A GENTLE REMINDER

If you are having an event or participating in an activity in the Rec Hall or the Card Room, please clean up when you are through. All trash and recycling should be taken to their proper place and the room tidied. In other words – leave the room as you found it.

Also, please check your mail on a regular basis as the mailboxes fill up fast. If mail is not picked up for awhile, we will assume you are not here, and the mail will be sent back.

RECYCLING

Please be mindful of what and where you are putting your recycling items. It only takes a minute to break down a box and put bottles and cans in the proper place. *All items must be clean and dry.*

BIG BLUE DUMPSTER-

You may put the following into this dumpster:

- Cardboard – Broken down
- Mixed Paper (Newspaper, Junk Mail, etc.)
- Recyclable plastic containers # 1 – 7 or anything with the recycling symbol on it
- Aluminum, Tin, or Steel Cans
- Glass Bottles and Jars
- Paper, Milk, or Juice Cartons

You cannot put Styrofoam or Plastic Bags in this dumpster.

If you take your recyclables to the dumpster in a plastic bag, ***please*** remove them from the bag and put the bag into the regular green trash dumpster. Plastic bags jam up the sorting machines at the recycling center.

CAN CRUSHER

We now have a new can crusher. You can find it in the main dumpster area behind the Blue Recycling Bin. You must clean/rinse your cans before crushing them, so we do not get a swarm of Bees. We would like you to crush your own cans but if you cannot, just leave them by the crusher and someone will take care of them. Aluminum is selling for fifty to fifty-five cents per pound, so this is a great source of revenue for the Association. Thank you in advance for your support.

PRESIDENTS MESSAGE

Bob Mozingo, Lot 511

Best Summer Wishes to all.

No matter where your travels take you this summer those of us here year-round wish you a safer happy summer and look forward to your return.

Meanwhile....Thanks to Cindy and Kevin Fox, BINGO marches on. It's a modified version but great fun on Monday evening and a welcome relief from the heat. Also check out their great 4th of July light show on their unit. Our first.

Taco Tuesday was an overwhelming success thanks to the tireless work of Dawn and Brian Carney and their great crew. Met quite a few new first timers and had well over 40 in attendance. We hope to do something similar each month. Please let us know your ideas.

The two groups including HUMANA who visit us monthly with the free food bags is continuing. It's an excellent program and their scheduled visits are posted on the breezeway bulletin board by the office. Please take advantage of this cost-cutting benefit. They're also working on an indoor picnic setup for us including pulled pork and all the fixings along with information booths where you can have questions answered regarding insurance, hearing aids, eyeglasses, etc. Keep watching the bulletin board for more details.

It is shaping up to be a hot, beautiful, and active summer at the Park with lots of new full timers. Come out and enjoy the fun.

And of course...HAPPY MOTHERS DAY TO ALL!!!!!!!

NOTE FROM THE EDITOR

Mary Lantz, Lot 431

Yankee Traveler is such an amazing place! While so many of us have left the park to return to our summer homes, or to begin our summer vacation travels around the country there is still a force of full timers that are there enjoying the Florida summers and carrying on with fun activities at Yankee Traveler. I certainly miss those activities and can't wait to return in the fall.

Have a great summer and be sure to send me any items that you would like published in the next Gazette by June 14th at mplantz5029@gmail.com.

NEW SUMMER ACTIVITIES

This summer, the association would like to institute a few new activities for all the full-time residents. If you have any ideas on what you would like to see happening around the park check in with Bob Mozingo, Association President, Cindy Fox, Treasurer, or Dawn Carney, Director at Large. I am sure that they would love to hear any ideas you would like to share.

HUMANA

Darley Perlakowski, Lot 430 & Zayna Williams, Lot 337

In January, Humana began delivering free food to the residents of Yankee Traveler. This program will continue through the end of the year. They will be here the fourth Monday of each month in the Rec Hall from 3:00-4:00. The items will vary monthly, and all will be in bags. If you would like to receive these food/paper items at no cost to you, feel free to drop by and pick up your bag.

They are also working on an indoor picnic that would include pulled pork and all the fixings along with information booths where you can get your questions answered regarding insurance, hearing aids, eyeglasses, etc. So, be on the watch for those posters/emails/social media posts with the finalized details.

These are very generous gifts from Humana that we can all be thankful for.

MY CARE FOOD BANK

Darley Perlakowski, Lot 430 & Zayna Williams, Lot 337

The second My Care Food Bank event was held on May 10th where bags of food items, drinks, and a small variety of non-perishable items were made available for Yankee residents. We have been blessed to have them come to our park along with the Humana Food Bank. They will also be coming on the dates below:

- June 14, 2023 @ 10:30
- July 12, 2023 @ 10:30

So, mark your calendars now, but also watch for the various posters that will be placed in the breezeway by the office, outside the Rec Hall, and on the dumpsters reminding you of this event.

People get their eyes tested and their teeth checked on a regular basis,

Why Not Look After Your Ears Too?

Hearing changes often do not result in an overall loss of volume. Some sounds remain as audible as they always were, yet others become harder to hear, and some conversations require more attentiveness. You might notice that words just don't sound clear.

If you suspect that your hearing may be changing, it's up to you to be alert to the signs and have your hearing tested by a qualified professional.

