From the Editor:

Randi Burton

An Important Message from Mrs. Patty Gregg:

So Many Thank You's!

A special thank you to my very dear friends, Dale and JJ, for planning the Celebration of Life for my Vince. They worked very hard preparing all of the delicious food and the lovely music. And another special thank you to Georgia for the most beautiful service and also to her brother for the Air Force flag and emblem. Thank you to Randi Burton for the insert and the special poem she did for Vince in the May media.

To my Eldorado Family, many sincere thanks for all the lovely cards, flowers and plants that I received. Vince and I were so happy that we chose to live in Eldorado Village all those years ago. From the bottom of my heart to everyone....Thank You, Patty

From the Editor—And trust me, Miss Patty, that we are all VERY blessed and happy that you and Vince DID choose Eldorado as your home. Thank YOU!

MANAGER'S MOMENT

Kristen Pruett

MANAGER

As we approach the month of July, we feel compelled to reiterate No Fireworks!! This is a serious issue and is not intended to suppress folks from having fun. As stated in the Prospectus, FIREWORKS ARE PROHIBITED within the community. It cannot be any more clear than that. Trust us, you are not the one who wants to have the errant firework damage or burn down your neighbor's home. This is private property and these rules are enforceable. Self govern yourselves or risk having your neighbors report this to the police and/or management. This is an evictable offense.

Parking update: NEW PARKING STICKER POLICY AND TOWING TO BEGIN JULY 1st

For residents who do not have parking decals for their vehicles (maximum of two vehicles per home), you will need to come into the office to get the appropriate parking decal. Please bring in your vehicle registration. It's important to reiterate that clubhouse parking is for residents and their guests during the hours of 9am-10pm. We are implementing a new process for anyone requesting permission to park their car at the clubhouse Overnight. Resident will need to come into the office to register their vehicle, sign an agreement stating that their vehicle will be parked at the clubhouse during the hours of 10pm to 9am only, and obtain a specialty parking sticker before July 1st or be subject to towing. As previously mentioned, the clubhouse

...continued on page 6

parking area is not designed for all-day overflow parking. Lastly, you can stop into the office to pick up a yellow temporary visitor parking pass for your guest(s). All yellow hang tags must have an expiration date. The old “permanent” guest/visitor passes are invalid and the towing company has been made aware of this.

As you may know, we are in a drought right now. Since water is such a precious resource and restrictions have been imposed, we thought we would let you know the current watering guidelines in Pinellas County. First, the best policy is to not water at all. We'll get our share of rain in a few months and everything will thrive. If you feel that you need to water your lawn, you must follow these guidelines. Watering days are based on Lot

Numbers:

- Even # Lot Numbers: Thu and Sun
- Odd # Lot Numbers: Wed and Sat

The times you are allowed to water are between 12:00am to 8:00am and 4:01pm to 11:59pm on the specified days. It is recommended that you never water any area for longer than an hour. If the water is running into the street, it's time to turn it off. For violations, the fine from the county is \$193 and can go up from there. For more information such as how to handle establishing brand new landscaping, or to report a violation, please call Pinellas County Utilities: (727) 464-4000. Thanks for your cooperation!

HOA NEWS!

Dorisanne Gibson

On Wednesday, June 14th at 10 AM, Summer Mahr from the Largo Fire Department will be at our clubhouse to discuss with us the 2023 plans for the Hurricane Season. Summer comes every year in early June to help us with what you need to know for this year's season. I cannot stress enough how important this information is to our residents, especially if you are new to Florida and have not been through a Hurricane Season yet. You need to know what to do to your property to prepare, where to go if you need assistance and on and on. My family has had to evacuate 3 times since we have lived here, so I know how important this can be. Please plan to attend or get someone to attend for you if you cannot make the date or time. Summer does not do evening or weekend seminars--she obviously is very busy this time of year--and we are very lucky and glad to have been able to get her scheduled to come talk to us.

From the Editor—Thank you, Miss Dorisanne! This is indeed a very important seminar and I hope a lot of the residents attend!

More News!

