What's New to Southernaire!!!

A Big Thank You to: Jeannie for taking care of the butterfly garden. It is just so beautiful! Please take a look!!!!

Welcome New Residents:

Gene Lot 211

Notes from the Management:

There has been a lot of cars speeding up and down our streets. Please slow down! A lot of residents walk around the park. Please note the speed limit is 10 mph.

PICK UP YOUR DOG POOP!!!!

Reminder! Please pick up your dog poop! We have poop bags at the Dog park and near the dumpsters. And everyone has on hand grocery bags from shopping so there is NO excuses. Please respect others!

NO STREET PARKING!!!

AT ANY TIME. Our streets being very narrow. When you park on the street it is very difficult for residents to get by. We have some parking at the club house if needed.

If you do not comply you will be warned first in writing then if you continue to park on the street your car will be towed at owners' expense within 24 hrs.

Plumbing Inspection!

Had a sewer inspection and the report was not good. Lots of grease in pipes. So please do not pour grease down drains and in toilets. Nothing but 1 ply paper down in toilets.

Trim Shrubby

Reminder! Please trim all shrubs around mail boxes and tubes so we can deliver mail and the newsletters without getting stung.

SERVICES

We have many residents that offer services like handy people for home repairs, hair, nails, dog walking etc... Check with Julie in the office for their numbers.

Also, A Reminder: to all homeowners not required but recommended to have their entire skirting area screened off or blocked off so critters cannot get under their home.

Thank You, Management

July Birthstones

Ruby

Ruby is the July birthstone – and it is one of the most coveted of gems. The name is derived from the Latin word ruber, meaning “red” – the color of love and passion.

July Awareness

Cord Blood Awareness

The Office of Disease Prevention and Health Promotion designates specific National Health Observances (NHO) dedicated to raising awareness about important health topics.

Healthy Vision Month

Be part of Healthy Vision Month 2023. Help us spread the word about steps Hispanics/Latino families and caregivers can take to protect their loved ones’ vision — especially for children and older adults. Hispanics/Latinos have high rates of vision loss caused by some eye diseases. By taking steps to improve your family’s eye health, you are working for health equity!

July Is Juvenile Arthritis Awareness Month

Did you know that July is Juvenile Arthritis (JA) Awareness month? An estimated 300,000 children in the U.S. — that is 1 in 250 kids — are affected by some form of JA. This disease takes a unique physical and emotional toll on kids, often resulting in debilitating pain and feelings of loneliness or depression. JA can make it especially challenging for kids to say Yes — Yes to playing, yes to hanging out with friends, Yes to spending time with family, Yes to being a kid!

Vanilla Yogurt and Berry Trifle

Ingredients

- 2 (10-ounce) packages frozen strawberries, thawed, strained, and juice reserved
- 1 (12-ounce) package frozen raspberries, thawed, strained, and juice reserved
- 1 1/3 c. confectioners' sugar
- 1 1/2 tsp. cornstarch
- 3/4 c. heavy cream
- 3 (16-ounce) containers nonfat vanilla Greek yogurt, such as Chobani
- 40 ladyfingers
- 2 tbsp. orange liqueur such as Cointreau (optional)
- 1 (16-ounce) package frozen blueberries, thawed and drained

Directions

1. In a medium saucepan over medium heat, whisk together raspberry and strawberry juices with 2/3 cup sugar and cornstarch. Boil until thickened, 1 to 2 minutes. Transfer to a medium bowl and refrigerate until cool, about 20 minutes.
2. Meanwhile, in a medium bowl, whip heavy cream to stiff peaks; set aside. In a large bowl, combine yogurt and remaining 2/3 cup sugar. Fold in whipped cream.
3. Break ladyfingers in half. Place half of them in a 2-quart glass bowl or trifle dish. Drizzle cookies with 1 tablespoon liqueur, if using, and dollop with one-third of yogurt mixture. Spoon half of berries over yogurt mixture, then drizzle 3 to 4 tablespoons thickened juices. Layer another one-third of yogurt mixture over berries, followed by a layer of remaining ladyfingers. Drizzle with remaining 1 tablespoon liqueur and dollop with remaining yogurt mixture. 4. Top with remaining berries and 3 to 4 more tablespoons thickened juice. Refrigerate until chilled, about 2 hours, before serving.

The importance of proofreading ...

The following is a list of newspaper corrections that has been widely circulated over the Internet:

- Important notice: If you are one of hundreds of parachuting enthusiasts who bought our Easy Sky Diving book, please make the following correction: on Page 8, line 7, the words state zip code should have read pull rip cord.
- There was a mistake in an item sent in two weeks ago which stated that Ed Burnham entertained a party at crap shooting. It should have been trap shooting.
- There are two important corrections to the information in the update on our Deep Relaxation professional development program. First, the program will include meditation, not medication. Second, it is experiential, not experimental.
- Our newspaper carried the notice last week that Mr. Oscar Hoffnagle is a defective on the police force. This was a typographical error. Mr. Hoffnagle is, of course, a detective on the police farce.
- In a recent edition, we referred to the chairman of Chrysler Corporation as Lee Iacocoo. His real name is Lee Iacacca. The Gazette regrets the error.
- Apology: I originally wrote, “Woodrow Wilson’s wife grazed on front lawn of the White House.” I’m sorry that typesetting inadvertently left out the word “sheep.”
- In one edition of today’s Food Section, an inaccurate number of jalapeño peppers was given for Jeanette Crowley’s Southwestern Chicken Salad recipe. The recipe should call for two, not 21, jalapeño peppers.
- The marriage of Miss Freda vanAmburg and Willie Branton, which was announced in this paper a few weeks ago, was a mistake which we wish to correct.

—from various online sources

How a town got its name

Sometimes towns get their names because of founders, prominent citizens or natural landmarks. But a town in southern Ohio has a more colorful history it would seem. Knockemstiff, Ohio, is a tiny hamlet that has no main roads or stores. One story about how the town got its unusual name is that it was named for the fighting ability of its young men. Another story is that there was a huge brawl in the town saloon. The third, and final story about how the town got its name is that an angry wife asked the town preacher how she could get her cheating husband to stay home. The preacher’s answer: “knockemstiff.”
