SYMPATHY CARDS WERE SENT TO:

Sally Cox, Lot 1815, on the loss of her husband Charles

IN RECOGNITION:

J. R. Ross, Lot 826 has passed leaving no known family behind. In lieu of flowers, special thanks to Patty Duvall for stepping up to take care of J.R. during his last days.

RECIPE OF THE MONTH

Slow Cooker Chicken and Noodles

(adapted from an Allrecipes.com recipe)

Ingredients:

- 4 skinless, boneless chicken breast halves
- 6 cups chicken broth (or water)
- 1 cup diced onion
- 1 cup diced celery (optional)
- Salt and pepper to taste
- 12 oz precooked egg noodles

Directions:

1. Place chicken, water, onion, celery (if desired), salt and pepper into a slow cooker. Set temperature to low and cook for 6 to 8 hours.
2. When chicken is tender, remove from the slow cooker and tear or chop into bite-sized pieces. Return chicken to slow cooker and add precooked noodles.

LIBRARY

Brett Battles is a new-to-our-library author. He has written more than 40 novels. Brett won the Best Thriller award in 2009 for “The Deceived”. His genres are spy and mystery and science fiction. For science fiction he has his Project Eden series and Rewinder series. Jonathan Quinn is a spy and mystery story.

Brett has 3 children, an Australian shepherd named Maggie, and lives in Southern California. From just reading his bio I can tell he has a great sense of humor.

I read “The Silenced” which is part of the Jonathan Quinn series. Jonathan is a cleaner and I don’t mean a house cleaner. If you need a mess cleaned up, he is your man. If you need someone taken care of or a body to disappear, he is your man. In this book he has to remove a body from the wall that has been there for 20 years. Why now? Not only that, but people are trying to kill him! Why? Read the book.

Just a reminder the library is located at Lot 231 and is open daily 10-6. We have WiFi and air. Remember please to shut the door and turn off lights when you leave. Have an awesome summer.

Vanessa Nead

*****CONTEST***CONTEST***CONTEST*****

We have started a “Do You Know This Author?” contest which gives you a chance to win a \$25 Publix gift card. The first clue for this month’s author is: The Professional had a good Back Story. She dealt Blackjack in Vegas, joined the LA Outlaws motorcycle gang, and sailed her 40-foot ketch to the Bahamas in Rough Weather.

If you think you know who this author is, go to the office during regular business hours and submit your guess on the piece of paper provided into the library box. The contest runs from the first day to the last day of the month. Watch the library’s bulletin board for more clues. Good Luck!

Congratulations to Joyce Latuga, lot 1422, for winning the April contest. Way to go Joyce!

FROM THE OFFICE

We have been enjoying some great weather, low humidity, and very little rain. This means everything is very dry, so if you have a firepit, make sure it is covered and attended at all times. TWO important things—you are not to burn garbage in your firepit, and it must have a screen over it. You also need to be considerate in which way the wind is blowing, so that the smoke is not annoying to your neighbors. And it should not need saying, but you must have a hose within the area of the fire. Fires should not be left to “smolder” out, you need to put them out with water before you leave them for the night. Anyone that can’t follow these few simple rules may lose the right to have a fire.

Also, because of the dry weather, when the lawn is cut it kicks up a lot of dust. If you hear the mowers in the park and have your windows open, you might want to close them. You don’t want to hear my answer if you call me to complain about the dust! (It will go something like, “You can’t fix Stupid”!)

At my April Manager’s meeting I had speakers from the City of Largo waste management program. They tried to educate everyone on what can or cannot be recycled and the importance of recycling and the effect it has on the eco system. I have the 2023 Recycle Guides in the office and the Clubhouse on days when it is open for food/bread/ Panera goodies. If you are unsure of how to dispose of an item, go online to Pinellas.gov/wheredoesitgo and type the item into the search box----it will tell you if it is recyclable, garbage or where to take it. Residents have once again put so much garbage in the recyclable dumpsters that we were fined. I have written another article on this issue trying to give you the basic garbage vs recycle information. The recycle (blue) dumpsters have been moved to the opposite end by the laundry so I can identify the items being put in there. I was unable to see exactly who was putting garbage in them, so now they are right under the camera.

