FROM THE EDITOR

Spring is in the air, and summer is peeking around the corner! Our residents have seen some beautiful birds around our park this spring! Get out of the house and enjoy this beauty around you! The staff here have been making some improvements everywhere, and I would be remiss if I didn't mention how nice it is to have the clubhouse decorated for every holiday or season! Hats off to the team for that! I'm loving it!

I hope you are enjoying the monthly media. If you have a suggestion on an article, you think would interest our community, please feel free to reach out to me. We love to hear some good news! In addition, if you come across an article that you think would be of interest, please share. I will need the original source as well.

Please send any articles, suggestions, or photos to me at LindaIITSmedia@gmail.com or stop by Lot 73. If you would like to be highlighted (spotlight) in an upcoming edition for any of our sections, please let me know. See you all soon!

Thank you,
Linda Olone - lindaIITSmedia@gmail.com

PRESIDENT'S MESSAGE

The IITS HOA monthly Board meetings will not be held during the summer months of June, July, and August. Board members will still be active and available during this time. You can find our contact information on the inside cover of this publication.

The IITS HOA monthly Board meetings will resume on Tuesday, September 12th at 7pm in the clubhouse. This meeting will be held on the second Tuesday in September due to the Labor Day holiday. Future meetings will then return to the first Tuesday of each month.

Have an enjoyable summer and please contact me, Jill or Tammy with your community concerns or to become a member - still only \$15 per household.

Open positions:

We have a few open positions if you are interested in volunteering for anything.

NON-Board Positions

1. We need a volunteer for Bingo. We are looking for a backup caller. Duties would be once a month or so. The computer does most of the work, and almost all of the calling (with the exception of one game). It is a very simple program to use, and we are a fun bunch to spend time with! If you are interested, please call Linda at 727-214-7334 or email at LindaIITSmedia@gmail.com.
2. I need someone to review my birthday and anniversary list every 3 months for accuracy before it goes to print. If you are willing to look at that list for me **in advance**, please let me know. See **Linda O'Lone** (Managing Editor). Update for new residents and remove any residents that are no longer here.
3. Remembrance Corner - OPEN - Need this person to report obits or to **Linda O'Lone** for adding to Media and so I am able send a card from the community.
4. Neighbor Helping Neighbor – OPEN - need Volunteer.
5. The activities coordinator is looking for someone to start Bocce Ball up again, as well as Mahjonn, or any other activity suggestion. Please see **Denise Beardon** or contact via email - iitsactivities@gmail.com.

Grandparents Corner

Linda O'Lone

So, I haven't heard from any of you for this section so I will brag on my grandbabies. Taylor is 14 and has never missed an honor roll. She is an amazing soccer star and now mentors younger players. Rylee is 9 yrs. old, also honor roll student, and the sweetest personality you will ever meet. She's from upstate NY but talks with a southern drawl. Like her Grandma, she's a southern belle at heart. Rylee just earned her green belt in Karate and wants to keep going. She loves it! Both girls, are Grandma & Papa's pride and joy!

People get their eyes tested and their teeth checked on a regular basis,

Why Not Look After Your Ears Too?

Hearing changes often do not result in an overall loss of volume. Some sounds remain as audible as they always were, yet others become harder to hear, and some conversations require more attentiveness. You might notice that words just don't sound clear.

If you suspect that your hearing may be changing, it's up to you to be alert to the signs and have your hearing tested by a qualified professional.

Resident Spotlight

Resident spotlight this month is Burt and Dawn Arnold at lot 89. Burt was born and raised here in Clearwater, and Dawn is from Wisconsin. They have been together for 12 years. Dawn has 3 children, and together they have 2 fur babies.

They love the lifestyle here at Island in the Sun.

Burt is a Boat Captain with SunKissCharters. It's a private sailing charter that Burt owns. Burt is also a painting contractor. Dawn is a talk show host and has been on the air for 30 years. She is up for the best talk show host of best Talk Show for the international Christian film festival this year for miracle stories. Dawn is also a concierge in Clearwater Beach. She is also competing for this year's Classic Ms. Sunshine State, for the world of tourism title in July.

Burt's hobbies are fishing and scuba diving, and Dawn like to ice skate once a week, as well as enjoying the pool here. They also enjoy going over to the Hardrock and playing Keno. They love sailing and would like to sail around the world.

