## BOARD ALERT: BRIAR CREEK COMMUNITY – MISSING ITEMS

**D**irectors from the Phase I and II Boards met to discuss concerns over some items or lawn ornaments which have been removed from owners’ properties. We also understand with hurricane season, some may be anxious about items on lawns or outside on properties of snow - birds or vacant properties which could be projectiles in high winds. The boards ask that if you contemplate moving something to another property, please contact a member of your board first. In our discussion we have decided to post at the entrance to the two phases of Briar Creek a sign indicating the community is under camera surveillance. As you may know both Phases have recently installed cameras in our common areas. We also realize many owners in Briar Creek have home surveillance systems installed. We do ask those who have these devices, please “If you See something Say something”. If you see something suspicious or you see something that does not look right, contact the Sheriff’s department 727-582-6200 and/or contact a Director on your Board. Between your surveillance equipment and the associations’ surveillance equipment our community is truly under surveillance. We hope signs being posted at the entrances are a warning to others outside of our community, who may enter with less than honorable intentions, we are all watching. If something is truly amiss, this may inform others we are a united community and we are observing.

## EMAIL NOTIFICATIONS FROM THE BOARD

Gene Arend, Director

**B**y now 274 of the 317 Owner's should be receiving email message notifications from the Board of Directors. The e-mail message is sent from the website host system [no-reply@vinteumneigbrs.com](mailto:no-reply@vinteumneigbrs.com). This is a non-reply address so do not reply to these emails as the computer is not designed to communicate or respond. Check your Spam as some email applications, such as AOL, privacy settings may see a mass mailing as SPAM. If you are not getting the emails check with [briarcreekoﬀ@gmail.com](mailto:briarcreekoﬀ@gmail.com) and we can investigate. If you are leasing a property in Briar Creek I, the State Law 718 which governs our by-laws and operations, prohibits the board from sending some information or notification unless you are a registered "owner". We have set up a means to send non-official notifications to lease residents. This is also a reason why Board matters / information cannot be posted on social media, such as the Facebook account created and nicknamed BCE. The board tries to keep you informed of events that may impact you. This seems to be the most effective way to communicate. If you have a question on something, check your email first, the answer may be there.

## ROAD SAFETY

*Kim Ramalho, Vice President*

---

**O**ur Residents enjoy walking the beautiful streets of Briar Creek (Phase I & II). They are out for exercise or walking their dogs. Accidents can happen at any time. Please remember to use caution when driving motorized vehicles in the park (obeying Speed Limits and Stop Signs). Also remember to walk bikes across the bridge. It is for pedestrian foot traffic Only.

## THE POOL

*Pat Rivera, Director*

---

**T**he moment has finally arrived!

The pool is up and running with computer-controlled temperature at (or near) 84 degrees, year-round. This is the ideal temperature recommended to be comfortable and not so warm to allow bacterial growth, algae and other unwanted life forms.

Sometimes, swimmers are heard remarking that our pool reminds them of a tropical resort in paradise. One of those features which creates that image is the trees. At times, rain and wind will deposit foliage in the pool. There are usually three nets resting around the perimeter of the pool. Almost every morning, you can see bugs floating (dead and alive) on the surface of the water. The nets are available for anyone to use to skim the bugs, leaves or any other floating items from the water. It is an easy task; instant gratification is the reward.

It is a thrill to welcome several Phase 2 ladies into the mermaid aqua aerobics group. Morning meet-up time may change during the summer months; we follow the sun on the water rule.

# Briar Creek Bugle Phase II – JULY 2023

(Pete Loranger - Editor Phone 421-2321)  
(E-Mail: ploranger006@gmail.com)

## Board of Directors:

### Bob Raynor – President

In 1934, George Gershwin composed the famous Broadway Show “Porgy and Bess”.

