LIBRARY

Victoria Laurie is a real-life professional psychic who has worked with the police. She is also clairvoyant which helped her to create the character MJ. In “Ghouls, Ghouls and Ghouls”, MJ and her crew have signed up to investigate a castle on a rock surrounded with water and haunted not only by a killer phantom, but also with spirits. And, of course, there is hidden treasure involved! This is a cute little read with a few twists and turns. Hope you get a kick out of this book.

Don't forget about our contest “Do you know this author?”. You may have a chance to win a \$25 Publix gift card. This month's mystery author's clue is: The Associate met with Calico Joe on the Bleachers to discuss the Confession about Skipping Christmas. If you think you know this author, go to the office during regular hours and drop your guess into the library box.

Located at Lot 231, the library is open daily 10-6. We have WiFi, puzzles, dvds, games and lots of books. We also have a/c. Come on out and enjoy your library.

RECIPE OF THE MONTH

Chocolate Banana Cake

Ingredients:

- $\frac{3}{4}$ cup +2 TBS butter
- 1 cup sugar
- 1 TBS Olive Oil
- 1 $\frac{3}{4}$ cups flour
- 2 $\frac{1}{2}$ tsp baking powder
- $\frac{1}{2}$ tsp baking soda
- $\frac{1}{4}$ cup cocoa powder
- $\frac{2}{3}$ cup sour cream
- 1 $\frac{1}{2}$ cups very ripe bananas (about 4), mashed
- 1 TBS vanilla extract
- 3 large eggs
- Pinch of salt
- 6 oz chocolate chips
- Icing: (Heat on stove)
- $\frac{1}{4}$ cup butter
- $\frac{1}{2}$ to $\frac{3}{4}$ cups sugar
- 4 oz chocolate chips
- 2 TBS light corn syrup
- $\frac{1}{2}$ cup heavy cream

Directions:

1. Preheat oven to 325 degrees. Oil or spray 9-inch springform cake pan, set aside. In a large saucepan, over low heat, combine butter, olive oil and sugar. Melt, then remove from heat and transfer to mixing bowl.
2. Add flour, baking powder, baking soda, salt and cocoa to the melted mixture. Then add sour cream and mashed banana; whisk to combine. Mix eggs and vanilla in a separate bowl, then add to the mixing bowl and whisk until smooth. Fold chocolate chips into the mixture.
3. Pour into prepared cake pan. Bake until cake tester comes out clean (about 45 minutes). Allow cake to cool on rack for 12-15 minutes.
4. Prepare icing while cake is cooling. In a medium saucepan, combine butter, cream, chocolate chips and sugar. Stir over medium heat until completely smooth and warm.
5. While cake is still warm --- but not hot --- turn out of the pan onto a cake plate. Poke holes all over the top of the cake. Dribble icing over the cake several times giving icing a chance to seep in the warm cake and drip down the sides. Extra icing can also be used for topping each slice when served.

DOING THIS ONE THING NOW, WILL SAVE YOU THOUSANDS OF DOLLARS LATER. TRUST ME.

FROM THE OFFICE

I would like to thank all of the Clubs and event organizers for an awesome winter full of activities. It takes a lot of “behind the scenes” work to make these events happen but it is all worth it when an event turns out successful.... many new residents, along with some old-time residents, have participated this season, many starting new friendships.

There are 3 “Summer” holidays, Memorial Day, 4th of July and Labor Day. If someone is interested in being a coordinator for any of these dates, you can reach out to Ron Russell or myself and we will gladly give you some guidance.

The Social Club is an organizational group; part of this is to make sure all activities are okayed ahead of time so we can avoid conflicting dates. Even if it is only a week or so notice, it must be okayed! A flyer should also be posted with the event details, so all the residents know about these last-minute activities, thus giving them an opportunity to join in the fun!

The new fence has been installed by the 12th street dumpster/laundromat and it looks awesome. A special thank you to all the residents that took down the caution tape, moved the safety cones, hung up their laundry during construction (most of these days were very windy) and then chose to come to me and complain about dirt getting on their clothes...it’s almost like they think I have nothing better to do than try to fix stupid!

