FROM THE PRESIDENT

By Mark Vetter

July, 2023

Hello Neighbors,
Happy Canada Day (July 1st) and Happy Independence Day (July 4th)

Canada Day is a federal statutory holiday celebrating the anniversary of Canadian Confederation. Originally called Dominion Day, the holiday was renamed in 1982, the same year that the Canadian Constitution was patriated by The Canada Act, 1982.

Independence Day, 1776 was the day that the Second Continental Congress unanimously adopted the Declaration of Independence, announcing the separation of the 13 original colonies from Great Britain.

Today these two countries live in peaceful harmony having the world's longest undefended border. This is a credit to the people of both countries.

I like to think of Clearwater Cascade as a microcosm of our two countries, where both Canadians and Americans live in harmony and the differences are minor. So as Canada Day and Independence Day are celebrated this year, I raise a toast to both countries and to our community here at Clearwater Cascade.

In Park news, we have purchased back empty lot/share 210 for \$25,000.

Cross Bayou Canal progress:

Level Engineering has met with City of Pinellas Park to discuss permitting requirements. City officials expressed their full support to the permitting approval process and waved any type of environmental impact study or hydro-modeling requirements. This is important to note because this will save around \$100,000 in total project costs. Additionally, the city will support Level Engineering's design and implementation of any erosion control structure that we select meaning that we can design and implement the most cost-effective and efficient structure. With the city's full support, this will also cut down on the permitting approval process by 9-12 months.

Cheers!

Mark

MANAGER'S MESSAGE

By Bobbi Gumm, CMCA

Independence Day – July 4th - Happy Birthday USA. The business office will be closed on Tuesday, July 4th for the National Holiday.

2023 Directories – The new 2023 resident directories are in, so if you have not received your copy, please stop into the office.

Need Help? – 211tampabay.org has provided the office with 211 Senior Directories for Pinellas books. These are great books with a lot of contact information. The book contains contacts for disaster resources, financial assistance, healthcare resources, home improvements, transportation and so on! Please stop by the office and pick one up.

Mosquitos – Mosquitos can get pretty bad this time of the year. Pinellas County has a mosquito control division. There are 11 zones in the county. If you are bothered by mosquitos around your home, call 727-464-7503, or email mosquitocontrol@pinellascounty.org and they will send someone out to inspect your home's exterior. For the best personal protection, use a repellent containing Deet, Picaridin or Oil of Lemon Eucalyptus and/or wear loose, light colored long sleeves and pants.

Rule Reminders-

Maintenance Fees - According to the Declaration of Master Form Occupancy Agreement, Monthly Maintenance Fees are due on the 1st of each month and become late on the 5th of the month. When payments are received late, the owner(s) is assessed a fee of either 5% of the delinquent amount of \$25.00, whichever is greater. When the next owner payment is received, it will first be applied first to an interest that was assessed, then to a late fee, then it will be applied to the attorney or management company's collection fee and finally the portion that remains will be credited to the maintenance fee payment. Therefore, when an owner makes their payment after the 5th of the month, if all collection cost **are not** included when payment is made, the amount submitted will not cover the maintenance fee and the account will be delinquent and continue to incur additional charges.

Fireworks – The Rules & Regulations state that no fireworks are to be discharged anywhere within the Co-op.

It is hard to believe 2023 is half over! Where does the time go? Before we know it, we will be doing holiday shopping and putting up decorations all over again!

I hope everyone at Clearwater Cascade has a very safe and happy Independence Day!

FROM THE EDITOR

By Donna Collins

What a wonderful way to start a new month, with two National holidays. Have a wonderful and safe Canada Day and Independence Day.

