouse, much like the one we held this past Veterans' Day. We're working on plans to hold a Toys for Tots drive this year for the Christmas season and seek any ideas or recommendations on organizing this toy drive. Kevin Begley recommends the VFW in Madeira Beach for good camaraderie with fellow veterans, and they have great food at reasonable prices. We are compiling a list of residents who are veterans so we can reach out to them, including Canadians, and any and all veterans.

Thank you to all who came to the Annual CC Variety Show, and to the outstanding cast and crew who made it all possible. Our directors: April Loomis and Donna Thorn led us through some interesting shenanigans for sure. And our musical performers were awesome: Chris Becker, Jane Boucher, Diane Cudnik, Sandy Draper, Willy Earl, Serena Henner, April Loomis, Angie Mistretta, Reg Owens, Bruce Rolander, Bart Rosario, Donna Thorn, Bill Swengros, Debra Wadkins. We especially enjoyed the antics of Cindy Barnstorf, Steve Barnstorf, David Boucher, Dick Boucher, Leigh Cesarz, Don Collins, Don Cooper, Debbie Creighton, Norve Loomis, Keith Mosier. But none of this could have been possible without the backstage direction from our fantastic Crew: Sound crew: Deb Zanolli, Peggy Wolfe, Howard Barker; Costumes & Makeup: Mary Ann White, Set Creators: Gerald Daunais & Jim Cudnik and Stage crew: Caroline Watson, Connie Kaftner and Lois Hull. We had a blast and from audience reactions and laughter you obviously did too!

Spring has sprung, the clocks spring forward and many of you are planning your travels northwards. Be safe in your travels. Many activities, i.e., Bocce, Chess, Shuffleboard, etc. will be winding down. But have no fear our full-time residents...Debbie Creighton, Maddy Haber, Theresa Parson, Ann Vetter, and others are busy planning some fun happenings to carry us through the summer & fall months. Maybe another luau, ice cream social, perhaps a comeback of that infamous Gong Show. No matter what they are up to, it's all bound to bring lots of fun and laughter.

April Fools’ Day

Written and fact-checked by The Editors of Encyclopedia Britannica

Last Updated: Jan 6, 2023

Last Updated: Jan 6, 2023
April Fools’ Day, also called **All Fools’ Day**, in most countries the first day of April. It received its name from the custom of playing practical jokes on this day—for example, telling friends that their shoelaces are untied or sending them on so-called fools’ errands. Although the day has been observed for centuries, its true origins are unknown and effectively unknowable. It resembles festivals such as the Hilaria of ancient Rome, held on March 25, and the Holi celebration in India, which ends on March 31.

Some have proposed that the modern custom originated in France, officially with the Edict of Roussillon (promulgated in August 1564), in which Charles IX decreed that the new year would no longer begin on Easter, as had been common throughout Christendom, but rather on January 1. Because Easter was a lunar and therefore moveable date, those who clung to the old ways were the “April Fools.” Others have suggested that the timing of the day may be related to the vernal equinox (March 21), a time when people are fooled by sudden changes in the weather.

There are variations between countries in the celebration of April Fools’ Day, but all have in common an excuse to make someone play the fool. In France, for example, the fooled person is called *poisson d’avril* (“April fish”), perhaps in reference to a young fish and hence to one that is easily caught; it is common for French children to pin a paper fish to the backs of unsuspecting friends. In Scotland the day is Gowkie Day, for the gowk, or cuckoo, a symbol of the fool and the cuckold, which suggests that it may have been associated at one time with sexual license; on the following day signs reading “kick me” are pinned to friends’ backs. In many countries newspapers and the other media participate—for example, with false headlines or news stories.

SHUFFLEBOARD

By Patti Ranslow

Hi Everyone,

The 2023 Shuffleboard Season has come to a close. We would like to thank everyone that played Fun and League Shuffleboard this year. We would also like to give a Big shout out to all the Subs that helped us out. It was greatly appreciated. It was a little crazy but we did it.

The playoffs will be over by the time you get this note. Next month's issue will give the results of the 2023 Playoff Winners.

The Shuffleboard, Bunco, Darts and Bocce Banquet was held on March 30th in the Clubhouse. We served Pizza, Salad, and Chips.

Sandy Cooper and I (Patti Ranslow) will be in charge of the League Shuffleboard for the 2024 season (Jan - March).

We are hoping we have all the courts full for the 2024 season.

Please contact us at CWCSHUFFLEBOARD@YAHOO.COM if you are interested in playing next year. We look forward to having some new players. If you are already on a team, just let us know if you can't play next year.