The HOA Board of Directors meets every month on a Monday evening. Following the rules in FS 723, notice of those meetings is always posted on the bulletin board in the pool room. We have bylaws which are distributed to bona fide members if they so wish. Those bylaws state that bona fide members may speak at any board meeting, so long as their subject is included on our agenda. That would mean contacting a board member in advance and asking to have said subject put on the agenda which is sent out to all the board members in advance of the meeting. At the meeting there is a time limit designated that a member may speak. There won't be discussion, but the board will take the concern into consideration, if it is something that the HOA should deal with. Please be aware that the HOA is limited in the subjects that are HOA business. Most of the things that residents are concerned about need to be brought to the attention of the Liaison Committee members to bring to management at their monthly meetings. Residents are not invited to Liaison committee meetings, but may certainly voice their concerns to any Liaison committee member, listed in the Media, to be brought to the attention of management. Also, we have a newly revised complaint system that you can avail yourself of by filling out a complaint form and submitting it. There is a procedure in place for addressing the issue with upper management if our park manager cannot help you. Please see a member of the HOA for more information about that complaint procedure.

Emergency Maintenance

If there is an emergency during non-working hours of the office, please call the emergency maintenance phone number and leave a message and they will contact you as soon as possible. That number is 727-638-4844. Matt, chief of the maintenance department, told me the phone will be rotated between the three of them—Matt, Craig and Albert. They will try to resolve the problem as quickly as possible. Thanks, guys!!!

PLUMBING EMERGENCIES

It has come to my attention that ELS no longer uses Jones and Sons as their go-to place for plumbing emergencies. The park now uses Dunedin Plumbing and their phone number is: 727-734-2879. If you have any questions or concerns about this change, please feel free to contact Lisa at the main office—727-531-9105.

WATERING:

We are under watering restrictions in Florida and Pinellas County and any watering of your yards or plants is **STRICTLY** prohibited during the day. In addition, the following restrictions apply and will be strictly enforced:

If your lot number ends in an odd number-Wednesday and Saturday between 12:01 AM and 10:00 OR 4:00 PM to 11:59 PM **FOR NO MORE THAN 2 HOURS PER DAY**. If your Lot number ends in an even number- Thursday and Sunday between 12:01 am and 10:00 OR 4:00 PM to 11:59 PM **FOR NO MORE THAN 2 HOURS PER DAY**.

Wasteful and Unnecessary Use of Water Is Prohibited!

These are the basic rules from the Pinellas County website:

Examples of wasteful water usage:

Allowing water to flow from an unattended hose.

Hand-watering a lawn on a restricted day or more than once a day.

Hosing down a driveway or solid surface or structure when a dry method could be used.

Allowing water to flow from a broken sprinkler head or outdoor faucet and having malfunctioning plumbing/ -irrigation system after receiving verbal or written notice.

Violations

The Year-Round Conservation Measures and Seasonal Reclaimed Water Restrictions allow the first violation of these restrictions to be issued as a "warning" Notice of Violation. In accordance with Sixth Judicial Circuit Administrative Order No. 2018-068 PI-CTY, Local Ordinance Violations, and Fish and Wildlife Conservation Commission Violations Uniform Fine Schedule, Attachment A, Miscellaneous Ordinance, Marine Patrol, Fish, and Wildlife Conservation Commission, and Natural Resources Violation fines start at \$193, and may be doubled for a second offense; and for each subsequent offense thereafter. Contested citations may result in the cost of a fine plus additional court costs. For more information after receiving a citation, please contact Business & Customer Services at (727)464-4000.

Ducks/Wildlife

Please do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

Smoking and Drinking at the Pool

There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters, clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

Do You Want To Be In the Know?

Moving forward, all bulk communications, announcements, updates, etc from the Management Office to the Residents will be made via our bulk Texting system called Text-Em-All. We already have several people sign up, but we want everyone signed so that you never miss any important information about your community. If you have not already been receiving text updates from us, please contact the office right away so we can get you signed up. This only works with a cell phone, however, but I do believe that most people have those these days but if you do not, you could ask a neighbor to be your communications buddy and let you know anytime an update text comes through. If nothing else, let us know you do not have a cell phone here at the office and we will work with you on an alternative so that you stay informed.

Pet Policy

A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes AT ALL TIMES and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. Pet cats are supposed to be indoor animals only.
4. You MUST pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Speeding

There are WAY too many people driving WAY TOO fast in our park. I consider this a **SERIOUS NO-NO** because we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to **PROTECT** them AND our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is VERY important and so should you. Let us all work together to get this problem fixed!

