## PRESIDENT'S CORNER

Submitted by Jan McCoy

### THE SHIFT

A good result always starts with ensuring a strong foundation. In our case, bricks were in place, but mortar was required. It has taken time for discovery and responses to move through the transitional state of our business affairs from old to new management. Updating of basic information (census) and a refresh of our outdated governing rules was necessary. This effort has occupied the first 10 weeks of our board of directors' focus. While admittedly overwhelming at times from a time commitment perspective, it was important to achieve. I am grateful beyond words for the additional work taken on by our Office Staff, Executive Committee, our Board of Directors Committee Chairs who are driving targeted projects and most especially for our community volunteers working together to make a difference in our park.

Primary to the above foundational effort was the renewed focus on transparency, inclusion, collaboration, and improved methods of communication. Our actions reflect on ourselves and our environment, not you alone, because we are one in the same. **THIS IS THE SHIFT**; the understanding we are not separate from you. A commitment has been made by the 2023 board of directors to work **FOR** you and **WITH** you, but we are only half of the equation.

While it never feels like enough and may be frustrating because there is that one major thing that does not appear to be on the radar, understand we have been busy on your behalf. Consistent attention and improvement will be the key. That important thing can and will be addressed if you **TALK TO US. PLEASE BE PART OF THE SHIFT.** We need the other half of the equation. Issues requiring resolution or differing opinions do not have to result in or be communicated via anger, disrespect, and threats.

Circumstances do not have to result in divisiveness. Communication and collaboration will move us towards an agreed upon majority-driven perspective ultimately leading us confidently in the right direction. Be the mortar. Be the glue. Work with us to strengthen our community. We are here as volunteers on your behalf.

Respectfully submitted,

Jan McCoy

Submitted by Richard Thomas, LCAM

### **HURRICANE SEASON:**

Hurricane season starts June 30th and ends November 30. Now is the time to plan what you will do in the event an Evacuation Order is issued. All Mobile Home Communities are Mandatory Evacuation Zones. Residents who will be leaving Sunset Palms and heading north are reminded to store items that could become airborne during a storm in your shed or inside the mobile. Staff will be securing the buildings and common areas. You may pick up a copy of the Emergency Preparedness Disaster Plan from the office.

### **REAL ESTATE TRANSACTIONS:**

All transactions involving the Sale of the mobile and the transfer of the Share, Purchase of a Share, Installation of a new Home on a vacant lot, For Sale by Owner transactions or the addition/removal of an individual from the Share, require approval by the New Unit/Share Approval Board. A background check and two-member board interview is required, followed by completion of documents for review and approval by the Approval Committee. Real Estate transactions cannot process to a close without first going through our internal approval process. THE FIRST STEP IS TO CONTACT THE OFFICE.

### **SUBLETTING UNITS:**

Subletting is allowed on a seasonal basis only, for a maximum of six (6) consecutive months in any twelve (12) month year period. The lease period must be a minimum period of three (3) months or a maximum period of six (6) months. It is the responsibility of the Unit Owners to notify Sunset Palms Office of their intent to lease their Unit and to provide information on the Subtenant. The Subtenant must sign in at the Office upon arrival and sign out at the time of expiration of the lease and departure from the park. Subtenants will be subjected to a background check. All Subtenants must receive Management approval prior to occupancy. Subtenants are bound by the same rules and regulations as the Unit Owner and Unit Owner is responsible for the actions of the Subtenant.

### **TOURIST DEVELOPMENT TAX:**

00If you rent your home, you are required to register with the Pinellas County Tax Collector to collect and remit a 6% Tourist Development Tax, and 7% Florida Sales Tax. VERY IMPORTANT: This 13% tax is a mandatory requirement for EVERY rental. If the rental is not reported to the Pinellas County Tax Collector there will be a fine issued to the owner renting the home. For questions call Pinellas County Tax Collector's office at 727-464-5007 or go to their website: [www.taxcollect.com](http://www.taxcollect.com)

## WEE ZEE Riders

*Submitted by Joe O'Quinn*

The "Wee Zee Riders" began around 2011 when a few men wanted to do something as a group. The name was picked by John Titus who is the spokesperson and it was decided that we would have matching yellow shirts with our logo, matching jacket for cool days and black cap.

We meet at John Titus's - 34130 Oak, 6 days a week (Monday-Saturday) 8:30am and ride 3 laps of our park @10mph = 4.2 miles, then we head on to McDonalds for coffee and socialize. We have such a friendship with McDonald's that we made Jeff (McDonald's manager) an honorary member. Also, Bill Mischier (mayor of Pinellas Park -1998 -2012) was always so supportive and enthused to see us, he was installed as an honorary member.

