MANAGER'S CORNER

By: Victoria Greenwood
August 1, 2023

MANAGER

HOME MAINTENANCE

We would like to give a shout out to all the residents who have been keeping your homes maintained and looking fabulous. We appreciate you maintaining the beauty and charm of Sugar Creek. In the month of August, we will be looking at roofs that need to be cleaned. Please take some time to look around the outside of your home and your roof to see what needs to be done. Of course, we are also looking at your entire lot.

GUESTS

We all love to have company occasionally. Please remember to sign your guests in with the office for anyone who is not an owner or renter of your home. This includes kids, grandkids, family members and friends. See Park rules page 1, # 3 & 4 below:

3. All guests staying overnight must be registered upon arrival. Guests arriving after office hours must be registered in advance or the next business day when arrival was not anticipated. Residents are responsible to see that their guests wear their assigned guest badges at all times when park facilities and pools are being used.

4. Residents are responsible for their guests' actions. Residents will accompany all guests under the age of 18 while such guests use recreational facilities.

LADDERS

Do not leave your ladders leaning up against your home. This is dangerous for you and your neighbors, especially during storm season. Make sure any items you have around your home are secure and will not blow in the wind. If you have an umbrella, it should be closed every night and when not in use. We are in Florida; wind can appear without warning.

PARK RULES AND REGULATIONS

Homeowners were given a copy of the rules and regulations for Sugar Creek when you became a resident. From time to time, please look at it to remind yourself of the community rules. If you misplaced it or do not have a copy, please come to the office, and pick one up.

PARK EMERGENCY NUMBER

If you have a park-related emergency the phone number to call is 727-301-9589. This number is on the first page of every issue of the monthly media as well as the community phone book on page 1. The number is also posted on every door to the clubhouse. Please keep this number handy in case of an emergency.

continued on page 6

HOME SALES

We often have people come to the office telling us Sugar Creek is a desirable community, so thank you to our residents for making Sugar Creek a friendly and welcoming environment for all. If you are considering selling your home, just let Daniel or Vicki know and we will use the resources at our fingertips to sell your home quickly and for a great price. We are here to help: 727-586-2002.

SUGAR CREEK HOA

As is the usual summer trend, your Sugar Creek Board of Directors found during our recent canvassing visits to residents, many of you were not home, or understandably, reluctant to answer the knock on your door. Therefore, we will continue our Team Membership drive through canvassing of residents when our friends and neighbors come back to us in the fall and winter.

However, it is so very important that we build our Membership in the Homeowners' Association now. It is through strength in numbers that we can challenge increases in lot rentals, reduction in services and utilities, make positive changes in rules and regulations, and be heard by Ownership when we speak up for YOU. Because of this, we will continue to leave the 2-1-1 Senior Directory at occupied residences along with a sign-up membership opportunity.

With your help, let's go for full Membership on behalf of the Sugar Creek Homeowners' Association Board! If you have any questions, do not hesitate to contact any member of the Sugar Creek Homeowners' Association Board of Directors.

Your Brain May Need More Sound

When your brain lacks access to some sounds due to a hearing problem, it has to work harder to fill in gaps, which can be tiring. It also means you could be missing out or feeling that you are not at your best.

DECLARATION OF DOMICILE

DOMICILE refers to the place you call home permanently. You may have more than one residence, but establishing your domicile is important for legal purposes such as paying taxes, voting and claiming benefits. This is especially important to those of you who are snowbirds but equally important to those of you who have more than one residence elsewhere.

A Declaration of Domicile Form is available to you through the Clerk of Courts in Clearwater and you can obtain it on line as well. Once it is completed (a simple form) it requires notarization and a filing fee of \$10.00 with the Clerk of Courts in Clearwater.

The Declaration of Domicile states that you intend to make a specific state your permanent address. You may have a 2nd residence but it is not where you plan to register your car, establish your banking, pay taxes or vote. Declaring your location of domicile can protect you in legal matters including estate planning. As a general rule, a domicile is where you spend most of the year, usually more than half. In Florida, it usually means 6 months plus one day or more. You may want to discuss this matter with your legal counsel before pursuing the Declaration of Domicile.

SUGAR CREEK SOCIAL CLUB PRESIDENT’S MESSAGE

Welcome August, “the gateway to Fall”
The 4th of July party was a great day. Wonderful food, and good friends sharing a special time.

We had the food distribution on July 6th. Human sponsored the event and handed out 30 bags of produce, bread, rice, and other items. Everything went great and we are looking forward to the next one.

There are no games scheduled for August, but will resume in September.

Hope to see everyone still here at the pool.

May the warm days of August fill you with joy!

A MOMENT OF HUMOR

I need everyone to wish me luck. I am going to the bank later in the day and if all goes well, I will be out of debt when I leave. I am so excited I can barely put my ski mask on.

On finding perfection

Two men met on an airplane and began to talk. They asked each other the usual questions, and it came to be disclosed that one of the men was married and the other man was not. After a while the married man asked, "Why is it that you never married?"

The single man looked pensive then said, "Well, I think I just never met the right woman, you know."

"Oh, come on, man," the married man replied, "surely you've met at least one girl during your lifetime that you wanted to marry."

The single man once again thought about the man's statement, "Well, yes, that's true," he said. "There was one girl ... once. The perfect girl. Actually, she was the only perfect girl I have ever met. Everything she did was absolutely right on. She really was the perfect girl for me."

"Well, why on Earth didn't you marry her?" the married gent asked?

"She was looking for the perfect man," the other replied. — adapted from www.OneSmartClick.com

Ready, set - get your energy flowing

If you feel sapped of all life, maybe you need to reenergize. Your energy is the essence of who you are. The ancients who studied energy did not see it as something expendable that you run out of, but rather saw it as a force that can become blocked. You can unblock your energy by making some healthy and balanced changes in your life. Here are some suggestions on how to get your energy going:

- Take a shower—and contrast the temps. That means after your regular warm shower, turn the knob to dispense water as cold as you can bear for 30 seconds. Switch it back and forth two or three times. Make sure the water hits your chest, back and back of the neck.
 - Skip the coffee and start out with something that will truly perk you up. Pour hot water into a cup, add the juice of one-quarter to one-half lemon and shake in a pinch of cayenne. The sour taste of the lemon releases bile and stimulates digestive juices. Cayenne stimulates gastric acids in the stomach and raises metabolism. It gets everything started.
 - Thump yourself. It will invigorate you, so give it a try. Gently pound the insides and outsides of your arms and legs with loosely closed fists. Then try it out on your solar plexus, lower back and neck and your abdomen. It will increase your circulation and make you feel good.
 - Exercise. Get your heart moving. It will trigger the release of chemicals in the brain that will make you feel good.
 - Eat your breakfast. And continue eating small meals throughout the day, so you don't hit that wall in the afternoon.
 - Stretch your bod. When you're feeling washed out, try some stretching exercises to re-energize.
 - Go ahead—sparkle. Turn the volume up on whatever it is you do best. Try throwing in that extra oomph. Don't act like some lunatic or a phony. Just try being more upbeat than you usually are. Pay attention to how people respond.
 - Seek out those who are energetic. Good energy after all is contagious.
 - Break free of your rut. Let your energy be free and see where it takes you. Go to a new restaurant. Listen to music you've never heard before.
 - Put your personal stamp on everything you do. Living creatively does not necessarily mean you turn out amazing works of art. It does mean that you bring your uniqueness to everything you do, though. Dare to live an inspired life.
- adapted from body+soul

Resolve to be tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant with the weak and the wrong. Sometime in life you will have been all of these.
— **Lloyd Shearer**