PS—if you think it may be any of your family members or friends (sorry, but it happens), PLEASE tell them to respect YOU by respecting the rules of the place you call home. Also, please let your company know to turn down their **RADIOS** when within the parameters of the park. Again, they should respect YOU enough to do this. Thank you!

ON A MISSION TO ENSURE A HIGHER QUALITY OF LIFE
 Email: Mrsanchezb51@gmail.com

IMPORTANT MESSAGE FROM DORISANNE GIBSON:

"Doc," who resides on Lot 173, has volunteered to take old, torn and dirty American flags to the American Legion for proper disposal.

EDITOR'S NOTE:

Flags, like books, are treasured items and should by NO MEANS ever be disposed of in a FLAGRANT manner (no pun intended—really). They should be safely ensconced in a box until such time that you can honorably “pass them on.” Flags, as Miss Dorisanne pointed out, should go to DOC at lot 173 or straight to the American Legion, and books, those sacred tomes and loves of my life, should go to Goodwill or the library. The Largo Library will take books of any kind—paperback or hardback—and sell them in their cute little bookstore or put them on the shelves. They will also take old magazines!!! I donate BOTH to them and just put them in the drive-thru drop box—easy as PIE!

Veterans Board

In case you did not know, we have a board (actually 2) that honors veterans. We have pictures of residents and also family members who have served in the military. If you have a family member who has served or is serving, we would like to recognize them. We would LOVE to have a picture of the individual as well as what branch they served. Pictures and information can be given to Sandy Yost (Lot 62 Sandyost@gmail.com) or Dick Hambley (Lot 51 richwham@aol.com). We welcome all contributions and urge you to visit the clubhouse and see what we have done to commemorate our indigenous heroes.

RCS NEWS BY SANDY YOST!

RCS is now Hope Villages of America! AND Eldorado residents have been supporting their work for at least 11 years! To date we have donated more than 4,000 pounds of food and nearly \$4,000! If you or someone you know needs a ride to Hope Villages, please contact Debbie Ennis, Steve Ennis, Sandy Yost or Tim Kenney.

The Hope Villages of America Story

In 1967, fifteen local congregations of varying faiths and ethnicities came together to provide help & hope for people in need. Pinellas County grew, and with it grew the demand and the need for a helping hand. Eager to lend a helping hand, these congregations found themselves with fewer resources to serve a growing population. Determined to make

continued on page 18

a difference, these leaders studied the needs of the community and pooled their resources to provide efficient, secular services to the people of Pinellas County. Together they founded Religious Community Services, or RCS.

As Pinellas County Continued to grow, so did RCS, expanding and diversifying to meet the needs of the community. Results showed that the services RCS provided made a difference, and many more congregations and volunteers joined the efforts, each one wanting to build a better community. RCS focused on serving individuals and families with dignity, helping them along the path to self-sufficiency.

That focus remains strong today as RCS has become Hope Villages of America, directing resources to people facing hunger, homelessness, domestic violence and the lack of basic needs. Hope Villages has evolved into a cooperative of professional staff members, integral volunteers and partnering faith congregations delivering reliable services to those most vulnerable in Pinellas County. Hope Villages continues to use research, communication and best practices to be a premier community based agency providing help & hope to people in need.

POETRY CORNER

When I worked at USAA, they told us this story about the starfish. The moral of the story that they were trying to impart to us was even if we cannot help ALL our members, we can still help THIS ONE. OR THAT ONE. And, YES, it DOES MAKE A DIFFERENCE. I thought it would make a good poem and here it is! I hope you all like it!

A Difference to One

Woe to the starfish lying on the beach
The blue salt water they are unable to reach

They gasp and they cry in a world almost lost
They must get to the water at any cost

A boy comes along and sees their distress
He takes the action that seems only best

He throws the poor creatures into the sea
Singly they go, one, two and three

But there are so many, he cannot save all
But he throws and he throws, heeding their call

A man approaches and said don't waste your time,
There are too many, though your intentions are kind

The boy looks up, with his face in the sun
and says, "It is not wasted, if I can save one."

Golden Wedding Board

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark we would like to know and be able to add their names to the wall. You can contact me, richwham@aol.com, and I will see that you are added.