To the handful of bad apples in the Park that called the Health Dept. the Pool Inspector and Code enforcement, I plan to announce your names when the rent increase is based on the money it cost Mr. Larson because you thought you were so high and mighty and didn’t make an appointment with me to discuss any concerns you had. Most of them only result in me having to make a phone call or fill out a response form, but one of these times it will involve attorney and other fees, which can be passed directly on to all residents. The funny thing about “anonymous” calls are that the person who makes the call can’t help but brag about doing it!

Please watch for flyers on the various food events; the organizer for the every-other-Monday event is trying to set up a time schedule so that it is the same time every other Monday, but right now we are alternating between 11:00 a.m. and 1:30 p.m.

Speed bumps coming soon!!!! As you may have heard, we have purchased speed bumps and Roy will begin installing them as soon as we map out the park to determine what streets they will do the most good on.... when I asked residents where they wanted them to go, it included every street, and sometimes two or more on the same street! For those of you who are anti speed bumps, sorry, but if they prevent one resident from being hit while walking, riding a bike, or on their golf cart, it will be money well spent. The other reason for them is to slow down the chronic speeders.

While I write this article, I am sitting in my daughter’s family room, looking out on 8 inches of fresh snow....it is absolutely beautiful, especially on the trees. By the time you read this, I will have returned to our palm trees and sunshine!

Jessie Buchholtz, Park Manager

BUYER BEWARE!

The latest scam trending in Pinellas County involves the Visa Gift cards you see at grocery stores, drug stores and other places that sell gift cards. This is how it works:

Bad guy takes four or five cards off the store rack, opens them, records the card number, enters the number online, removes one or two of the card digits to ensure the victim cannot use it before he does, glues them back together and places them back on the rack for an unsuspecting customer to purchase and load with money. Once the card is loaded (by the victim) the bad guy is notified online, and he can spend YOUR money.

When you buy gift cards:

1. Grab a gift card from the middle of the stack (most bad guys leave the fraudulent card at the front of the stack so it is purchased quickly).
2. Open the card at the register before you load it. Look for extra glue under the back flap or security seal (this is a clue that it is a scammer's card) and check the number of digits on the front of the card. (There should be 16 — four sets of four digits. If there are missing numbers, it is a clue that it is a scammer's card.)

If you suspect a scam, let the clerk or store manager know. Please don't put the card back on the rack and don't load money on it. Shop Safely.

LADIES FUN SHUFFLE

Embassy is definitely known as a shuffle park, but on February 19th it was for ladies only 'cause "Girls Just want to have Fun"! The third Annual Ladies Fun Shuffle was held on a lovely Sunday afternoon with 26+ ladies coming out for a fun day of playing shuffleboard and socializing. I'm sure the guys who were helping out by refereeing and scorekeeping thought there was way too much laughter and chatter. Everyone from novices to experts signed-up, but the ladies played only against ladies of a similar skill level. Even our Park Manager, Jessie, was able to feel like one of the girls for a few hours. The event kicked-off with our traditional mimosas. At half time we enjoyed a refreshment break, and there was a gift table with items donated by the ladies.

The event is not a serious competition. In fact, the only award given is a trophy for the Most Enthusiastic Player. Congratulations to this year’s winner – Michelle Swanlund.

I appreciate all the help I had to bring this about, but I particularly want to express my gratitude to Ron McDougall, as one of his final official shuffle duties in the Park, for his help organizing and facilitating this year’s Ladies Fun Shuffle.

Submitted by Bev Morrison

CANADA DAYS “MCDUGALL'S SHUFFLE TOURNAMENT”

To honor the memory of Guy and Ron McDougall for their much dedicated involvement in Embassy Park's Shuffle Club throughout the many years that they resided in this Park, the Canadian Club has decided to name the “Canada Day's Shuffle Tournament” in their name.

So, this tournament, organized by Viateur Viel, was held on Saturday, March 4th with 40 participants, playing four games each. Four players from Division A and four players from Division B were then chosen to play in a final game. These players were determined by the “number of wins and the differential scores from those wins”.

In Division A, first place went to Brenda Wilson, second place went to Al Ziegler and third place went to Michelle Swanlund.

In Division B, first place went to Linda Mairs, second place went to Dave Rollins and third place went to Marcel Giguère.

The tournament was a success; thank you everyone for your participation.