I have launched a new way to distribute our Chronicle Newsletter. It started with going online to read it in color and people asking, “How do I find it online?” So, I have put together a group of email addresses that I have for “Snowbirds” and “Sunbirds”. A link to the online Chronicle is included in these emails monthly in order to make it easier for people to find. I have received positive feedback from people who have received it for June. However, I only have a few addresses. So, if you know of anyone, including yourself, that might be interested in getting these emails, please send these addresses to me at collinsdonna12@gmail.com and I will add them to my list. This was initially started for seasonal people but can be expanded to include anyone who would like to read it in color. Pass the word along to anyone you think might be interested. Happy reading.

**WELCOME TO ALL THE NEW RESIDENTS IN OUR
BEAUTIFUL CLEARWATER CASCADE PARK. IT IS NICE TO

Shrubs & Trees

Submitted by Mark Vetter, President

The office continues to receive ARF's requesting resident's bushes, shrubs and trees be trimmed or in some cases removed when these are part of the landscaping around or behind your individual homes on your lot. Here is what our Rules state:

MOBILE HOME AND SITE

Part 1 Homeowners Responsibilities

d. **The resident is responsible** for the overall appearance of the home and site must be free of debris and shrubs must be neatly trimmed. Trees must be trimmed so that limbs do not hang on the roof of any home.

Furthermore, in a recent letter from our attorney, Marielle Westerman when asked about this issue wrote the following:

“There is no provision in the documents for the Association to maintain the trees located within the units.

As to your questions:

1. If the tree is on the common area and it is declared a danger, it must be removed by the Association...
2. The trees within the units are the members' responsibility to trim as the Association was not given the right to enter the units for that purpose. The law allows for the responsibilities of the land to the person using the land (i.e. a tenant or shareholder). Trees on the common area are the Association's responsibility.

Overhanging branches may be the responsibility of the “owner” of the tree however the neighboring unit has the right to cut back the overhanging branches to the property line.

So, there you have it friends. The trimming of these shrubs and trees within your unit boundaries are your responsibility as the resident.

Thank you,
Mark Vetter, President

COMMUNITY ACTIVITIES

By Maddy Haber & Debbie Creighton: Co-Chairs

Welcome Marie Louise Parker to our committee! Louise will be coordinating our community carport sale in February. Remember, if you have something to donate, please put it aside and keep it for us. We just don't have the space to store large items, but small items can be collected when Louise returns this fall.

Our committee will host the Bake Sale at the annual Craft Show being held on November 18. We will be asking for donations of yummy baked goods. Last year was a huge success. If you are a crafter, be sure to contact Jane Boucher to secure a table.

We would like to clear up a misconception. Several residents are under the impression that the Community Activities Committee (CAC) sponsors the fun, free recreation activities during the summer. We do not. All the summer activities are being done by a group of full-time residents who want to keep the park "alive" during the hot summer months. These activities are not fund-raising. They are free for all park residents. Donations are accepted, and used for the next activity. All money collected will be used for summer activities.

CAC fund raises by holding the Fla-Ming Cha-Ching, Bake Sale, and Carport Sale. At times, other fund-raising will be done if needed. These funds are used to support our sports activities, and at times, other important ventures that enhance Clearwater Cascade.

Please let us know if there is an activity that is in need of supplies. We will do our best to accommodate. Most recently we were able to provide dumbbells for the gym and new discs for shuffleboard.

VOLUNTEERS

By Jane Boucher

Memorial Day our Veterans Group provided us the perfect opportunity for fellowship to honor those who gave all so we could continue to live in freedom. The group provided grilled hamburgers and hotdogs and many of the folks in our community provided a bountiful feast of side dishes and desserts.

We had about 70 folks attend and special thanks go to those of our Veterans Group: Jack Moore, our leader, Gerry McGovern, James Egan, and Kevin Begley. Special thanks to Mary Ann White who coordinated this effort along with help from Ann Vetter, Sam Gaines and Theresa Parson. And, thank you to Cindy Herbert who put all the leftover food to good use feeding those housebound in our community and feeding others in need. We truly live in a beautiful community.

Our Summer Gals still have many events planned for the coming months, so come join the fun.
