FROM THE PRESIDENT

By Mark Vetter
May, 2023

Here in Florida, summer is now beginning. Most of the seasonal residents have headed north or will be soon. However, for those of us still here, there are many summer activities planned. Stay tuned for announcements and come join in the fun.

For those of us here this summer, it is a great time to get to know the many neighbors that are here. If you have a new neighbor, be sure to introduce yourself and invite them to come join in the summer fun.

Everyone should know that the summer activities are free. We have a donation basket for those that wish to contribute, but no one is obligated. Also, when these activities occur, be sure to take a plate to those who may be unable to attend; it will brighten their day.

If you are aware of someone who needs special assistance, please let me or one of our directors know. I know of many wonderful people who are willing to help.

I want to end my message by saying how much I appreciate our treasurer, Linda Rhodes. I've had the pleasure of working with her for over a year and a finer person and board treasurer you'll not find. We just wrapped up meeting with our CPA who will be doing our audit. It was truly impressive how she, along with Bobbi, our CAM were so well prepared with all of the documents that our CPA needed. Linda spends hours going over the park's finances and it benefits all of us. We are truly fortunate to have her. When you have a chance, give her a thank you.

Have a wonderful month, wherever you "may" be. It is a beautiful time of year.

MANAGER'S MESSAGE

By Bobbi Gumm, CMCA

MANAGER

Office Closure – The Business Office will be closed on Monday, May 29th.

Happy Mother's Day – May 14th, Happy Mother's Day to all our Mothers!

Hurricane Season – Storm season starts next month; now is the time to begin preparing. Please check your gutters to ensure they are cleaned out and not full of leaf debris. You will depend on them to handle the summer rains. It is a good time to stock up on batteries, non-perishable food and water. Be proactive now before these supplies are in demand next month!

Pet Reminder – Residents are permitted to have one pet and are responsible for ensuring the office has up to date vaccination records on file. I have had residents point out that some

...continued on page 6

residents have more than one. The Fair Housing Act rules regarding Service and Emotional Support Animals have changed. Documentation of the need for a service or ESA is stricter now. The certificates printed off the internet are no longer sufficient.

Exterior Improvements & Repairs – Reminder; any time you make any changes, additions, or improvements to the exterior of your home, you should complete an Alteration Request Form in advance.

Online Meeting Tips – With many residents going back north, Zoom is a great way to participate at the monthly Board Meetings. Here are some tips that you can follow to help the meeting flow smoothly:

- Turn your camera on, (if you have one) so the speaker can see you,
- Raise your hand if you would like to speak,
- Announce yourself when you are called on.
- Mute your microphone if you need to cough, speak to someone in your home, or if there is background noise such as a TV, so you don't disrupt the meeting.

Remember, you can type comments on the right side of your computer screen if you want to address the host.

Onesource – Did you know you can see your account activity, get forms, view the Rules & Regulations, Governing Documents, financials and submit work orders on Onesource? If you have not signed up, please contact the office and we will help you get set up.

That is all I have for this month.

FROM THE EDITOR

By Donna Collins

I am completely without words at this moment and have missed my own deadline.

So, have a wonderful May. Happy Mother's Day, remember those who have fallen to protect our rights, and enjoy being with friends, family, and neighbors. Be good to each other and I will catch up with you in June.

MEMORIAL DAY

Originally called Decoration Day, from an early tradition of decorating graves with flowers, wreaths and flags. Memorial Day is a day for remembrance of those who have died in service to the United States. It was first widely observed on May 30, 1868 to commemorate the sacrifices of Civil War soldiers.

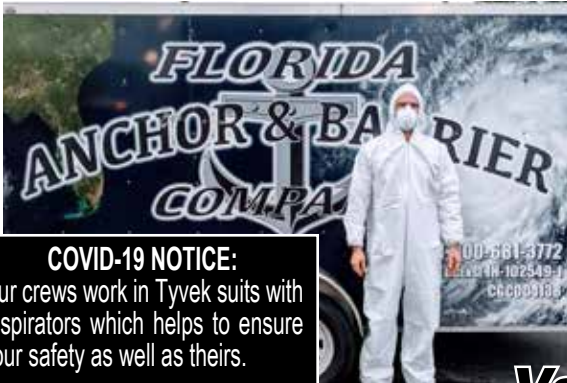

This national event inspired many services at cemeteries around the country. In 1873, New York was the first state to declare Memorial Day a legal holiday. Many other states followed and in 1971, it was declared a national holiday to be held on the last Monday of May.