MEMORIAL SERVICE

The Memorial Service was held February 19th at 7 p.m., in the Clubhouse. It went well, we had two hymns, a solo, the Cross and Carnations and two readings, open and close with prayer. It was a short service with lunch and refreshments afterward. About 33 people attended. We still have a few of the Order of Service programs if anyone wants one. The Bible study group is honored to be able to do this event, people have told me it is meaningful to them, and it is really a nice tradition to continue for Embassy Park.

We thank all who helped and participated. Thanks to Ron Foster for providing music and Dale Bradfield for leading the singing. Thanks to Ron Russell who was our M.C. and Iva Shannon who helped with the Cross and Carnations. Thanks to Gail Atkins and Sherri Nelson who did the readings for us.

We thank Jessie for printing of the Order of Service and Mike Matheny who made tea and coffee. And thanks to all who brought snacks for after the service and we appreciate those who stayed and cleaned up.

Only our Heavenly Father knows what next year will bring but the 3rd Sunday of February in 2024 is the 18th. That is the date we aim for, 7:00 PM.

In His service Dave Burris

BIBLE STUDY

The Bible study group meets on Tuesday evening at 6:30 at the Clubhouse. We have about an hour of study and conversation with a snack after, and then more conversation. Anywhere from 6 to 13 people attend. If you aren't there, we are pretty lenient, we won't dock your pay, maybe a black mark on your personnel file, nothing serious.

Everyone is welcome to join us.

In past years the study would wind down sometime in April, although now we have some permanent residents who would like to see it continue through the summer. So, watch the News and Views for updates on future meetings.

“CANADA DAYS” – AN AMERICAN’S VIEW

For those of you who think “Canada Days” is just for Canadians, you are sadly mistaken. This is a 2-day fun fest that is all about fun for everyone, be they residents or guests, in Embassy! There are lawn games such as corn hole, a bean bag game, ropes and ladders (you toss a rope with a golf ball at each end and try to wrap it around a ladder rung), a golf ball hitting game (try to land a golf ball in a small boat out in Larson Lake), and a new one this year – axe throwing (just like it sounds, throw an axe at a target). Prizes were awarded for top scorers in the games. All games were very safe, no one was hurt, and everyone had a lot of fun. For the small sum of \$5, all were welcome to participate in the games; a hot dog lunch with pop, beer, or wine (water, too); and the street dance after the lunch. Oh, yes! There was a 50/50 worth \$138 to the winner. On Saturday was the inaugural McDougall Shuffle Tournament. Brenda Wilson won the McDougall Trophy. So much fun for so little \$\$\$.

Unfortunately, only 12-15 Americans attended this year’s event. Next year, let us all -- American and Canadian alike -- do a better job of supporting this 2-day fun event.

NEIGHBORHOOD WATCH

Have you ever noticed how Embassy Park is a quiet, safe neighborhood? That is, in part, because of the excellent work of our Neighborhood Watch volunteers.

What is Neighborhood Watch? A neighborhood watch program is a group of people living in the same area who want to make their neighborhood safer by working together and in conjunction with the local law enforcement to reduce crime and improve quality of life in the community. Neighborhood watch groups typically focus on observation and awareness as a means of preventing a crime. Simply put, it is neighbors watching out for the welfare of each other.

Why do we need a Neighborhood Watch program at Embassy? When we started the program, about 4 1/2 years ago after an attempted break-in at an occupied residence, 20-30 calls per month were made for police assistance. The calls were for a variety of reasons — suspicious people, suspicious activities, people living in residences who didn't belong there, groups of people walking on our streets who didn't live here — to name a few. That went on for months. It took the Park Management and the Neighborhood Watch program probably a year or more to start bringing down the number of calls.

What are the Neighborhood Watch volunteers expected to do? Volunteers clad in safety vest and armed only with a whistle, drive up and down the streets of our park looking for anything/ anyone suspicious or out of place. When riding in a golf cart or on bicycle, it is best to have a 'buddy' with you. Some volunteers use their vehicles to patrol. The whole point is not to make a personal contact with anyone that looks suspicious because that could lead to an altercation. Officer Bowling advises against confronting a suspicious person as you open yourself to an attack. Instead, always carry a cell phone and have it ready to make the call — whether administrative or 911 and Largo PD or Pinellas Sheriff. Law enforcement personnel are trained to handle any situation. They want us to make the call.