In June letters will go out with some new rules/changes that will be effective in 90 days. It will be an addendum to the current rules. Basically, if you are identified as putting the wrong items in the recycle bins, you will be fined \$50 the 1st time, \$200 the 2nd time, and the third time will result in eviction for not following park rules! These fines will be per lot, so even if two different people from your lot are responsible, it will count as the same person/lot. The only other option is to increase the rent an additional amount for everyone (pass through fines, fees for additional garbage dumpsters, etc.) and it is not fair to the residents that follow directions. I can’t make anyone recycle, but I hopefully can stop residents from causing issues that will affect everyone. I am going to start posting pictures on the bulletin boards by the Clubhouse of people who put items on the ground, just throw their bags on top of the dumpster instead of inside, etc..

I have the 2023 Hurricane guides available in the Office and will have them in the Clubhouse during food events. I am waiting for them in Spanish. It is never too early to start planning for high winds and hurricanes. Stock up on water and non-perishable food, which can be bought

ahead of time, just make sure the expiration dates are good until Nov. 2023.

By the time you read this all the speed bumps should be installed. You are not to drive around them on someone's lawn...you would think this is common sense, but residents have already proven they don't have any! If the bumps are adjacent to your lot, you can put a stake along the side edge of the sidewalk to deter cars and golf carts from going around them; most bikes should be able to go around them on either side. The placement was determined by streets with long stretches and navigated by ignorant people that do not stop for the stop signs. Embassy roads are privately owned, so ignoring the stop signs can be cause for eviction...anyone who doesn't want to abide by the rules, feel free to move! The ultimate goal is to continue to provide an enjoyable environment for everyone.

Dogs are only to be walked on your lot; there is a dog park 1 block west of the park entrance on East Bay Dr. You also need to carry a bag for picking up your dog's mess. Dogs must be on a leash, with a human on the other end, when outside of your home. The only dogs that can be walked in the park are true service dogs, and there are only a few in the park that qualify.

Quit complaining about the limited office hours; those were the hours when most of you moved in (they used to be 9:00 a.m. to 3:00 p.m., being closed an hour for lunch). I changed them when I took over. Most of you have no clue on how many hours I put in from home, 7 days a week, and how many times Joelle either stays late or comes in on her day off to catch up on paperwork. I can staff the office full-time, but trust me, the cost will be passed on to every resident, and it will not be at minimum wage!

Please continue to review your rent check before you drop it off. Check your signature, the wording on the "legal" line, and do not write them in anything but black or blue ink. If the check is incorrectly received, and a correct one is not received until after the 5th, you may be charged a late fee (\$30) or a handling fee (\$10). As we collected May rent, residents were still paying the wrong amount.

I apologize in advance to those of you that follow the rules, but I am hoping if I keep repeating them, along with evicting residents who blatantly break the rules, that soon everyone will be able to live a peaceful life here. The best way to let me know of any issues is by email; the second-best way is to fill out a complaint form (kept on the outside of the office door) and then put it through the slot in the door.

Jessie Buchholtz, Park Manager

EMBASSY GARBAGE AND RECYCLING ISSUES

Here is a short list of what CAN go into the recycle bins: bottles, jars, plastic jugs, metal food and beverage cans, cartons, paper and cardboard. We specifically asked about the lids to water bottles and pop/soda bottles and were told they were ok; however, the guide says no caps

continued on page 14

or lids. I reached out to them, and their answer was “We just say no caps, no lids because most people don’t put them on tight enough”. All items should be clean and dry.

Things that do not go into the recycling (blue) dumpsters are:

NO PLASTIC BAGS OR STYROFOAM! (not even if they are full of recycle cans and bottles---you need to empty them out and throw the plastic bag into the dumpster), clothing, foam containers or packaging products, paper towel, tissues, napkins, wires, cords, hose, food waste residue, NO yard waste! There is a separate 30 yd dumpster between 2nd and 3rd street just for brush and yard waste.

