## FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

Thank you to those who regularly provide the articles which appear each month in our “voice.” Just a reminder to others who may be interested in submitting items for publication, feel free to send your articles to me before the deadline of the 12th of the month for the next edition. We welcome your articles of interest each month. Suggestions are articles about family milestones, travel exploits, and items of local interest especially those that involve local Lincolnshire families and friends.

In this summer season remember to take care to keep hydrated and use sun protection when out & about and remember that pets suffer form the heat as much a we do, and especially remember how hot the asphalt gets in the middle of the day. Stay safe!

## FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

The park should be pretty empty now and now is the time for some summer fun. We just had our Memorial Day Ceremony and now we need to get ready for fourth of July.

It was nice to see a lot of you sign up for the free inspection of your vapor barrier. Please make sure you do your homework. Always ask to see their license and badges from the company. Always get a couple estimates and never pay up front. You should not pay until the work is done and you are happy. I have been told by a couple of people that they say they work for Freedom Vapor and yet the paper work they gave us says Coastal Vapor so always be safe and check things out.

We are going to try and do a few new things this summer so we keep you all busy. Coffee hour is now in summer mode where you help yourself to coffee.

Please make sure your home is hurricane ready and have the supplies you might need. Have a plan and know where you are going if we need to leave the park and make sure if you have a pet, you have plans for them. Be safe and have a great summer.

thanks

Linda Casey

By: Vickie Robinson.....(#1154.....419-376-8575)

**W**e are happy to announce that there will be some fun activities here in Lincolnshire during the summer months!

Mark your calendars for an indoor cornhole event on Saturday, June 10, 7 PM at the clubhouse. There is no charge to play/participate. Bring your own beverage and snack to share. There will also be a raffle. If you don't want to play cornhole, you're more than welcome to come, hang out, and visit with your neighbors. This will be a fun event aimed at being neighborly. So get a partner and come bag some holes! No need to pre-register. You can do that on June 10. If you would like to be a scorekeeper, we need four people for that. Call Teri at 269-207-0466 and volunteer.

We are also looking at doing a karaoke event in July, and there are some ideas for August as well.

Stay tuned!

### LIGHT

Chase the darkness of night. The world is full of light.  
It breaks through the shadows to show us the way  
And always is there to brighten our day  
Our sun shines down on us to brighten each day  
But beware of its rays as you rest in the bay  
For a long time enjoying the water and warmth  
May leave you burned and heading back north.

Colors of light have meaning in life.  
We all know of red to warn us of danger.  
Green means we go away from the wayfaring stranger.  
But the beam of white that breaks through the night  
Often shows the way home  
To the sailor’s delight

## **Why Not Look After Your Ears Too?**

Hearing changes often do not result in an overall loss of volume. Some sounds remain as audible as they always were, yet others become harder to hear, and some conversations require more attentiveness. You might notice that words just don't sound clear.

If you suspect that your hearing may be changing, it's up to you to be alert to the signs and have your hearing tested by a qualified professional.

### June 2023

**T**he sixth month of 2023. Hard to believe we have completed five months of this year already. Our community streets have become a little quieter with many of our “winter” neighbors having left to enjoy their summer homes for the next few months. We continue to keep busy, Coffee hours still running every Wednesday morning at 9AM. Come join us for community updates and enjoy the coffee (bring your own mug) & purchase a donut. Great time to meet some of your neighbors. Lincolnshire residents are still golfing and bowling. Check your Voice calendar for information if you want to join in those activities. June typically is the month we see our humidity rise and stay high over the summer. Rain can be in our daily forecast and lightning is sure to be present with some of those thunderstorms we get this time of year. Keep yourselves hydrated! We seniors get dehydrated more quickly than younger folks.

