Book Watchers Club

Our book for the month of July is *The Firm*, by John Grisham. The movie by the same title from 1993 stars Tom Cruise as Mitch McDeere a top Harvard Graduate joining a prestigious law firm from Memphis Tennessee; which is laundering money for the mob and being investigated by the FBI. This places the lawyer in a hard place between life and liberty. A talking point will be the different endings between the book and the movie. The movie is scheduled for Thursday July 20th at 2:30 PM at 66266 Oxford Road. There will be plenty of snacks, popcorn, and beverages!

The importance of proofreading ...

The following is a list of newspaper corrections that has been widely circulated over the Internet:

- Important notice: If you are one of hundreds of parachuting enthusiasts who bought our Easy Sky Diving book, please make the following correction: on Page 8, line 7, the words state zip code should have read pull rip cord.
- There was a mistake in an item sent in two weeks ago which stated that Ed Burnham entertained a party at crap shooting. It should have been trap shooting.
- There are two important corrections to the information in the update on our Deep Relaxation professional development program. First, the program will include meditation, not medication. Second, it is experiential, not experimental.
- Our newspaper carried the notice last week that Mr. Oscar Hoffnagle is a defective on the police force. This was a typographical error. Mr. Hoffnagle is, of course, a detective on the police farce.
- In a recent edition, we referred to the chairman of Chrysler Corporation as Lee Iacocoo. His real name is Lee Iacacca. The Gazette regrets the error.
- Apology: I originally wrote, “Woodrow Wilson’s wife grazed on front lawn of the White House.” I’m sorry that typesetting inadvertently left out the word “sheep.”
- In one edition of today’s Food Section, an inaccurate number of jalapeño peppers was given for Jeanette Crowley’s Southwestern Chicken Salad recipe. The recipe should call for two, not 21, jalapeño peppers.
- The marriage of Miss Freda vanAmburg and Willie Branton, which was announced in this paper a few weeks ago, was a mistake which we wish to correct.

How a town got its name

Sometimes towns get their names because of founders, prominent citizens or natural landmarks. But a town in southern Ohio has a more colorful history it would seem. Knockemstiff, Ohio, is a tiny hamlet that has no main roads or stores. One story about how the town got its unusual name is that it was named for the fighting ability of its young men. Another story is that there was a huge brawl in the town saloon. The third, and final story about how the town got its name is that an angry wife asked the town preacher how she could get her cheating husband to stay home. The preacher’s answer: “knockemstiff.”
