PRESIDENT'S CORNER

Submitted by Jan McCoy

Welcome June! Our Sunset Palms neighborhoods have transitioned to their seasonal quiet state; but, rest assured, it's just an illusion as there continues to be attention and focus on work at hand. Both our pool and lift station underwent repairs. Four additional meter boxes were replaced. By time of publication, our back wall repair, off Oleander, should be complete. The survey resolved the question with the city. We own the wall in that location.

Share transfers continue at a steady pace keeping our office very busy. Office computers received much needed upgrades. Wifi access has been extended to the pool and laundry room. Our website is being updated. The draft of the 2023 Sunset Palms Rules document was made available to all. Work by the committee to bring this collaboration to final version is taking place. Many Census Committee volunteers hit the streets in late spring drumming up much needed refreshed occupant data and the compilation work is happening.

Unwelcome visitors were discovered in our clubhouse in May resulting in tenting for termite elimination. They quickly learned they were not to take up residency. Vendor site visits and collection of bids for consideration of replacement of two roofs (clubhouse & maintenance bldg.), along with two clubhouse rooftop A/C units, are underway. This is planned 2023 reserve study building maintenance. Although adding three new catch basins were not approved in time for road paving this past year, we understand the drainage issue persists at the front of the park. Our residents' concerns have been heard. We're working on it. Meetings with potential design and build firms have been taking place for road mapping of an approach to issue resolution.

The Neighborhood Watch Committee is continuing to prepare for a fall timeframe security enhancement proposal. And lastly, it's exciting to see lots prepped for delivery of new manufactured homes, isn't it? Welcome new neighbors! I'd like to extend a special thank you to all of our residents, board members, and staff who've been involved with these many efforts and others not mentioned. You are amazing rock stars!! If we can be supportive of our sick and shut-ins, in any way, please reach out. We are a community that cares.

Respectfully submitted,

Jan McCoy

MANAGER

HURRICANE SEASON: Hurricane season begins June 1 and runs through November. Check that your storm shutters/awnings are in working order and any items that may become airborne are stored either in the shed or in the mobile. Out of Park residents please contact whoever is watching your unit to ensure this is done. Sunset Palms is a mandatory evacuation area. **THE CLUBHOUSE IS NOT RATED AS A SHELTER.** Residents should have a plan in place in the event an evacuation order is given.

BLOCK WALL: Perimeter survey is complete. Survey was given to CCI to submit to the Pinellas Park Permitting office. Once approved we will email the start date for completion of the wall.

SAFETY CONCERNS: All vehicles including Golf Carts and Bicyclists must obey the speed limit (10mph) as well as the Stop Signs. The office has received several complaints about individuals not doing this.

FOBS: When you leave for the summer, your fobs are turned off. When you return, you will need to bring your fobs into the office where they will be reactivated.

ENJOY YOUR SUMMER

SERENADERS

Submitted by Ralph Marsh

This is the park's group of Serenaders who commit their Thursday afternoons entertaining our home bound seniors in Nursing Homes, Assisted Living Facilities, and other memory units.

They have also performed at the Park's Gospel Sing Outs and park events like the Holiday Dinners and the Pot Lucks. The Serenaders welcome any residents who are willing to make the commitment to share a couple hours of their time each week a sing out is scheduled.

Lift Station Monthly Reminder - IMPORTANT

Submitted from the Office

FLUSH ONLY: Body waste and toilet paper.

It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

TRAVEL CORNER

Submitted by Kim Paquette

727-603-6222

info@sunsetpalmstravel.com

Whether you are joining our travel group for the first time or have been here a while, welcome to our community.

Many residents are not aware of all the travel options available to them. Your Sunset Palms travel committee works diligently to plan and book options that are based on your requests, your travel style, your budget and so much more. We are here to accommodate your “bucket list”. Although cruising is a big request, things like our “Gone fishing” charters, casino day trips or short bus trips have been a huge success pre Covid. Even our dinner cruise warranted 2 coach buses, and Harvey will be repeating this event in 2024 so stay tuned.

The committee is currently setting up events for 2024 winter season. Sometimes spaces are limited while other times participation is low, and the event gets cancelled. We are working on rectifying this and have invited residents from neighboring communities to join our group when bus charters are involved. This worked great for the 3-day bus trip to the festival of lights in St Augustine last December. We continue to invite Golden Gate and Roberts.

If you have a specific wish, please reach out to your committee so we can initialize. Scrolling through the many flyers on the Travel FaceBook page will also show you all opportunities to join an already in progress excursion. Of course, cruising is available all year round...unpack once, sleep in comfy bed, eat as desired and be pampered. What's not to like?

Fred and Joan Forsey's 50th wedding anniversary will be acknowledged on the Alaska Cruise September 5, 2023. There are still a couple of nice cabins available with prices in both currencies. Contact details below.

Join Becky and Terry Lohrman for the 5-night Mexico cruise out of Tampa with Royal Caribbean. Prices are \$616 pp or less. Balconies are limited at this price and cruise will sell out. Its not all inclusive but it's a great price.

We also have a bus leaving the clubhouse January 20th for an 8 day Celebrity cruise to western Caribbean that includes everything. Don't forget, your committee members are willing to process monthly installments to your credit card if desired. We are here to help in every capacity, and everything is 100% refundable up final payment date.

We look forward to dropping into your inbox every Friday with some amazing ideas for destinations and experiences that you can have while river cruising or ocean cruising on a small luxury vessel

Destinations

The most obvious difference between the two is the kinds of destinations the cruises reach. Ocean cruises are confined to the ocean... If you can call 385,000 miles of coastline confining. These ships might visit the lesser-known Caribbean islands or bring passengers to Antarctica. River cruises tend to focus their trips further inland. These trips might focus on the winter markets of Europe or the exploring destinations like the Greater Kruger National Park in South Africa.

Destination-oriented

The thing that makes luxury small ship ocean cruises and river cruises different, is also what makes them similar. Both types of cruises focus on curating a destination-driven experience with plenty of time in port for passengers to interact with local people and the local culture.

Ship Size

Both river and small-ship ocean cruises feature small ships. River cruises tend to range from 60-300 passengers, though they can range both larger and smaller. Ocean cruises can range anywhere from 16-750 passengers. The average is between 100-300, but according to the findings of a recent poll by Travel & Leisure, their readers seemed to agree; the smaller the ship, the better.\

Familiarity

With so few people on both kinds of cruises, there is more of a chance for the crew to get to know you. Imagine the bartender having your drink ready when you come into dinner or having a server who knows your dietary restrictions from the first meal you have on board. Both river and small ship ocean cruises allow for this level of familiarity and white-glove service.

We research, plan and book their travel options based on their travel style so they can return home rejuvenated and renewed.