COMMITTEES

BEAUTIFICATION

By Donna Miller

So many of our friends and neighbors have departed to go back North that the park seems almost empty. I hope you all enjoyed seeing the park with its new plantings. As I write this, a new spinner has finally been placed in the garden opposite the clubhouse fireplace. With the weather here in Florida, it is hard to keep plants alive AND metal unruined, so it seems!

Due to budgetary limitations in the Fall and Winter, the hot tub room re-do was not able to be completed. However, some wonderful volunteers have taken over the project and will get it completed - thank you, ladies! It is wonderful to have people willing to step forward and help!

The Heliconia beds outside of the office are looking kind of scruffy again - you probably noticed. We are, indeed, trying to come up with ideas on how to not only fix the problem for now, but also, make it so that it doesn't keep repeating. Any ideas you have would be welcomed!

Once again, thanks go out to Steve Zuidema for keeping the Butterfly Garden watered this Winter! And, because I have been traveling a fair bit this Winter, hubby, Karl, is also owed a huge THANK YOU for keeping up with things needing to be done in my absence (and in my presence)!

We hope your travels were, are, and will be safe on your way home! Until we see you again, have a beautiful Summer!

COMMUNITY ACTIVITIES

By Maddy Haber

The month of April is usually the “transition” month. Clearwater Cascade quiets down as our northern friends and winter residents go home. All of you will be missed, but we look forward to seeing you in the Fall. We are now into May, when flowers bloom and the sun shines everywhere!

The Community Activities Committee continues to work for the Park all year long. We will be contacting the coordinators of our activities to see what enhancements they need for next year. For instance, if we need new tips for the shuffleboard cue-sticks, more dirt/clay in the horseshoe pits, markers for darts, etc. We need to know so we can budget for these items, or even buy them right now. It takes a little time for these items since the Form CA-001 needs to be filled out and presented to our committee, and then to the Board for approval at a Board meeting. If you already know of something that is needed or something you would like, we can fill the form out for you as long as we know exactly what you are asking for.

At the last Board meeting, a request for dumbbells for the gym was presented. This request was approved. At the time of this writing, the dumbbells have been ordered and will be delivered Monday, April 17. If the correct procedure is followed...IT WORKS!

Do not hesitate to email Maddy with items you need in order to have a successful activity. habermaker@gmail.com

Safe travels to all and enjoy your summer!

LIBRARY & BOOK TALK

By Ann Vetter

Our Book Talk group was fortunate to have the author Debi Graham-Leard visit us. Her inspiration for writing, started with finding an abandoned library in New Hampshire. She writes mystery stories and as of now she has written a series of four books all featuring the same amateur detective, and perhaps a friendly ghost or two. She will soon be adding another book to the series. Also, a stand-alone novel, that is not part of the series, has been published.

I have asked her to return next winter and she has enthusiastically agreed. Her new books were added to our library and each were signed and dedicated to us. You will find a collection of book marks that she has left with us on the table in the library. I hope to see many of you next winter.

Happy Reading!

DOING THIS ONE THING NOW, WILL SAVE YOU THOUSANDS OF DOLLARS LATER. TRUST ME.

VOLUNTEERS

By Jane Boucher

Spring has sprung, the warmer weather is upon us, and many of our dear friends and neighbors have gone from their winter break here. We had a very active season and look forward to what we have going on during the Spring, Summer & Fall.

Sandy Draper and our Cross Bayou Canal committee have made monumental strides getting the attention of Pinellas County officials as well as many from the City of Pinellas Park. And the support from our residents has certainly made an impact. We were very pleased to have 51 of our residents attend the presentation by Grant Escobar, Engineer of Level Engineering, who conducted an initial survey/evaluation of the section of the Cross Bayou Canal that abuts Clearwater Cascade. Now on to the next stage to get Pinellas County to step up to the plate and get funding for what needs to be done.

Thank you to the Pinellas Park Police Department for sending out their officers to distribute light bulbs to one section of Clearwater Cascades, encouraging us to keep the lights on. They will return again soon to distribute light bulbs to another section of our community. It was nice to see Officer Leeks and his fellow officers, including Heatwave, a beautiful Police horse that we see in our park frequently.