### Dates to look for in June.

**June 1st** – Beginning of Hurricane season for 2023. NOAA predictions for 2023 have 13 named storms to form, 6 of those could become hurricanes and 3 of them could become major hurricanes. Get your hurricane evacuation plans ready. Look for 2023 Hurricane evacuation plan booklet issued by Pinellas County for lots of helpful information. Should be available at the Largo Library during the month of June.

**June 2nd** – National Donut Day created by the Salvation Army in 1938 to honor their members that served donuts to the military during World War I.

**June 6th** – D Day to honor the invasion of Normandy by the Allies during World War II. One hundred fifty -six thousand troops of combined American, Canadian and British forces stormed the beaches of Normandy and those battles became a critical turning point in the war.

– Flag Day. June 14th, 1777 the Second Continental Congress passed a resolution that the

flag of the United States would consist of 13 stripes, alternating red and white and the union of 13 white stars on a field of blue would represent a new constellation. One hundred years later in 1916 Woodrow Wilson established Flag Day as an official holiday marking that anniversary.

**June 18th** – Father’s Day. Celebrated on the third Sunday every June was another of Woodrow Wilson’s creations. June 19th, 1910 was the 1st official Father’s Day celebration. Here’s to honoring all the Dads, Grandpas, Brothers, Uncles that work hard to put their families first.

**Residents that have passed away recently**

Lincolnshire is sad to report the passing of two long- time residents.

Rita Sullivan of #1550 who for so many years was creator and driving force of our Food Drive to provide for folks in need. Her presence at our Coffee hours has been missed and this writer is hoping we can continue the food drive in her name for years to come.

Norm Lessard of #1535, he and his wife Bev have served our residents working in the kitchen over the years preparing food for our many events.

Please keep all their family members in your thoughts and prayers. We will miss you both.

***Residents in the hospital***

Betty Barrett from 5th Street, back in Canada

**Please keep these families & friends in your thoughts & prayers.**

*If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to beneficial use.*

**Don’t forget to give Mary Jo or myself a call if you know of any of our residents that are ill or recovering from a recent hospital stay.**

## VETERAN'S CORNER

“How do I prove that I’m a Veteran?” It’s a question often asked by those who once served in the military. Many businesses offer discounts to Veterans for restaurants, hotels, stores, recreational activities and even home improvement, among other perks. Former service members will want to take advantage of those opportunities.

First, you’ll want to apply for VA’s Veteran ID Card (VIC), which is a digital photo ID you can use to get those discounts. Since September 2022, all new Veteran ID cards have been digital. A Veteran with a physical ID card can continue using it to get discounts. The VIC is separate from the VA health care ID, which a Veteran receives when enrolling in VA health care. If you have any questions or need help, email VA’s VIC program at [vetidcard@va.gov](mailto:vetidcard@va.gov).

Login using your existing Login.gov, ID.me, DS Logon or MyHealthVet account. A Veteran without any of these accounts can create a free Login.gov or ID.me account. If you are unable to submit your VIC application through [VA.gov](http://VA.gov), please use Access VA. When applying, make sure to have your social security number; a digital copy of your DD214, DD256, DD257 or NGB22 that you can upload; and a copy of a current and valid government-issued ID, such as a driver’s license, passport or state-issued identification card.

You’ll also need a digital color photo of yourself from the shoulders up. The photo should follow all of these standards:

- Show a full, front view of your face and neck with no hat, head covering or headphones covering or casting shadows on your hairline or face.
- Be cropped from your shoulders up much like a passport photo.
- Show you with your eyes open and in a neutral expression.
- Be taken in clothing you’d wear for a driver’s license photo.
- Be a square size and have a white or plain-color background with no scenery or other people in the photo.
- Show what you look like now, meaning a photo that is no older than 10 years old; it should be uploaded as a .jpeg, .png, .bmp or .tiff file.

A Veteran must meet certain criteria to be eligible for a VIC, including both of these requirements:

- Service on active duty, in the Reserve or in the National Guard, including the Coast Guard.
- Receipt of an honorable or general discharge under honorable conditions.