Dubose Heyward wrote the lyrics for the show’s most famous song “Summertime” with

the words we’ve all heard before “Summertime and the Living is easy”. Summer has arrived in Briar Creek and life here in the “hood” is fantastic. Was a little dry at first, rain has been coming and it’s a bit warm but, hey, so far the living has been easy. We hope this finds our resident snowbirds and travelers enjoying that kind of summer life as well. So rather than write about policies, procedures, issues and concerns, I thought I may just take a step back and say “Happy Birthday to our country and from your BCII Board to our residents, have a wonderful July 4th and joyful summer. So below is a little trivia about July 4th we hope you will enjoy.

#### DID YOU KNOW?

Thomas Jefferson was the main author of the Declaration of Independence?

That every Independence Day, the Liberty Bell rings 13 times?

That the official name of the Statute of Liberty is “Liberty Enlightening the World”?

That Americans consume an average of 150 million hot dogs on July 4th?

That the first official July 4th celebration was in 1777 in Boston and with fire works?

That sadly, most American flags are made in China?

That nearly 70 million cases of beer are sold on July 4th weekend each year?

That Ben Franklin wanted the Turkey to be our National Bird?

That 56 founding fathers signed the Declaration of Independence?

That July 4th first became a National Holiday in 1938?

That July 4th is also Independence Day in the Philippines?

That Thomas Jefferson and John Adams both died on July 4th, 50 years after 1776?

Have a wonderful July 4th Celebration and continue to be safe throughout the summer.

### Sam Oliverio – Director

As we proceed in to the throws of Summer, the Sun is reminding us that Sunscreen can be our best friend. As much as we need to protect our bodies from the rays of the Sun, please remember to shower off the sunscreen before entering the pool and hot tub. The

oils in the solutions can have a negative effect on the ph balance of our amenities. Thanks to all who help keep our pool area and deck in pristine condition by placing trash in the provided receptacle, and by returning the chairs to their locations before use. This enables us all to have an enjoyable pool/spa day.

### **Bonnie Briggs, Condo Board Secretary**

#### Summer Alterations

**D**uring Jim Tashjian’s summer absence, I will be taking over for alterations once again. Please make sure you include all the information on your request and submit it BEFORE you start the alterations. The request form should be placed in my rock box as I don’t always go to the condo office in the clubhouse.

Please be aware that approvals may take a little longer since we don’t have as many condo board members available during the summer..

If you have any questions, please feel free to contact me. My number is in the phone directory.

Thank you for keeping our community beautiful.

### **Briar Creek Community – Missing items**

**D**irectors from the Phase I and II Boards met to discuss concerns over some items or lawn ornaments which have been removed from owners’ properties. We also understand with hurricane season, some may be anxious about items on lawns or outside on properties of snow birds or vacant properties which could be projectiles in high winds. The boards ask that if you contemplate moving something to another property, please contact a member of your board first. In our discussion we have decided to post at the entrance to the two phases of Briar Creek a sign indicating the community is under camera surveillance. As you may know both Phases have recently installed cameras in our common areas. We also realize many owners in Briar Creek have home surveillance systems installed. We do ask those who have these devices, please “If you See something Say something”. If you see something suspicious or you see something that does not look right, contact the Sheriff department 727-582-6200 and/or contact a Director on your Board. Between your surveillance equipment and the associations surveillance equipment our community is truly under surveillance. We hope signs being posted at the entrances are a warning to others outside of our community, who may enter with less than honorable intentions, we are all watching. If something is truly amiss this may inform others, we are a united community and we are observing.

## Social Club President Elect

Carol Smitley

I want to congratulate the Entertainment Committee (Kathy Morrison, Margi Sweets, Bettye Gilreath and Rose Fjelstad) for the awesome program for the Memorial Day breakfast. We need to remember the fallen soldiers who have fought for our country. I certainly hope that this will be an annual event.

## Spending Money Wisely

Carol Smitley

The Social Club committee “Spending Money Wisely” requests input from the community as to what you would like to spend money on, for the betterment of our clubhouse. If you have a suggestion, you would need to know the cost and who is going to do the work, before submitting it, in writing, to the committee for consideration. If the committee thinks it’s something we can do, it then goes to the condo board for their approval. After that, at a social club business meeting, you would make a motion to spend x dollars for x project, the members would then vote yea or nay.