Good Luck on your many adventures Burt & Dawn!

"Smell the sea, and feel the sky, Let your soul & spirit fly, into the mystic." - Into the Mystic"

Precious Pets

Nugget is our precious pet this month. She is a chihuahua...a little teeny one, I might add. She is 18 months old; she was born the runt of her litter. She spent her first two weeks of life in an incubator due to her small size and under-developed organs. Her human Mommy rescued her when she was 16 weeks old, at just a pound. Her favorite thing to do is see and play with all her doggy friends at Island in the Sun. She absolutely loves everyone, loves car rides, and loves to lay outside in the sun and chew on her bone. Her most favorite treat is a pup cup. Her favorite person is her Granny, she gets so excited to see her!!! She might be tiny, but her heart is full of love for everyone!!! – Nugget belongs to James & Melissa at Lot 158.

Easy Spinach Casserole

Couldn't be easier....

Ingredients

- 2 (10 ounce) packages frozen chopped spinach
- 1 (8 ounce) package cream cheese
- 1 teaspoon seasoning salt
- 1 cup dried breadcrumbs, seasoned

Directions

1. Thaw spinach and squeeze out water. Soften cream cheese.
2. In a mixing bowl, combine spinach, cream cheese, and seasoning salt. Mix well and spoon into 2-quart casserole dish.
3. Sprinkle with breadcrumbs and bake at 350 degrees F (175 degree C) for 20 minutes.

Spinach Quiche with Chicken

Ingredients:

- 1 cup shredded Cheddar cheese
- 1 (9 inch) unbaked pastry shell
- 1 cup diced cooked chicken
- 1 cup chopped fresh spinach
- ½ cup chopped sweet onion (such as Vidalia®)
- 3 large eggs
- ¾ cup half-and-half
- ½ cup mayonnaise
- ¼ teaspoon salt ⅛ teaspoon ground black pepper
- 1 pinch salt-free seasoning blend (such as Mrs. Dash)

Directions: This quiche needs flavor boosters, so use your spice cabinet. You could add crumbled, freshly cooked bacon for more flavor. You can serve it with sliced avocado and tomatoes for a perfect light dinner.

1. Preheat the oven to 350 degrees F (175 degrees C).
2. Sprinkle 1/4 cup Cheddar cheese into pastry shell. Mix together chicken, spinach, remaining 3/4 cup Cheddar cheese, and onion in a medium bowl; transfer mixture to pastry shell.
3. Whisk together eggs, half-and-half, mayonnaise, salt, black pepper, seasoning in a second medium bowl until well combined; pour over chicken mixture.

BINGO

Our people love playing Bingo! Bingo is a self-funded activity. It is not sponsored by the HOA, nor Cal-Am. We try to raise funds in any way we can to maintain the activity and keep our payouts at a level where people want to come. Our typical participation is around 25-30 people a night. We would love to see that number grow! More people, bigger payouts! Come to Bingo, bring your neighbors/friends!

The Bingo team just did a fabulous Easter Basket give-away, as well as some consolation prizes! Two large baskets filled to the absolute brim with loads of goodies! We had 2 lucky winners, Rusty Leslie, and Phil Tursi, as well as many consolation prize winners. The money collected enabled us to buy supplies for 3 months, as well as provide free pizza to our players on our monthly birthday night celebration. Our birthday nights consist of an extra birthday game, sometimes free food, sometimes free game play, bingo bucks, and whatever else we can come up with! We like to mix it up, and we love to make our players happy! Our goal is to celebrate you!

Please join us for Bingo on Thursday nights!

This is one of our jackpot winners, Judy!

Ladies Luncheon

On the 3rd Thursday of every month, the ladies of Island in the Sun get together for lunch. Having attended a couple of these, I can tell you, it is a good time! Nancy Bilcheck does a great job organizing this. Nancy keeps a sign-up sheet in the clubhouse. If you would like to participate, please sign up every month. Nancy will announce the location on the Facebook social page. She also does a great job providing a door prize to some lucky winner every month!