If the Veteran received an other-than honorable, bad conduct or dishonorable character of discharge, that person is not eligible for a Veteran ID card. If a Veteran has an uncharacterized or unknown discharge status, VA must verify that person’s eligibility before approving an application. The Veteran must provide a copy of his/her discharge papers when applying for a VIC to prove their character of discharge. After a Veteran applies for a VIC, VA will check that

*...continued on page 34*

person's eligibility and verify that the character of discharge meets eligibility requirements, the ID submitted is valid and the image chosen to appear on the card meets photo requirements.

VA will then send an email letting the Veteran know the status of the application. If the Veteran has an unknown or uncharacterized discharge status, the application will take more time to process. VA may need to request your records from the National Personnel Records Center, part of the National Archives and Records Administration. If a Veteran receives an email from VA asking for additional information or evidence to process the application, that person must sign in to AccessVA and update the application. VA will send an email with the digital card attached if a Veteran is eligible for a Veteran ID Card.

**V**ery soon the 2023 hurricane and severe storm season will begin. Ending a bit longer in the fall than before. Ignoring either will not make this yearly weather go away or consequences either. The Atlantic hurricane season usually runs from June 1st through November 30th. Most find their roots in West Africa in late August through September. For year-rounders like me (there are more now in the park) this is our storm and wet season. We want the rain though not always how it finds us.

Without being specific to any chronic condition let us say that you must have certain medications, oxygen, nursing services, dialysis, just had major surgery, batteries for equipment vital to your survival that require replenishment within 14 days. Why 14 days? In a major weather event or disaster, the supply of what you absolutely need to live isn't around the corner anymore, plus the supply lines to vendors, pharmacies, hospitals, clinics, home health can be threatened. They just do not carry extra inventory on the shelves. We live in a new supply world where large expensive reserves of everything are no longer close to us. Vital medical supply chains are further controlled by our economic issues. Dependence on USPS, UPS and FedEx is pervasive and not always responsive. We are fortunate in we live in a location where supplies most seniors need is more plentiful but not endless. Being a global economy, our medical supplies still and

often come from outside the U.S! Especially generics.

As an RN in Florida's Disaster response team, we start with preparing TODAY! Preparing is not as hard as we think. Take it one step at a time. Starting now means you will not rush and forget something vital.

The first is life sustaining equipment. Oxygen and the equipment required to deliver is #1. Find an invoice from the vendor who brings the oxygen and maintains the devices. Put the invoice in an envelope that you will fill in with other information. Take a picture with your phone too. If you have large oxygen canisters, they will be hard to transport. Oxygen concentrators can be heavy though newer versions are much lighter. You cannot expect every shelter will have unlimited oxygen available. If any. Always register early with the shelters. Also shelters may not have consistent electricity to power equipment. If your equipment has rechargeable batteries, then keep them charged! The Pinellas County Disaster management can help you know where the best shelters are for you! Staying at home may not be an option and can be deadly. Mandatory evacuations mean emergency services have shutdown. The police will drive through our park numerous times and tell us still here that we are now on our own. Do not die in your coach.

The second is medications. If you do not have a current list of your medications, then you can write down your own or better have your pharmacy print your list. Medication organizers are necessary to have. Also reminds me what day it is! However, the downside is that someone else has no idea what each pill is. Believe me. So, keep at least one pill in their original container from the pharmacy. Do not ever wait until the last minute to have your medications, including syringes refilled. Remember, shelters do not have pharmacies and getting vital medications in a disaster can be exceedingly difficult if not impossible. Get a plastic container with a locking lid to store all your medications. Put your full name on the container. Got a pet on meds? Do the same! More pets are diabetic now than ever.

Often liquid medications require refrigeration. Often, they come in a Styrofoam container. Keep one, always! Do not toss the frozen ice bag either. Get ready and start today. Help a neighbor get ready too. We are a community.
