FROM THE EDITOR

It's June already! I think we have made it through the allergy season, particularly the oak trees, and now are preparing for the heat of the summer. I hope you all have some fun plans for summer! We would love to hear them! Send me a note!

If you are enjoying the monthly media, please let me know. If you have a suggestion on an article, a short story, blog, hobbies, anything you think would interest our community, please feel free to reach out to me. I would love to hear from you!

Please send any articles, suggestions, or photos to me at LindaIITSmedia@gmail.com or stop by Lot 73.

I will no longer be featuring a resident spotlight, Precious Pet, or Grandparent's Corner in the monthly media. It has been difficult to find people willing to participate. I will try to continue to find things of interest to you.

Thank you,
Linda Olone - lindaIITSmedia@gmail.com

This publication, *Island in the Sun Sentinel*, also referred to as the *Monthly Media*, contains names, contact information, community articles and information, an activities calendar as well as general interest articles. IITS residents can contribute ideas, articles, and photos to the publication. Contact Linda Olone at LindaIITSmedia@gmail.com

Open positions:

We have a few open positions if you are interested in volunteering for anything.

NON-Board Positions

1. We need a volunteer for Bingo. We are looking for a backup caller. Duties would be once a month, or every 6 weeks. The computer does most of the work, and almost all of the calling (with the exception of one game). It is a very simple program to use, and we are a fun bunch to spend time with! If you are interested, please call Linda O'One at 727-214-7334 or email at LindaIITSmedia@gmail.com.
2. I need someone to review my birthday and anniversary list every 3 months for accuracy before it goes to print. If you are willing to look at that list for me **in advance**, please let me know. See **Linda O'One**. Update for new residents and remove any residents that are no longer here.
3. The HOA is looking for an activities coordinator. Please see **Jill Norwick** or contact via email – JillNorwick@yahoo.com

**A Complete Listing of Resident Services
can be found on the page before your calendar**

Resident Spotlight

If you haven't already met Ken & Addie Luciano at Lot 212, you really should. They are the nicest people and so easy to talk to. I enjoyed my time with them.

You can usually see them at Island in the Sun events and parties when their work schedule doesn't interfere.

Ken is from New Jersey and Addie is from Pennsylvania. They have been married for 10 yrs. but have been together for 23. They have 5 kids between them and 7 grandchildren. Addie just beams when she talks about her grandchildren.

They had been living in a condo before they found their home here in Island in the Sun. They saw the home and fell in love with it, and with the park. They wanted a place to call their own after condo living for so long. They live here with their 3 cats, Mango, Cassie, Tony, Trevor the turtle, and a fish with no name. (sounds like a song). They rescued Trevor and he happily lives a safe life with them.

When I caught up with them, they were just getting back from Las Vegas! Addie was skeptical about Vegas at first, but once she got there, she loved it. "There was so many things to see". They plan to do more traveling in the future as time allows.

I was excited to hear they were football fans, Addie is a Buccaneers fan, and poor Ken is a Dallas fan. (I'll have fun teasing him this football season). Hopefully some Sunday cookouts watching the games!

They also enjoy nature walks and trail hiking. They love going to the local venues for music concerts or comedy shows.

Thank you both for your time and I hope your future holds many adventures ahead!

"We travel not to escape life, but for life not to escape us". Anonymous

Precious Pets

Meet Cassie and Mango (laying down) and Tony in the background. They belong to Ken & Addie, Lot 212.

An avocado a day keeps the Dr. away? Maybe!

Having an avocado during the day has its own set of benefits like improved blood flow and lower blood sugar along with lower calorie consumption while eating it at night may help you sleep better. Avocados are one of the best sources of monounsaturated fats. This type of fat can lower high blood pressure and prevent high blood pressure. A single avocado also has more than 10 grams of blood pressure-reducing fiber. Research suggests that adding an avocado a day to a heart-healthy diet can help improve LDL cholesterol levels in people who are overweight or obese. They also increase fat burning and help scorch calories after eating. Avocados are great for any meal!

