**Besides a hero, the hoagie goes by several other aliases. The sub, grinder, Italian, torpedo, or baguette are just a few of its many names. Hint as to how we make a hoagie: cut a long Italian roll or French bread lengthwise and fill it with various meats, cheeses, vegetables, seasonings, and sauces. Pile it high with your own combination of fillings and enjoy it either hot or cold.

About the Word “Hoagie”

In 1953, Italians working at the World War I-era shipyard in Philadelphia known as Hog Island packed their lunch to work every day. They introduced the sandwich by putting different meats, cheeses, and lettuce between two slices of bread. It was referred to as the “Hog Island” sandwich, which they later shortened to the “hoagie”.

+Do you remember this song?

*“There’s a hole in my bucket, dear Liza, dear Liza
There’s a hole in my bucket, dear Liza, a hole*

*Then fix it dear Henry, dear Henry, dear Henry
Then fix it dear Henry, dear Henry, fix it...”*

This song has over 20 verses, but do you remember how it ends? Check it out at:

SOUTHWIND COMMUNITY YARD SALE FUNDRAISER WAS A “WIN-WIN”

By Terri C

Thanks to the hard work of devoted community volunteers, led by new Board Member Dudley Harvey , this year’s annual Community Yard Sale was a huge success! Homeowners, residents and friends were invited to donate items we no longer need or want, to be sold at this sale. Proceeds of all donated items sold went into the HOA bank account to fund future events and activities for the entire community.

This was a rare opportunity for residents (like myself) who do not have the stamina/ physical ability to haul items out to our own carports for buyers to drive around and park to view and buy, or perhaps didn’t have enough items of their own to sell. Dudley made and posted signs in the neighborhood asking for donations for the sale. He printed announcements to hand out at the HOA Meeting with donation info. The response was overwhelming!

Dudley announced that pre-sale items were pictured and sold at Facebook Marketplace, which made \$1,070 in advanced sales for this HOA Fundraiser.

He led and/or organized volunteers to pick up donations on the Friday before the event. More than 15 volunteers pitched in to help make this fundraiser successful.

There were 2 pickup trucks and several golf carts that made 20-25 trips to pick up donations from our community, including some large furniture. Dudley thanks our entire Southwind community for the many volunteers and countless donations from residents, too many to list, who he said were all responsible for the success of this event.

There were 8 tables full of items inside the Clubhouse and the sidewalk/parking lot spaces were full of donated items to sell. Photos taken at this event tell the story. At the end of the day, our Treasurer deposited \$2,616.20 in proceeds to our HOA bank account from the Yard Sale. This event was the largest fundraiser one day event on record, since Covid and maybe ever. After the sale was over, Dudley had previously arranged a pick up for unsold items from a local church.

What a great way for all of us to de-clutter our homes/ sheds, and enjoy the benefits of our donations with more HOA funds as our return. The fact that so many donations came pouring in, and so many people volunteered to help, is absolute proof of what a great community we have here at home in Southwind!

POT LUCK SOCIAL

Terri C.

Pot Lucks are back at Southwind and what a great success this one was! About 40 people attended this event in the Club House at 6pm on Saturday, March 11th to bring their favorites and sample a huge variety of tasty treats. It was nice to relax, socialize with friends and neighbors, and not have to cook a full dinner at home.

Delicious treats were brought in by residents. Everything from deviled eggs, oriental cabbage salad, to a pork roast with barbeque sauce, braised mushrooms, scalloped potatoes and ham, pasta dishes, Top Gun tots, Tex Mex casserole, buffalo chicken sandwiches, gluten free brownies, cakes and grape salad to HUGE fresh strawberries filled three whole tables! Plates were full for those enjoying the plentiful fare. Iced tea and lemonade were provided. There was so much food there to sample that it's hard to even remember it all. Another Pot Luck planned for Flag Day on June 14th. Do yourself a favor and don't miss it!

Here are some recipes from the March Pot Luck:

Top Gun Tots – bake frozen tater tots – enough to fill a baking dish (8x8 square) with the cooked tots, add a layer of crumbled cooked bacon bits and top with triple cheddar shredded cheese. Bake or microwave the whole dish just long enough to melt the cheese and serve hot.