Texas HoldEm Poker

Join Phil Tursi and the rest of the poker gang. You will have some fun with this group. It's easy to play, and the group will teach you how to play. They are very patient, and you will learn from some of the best in town. You will learn the art of betting, folding, holding, and winning! Poker is played on Wednesdays \$30.00 (High-stake night), Fridays \$10.00 and Sundays \$10.00. You won't lose anymore than these amounts. Come check it out and watch a few hands. See if it's something you like. Men and women alike play the game.

Object of the Game

Before and after each card(s) is revealed, players take turns to bet. To stay in the hand and see the next card, all players must have put the same amount of chips in the pot as each other. The best poker hand wins the pot.

Poker Hands

Five of a Kind - This is the highest possible hand and can occur only where at least one card is wild, such as a joker. Examples of five of a kind would be four 10s and a wild card or two queens and three wild cards.

Straight Flush - This is the highest possible hand when only the standard pack is used, and there are no wild cards. A straight flush consists of five cards of the same suit in sequence, such as 10, 9, 8, 7, 6 of hearts.

Four of a Kind - This is the next highest hand. An example is four aces or four 3s.

Full House - This colorful hand is made up of three cards of one rank and two cards of another rank, such as three 8s and two 4s.

Flush - Five cards all of the same suit, but not all in sequence, is a flush. An example is Q, 10, 7, 6, and 2 of clubs.

Straight - Five cards in sequence, but not all of the same suit is a straight. An example is 9♥, 8♣, 7♠, 6♦, 5♥.

Three of a Kind - This combination contains three cards of the same rank, and the other two cards each of a different rank, such as three jacks, a seven, and a four.

Two Pairs - This hand contains a pair of one rank and another pair of a different rank, plus any fifth card of a different rank, such as Q, Q, 7, 7, 4.

One Pair - This frequent combination contains just one pair with the other three cards being of different rank. An example is 10, 10, K, 4, 3.

No Pair - This very common hand contains "nothing." None of the five cards pair up, nor are all five cards of the same suit or consecutive in rank. When more than one player has no pair, the hands are rated by the highest card each hand contains, so that an ace-high hand beats a king-high hand, and so on.

Mother's Day – Internet Source

Mother's Day

Happy Mother's Day to all!

The official Mother's Day holiday arose in the 1900s as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children.

After gaining financial backing from a Philadelphia department store owner named John Wanamaker, in May 1908 she organized the first official Mother's Day celebration at a Methodist church in Grafton, West Virginia. That same day also saw thousands of people attend a Mother's Day event at one of Wanamaker's retail stores in Philadelphia.

Following the success of her first Mother's Day, Jarvis—who remained unmarried and childless her whole life—resolved to see her holiday added to the national calendar. Arguing that American holidays were biased toward male achievements, she started a massive letter writing campaign to newspapers and prominent politicians urging the adoption of a special day honoring motherhood.

By 1912 many states, towns and churches had adopted Mother's Day as an annual holiday, and Jarvis had established the Mother's Day International Association to help promote her cause. Her persistence paid off in 1914 when President Woodrow Wilson signed a measure officially establishing the second Sunday in May as Mother's Day.

Fire Safety

Electricity is a major cause of home fires. As each year goes by, Americans continue to use more energy in their homes. At the same time, the electrical systems in many existing homes have become outdated and are unable to handle the demands of today's electrical appliances and devices. Keep your home updated with new technology such as arc fault circuit interrupters (AFCIs) are preventing tragedy before it ever occurs. In fact, these devices have proven so effective that the 2008 National Electrical Code (NEC) significantly increased requirements for AFCI and TRR protection in all new homes.

Incorporating recent advances in technology into your home can help reduce the risk of fires.

Fire Safety Tips

- Install Smoke Alarms.
- Plan Your Escape From Fire.
- Keep an Eye on Smokers.
- Cook Carefully.
- Give Space Heaters Space.
- Matches and Lighters are Tools Not Toys.
- Stop, Drop, and Roll.
- Use Electricity Safely.

Keep you and your home safe! We are thankful Phil and Jane were unharmed in their recent fire.

Humor - a collection of corny jokes

- What did the horse say after it tripped? Help! I've fallen and I can't giddyup!
- Why can't you hear a pterodactyl going to the bathroom? Because the "P" is silent
- What do you call a well-balanced horse? Stable.
- What do you call an angry carrot? A steamed veggie.
- Where do polar bears keep their money? In a snowbank.
- How do you make an egg-roll? You push it!
- What would bears be without bees? Ears.
- What do you call a pile of cats? A meow-ntain.
- Why do cows wear bells? Because their horns don't work.
- Why did the bicycle fall over? Because it was two tired.

