911 Site

I recently started attending a Citizens Academy with the Pinellas County Sheriff's Office. Our first department was the 911 Call Center. The supervisor, Lori, informed us of this online profile for emergency personnel.

<https://www.emergencyprofile.org/> lets you create a personal profile so that when you call 911 for yourself, the info you have added is now visible to emergency operators. The 911 operators can find you by the information on this site. I built mine, and it took me 3 minutes. Now, granted, I don't have a lot of health issues but still. I logged in, entered my name and address, and gave emergency contacts. They ask for any allergies or medical problems you have. It's easy, it's free, and it just may save your life one day. They do not ask for your social security number or pertinent billing information. If someone does hack this account, the most they find out is that I have an allergy to sulfa-based items. 😊

Social Activities Club

Donna Koehn - President

Hi all,

Things will be slowing down a little for the summer but fear not! We will still have some things happening!

- Thanks to everyone who helped make our Seis de Mayo/Kentucky Derby party such a success! (Melanie Smith Jackson and many more!) Great Mexican food and the horse races were a fun addition to the party!
- Thanks to the Deaks, John and Jayne, for a great job cooking and managing the May pool party. And to Tom and Debbie Blair for awesome music and trivia. We will continue the Sunday pool parties through the summer, with a later start time of 5 pm.
- If you have an idea of something you would like to do, please contact me! We are always open to new ideas, especially if the idea person is also willing to be the "make it happen" person.
- Conversations have started about July 4th event - stay tuned!
Please contact me if you want to help with or run an event. Koehndonna@hotmail.com, or text me at 919-606-4361.

Thanks!

Coffee Hour

Melanie Jackson

Coffee Hour is every Wednesday morning. It starts shortly after 9 am and lasts about an hour. Donuts and coffee are served at \$2 (\$1 for coffee and \$1 for donuts). We have tea, coffee, and orange juice to drink. Dunkin Donuts, Apple fritters, and Chicago rolls from Publix, with assorted muffins and instant oatmeal. It's a great time to meet and socialize with your neighbors. We also announce upcoming events and a Share the Wealth draw, which is \$1 per 3 ticket stubs. So come for coffee and donuts and maybe go home for a few bucks.

I look forward to seeing some new faces.

Tuesday Game Night

Patti Perricone

Join us Tuesday evenings at 7 pm. We have been playing Pokeno for about 2 months. Pokeno is like Bingo but with cards. We play with pennies. We have five things to win: center, full house, 4 of a kind, 4 corners, and Pokeno. We ante up 10 cents each game (2 pennies each), and the prizes that don't get claimed in a game accumulate to lovely pots. In our last game, we do a full card, so all prizes get claimed. We played for over an hour and enjoyed each other's company. I hope to see some new faces!

We Need Cover Pictures! Send in Your Interesting Photos!

Get Your Picture on the Cover - We select a new and interesting picture every month to be printed on the cover of your newsletter. If you or your neighbors have fun events or activities please send in a picture and we'll enter it to be selected. Please include a description of the image and a brief release allowing us to reprint the picture. Our mailing and email address are here:

WE ARE FLORIDA'S #1 RETIREMENT COMMUNITIES PARTNER!

Happy Father's Day!

What would you do?

You are one of two people on a malfunctioning airplane with only one parachute. How would you react?

- Pessimist: You refuse the parachute because you might die on the jump anyway.
- Optimist: You refuse the parachute because people have survived crashes just like this before.
- Procrastinator: You play a game of Monopoly for the parachute.
- Bureaucrat: You order them to conduct a feasibility study on parachute use in multi-engine aircraft under code red conditions.
- Lawyer: You charge one parachute for helping them sue the airline.
- Internal Revenue Service: you confiscate the parachute along with their luggage, wallet, and gold fillings.
- Advertiser: You strip-tease while singing that what they need is a neon parachute with computer altimeter for only \$39.99.
- Engineer: You make them another parachute out of aisle curtains and dental floss.
- Scientist: You give them the parachute and ask them to send you a report on how well it worked.
- Mathematician: You refuse to accept the parachute without proof that it will work in all cases.
- Philosopher: You ask how they know the parachute actually exists.
- English major: You explicate simile and metaphor in the parachute instructions.
- Comparative Literature student: You read the parachute instructions in all four languages.
- Psychoanalyst: You ask them what the shape of a parachute reminds them of.
- Actor: You tie them down so they can watch you develop the character of a person stuck on a falling plane without a parachute.
- Artist: You hang the parachute on the wall and sign it.
- National Rifle Association member: You shoot them and take the parachute.
- Environmentalist: You refuse to use the parachute unless it is biodegradable.
- Auto Mechanic: As long as you are looking at the plane engine, it works fine.
- Tobacco Grower: You explain very patiently that despite a number of remarkable coincidences, studies have shown no link whatsoever between airplane crashes and death.