Recipes

Avocado Toast Recipe Variations

Made with good bread and ripe avocados, even simple avocado toast is delicious. However, it can also serve as a template for all sorts of fun toppings. Try adding chopped fresh herbs, a drizzle of extra-virgin olive oil, black pepper or red pepper flakes, or a poached or scrambled egg. And if you have **tahini sauce**, **cilantro lime dressing**, **pesto**, or **chipotle sauce** on hand, even a small drizzle will kick your toast up a notch.

Avocado Smoothie Recipe Ingredients

Here's what you'll need to make this delicious creamy green smoothie:

- Avocado, of course! It gives this smoothie an amazing velvety texture and packs it with healthy fats.
- Frozen banana – It adds sweetness and makes this smoothie even creamier.
- Frozen pineapple – For a sweet, tropical flair.
- Spinach – Extra green power! Trust me, you won't be able to taste it.
- Lime juice and zest – makes this super bright, fresh, and tangy.
- Maple syrup – just a dash for extra sweetness.
- Coconut milk – adds delicious coconut flavor and totally dairy-free!
- Vanilla Protein Powder

Guacamole

Ingredients

- 3 ripe avocados
- ¼ cup diced red onion
- ¼ cup finely chopped cilantro
- Zest and juice of 2 limes
- 1 small diced jalapeño
- ½ teaspoon coarse sea salt, more to taste
- ½ teaspoon cumin, optional

Mix all ingredients up and add Tortilla chips, for serving

Ladies Luncheon

On the 3rd Thursday of every month, the ladies of Island in the Sun get together for lunch. Having attended a couple of these, I can tell you, it is a good time! The ladies do a great job organizing this. The sign-up sheet is in the clubhouse. If you would like to participate, please sign up every month. They will announce the location on the Facebook social page. They also do a great job providing a door prize to some lucky winner every month!

IITS Activity - Shuffleboard

We are fortunate to have so many things to enjoy in our park. Shuffleboard being one of them.

Shuffleboard is a game of disputed origins that probably began around 500 to 600 years ago in Europe. It involves using paddles to “shove” pucks towards a target area. King Henry VIII was a big fan of the game and especially betting on it!

The object of the game is simply to use the paddle to propel the weighted pucks into the scoring zone in order to win points.

Elaine Ranck currently manages our scheduled Shuffleboard games. You can find the days and time on the calendar that is in every media guide. You are also free to start your own game at any time. It’s a fun game for a group of people to play tournaments. Please post on the social page if you would like to start one. I’m sure you will get some takers!

Happy Pucking!

Fun Facts

- The oldest living shark is the Greenland Shark. They don’t have backbones and have an average age length of 392 years.
- African elephants have a special call that warns humans are nearby. I guess we can't sneak up on them!
- The male Gentoo and Adelie penguins “propose” to females by giving them a pebble. How romantic.
- Tiger Woods made his first hole-in-one at the age of eight years old. He has made 20 throughout his life.
- Babe Ruth would wear a cabbage under his cap on hot days. It was stored in a cooler and used to keep him feeling cool.
- The silhouette on the NBA logo is Hall of Fame Laker Jerry West. His nickname is Mr. Clutch for his ability to hit the winning shot time and time again.
- Pigs orgasm for an average of 30 minutes. Some even last for 90 minutes
- The leg bones of a bat are so thin that no bat can walk.

Father’s Day

The nation’s first Father’s Day was celebrated on June 19, 1910, in the state of Washington. However, it was not until 1972—58 years after President Woodrow Wilson made Mother’s Day official—that the day honoring fathers became a nationwide holiday in the United States. Father’s Day 2023 will occur on Sunday, June 18.

Mother’s day became the inspiration for Father’s Day.

