- One is the trash building behind the Clubhouse.
- One (blue container) is in the east area of the Shuffle Court.
- One (blue container) is at the Maintenance Area.
- One on the rear patio.

Thank you for your contributions and cooperation.

wcontinued on page 6

Either way you choose to send payment, you must put your account number on your check in the memo section, your account number and this will be found on the portal. Helen has graciously volunteered her time until we transition and find yet another change to endure. She is in the office from 9-1 for the summer months and happy to help. Remember payments are subject to a late fee after the 5th of the month. If you have any questions about your dues, please email hoa@wcmanagement.info or call the corporate office and ask for the dues department.

REMINDER:

Please remember; ***COME TO THE OFFICE to sign in/out.*** This is needed to begin and stopping the Water/Sewer/Trash Bill. Residents can notify the office by either dropping a note in the black mailbox at the clubhouse front door, email, or come to the office during business hours (9:00- 1pm PM). Facial covering (mask) is highly recommended to enter the clubhouse. We will need your name, lot# and day of arrival or departure. ***Do Not leave a message on the answering machine, it must be in writing to be effective.*** Per the Golden Gate Rules & Regulations: (#16 Home sites): Shareholders will be exempt from billing for City utilities for any month which the home is unoccupied **providing the sign out procedure with the office has been properly completed.**

Parking

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules! **NO PARKING ON SIDEWALKS.** Your maintenance fees pay for all repairs. Please use common sense (not a rule) and do not park near or on corners or close to intersections. Please Park on the same side of the street to avoid traffic having to “zig-zag” to get by. This causes obstructions and creates a dangerous situation for pedestrian, cars, golf carts and bicycles. This means if you decide to park on the street and there is a car already parked on the street please park on the same side of the street as the car that is already there.

Church in the Park Update:

Golden Gate Church in The Park
Our Congregation is growing, but there is room for more! Our Services are Nondenominational and are held every Sunday at 8:45 am in the Club house. We also have our Services on-line at our Church Web-site: Golden Gate Church in the Park. Pastor John Bowers presides at our Services and is great at deciphering the Bible for us. We hope you will stop by. Following our Services, we have donuts and coffee and socialize for a while. Hope to see you there.

A SPECIAL THANK YOU TO YOU ALL AGAIN AND AGAIN

To all the lovely people in this park, that have done so much helping me and have been there this past year.

Sure, doesn't seem like a year since Harold passed away so suddenly, April 13. I remember that day vividly every day and night.

There will be a mass said April 13th at 8:00am at Sacred Heart Catholic Church, in his name.

I'll be going home to NYS shortly, so I want to say goodbye for now, hope to see you next November, and have a nice summer.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

How Mickey Mouse was born

The legacy of Walt Disney is now a \$20 billion media giant. It includes film studios, TV networks, publishing houses, famous theme parks and hundreds of retail stores.

Disney was the last of five children born in 1901 to parents who lived in Chicago. Disney became enamored with drawing and started a company with his brother Roy to try and build an animation business. Disney was barely making it financially.

On a long train ride back from a disastrous business setback in which he lost the rights to a character he had created, the idea came to Disney to create another character based on a mouse that scampered across his drawing board. This idea blossomed into the character of Mickey Mouse.

Later, when Disney spent an unprecedented \$1.5 million to produce the masterpiece Snow White, critics and naysayers dubbed the project “Disney’s Folly.” However, the animated film became the most profitable ever released and set Disney on the path of creating animated classics, and he became known as the father of the animated-film genre. — adapted from the Los Angeles Times article “50 people who most influenced business this century”

The devil’s secret weapon

There is an old-time fable that the devil once held a sale and offered all the tools of his trade to anyone who would pay their price.

They were spread out on the table, with each one labeled — hatred, malice, envy, despair, sickness, sensuality — all the weapons that everyone knows so well.

But off on one side, apart from the rest, lay a harmless looking, wedge-shaped instrument marked “DISCOURAGEMENT.” It was old and worn looking, but it was priced far above all the rest.

When asked the reason why, the devil explained: “Because I can use this one so much more easily than the others. No one knows that it belongs to me, so with it I can open doors that are tightly bolted against the others. Once I get inside, I can use any tool that suits me best.” — from IdeaBank

On vision

I had an almost intolerable awareness that every morning began with infinite promise. Any book may be read, any idea thought, any action taken. Anything that has ever been possible to human beings is possible to most of us every time the clock says six in the morning. On a day no different from the one now breaking, Shakespeare sat down to begin Hamlet.

— *Ralph Waldo Emerson*