Things you probably never knew about the Great Lakes.

Submitted by *Gertie Oosterhuis*

Not sure where this is from originally (we got it in email), but we like it:

SUPERIOR

- Lake Superior is actually not a lake at all, but an inland sea.
- All of the four other Great Lakes, plus three more the size of Lake Erie, would fit inside of Lake Superior.
- Isle Royale is a massive island surrounded by Lake Superior. Within this island are several smaller lakes. Yes, that's a lake on a lake.
- Despite its massive size, Lake Superior is an extremely young formation by Earth's standards (only 10,000 years old).
- There is enough water in Lake Superior to submerge all of North and South America in 1 foot of water.

ERIE

- Lake Erie is the fourth-largest Great Lake in surface area, and the smallest in depth. It's the 11th largest lake on the planet.
- There is alleged to be a 30- to 40-foot-long "monster" in Lake Erie named Bessie. The earliest recorded sighting goes back as early as 1793.
- Water in Lake Erie replaces itself in only 2.6 years, which is notable considering the water in Lake Superior takes two centuries.
- The original publication of Dr. Seuss's *The Lorax* contained the line, "I hear things are just as bad up in Lake Erie." Fourteen years later, the Ohio Sea Grant Program wrote to Seuss to make the case that conditions had improved. He removed the line.
- Not only is Erie the smallest Great Lake when it comes to volume, but it's surrounded by the most industry. Seventeen metropolitan areas, each with populations of more than 50,000, border the Lake Erie basin.

HURON

- If not for the Straits of Mackinac, Lake Michigan and Lake Huron might be considered one lake. Hydrologically speaking, they have the same mean water level and are considered one lake.
- The Keystone State was one of the largest and most luxurious wooden steamships running during the Civil War. In 1861, it disappeared. In 2013, it was found 30 miles northeast of Harrisville under 175 feet of water.
- Goderich Mine is the largest salt mine in the world. Part of it runs underneath Lake Huron, more than 500 meters underground.
- Below Lake Huron, there are 9,000-year-old animal-herding structures used by prehistoric people from when the water levels were significantly lower.
- Massive sinkholes in Lake Huron have high amounts of sulfur and low amounts of oxygen, almost replicating the conditions of Earth's ancient oceans 3 million years ago. Unique ecosystems are contained within them.

...continued on page 38

MICHIGAN

- In size, Lake Michigan ranks third among the Great Lakes and sixth among all freshwater lakes in the world.
- Lake Michigan is the only Great Lake that is entirely within the borders of the United States.
- The largest freshwater sand dunes in the world line the shores of Lake Michigan.
- Because water enters and exits Lake Michigan through the same path, it takes 77 years longer for the water to replace itself than in Huron, despite their similarity in size and depth. (Lake Michigan: 99 years, Lake Huron: 22 years.)
- Within Lake Michigan there's a "triangle" with a similar reputation to the Bermuda Triangle, where a large amount of "strange disappearances" have occurred. There have also been alleged UFO sightings.

ONTARIO

- Lake Ontario is the smallest of the Great Lakes in surface area, and second smallest in depth. It's the 14th largest lake on the planet.
- The province Ontario was named after the lake, and not vice versa.
- In 1804, a Canadian warship, His Majesty's Ship Speedy, sank in Lake Ontario. In 1990, wreck hunter Ed Burt managed to find it...but he isn't allowed to recover any artifacts until a government-approved site to exhibit them is found. He's still waiting!
- Babe Ruth hit his first major league home run at Hanlan's Point Stadium in Toronto. It landed in Lake Ontario and is believed to still be there.
- A lake on Saturn's moon Titan is named after Lake Ontario. It's called "Ontario Lacus."

WE PLAN EVERY MAJOR LIFE EVENT EXCEPT OUR FINAL ARRANGEMENTS. WHY IS THAT?

1

6

Weddings, graduations, vacations ... we plan them all down to the smallest detail. So why don't we want to plan our final care?

- Removes the burden from those you love
- Gives your family great peace of mind knowing that your wishes will be carried out.
- Allows you to make decisions that best fit your beliefs, your personality and your budget.