HEC3-Located at: 2855 109th Ave. N St. Petersburg, 727-464-7500. This is where you take automotive products, mercury containing devices, all chemicals, lawn and garden (pesticides, herbicides, fertilizers) paint products, rechargeable batteries, printers, tv’s that are not flat screens, printer ink cartridges, just to name a few.

Pinellas County also has special days for you to just drive in, stay in your vehicle, and they will take out the items. You will need a valid ID to prove you are a county resident; items must be in the trunk or back of your truck. The next one is June 10, 9:00 a.m. to 2:00 p.m. at: 29582 US 19 N Clearwater in the Pinellas County Government Center.

If you are unsure of how to dispose of something, go to Pinellas.gov/wheredoesitgo and type the name of the item in the search box.

BINGO

Hats off to Lynn Turner (for volunteering to take over) and the many ladies who helped her in running our weekly bingo nights. We averaged 40 players each week — some new faces along with the many “regulars”. We all enjoyed our weekly get-togethers, so much so that even Elaine Pepper came on our final night (her first time ever!) to see what all the fuss was about. Lynn went out of her way to make the final night memorable. Every

player received a goodie bag containing treats (some even held a coupon for free bingo in the fall!) and free tickets for door prizes. There was also an abundance of sweet treats at halftime. All prizes were awarded so we’ll be starting from scratch when bingo returns in the fall. Plans are to resume on November 15th so mark your calendars and come join us!

(Editor’s note: This is a repeat of the article published last month so that we can include the picture which was omitted in error.)

NOBODY PAYS MORE

People get their eyes tested and their teeth checked on a regular basis,

Why Not Look After Your Ears Too?

Hearing changes often do not result in an overall loss of volume. Some sounds remain as audible as they always were, yet others become harder to hear, and some conversations require more attentiveness. You might notice that words just don't sound clear.

If you suspect that your hearing may be changing, it's up to you to be alert to the signs and have your hearing tested by a qualified professional.

HURRICANE PREPAREDNESS, THE SEQUEL

As promised last month, here are more tips for disaster preparedness during hurricane season. Senate Bill 7062 creates a 14-day “disaster preparedness” sale tax holiday from May 27, 2023 through June 9, 2023 for purchases of disaster preparedness supplies. Examples of tax-free items include flashlights and lanterns costing \$40 or less; reusable ice costing \$20 or less; radios costing \$50 or less; tarps and ground anchors or tie down kits costing \$100 or less; coolers and portable power banks costing \$60 or less; batteries and fuel tanks costing \$50 or less; smoke detectors, fire extinguishers, and carbon monoxide detectors costing \$70 or less; and generators costing \$3,000 or less. The holiday also includes a number of items related to the safe evacuation of household pets. Common household items that may be helpful with disaster cleanup are also included. For example, laundry detergent, toilet paper and paper towels, soap, sunscreen, and various household cleaning products, with a sales price of \$30 or less.

Now, some more specific actions we can take ahead of time.

1. Important documents. Gather all of your important papers (driver’s license, passport, social security card, birth certificate, marriage license, insurance policies, etc.) and secure them in a safe, WATERPROOF place. Make a list of bank and credit card account numbers. Either write out a household inventory, or, better yet, use your smart phone to video your possessions.

2. Personal “Go Bag”. Even if you plan on riding the storm out in your home, you should prepare a “go bag” in the event a quick departure is required. Personal items to include would be 2 or 3 changes of clothing per person; medications; first aid supplies; eyeglasses; cellphone with charger and extra battery backup; rain gear; insect repellent; and sunscreen.

3. Pets. Let’s not forget our 4-legged family members! If you think you may head to a shelter to ride out the storm, and you plan to bring your fur baby, you have to provide proof the animal is licensed in Pinellas County and that all the shots are up to date. You should also prepare a separate “go bag” for your pet. Items to pack include food and water for 2 weeks; collar and leash; carrier/crate; immunization records; medications; toys; disinfectant; and paper towels.