FOR MANUFACTURED/MOBILE HOME OWNERS ON RENTED LOTS

Our accomplishments are numerous and include the creation of Florida Statute 723, “The Florida Mobile Home Act”, which safeguards your rights as homeowners on rented lots in Florida.

Most recently we’ve successfully lobbied for the extension of The Mobile Home Tie-Down Program for 10 more years.

People get their eyes tested and their teeth checked on a regular basis,

Why Not Look After Your Ears Too?

Hearing changes often do not result in an overall loss of volume. Some sounds remain as audible as they always were, yet others become harder to hear, and some conversations require more attentiveness. You might notice that words just don't sound clear.

If you suspect that your hearing may be changing, it's up to you to be alert to the signs and have your hearing tested by a qualified professional.

Positive thinking

Let your smile change the world, but don't let the world change your smile.

Short Story

Borrowing a Match - by Stephen Leacock

You might think that borrowing a match upon the street is a simple thing. But any man who has ever tried it will assure you that it is not and will be prepared to swear to the truth of my experience of the other evening.

I was standing on the corner of the street with a cigar that I wanted to light. I had no match. I waited till a decent, ordinary-looking man came along. Then I said:

"Excuse me, sir, but could you oblige me with the loan of a match?"

"A match?" he said, "why certainly." Then he unbuttoned his overcoat and put his hand in the pocket of his waistcoat. "I know I have one," he went on, "and I'd almost swear it's in the bottom pocket—or hold on, though, I guess it may be in the top—just wait till I put these parcels down on the sidewalk."

"Oh, don't trouble," I said, "it's really of no consequence."

"Oh, it's no trouble, I'll have it in a minute; I know there must be one in here somewhere"—he was digging his fingers into his pockets as he spoke—"but you see this isn't the waistcoat I generally..."

I saw that the man was getting excited about it. "Well, never mind," I protested; "if that isn't the waistcoat that you generally—why, it doesn't matter."

"Hold on, now, hold on!" the man said, "I've got one of the cursed things in here somewhere. I guess it must be in with my watch. No, it's not there either. Wait till I try my coat. If that confounded tailor only knew enough to make a pocket so that a man could get at it!"

He was getting pretty well worked up now. He had thrown down his walking-stick and was plunging at his pockets with his teeth set. "It's that cursed young boy of mine," he hissed; "this comes of his fooling in my pockets. By Gad! perhaps I won't warm him up when I get home. Say, I'll bet that it's in my hip-pocket. You just hold up the tail of my overcoat a second till I..."

"No, no," I protested again, "please don't take all this trouble, it really doesn't matter. I'm sure you needn't take off your overcoat, and oh, pray don't throw away your letters and things in the snow like that and tear out your pockets by the roots! Please, please don't trample over your overcoat and put your feet through the parcels. I do hate to hear you swearing at your little boy, with that peculiar whine in your voice. Don't—please don't tear your clothes so savagely."

Suddenly the man gave a grunt of exultation and drew his hand up from inside the lining of his coat.

"I've got it," he cried. "Here you are!" Then he brought it out under the light.

It was a toothpick.

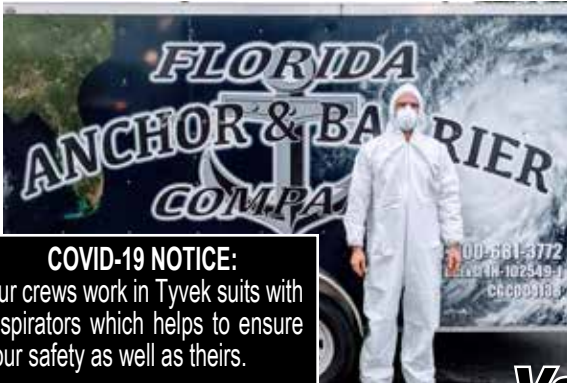

Yielding to the impulse of the moment I pushed him under the wheels of a trolley-car and ran.

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