ATTENTION TO ALL POTENTIAL SHUFFLERS! IMPORTANT MESSAGE BELOW!

As everyone probably knows, there is no Eldorado shuffle team now due to lack of players. Debbie Ennis told me that if you still would like to play, you may join the team at East Bay Oaks. Just reach out to me if you would like to do this and I will have the captain of the team contact you. Debbie also said that once more people get interested, there will be a new team in Eldorado. If you really would like to play, don't be shy and call or email me. Let yourself have some fun! My contact info is here:

Randi Burton—210-838-0008

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

DARTS – DARTS – DARTS

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Library History Scrap Books

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

PHONE DIRECTORY

Suzi Rosetti

Please write to me any corrections or additions to the Eldorado Village Phone Directory—susan.rossetti@am.jll.com. Also, please contact me if you need a 2022/2023 directory. Please make note of the following corrections/additions to the present directory

Ginsburg, Ruth	Lot 200	727-396-0101	New Phone #
Hambley, Dick	Lot 51	631-219-3578	New Phone #

FROM THE EDITOR: The “new” directory is all FARKAKTE, unfortunately. I was sick and we had some problems getting it in the right format to send in. SO...here are some numbers of new residents who wanted to be added to the directory, but weren’t (look of chagrin), and some more of those whose numbers have changed: Debbie Ennis—Lot 47—518-316-6544, Steve Ennis—Lot 47—518-859-6635, Dennis and Lisset Nunez—Lot 8—702-902-9995, Denise Fiorilla—Lot 132—203-947-3471, Pauline Tran-Weaver—Lot 152—413-310-7756 and Joseph Krehbiel—Lot 213—727-678-6491.

PS—If you keep the directory AND a current media in your house, between the two, you should have all the numbers that should have been listed.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The LIBRARY Is For All Residents!!!

The Eldorado Village library is comfortable, clean, well-kept, and most importantly USED! Thank you to the many residents who have and continue to donate books, puzzles, DVD movies, and playing cards. All is appreciated.

It's SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author's last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the "Drop-off" box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention.
6. HISTORY – of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a "blast from the past".

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don't miss out!

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

Information About Water Shutoffs:

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the park’s robocall list, I would suggest that you check with the office to make sure you are on the list or added.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home which will prevent water from draining out of it and into the sewer system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFFS!

There is nothing they can do to help you.

RECYCLE

RECYCLE

RECYCLE

Reduce Reuse Recycle

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

Duke has an energy saving program. If you are interested call the numbers listed below:

TRASH/DUMP AREA SCHEDULE

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules--they are for everyone. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is **ONLY** for tight lidded garbage cans!!! You can buy one at Walmart or Amazon.

BINGO IS STILL GOING STRONG!!!

Bingo Hours:

Tuesday evenings:

Start selling at 5:30 PM. Stop selling at 6:15 PM. Start playing by 6:30 PM.

We will be following the guidelines set down by ELS for the good of everyone, so please be set on observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks!

We would appreciate it if you would not bring \$20-dollar bills as they are hard to make change for.

Bingo is over by 8:45 PM.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with residents' anniversaries and birthdays. I need your help by writing in your birthday and anniversary if they are not already in there (and if you want them to be). The book is in the library and I go through it periodically to see if there are new additions and add the ones that were sent to me. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us keep our records up to date.

From the Editor: Mr. Hambley has recently updated the book—thank YOU, good sir!!!

SOLICITATION IN THE PARK

I have been told by management that they do not give anyone permission to solicit in the park so if anyone comes to your door, call the police department. It has come up that if you have someone soliciting at your door and they are bothering you and you call the office to bring it to their attention, the office will not do anything about it—their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

JOKES OF THE MONTH:

No lawyer jokes this month, but these are still pretty good!

1. Have you heard the rumor about the butter? Nevermind, I shouldn't be spreading it!
2. I have an inferiority complex, but it's not a very good one.
3. I told my doctor that I broke my arm in two places. He told me to stop going to those places.
4. My teachers told me I'd never amount to much because I procrastinate. I told them, "Just you wait!"
5. Why do seagulls fly over the sea? If they flew over the bay, they would be bagels.

HAHAHAHAHAHHAHAHA!!! I did not use a theme today but I found some really good ones online! Enjoy!!!