Note: The above is by no means an all-inclusive list of things to do. Jessie has gone out of her way to get the updated hurricane guides and make them available during regular office hours. The guides contain valuable information on what to do BEFORE, DURING and AFTER the storm. Make it a point to stop by and get one. Put it with your ‘hurricane kit’ so you can find it easily for planning purposes.

CRUISING THE OCEANS

For the past five or six years a group of Embassy Park friends take a cruise every year. COVID pushed the 2019 cruise to this year, but what a great cruise it was. There were 12 of us this year. We sailed out of Tampa for a 7-day cruise to the Cayman Islands. We toured the island in a minibus; we even stopped in a place called Hell. We then sailed to Mohogany Bay in Roatan where we all headed to the most beautiful beach. Some of us went kayaking, others paddle boarded, and some just enjoyed the crystal clear water. We then proceeded to sail to Belize in Central America where we kayaked in the underground caves (and met up with a few bats, yuck!), jumped off high cliffs (the younger ones), hit the shops, and stopped at a few pubs for a cold one. Our next stop was Cozumel, Mexico, where we went on a jeep tour, saw some Mayan ruins, visited a beautiful beach, and some of us visited friends—former Embassy Park residents who now reside in Mexico. Then off to sea heading back to Tampa.

Over the years we have visited many countries which is why cruising is interesting. We probably would never go to some of these places otherwise. Sure, we are only in port for a day, but we make the most of it. Some years our group has up to 20 travelers, so we gather in the lounge before dinner to decide where we want to go and who is going with whom. Some prefer to do their own thing during the day, but we always meet for dinner and talk about our day. We change seats at the dinner table every other night, so we manage to talk with someone different every evening. Dinner is where we decide what entertainment we plan on going to in the evening. Our travels have taken us to the Bahamas, Turks and Caicos, San Juan, Virgin Islands and many more. We always have a super time. The ships are great; the food is excellent and abundant, and we always manage to add a few pounds. If you've never cruised before, try a 5-day trip first.

That's what we did and loved it! Happy cruising everyone.

(Editor's note: This is a repeat of the article published last month so that we can include the pictures which were omitted in error.)

FIRE SAFETY

Anyone attending the March Manager's Meeting heard the presentation from Summer Mahr, Public Educator with Largo Fire Rescue. Summer provided examples of common safety tips for inside our homes. Things we should watch out for include:

1. Never leave cooking unattended. It only takes a minute for something to catch fire and the hot burner speeds up how fast the fire will spread.
2. Ensure your stovetop and oven are clean and clear of items. Baked on and spilled food residue make great kindling for a fire both on top of the stove and inside the oven.
3. Never use the inside of the oven for storage. Yes, most of our homes have limited storage, but the oven is not a good "plan b".
4. When cooking, ensure pot handles are turned to the back of the stove. It is very easy to bump a protruding pot handle, or catch it on a piece of clothing, and the hot contents have potential to spill over onto the burner igniting a fire.
5. Never leave candles unattended and keep them away from anything that can burn, like drapes, upholstery, or stacks of papers.
6. If you smoke, do it outside and USE AN ASHTRAY.

Not all fires start in the kitchen or occur when we are awake. It is, therefore, very important to have working smoke detectors in your home. We are reminded each year to check and/or replace the batteries in our smoke detector, but do you know how OLD your smoke detector is? Did you know smoke detectors have an expiration date (10 years)? Fortunately, Largo Fire Rescue has a Free Installation Program for smoke detectors. You can get on the list by calling 727-587-6737. Demand varies so you may have to wait a week or two before they can get to your house, but they provide the smoke detector, and install it, FOR FREE.

Finally, for your safety, it is important to vacate the premises if there is a fire. Even if you think you have extinguished the fire yourself, it is best to call Fire Rescue so they can verify there are no smoldering embers just waiting to flare up. We have lost a few homes in our park due to fire; they burned quickly, and the fire burned very hot (so hot that siding and trim on nearby homes melted!). Most of us have spent years collecting pictures and objects that have meaning to us, but none are worth risking your life. Better to be safe and build new memories.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team