Our Veterans Group has seen a steady increase in veterans attending our monthly meetings held the first Sunday of each month at 3:00 PM in our Library. We welcomed Judy Haseltine and Richard Boucher to our meeting in March, along with Gerry McGovern and Kevin Begley. Our Veterans Group will hold a **Memorial Day** **cookout in our Clubhouse on Monday, May 29, 2023 from 5:00 PM to 8:00 PM.** The Veterans Group will provide hamburgers and hotdogs and we welcome **all Veterans** to join in this celebration whether you are **from the USA or any country**, please come join us for a fun evening. We also welcome you to bring a dessert to share. Please bring your own beverage of choice. We'll provide place settings and cutlery, hamburgers, hotdogs, buns and condiments.

We are gearing up for our Annual Craft Fair which will be held Saturday, November 18, 2023 from 9:00 AM to 1:00 PM. We will have notices posted in the Chronical, beginning this month through November. We also found the huge banner and will have it on display the week leading up to our Annual Craft Fair. We already have six (6) vendors with paid reservations. The price is the same as last year, 8 ft tables \$15.00 (17 available), 6 ft tables, \$12.00 (2 available), 4 ft tables \$8.00 (6 available). Outside table with umbrella available for \$5.00 (four available), outside table without umbrella available for \$3.00, or your own space to set up your own table/umbrella/canopy \$2.00. Please contact Jane Boucher for the Vendor Application form at email: janeboucher29@gmail.com, text of call: 903-426-3636.

WHAT IS THE DIFFERENCE?

1. Both "may" and "can" are used to indicate that something is allowed, but "may" is more formal: "You may leave whenever you like" is more formal than "You can go whenever you want to."
May is a request asking permission. "May I go for a bike ride?", requests permission. Can implies the ability to do something. "Can I go for a bike ride?", asks whether I have the ability to do so.
2. "May" and "might" both indicate that it is possible something might/may occur. However, may expresses a high possibility of something happening, whereas might hints that it might not happen.
3. In legal documents, there is an important distinction between "shall" and "may." "Shall" is a command; whatever follows after "shall" is mandatory. It is required; it must be done. On the other hand, "may" is discretionary; what comes after "may" is optional; it is at the discretion of the person making the decisions.

CLEARWATER CASCADE THURSDAY MEN'S GOLF

By Queen Sheila Penn

Another season has closed for the Knights of the Square Tables for Clearwater Cascade. Many defeats and many victories. **One such victory was had by Jim Fleming on March 23rd at Tarpon Springs. He slayed the dragon (hole in one) on hole #8.** One less dragon to menace our kingdom. No one realizes what goes on to ensure their safety in their day to day lives. These knights face danger each time they leave. A small victory celebration is had at the square tables when all their comrades return. To those who do not know I will give you a bit of the back story to how these brave men came to be.

One summer day in 2016 a traveling minstrel came to the queen with such a tale it was hard to believe. So, the queen sent out her trusted guards to verify this story. Upon their return the queen was dismayed that indeed the story was true. Dragons had built their lairs in the rolling greens of the surrounding golf courses. She needed a plan. She went to Merlin and his apprentices to study these dragons. It was determined they were at their most vulnerable every Thursday from the first Thursday of November to the last Thursday of March. So out went the call. Looking for all brave knights to do battle. And they came. From the frozen north to the sultry hot south and lands in between. Through the years we have seen knights come and go. Some return and others don't. We miss the ones who are no longer here but look forward to the ones who do return. So, every Thursday (golf season) from November to March the kingdom can rest peacefully knowing these brave knights are ready to do battle to keep our kingdom safe. So, if you see these brave knights or know some that aren't returning, give them a smile. It is really a small price to pay for them risking life and limb each week.

SHUFFLEBOARD

By Patti Ranslow

Hi Everyone,

Thank you for a great Shuffleboard Season. We had our ups and downs but all in all was great. We would also like to thank all of our co captains from each Team. Steve Barnstorf, Tom Ranslow, Norve & April Loomis, Karen Back, Charlie Dzialo, Jim & Heather Hayward, you are all greatly appreciated.

The great new is, they have all agreed to come back next year. Thank you, Barb Meyers for being our treasurer.

Congratulations to our Winning Shuffleboard team this year: Pat Jobe and Debbie Creighton. GREAT JOB!

We hope everyone enjoyed the Banquet this year. The sandwiches seemed to be a hit.

Sandy and I have already started to get the schedule in place for next year. If you decide not to play next year, please let us know ASAP. Email us at CWCSHUFFLEBOARD@YAHOO.COM. The only day we have openings at this point is Friday, 10 am there are 2 spots available at this time. Thursday am and pm teams are full and have a waiting list. Friday 1pm is also full. Changes happen on a regular basis.

Have a great Summer,
Patti Ranslow

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