ORIENTAL NAPPA CABBAGE SALAD – from Connie Brandt

- 1 head NAPPA CABBAGE (chopped)
- 5 green ONIONS (chopped)
- 1 head BROCCOLI FLORETS (chopped)
- Rinse cabbage, broccoli and green onions in cold water – drain well. Can be stored in plastic bag with a paper towel in the bottom to absorb any moisture.
- 2 packs RAMEN NOODLES - discard flavor pack (or save for other recipes)
- 1 cup sliced ALMONDS
- 2 T. SESAME SEEDS

In a skillet melt ¼ c. butter. Add crushed/crumbled Ramen noodles, sliced almonds and sesame seeds. Brown till toasted. Drain on a paper towel.

Can be stored in a separate plastic bag till mixed.

DRESSING

- ¼ cup of cider vinegar
- ½ cup sugar
- 1 tsp. Soy Sauce
- ½ cup Salad Oil

Dissolve sugar and vinegar (warm in microwave for about 20 seconds. Add soy sauce and salad oil. Can be saved in a plastic container until served. Shake well before adding to veggies. Mix well and serve.

INVESTING IN MOTHER EARTH

By Terri C

Here's a new twist for Mother's Day that honors the biggest mother of all – Mother Earth! We can honor her and our community in doing our part every day by recycling.

Southwind is very close to Pinellas County Recycling Centers and services. For a full scale overview of services, please download this pdf file:

The closest Recycling Drop-off to us is AT 1825 Curlew Rd between Belcher Rd and CR 1 (southside).

This recycling drop-off center is managed by the Pinellas County Department of Solid Waste. Accepted materials include: glass bottles and jars, metal food and beverage cans, flattened cardboard, paper, plastic bottles and jugs, and cartons. All other materials are not accepted; plastic bags are not accepted.

There are also Monthly Mobile Collection Events. The closest one to Southwind is located at 29582 US Hwy 19 N Clearwater, FL 33761 for chemicals, paints, electronics etc. Visit www.pinellas.gov/household-chemical-collection/ for the Mobile Collection Schedule and a list of accepted materials. Events are limited to Pinellas County residents only. Please note that your government-issued ID will be required and scanned to verify residency.

Did you know you can get free mulch?

Free mulch is available to Pinellas County residents. Just bring a pitchfork and take as much as you need. For pickup truck or trailer loads, be sure to come prepared with a tarp or vehicle cover to keep your mulch load secured, as required by law.

Mulch Pick-Up Site- John Chesnut Sr. Park at 2200 E Lake Rd S, Palm Harbor, FL 34685 +1 727-582-2100 If mulch is low, please call: (727) 464-7500. For more information about the mulch sites, visit: www.pinellas.gov/mulch-pickup-program/

The greatest environmental benefit of recycling is conservation of natural resources such as energy. Participating in Pinellas County recycling programs assists with a vision of zero waste to landfill by 2050. We can all do our part to keep the Earth healthy and our planet livable.

RESIDENTS SPOTLIGHT - ACTIVITY COMMITTEE CO-CHAIRS

Connie Brandt and Debbie Coy
By Terri C

The purpose of the HOA Activities Committee is to plan, schedule, organize, publicize and provide Community Events for the fun and recreational enjoyment of all members of our Community, utilizing our onsite amenities of Southwind. All activities require Management's approval in advance.

HOA membership funds pay for supplies needed to hold these activities. Examples include: kitchen paper goods and cleaning supplies, poker chips, canasta supplies, a cd player for pool exercises and many other incidentals needed for HOA funded activities and events. Monies collected for food events (except for pot luck donations) are used to pay for the food and beverages at that event, and are typically very minimal charges to replenish HOA funds for more events.

This article is a resident spotlight for the co-chairs of our current Southwind Activities Committee and to say THANK YOU to all volunteers who help out with HOA sponsored events.

Our Southwind Activity Committee Co-chairs are Connie Brandt and Debbie Coy (pictured here). Connie got involved with activities working with the former Chair – Sally M. She met Debbie while decorating the Club House for the Halloween party.