Once a month, we bike to a small restaurant "Early Bird" near Mainlands for a group breakfast. When riding within our park we ride by "twos" and when outside the park we ride single file with helmets.

Presently we have 18 members in our group and no cost to join - just your own clothing. All members are residents of our park from all over USA and Canada.

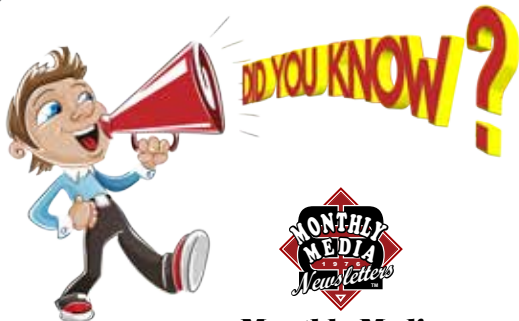

Our goal in the park is to help when needed by the social club (dinners, flea market and even sing when required) and, be there for each other and have fun. The Wee Zee Riders built the Santa Claus sleigh which is used in parade and also setup in front of clubhouse during Christmas season. We have a call list for our group when we get any request for help.

"If you're not having fun being at it - don't be at it!"

# NEIGHBORHOOD WATCH PROGRAM

*Submitted by Don Barnes, Committee Chairman*

There is nothing more important than the security of our park. The Neighborhood Watch Program offers a chance for our residents to join in and be problem solvers. Our key 2022 accomplishment was the implementation of security cameras as well as our on-going efforts to keep an eye out for one another. We will soon be inviting the local police to speak to the community where they will provide up-to-date safety guidelines. This year's committee has just been formed. We will be talking about some important concerns: hurricane preparedness, park street lighting, personal safety, property theft, as well as open park access (i.e., back pathway to Wal-Mart on Canal Dr., disrupted repair of the stone wall behind Oleander Dr., broken gate at the far side of the pond, and our Gandy Boulevard front entrance access). Please watch for our committee meeting announcements and plan to attend. Together, we can be the solution!

Reminder: Please always lock up; keep your outside lights on at night; and help your neighbors, especially when they are not home, by keeping a watchful eye. While we do our best to address safety at the community level; it is, ultimately, an individual responsibility. Please do your part. If you see a crime being committed, call the police immediately.

**JOIN OUR NEIGHBORHOOD WATCH PROGRAM!** All are welcome.

For more information, contact Don Barnes 901-601-0084 or email [donaldbarnesdwb@aol.com](mailto:donaldbarnesdwb@aol.com).

# Lift Station Monthly Reminder - IMPORTANT

Submitted from the Office

**F** LUSH ONLY: Body waste and toilet paper.

*It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.*

## DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

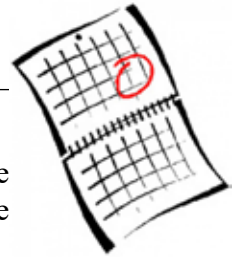

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

**B**ingo has come to an end for the season. I could not have provided all the fun for everyone without everyone's help. Maybe you were a caller, helped sell cards, sold snacks, helped some other way with bingo or played bingo every Monday - you deserve a round of applause! Thank you everyone!!

See you in the Fall . Watch your emails as to when we will start again, usually in November.

**I**f you ask 100 people to name their top choice for a "Milestone Anniversary" destination, at least 30 of them would name Hawaii. Visions of tropical palm trees swaying in the breeze, drinks in coconut shells and hula dancers create a very romantic image!

Some of the top reasons couples select Hawaii are:

1. It's a USA destination
2. It is the vision of America's own tropical paradise
3. There are 5 main islands in the Hawaii chain that are open to tourism and each one of the islands offers a totally different experience:

Want to visit Pearl Harbor, Waikiki Beach, and like big city nightlife, shopping and crowds? Oahu is your answer! If you prefer the luxurious resort style and lazing around the beach, Maui is an option. All these islands and excursions, including golf can be yours from a cruise ship.

### Winter 2024

The Group cruise for January 20, 2024, is filling up with over 30 people booked. The coach bus will leave from the clubhouse with the first 50 people that booked. The remaining residents will be on the non-direct bus unless we have enough to charter a 2nd coach. This 7-night cruise will visit the Eastern Caribbean islands of St. Martin, St Thomas, British Virgin Islands, Dominican Republic and San Juan.

Day 1 and day 7 are relaxing sea days. Reach out to Travel Committee for further details and stay tuned through the summer months for zoom sessions on each excursion.

Happy Summer!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