Do we have to buy our own vest and whistle? Sadly, yes. But both items are readily available at low cost online and at the local WalMart store.

Want to help but don't have a golf cart or bicycle? You can still be a program volunteer. Come to a meeting and someone will brief you on the basics of the program and, if possible, pair you with another volunteer for patrols. But you don't have to drive the streets to participate. You can also do your part by simply keeping an eye on your own street. Watch out for cars or people that don't belong there. Keep an eye on your neighbor's home when you know they are away. If you see something, report it to the police.

To summarize, a Neighborhood Watch program only works when there are volunteers working to keep their community safe. We are always looking for volunteers and ask everyone who is interested to attend one of our meetings at 1:00 p.m. on the last Thursday of every month. Or you can stop any of the Neighborhood Watch members you see patrolling and ask them when/ where to attend the next meeting. We'd love to see there!

IT AIN'T OVER YET!

As you all know by now, the Embassy Park Fun Night event normally held in March was cancelled this year. And many feared it was gone forever. But it ain't over, yet. Lynn Turner has graciously offered to take point on future events, only from now on it will be known as Comedy Theater with Embassy Park residents as the actors/participants. For now, Lynn would like to know who is interested in helping — whether by performing or working backstage. If you have a talent you want to share or are interested in lending a hand with the support work, please contact Lynn at 727-437-7755 (she will be here until April 15) or email anytime at lynnturn1949@gmail.com. An inaugural meeting will be held in November as the winter residents arrive. No theme has been announced. Take the summer to brush up on your skit, costume, or singing voice. We look forward to your participation onstage or in the audience.

GARBAGE

Iwould like to start this article out on a positive note. I am very impressed by all the residents that take the time to push garbage to the back of the dumpsters, move the wrong items out of the recyclable bins into the garbage, etc. Several residents even arrive with a broom and dustpan to sweep the area around the dumpsters. Big Mike does this on a regular basis. By now most residents are aware that I have installed cameras, I have heard comments, such as: I have to break down my boxes, SHE has a camera now. I have had items returned to the offenders when possible; other times I send a letter. If Chuck or I happen to see errors made in this area, we have a speaker feature where we can talk to whoever is not following the guidelines for correct garbage and recycle procedures.

There is a list of items posted regarding what items can go into the recycle bin; the important thing is to break all boxes flat to allow more room in the dumpster.

By no means does this mean everything is perfect, but it is getting there.

Garbage rules are still the same, no yard waste, tree clippings, household items, etc. are allowed in the 6 yd dumpsters.....these items belong in one of the two 30 yd dumpsters, either the one on 3rd street or the one on 2nd street, which is for brush ONLY! This second dumpster is for tree trimming and unbagged yard waste only and it is temporary, I plan to have it picked up soon.

Curbside waste is for larger items that you can't take care of yourself, such as small furniture/decorative items, etc. NO TV'S OR ELECTRONICS, the office has the information you need on how to dispose of them, along with paint. You can open your paint cans, let the paint dry out, then put them in the 3rd street dumpster. Another trick is to put kitty litter in them to speed up the drying process (buy the cheap stuff, I think the Dollar Store may sell it). Yard waste and tree trimmings are to be: Bagged, Boxed or Bundled or they won't be picked up at all.

When can I put my garbage out? This has never changed....it is not supposed to be put out

NOBODY PAYS MORE

until after 5:00 p.m. on Sunday, Tuesday and Thursday for early morning pick up on Monday, Wednesday, and Friday. If you miss getting it out on time, keep it in your shed until the next pick-up day, no one wants to see garbage out at the curb so several days. In fact, I have told maintenance to NOT pick up your garbage if you have put it out too early.

Mondays are a big trash day; often there is no place to put garbage so we end up leaving it in the park trailer so it can be taken care of as soon as the dumpsters are emptied. This means if you have bagged, boxed or bundled yard waste it may not get picked up until Tuesday.

A lot of Canadian residents and guests have made comments about the lack of recycling here. Go online and read all the articles about what plastics, chemicals, etc. are doing to our waterways and eco systems,

Thank you in advance for your continued efforts to keep the garbage area clean 24/7 and by doing your part by recycling.

Jessica A Buchholtz, Park Manager

Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