Both of these ladies are retired Nurses, from faith based communities; Connie with Long Term Care in Milford, OH and Debbie with Senior Living in Kissimmee, FL. Both are also wives, mothers, grandmothers and great grandmothers.

Their shared goal is to create more fun activities for all of us to enjoy.

Southwind is an exceptional place to live, because of the kind and caring people who work together to volunteer with a variety of Activities for everyone. Good physical and mental health is essential for all seniors!

These two residents formed a committee for additional events and activities throughout the year to enable this unique Community to enjoy our retirement more right here at home. They passed out suggestion forms to get ideas from residents about what activities to provide. Currently, our illustrious Activities Committee, led by Connie B and Deb C, includes: Harriet S, Ellie M, Becky L, Rita A, Carol C, Nancy L, and Karen R. Committee members divide up jobs and share the load for shopping, prep work, table settings, ticket sales, serving, clean up etc. They make an extraordinary team and work well together.

Several other residents provide extra help at various events. The more volunteers who come to help, the better the events! If you would like to suggest, lead or help with an event or activity, please send a text to Connie Brandt (513)374-1713 or Debbie Coy (407)780-3440.

They are looking for all kinds of talents and abilities from musical performers (such as piano players), knitting, crocheting, art – painting, sport events, bike club, book club, dinner theatre performers, or anyone interested in planning, organizing and participating in, with a willingness to lead events.

Debbie and Connie said they are most surprised by the success and high attendance of our monthly BYOB/TGIF on the 4th Friday of the month. Talented residents perform live music

Connie said "it makes me very proud to be a small part of what our HOA Board is committed to help the fellowship of our community achieve. I sincerely hope we can continue to make Southwind a welcoming place to live and enjoy".

Debbie said "volunteers are the heart that makes it all happen", and she finds inspiration in the Starfish story. She said the Yard Sale fundraiser result was an example of how 1 person made a difference by leading a group of many others to achieve success:

THE TALE OF THE STARFISH IT ALL STARTED WHEN...

A young girl was walking along a beach upon which thousands of starfish had been washed up during a terrible storm. When she came to each starfish, she would pick it up, and throw it back into the ocean.

People watched her with amusement.

She had been doing this for some time when a man approached her and said, "Little girl, why are you doing this? Look at this beach! You can't save all these starfish. You can't begin to make a difference!"

The girl seemed crushed, suddenly deflated. But after a few moments, she bent down, picked up another starfish, and hurled it as far as she could into the ocean. Then she looked up at the man and replied,

"Well, I made a difference for that one!"

The old man looked at the girl inquisitively and thought about what she had done and said. Inspired, he joined the little girl in throwing starfish back into the sea. Soon others joined, and all the starfish were saved.

adapted from "The Star Thrower" by Loren C. Eiseley

***Many thanks to Connie and Debbie for making a difference through their leadership of our outstanding Activities Committee and to the many Volunteers who join in the effort to make Southwind the best place to live!*

KEEPING COOL WHEN IT GETS HOT OUT

by Terri Campbell

What's worse than waking up or coming home to a hot house because your a/c stopped working? Or not being able to take a hot shower/ bath because your hot water heater went out of service?

Who are you going to call when this happens? You could look at your Services Directory in Breezes – this newsletter is free to our residents because the ads pay for the cost of publishing, and you can send a copy of your receipt or a Monthly Mania Ticket from the business to Monthly Media to win Cash Prizes!

You could also ask a neighbor who they use and who they would recommend. For HVAC – last year neighbor Tina Deveno, had a new a/c installed by Mobile Home Depot and she recommends you consider checking out their A/C pricing, should you need a new unit. For

example; last year a 2.0 Ton AC Unit was \$2,995.99 with tax and Standard Installation is \$700. Total cost was less than \$3,700. There are 2 locations close to our area, in Largo & New Port Richey. They sell mobile home parts and supplies, vinyl siding and skirting, carport and patio covers, doors and windows, tubs and showers, steps and rails, etc. to interior repairs such as plumbing and electrical. www.mobilehomedepot.net

It's always wise to shop around and when you do find a good deal or bargain, please share the info with your community through a neighbor to neighbor referral sent into the Southwind Breezes, email address: breezes.editor@gmail.com

Plan ahead with preventive actions:

Schedule an annual system check, and have your tech check your air flow and temperature in all vents to make sure there is no blocked duct that interferes with cooling. Also, have a leaf guard mesh covering installed over the a/c fan. It's important to have a tech vacuum out leaves inside to prevent the cause of damage later or rust out the inside of the unit.

