# President's Report

By Paula Bunevith #202

**H**i Everyone: Hope you are enjoying the summer. To our Canadian friends wishing all of you are safe and have no problems with the fire or smoke. Smoke level here at Cape Cod, Massachusetts has been low, due to the rain we have had. Which was badly needed like Dunedin. Temperatures here are in the 70's daytime and 50's at night.

The sidewalks in the community have been repaired. At this time there are no units for sale. And there are 895 folks on the waiting list who want to buy in our community .

A Friendly reminder, if you are renting you must have your renters fill out the rental form, pay the \$50.00 for the background check and give it to Karin. They must also sign in when they arrive and sign out when they leave. Just like all our community members do. They can sign in and out in the library or in the office.

Take Care , Have a great summer.

## Please Note the Changing of My Email address

By Sue Bailey #188

**D**ue to the rising cost of my current Internet provider, I am going to switch providers. Unfortunately, my current email address is proprietary from my current provider, and they are not willing to negotiate for a discounted price even though I have been a loyal customer for 11 years, I am not eligible for a promotional discount. Going forward, please use my alternate email address of [suebail999@gmail.com](mailto:suebail999@gmail.com) for all email communications with me. I will ask Karin in the office to update the phone directory with my alternate address in the next release of our phone directory.

## From the Editor's Desk

By Sue Bailey #188  
suebaill999@gmail.com

I hope everyone is enjoying their summer. As July approaches, here are some notable events to remember:

July 1st is a celebration of Canadian nationalism, heritage, and pride. Canada became self-governing on July 1st, 1867, with the passage of the British North America Act (BNA Act) in the British Parliament. The holiday was originally known as "Dominion Day". It was changed to Canada Day by the Canadian Parliament on October 27, 1982.

July 4th is the birthday of our nation. Today, we celebrate and enjoy the freedom that comes with the event that made this day so special. The Declaration of Independence was voted and approved on July 4, 1776, declaring freedom for the 13 colonies from British rule.

**Did you know?** The U.S. and Canada share the largest un-defended border in the world.

So Happy Canada Day and Happy Fourth of July to all our friends and neighbors!

Wherever you are located, please keep in touch with all of us by sending articles and pictures for the monthly newsletter. We love to read about what's going on with you.

**Quote of the month:** "Happiness is not something readymade. It comes from your own actions." -*Dalai Lama*

Until next time,  
May God bless and keep you well and safe...

# From Our Recreation Committee

By Debbie Douthit, Chairperson #60

**R**ecord temperatures leave no room for speculation.... summer has definitely arrived as we pull out the sparklers and cheer in 2023 July 4th festivities while remembering our service men and women for their selfless sacrifices.

A big thank you to Karin Desmone, staff, board members and all volunteers for helping Golden Acres Dunedin to once again receive the prestigious award of “Mobile Home Park of the Year”! One may question, how this happens year after year? Our fulltime residents in Golden Acres play a big factor.

Due to an unplanned, recent return to our park, the first thing we noticed when we pulled into the park was large banners waving “2023 Park of the Year”! That’s impressive!

Keep in mind, no one knew we were coming, but a quick observation of the park last week, revealed to us that these volunteers work tirelessly, even when no one is watching. The first person I spoke with was Debra Farris #28 and was instantly invited to aqua aerobics. Next I drove down the street and Cindy Hubbard #114 was tirelessly pulling weeds for a resident, followed by the rat-a-tat-tat sound of Terry “Dawg” Long #114 working on a resident coach. As the sun rose the following morning, walking to aqua fit, Dave Merriam #50 was checking light bulbs while gingerly cleaning each globe. It became apparent Dave cleaned and checked each and every streetlight in our park! Sue Bailey #188 graciously sends monthly reminders prior to each newsletter deadline. Followed by organizing, proof reading, adding detail and submitting for our enjoyment. One may say why? Because they love our park and each of us reap the benefits of the staff, board, and many volunteers such as these and we thank each of you that helped us achieve this year’s recognition.

We are so blessed to have full time residents that have the gift of kindness and a sense of pride for our park. It’s apparent that we have many stories and residents doing many behind the scenes tasks. As for the rec. committee we thank each of you. Your diligence and efforts do not go unnoticed.

Our recreation committee is looking for our next "chairperson" starting April 2024. This is a two-year term and a great opportunity to get to know our park at a deeper level. I will be happy to help the new chairperson in anyway necessary as they move into this position.

Blessings and good health... until next time.

# Cape Cod Massachusetts

By Paula Bunevith #202

**W**ell, here we are on Cape Cod Massachusetts, 4 community families live on Cape Cod, for the summer.

Cape Cod has 15 Towns and is located to the Eastern Part of Massachusetts. There are 3 bridges that lead to the Cape. All three bridges are in the Town of Bourne, which was settled in 1640, which is the first town you cross into if taking one of the bridges, The Three Bridges are:

The Railroad Bridge, Bourne Bridge and Sagamore Bridge. The Town of Bourne has 9 villages: Bourne Village, Buzzards Bay, Cataumet, Monument Beach, Pocasset, Sagamore, Sagamore Beach, Gray Gables and Bournedale. Bourne received its name from the political figure, Johnathan and Richard Bourne, President Grover Cleveland had a summer place at Gray Gables, from 1893 to 1896 it was destroyed by fire in 1973.