JUST FOR FUN

THE MECHANIC’S SKILLS

Jeff was a mechanic working in his workshop, repairing a motorcycle for one of his regular clients, who was a heart surgeon.

Jeff was just replacing the cylinder head on the bike when Dr Corker, his client, arrived to check up on progress.

“Hey doc,” said Jeff. “The bike’s almost ready for you but can I ask you a question first?”

“Yeah, sure Jeff,” said the heart surgeon. “How can I help you?”

“Doc, take a look at this motorcycle engine,” said Jeff. “I can open its heart. I can take the valves out. And I can fix those valves and put them back in again. And when I’ve finished, this engine works like its brand new.”

“So, what’s your question, Jeff?” Dr Corker responded.

“Well doc,” said Jeff, “my question is, how come I earn a small salary and yet you earn an exceptionally large one? Essentially, don’t we just do the same work? How come we don’t earn the same?”

Dr Corker thought about the question momentarily, then smiled at Jeff and said, “Try doing it with the engine running.”

CHEWY CHOCOLATE GINGERBREAD COOKIE (makes 2 dozen)

- 1 ½ cups plus 1 TBS flour
- 1 ¼ tsp ground ginger
- 1 tsp ground cinnamon
- ¼ tsp ground cloves
- ¼ tsp nutmeg
- 1 TBS unsweetened cocoa powder
- 1 stick unsalted butter, room temperature
- 1 TBS grated ginger
- ½ cup dark brown sugar, packed
- ½ cup molasses
- 1 tsp baking soda
- 1 ½ tsp boiling water
- 7 oz semi-sweet chocolate, cut into ¼ inch chunks
- ¼ cup granulated sugar

1. Line two baking sheets with parchment paper
2. In a bowl, stir together flour, ground ginger, cinnamon, cloves, nutmeg, and cocoa.
3. In another bowl, beat butter and ginger on medium speed until lightened, about 4 minutes. Add brown sugar, beat until combined. Add molasses, beat until combined.
4. In a small bowl, dissolve baking soda in boiling water. Beat half of the flour mixture into butter mixture. Beat in baking soda mixture, then remaining half of flour mixture. Mix in chocolate, turn onto plastic wrap. Pat out to a 1-inch thickness, seal with wrap. Refrigerate until firm. (2 hours or overnight)
5. Preheat oven to 325 F. Roll dough into 1 ½ inch balls; place 2 inches apart on prepared baking sheets. Chill 20 minutes. Roll in granulated sugar. Bake until surfaces just begin to crack, 10 to 12 minutes, rotating halfway through. Let cool 5 minutes. Transfer to a wire rack and cool completely.

Cookies are best the day they are made but can be stored in airtight containers at room temperature up to 5 days.

I know, I know, these cookies are a little time consuming to make, but they are so yummy that it is worth the work!

ON SAFARI

Jim and Irene were on holiday in Africa, and they'd taken Irene's mother with them.

Now Jim's mother-in-law could be a bit of a battle-axe, to say the least, but she'd recently lost her husband, so Jim accepted that this was the decent thing to do.

Anyway, they'd been on safari for a few days, when one morning Irene woke up to find her mother missing.

In a state of panic, she woke Jim and they both went out to look for her!

Suddenly they come to a clearing, where they found Jim's mother-in-law, facing down a ferocious lion, eye-to-eye.

"Quick darling, do something!" screamed Irene.

"You've got to be joking!" said Jim. "The lion got himself into this mess, he can deal with it himself."

How a little imagination changed the way we shop

A little story about imagination.

Before supermarkets existed as we know them, going to the grocery store used to be a totally different experience. In the old days, customers walked in and told a clerk what they wanted. Then the clerk set to the task of compiling the order for the customer.

Clarence Saunders made his living as a grocery store clerk in a small Southern town. He had never made more than \$20 a week.

One day he stood in line at a cafeteria carrying a tray, waiting to select his food. Clarence Saunders had always seemed like an ordinary man — nothing in him so far had indicated that he had any unusual abilities.

But that day, as he stood in line, something happened. In his mind two ideas collided. His imagination took off and he took the “self-help” idea of the cafeteria and applied it to a grocery store — and thus was born the Piggly-Wiggly chain of grocery stores.

Clarence Saunders, the \$20 a week clerk became a millionaire. And grocery shopping was forever changed. — adapted from *The Law of Success in Sixteen Lessons*, by Napoleon Hill

An unexpected conversation

A class of MBA students took a field trip away from their university. On the bus ride on the way back to the school after the trip, the driver pulled over at a rest stop. Most of the MBA candidates had been partying heavily the night before. One first year student, headed for the first stall in the restroom.

As soon as he entered the stall, the man in the next stall said, “Hi, there. How’s it going?”

The first-year student thought it was odd that the man in the next stall wanted to start a conversation, but he thought, “Who knows, this guy might be one of the facilitators at school, one who might be giving me a grade in the near future.”

He felt silly talking through the stall wall, but he answered, “Not bad.”

Then the man in the next stall said, “What are you doing?”

The intimidated student answered, “Well, we’re all headed back to school from the field trip, right?”

To which the man in the next stall said, “Look. I’ll have to call you back. Every time I say something, some genius in the next stall keeps answering me.