Make sure to change the a/c filter monthly or quarterly, depending on the filter – spraying Lysol inside the opening before inserting the new filter makes the whole house smell fresh and clean.

Hot water heaters need to be serviced annually to drain the sediment out of the line. Too much sediment in the drain line can cause major damage.

Annual and pre-season check-ups really do have a value because they indicate potential problems that can possibly be avoided later on. Plumbing lines under the house need to be checked or cleaned out annually to prevent potential blockage out to the street or through the household lines.

Ask about Senior or Military Discounts – even though the providers who give those discounts tend to cost more, it never hurts to ask.

Here are some tips to help you for when those pesky and expensive things happen at your house:

*Make a list of service providers you can call, and tape it to the inside of a kitchen cabinet door, so it will be handy and easy to find when you need it.

*Know where you put the paperwork, install/ repairs receipts and warranty/service contract information for all of your appliances (HVAC, Water Heater, etc) so you can have it ready to view when your service provider arrives.

*Set aside an emergency bank account to cover the cost of repairs for your home and/or your car and don't touch it or tap into it for anything else...(even if you're sure you're on a winning streak at the Hard Rock or Biloxi Casino)

*Don't try to be a hero and fix it yourself, it may cost you twice as much when your "repairs" don't hold up. (Do you remember "Tim the Toolman Taylor", from the TV show Home Improvement – yeah, don't be him!)

Every homeowner should be familiar with where to find access points or plumbing shut off valves and make sure your breaker box is labeled correctly.

JOKES ONLY A MOM COULD LOVE

“Moms are like buttons. They hold it all together.”

“Her nickname is Mom but her full name is Mom. Mom. Mom. Mom.”

“Life doesn’t come with a manual, it comes with a mother.”

“Why is a computer so smart? Because it listens to its motherboard.”

"Mothers of teens understand why some animals eat their young."

“Mom's recipe for iced coffee: 1. Have kids. 2. Make coffee. 3. Forget you made coffee. 4. Drink it cold.”

"Mom, what's it like to have the greatest daughter in the world?" "I don't know, ask your grandma!"

"Why was the house so neat on Mother’s Day? Because Mom spent all day Saturday cleaning it."

For Grandmothers:

" What is the similarity between a grandmother and a website? You can't deny the cookies.

"What did grandma and grandpa do before there was the Internet? I mean, didn't they get bored?", I asked my 32 uncles and aunts, but they didn't know either.

Every time my grandma sees me at weddings, she always walks up to me and say, “You are next”. I have decided to tell her the same thing, but at funerals.

Grandma, how old are you? "A woman never reveals her age", she replied to her young grandson. He said "Alright, just give me the first digit" "Six" she said. "And the second?" Grandma sighed. "Seven." "And the third?"

My grandma told me her joints are getting weaker. So I told her to roll them tighter.

My sister put our grandma on speed dial. I guess now we can call her Insta- gran.

My great grandma couldn’t stop giggling at our large family barbecue. I asked her what she found so funny? “Everyone here is alive, because I got laid.” she said.

You can tell that your grandma is old enough to retire the moment she starts bragging about her age instead of lying about it.

Grandpa: Don't come in here honey, I just passed a silent one.

Grandma: You need a new battery for your hearing aid.

And then some:

"Finally my winter fat is gone. Now I have spring rolls."

"I ordered a chicken and an egg from Amazon. I'll let you know."

"A police recruit was asked during the exam, 'What would you do if you had to arrest your own mother?' He said, 'Call for backup.' "

"When your mother asks, 'Do you want a piece of advice?' it is a mere formality. It doesn't matter if you answer yes or no. You're going to get it anyway." - Erma Bombed