Bourne is also the home of the Aputuxet Trading Post the nation's oldest store. It was founded by the Pilgrims in 1627, at a site halfway between two rivers, which divide the cape from the rest of the state, it was out of this location that the Cape Cod Canal was formed which was the first trading post between the Dutch and the Wampanoag Native Americans. The Cape Cod Canal a man-made water way, separates the town of Bourne, so no matter which side you live on, it's considered "Entering Cape Cod". The Massachusetts Maritime Academy is also located in Bourne on the canal.

Next month we will look at another Cape Cod Town. Till then Enjoy the summer.

## Living with Gout

From NIH (News in Health) [newsinhealth.nih.gov](https://newsinhealth.nih.gov)

**G**out is a common and painful type of arthritis (swelling in one or more of your joints). It usually first appears in a big toe or lower limb. But other joints can be affected. Most types of gout are treatable, especially if caught early.

Gout is more common in men. It tends to first arise for them in middle age. Women usually develop gout only after menopause.

Flares of gout often start suddenly at night, with intense pain that may wake you up. Usually, just one joint is affected. It may feel swollen, red, warm, and stiff. Flares usually get better within a couple of weeks.

If left untreated, flares can begin to arise more often and last longer. They may be triggered by certain foods, alcohol, some medications, or illnesses.

Treatment plans are based on symptoms and the cause of your gout. Over-the-counter and prescription medications may help reduce pain and swelling during flares.

Lifestyle changes can also help you manage gout and reduce flares. Eating a heart-healthy diet can help. Also, avoid alcohol, red meats, and seafood to reduce the chance of gout flares. Losing excess weight may help minimize the number of flares you have. Learn more about gout at [www.niams.nih.gov/health-topics/gout](https://www.niams.nih.gov/health-topics/gout).

## One-Time Password (OTP) Bot Scam

By Sue Bailey #188 as an AARP Fraud Watch Fighter

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

**C**redit reporting company Experian warns that scammers utilize bots — automated programs — to deceive people into sharing the two-factor authentication codes sent to them via text or email from financial institutions (or from companies such as Amazon). The bot will make a robocall or send a text that appears to come from a bank, asking you to authorize a charge, then it asks you to enter the authentication code you’ve just been sent if the transaction isn’t yours. It’s actually the bot that’s trying to log into your bank account, and it wants the code that the bank sent to you as a precaution, so it can get in.

**How to stay safe:** Never share authentication codes, or provide other information, in response to an unsolicited phone call or text.

### Mary Rose Williams

Mary Rose Williams, 87, passed away peacefully on May 6, 2023, at the Vitacare Nursing Home under hospice care in Medford, WI. Mary was born on June 5, 1935, in East Chicago, to parents Robert and Dorothy Wilkins. As a child Mary grew up in Hammond, IN. After graduating, Mary continued her education at Sterling College majoring in Elementary Education. Mary began her teaching career in Ethiopia, Africa for two years, which she felt was both adventurous and rewarding. Upon her return to the United States, Mary began teaching in Milwaukee, WI. It is here where she met her future husband and love of her life Jim Williams. Mary and Jim were married on April 15, 1965, and then moved to Zion, IL. Later they moved to Waukegan

where they resided for the next 50 years. Mary Rose taught 5th grade at Beach Park School for 25 years and was beloved by her students and coworkers. Mary and Jim had one child, Jamie Hope, who was the love of their lives. Sadly, their world fell apart when Jamie passed at the age of 13 from leukemia. Mary is survived by her brother Robert, Medford, WI and nieces and nephews. She is preceded in death by her husband Jim; daughter Jamie; sisters, Sally, Janet, and Barbara. Please visit the online guest book at [www.congdonfuneralhome.com](http://www.congdonfuneralhome.com).

## **A Final Tribute to Mary Rose Williams Former Resident Lot #55**

*By Norma Moore #54*

**A**rare person indeed, intelligent, thoughtful, caring, but so much more. Mary Rose had such a zest for living, greeting each new experience with eager anticipation. She loved to learn, always signing up for courses especially related to the operas we would be watching during opera season. She wanted to enjoy them to the fullest with background information, others' opinions, and her own research. And then we would discuss them with exuberance on the drive home from seeing one!

Mary Rose was such a social person, enjoying a chat with people on her walks and, during covid restrictions, the dogs on her walks knew her and greeted her daily. She missed the informal encounters and visits in the mobile home park, her role as secretary/clerk for the nurse during 'blood pressure checking morning.'

She loved to sing and joined the little choir in the park and sang with them Leonard Cohen's Hallelujah at the Can-Am event before covid struck. What wonderful memories she had of their years in the park, especially when Jim was well enough to go to the park card parties.

Without doubt Mary Rose was one of the most physically active members of the park, riding her bicycle everywhere, then, as that became impossible, walking everywhere. She took Tai Chi several times, enjoying learning a new skill, a new form of meditation. But mostly her walks were social times as well as contemplative, physically healthful as well as invigorating.

She loved to read, and we shared books and the fun of discussing them together. Such a bright, intuitive person, but full of curiosity and imagination. What a wonderful teacher she must have been!

How she loved her daughter, who, tragically, died when only nine years old. She always missed her. And she loved to talk of time spent in Africa as a young woman, sharing her talents with others.

But it is hard to describe Mary Rose without talking about what she was like to be with as a person. Small in stature but big in heart, kind and caring. How I loved her voice! Soft and low, it was always as if she was sharing such an intimate, important secret!

Mary Rose, I was honoured and so, so fortunate to call you my friend.

Love,

Norma