To submit an idea, send email to Carol Smitley, [csmitley1@tampabay.rr.com](mailto:csmitley1@tampabay.rr.com)

Or put it in my rock box at 144 Briar Creek Blvd. or give it to me at a Saturday morning coffee.

Carol Smitley

Social Club President Elect

thebc2connection@gmail.com.and we will see if we can help.

We had a few residents that were not getting the emails, so they set up a Gmail account for the sole purpose of having all thebc2connection emails forwarded to their main email address. This has worked for many; it may work for you. Be sure to give us your new email address if you decide to do it. (This probably works with other email servers, but Gmail is what we tried.)

It is important that everyone can receive these emails because this is our way of reaching out to our community for fun events, but also important “need to know” information. Let’s work together on this project to be sure everyone is receiving important information.

# The Healing Power Of Forgiveness

Dr. Marty Finkelstein

In all spiritual teachings there is the consistent message of forgiveness. It is a difficult journey for anyone to learn how to forgive when sometimes our pain digs so deep. All of us have been hurt to some degree, yet with the many atrocities that have occurred to some it is often difficult to imagine. Yet it is only in forgiveness that we ourselves become free from anger, hate, shame, judgements, and revenge. I have found it worthy to study the lives of people whose life radiates the spirit of forgiveness. If we read about Nelsin Mandela, Gandhi, Desmond Tutu, Buddha, Martin Luther King, and Jesus, we discover the deep rooted spiritual understanding and importance if forgiveness. In our own lifetime we observed Nelson Mandela imprisoned for 26 years and when finally released united his Country. Even appointing many of his enemies to prominent positions. When asked why he did not seek revenge from the people who unjustly convicted him, his answer was pure and simple. That stored up anger and revenge would have only destroyed me.

As we begin to develop the heart of forgiveness, we bring that gift for others to see what is possible in their lives. With forgiveness comes deeper compassion, love, and wisdom in this journey of life. Forgiveness frees us from the dis-ease of toxic emotions that can aggravate our vitality and health.

During my own time of separation and divorce, I was filled with anger, sadness, and at times rage. In one particular moment when I felt the horror of my life spinning out of control, and becoming a person I did not want to be, I asked for guidance in a prayer-meditation. How would I live with myself, I thought if nothing changed. Within a few minutes though I heard a voice say, In your deepest rage and anger you will discover deeper love, compassion, and forgiveness. When I came out from the meditation I felt waves of peacefulness as anger and rage were gone. I saw and realized a new vision for my family where healing could be possible for us all. Though it was not instantaneous healing did occur in which that story is in my book, *Divorce: An Uncommon Love Story*.

The words, forgive them, they know not what they do, has always resonated within my spirit profoundly. Like a muscle we have to exercise it each moment.

Reflections:

1. Who in your life do you still feel resentment or anger toward?
2. What do you still judge yourself about?
3. Do you believe you have healthy relationships with each person in your family?
4. Imagine if you felt free from judgment, blame, and no longer felt the need to prove anything to anyone or feel defensive about anything.
5. Imagine the freedom and abundant energy when no longer holding onto toxic emotions.

Dr. Marty Finkelstein lives in Briar Creek with his wife Julie Austin. Many of his books can be ordered from Amazon.

## Humane Society & the Haven

*Barbara Bergling*

Thanks for all your generous donations for the Humane Society and the Haven. I used to be able to donate clothes, but they no longer accept them. The exception is new socks for children and things in all sizes for use in the show.

The humane society and the Haven also don't accept sheets. Remember that if your linens are in good condition, we sell them at our bazaar.

The humane society request is for everything you are donating but especially towels. Also, they receive a lot of dog food and treats but very little cat food or treats. Thanks to all of you for your donations. As I have said before, Briar Creekers are extremely generous.

Thanks again everyone

Barbara Bergling
