FROM YOUR SOCIAL COMMITTEE

Jan Kearney / President

Saturday mornings at 9:00

The residents of Glenwood Estates are invited each Saturday morning to get together to visit and chat with our neighbors and friends. We have coffee and donuts along with bagels. Volunteers make the coffee and there is a sign-up sheet on the bulletin board so please sign up if you are interested in helping. We greatly appreciate it! We have people who will be glad to help you learn what is involved in preparing the coffee.

Coffee costs \$1 and the donuts and bagels are \$1 each.

We look forward to doing more functions for you in the near future, so be sure to check the Clubhouse Bulletin Board for the latest information.

Thank you for your support and feel free to give any suggestions or ideas to the Social Committee members.

BINGO

Beth Pickett, Georgia Fox, and Linda Geary

Bingo will return in mid-October. Many thanks to Rick Geary and the Bingo Crew for all the fun evenings!

I GOT IT GAME

Georgia Fox and Beth Pickett

Come check us out on Tuesday evenings at 6:30 for I Got It. It's really an easy game and we have so much fun that sometimes giggles turn into snorts!! You can play 1 card or many, 1 game or all 15. You can join in at any time. We play 15 sets an evening. Games 1-4, 6-9 & 11-14 are \$1.00 per sleeve. Games 5, 10 & 15 are \$2.00 per sleeve. Games 5 & 15 are regular games with double pots and game 10 is a reverse game with a double pot. A reverse game is where you don't want your card to be called and the last person left wins the pot. Play is simple. You pick out a random sleeve of cards & enough poker chips to cover the card. The caller then shuffles a deck of cards & starts calling from the deck. If you have the card, you place a poker chip on it. When you get 2 out of 3, you say "Holding". The only reason for this is to mess with the other players. When you get all 3 of your cards on one sheet you say, "I Got It" and you win the pot. My favorite part is the bantering between the players. There is always someone there to help you. Would love to see you there!!

JULY 4TH PICNIC

Thank you to the Social Committee Board and all those who made the 4th of July party lots of fun! The food was delicious and all the volunteers deserve a big round of applause!

Your Brain May Need More Sound

When your brain lacks access to some sounds due to a hearing problem, it has to work harder to fill in gaps, which can be tiring. It also means you could be missing out or feeling that you are not at your best.

How to overcome insomnia

If you suffer from insomnia, you know how miserable it can be. About half of all Americans report chronic problems sleeping. Here are a few things you can try to get yourself on the way to a perfect night's sleep:

- Set your body clock. It will take about two weeks to do this. Set a time for bed and awakening that work with your lifestyle. You'll also want to make sure that you're allowing yourself enough time for sleep. Then stick to your routine. Don't take naps during the day.
 - Prepare yourself, so that you can sleep deeply. That means stay away from caffeine and nicotine for at least six hours before you plan to sleep. You will also want to avoid alcohol and marijuana, or other recreational drugs, at least six hours before you sleep. They can predispose you to anxiety or depression—and that can turn into a sleep problem. You might also want to try a snack of bananas and warm milk. Both are high in tryptophan, which can help you get to sleep. Avoid fluid intake, so you won't be awakened by the need to go to the bathroom. Exercise regularly (five times a week), and you'll be surprised at how much your sleep will improve.
 - Stretch and meditate. Doing this just before bedtime will relax you.
 - Avoid the television and computer for one hour before you sleep. These light sources can encourage your body to stay alert. And they can also keep you thinking, which can interfere with sleep.
 - Make your bedroom perfect for sleeping. Make it dark, and make it quiet. And make your bed comfortable and cozy. Keep the temperature setting at whatever works for you.
- adapted from Utne magazine

Is organic milk really better for you?

Does “organic” milk really have more nutrients than non-organic milk? The Danish Institute of Agricultural Research suggests that it does. Researchers found that organic milk from pasture-fed cows has significantly higher levels of antioxidants, omega-3 fatty acids, beta carotene and Vitamin E. It may all go back to what our mothers pounded into our heads: You are what you eat. Organic, pasture-fed cows eat lots of grass and clover. Non-organic cows are sometimes fed genetically modified feed, plastic pellets, manure and urea. — adapted from “Got organic milk?” by Alexis Adams in Natural Home & Garden

Now, that's flattering

The actor, Tony Randall, once recalled walking down Madison Avenue when he spied a very attractive tie in a shop window. Randall went in and immediately the storekeeper recognized him. The shopkeeper was so excited he told Randall that he just had to call his wife while the actor was standing right there because she was never going to believe he was in the store.

The storekeeper proceeded to call his wife and asked Randall to speak to his wife—to just say anything.

Randall said that he was so flattered that he bought the tie and six shirts, but then realized he did not have enough money to pay for the items.

The actor asked the shopkeeper if he would take a check, and the shopkeeper replied, “Do you have any identification?” — adapted from the Anecdote Web site

On being consistent

There was a woman who frequently turned up in traffic court to answer routine traffic tickets. Each time she came in over a period of years the judge asked her the same standard questions.

“What is your age?” he asked.

“Thirty,” the woman replied.

“Come on now, lady,” the judge said, “you’ve been coming into this courtroom for five years, and you always give me the same age.”

“I know,” agreed the woman, “but I’m not one of those people who says one thing today and another thing tomorrow.” — adapted from Laughs for Teens, compiled by Arthur Liebers

Memo: In our infinite wisdom we have decided ...

If you’ve ever worked in an office, you’ve probably had someone in management decide that it would be a good idea for everyone in the office to move to another location or desk. Who knows where this crazy restless exercise originates in the minds of those who order it, but apparently the practice has been around for quite a while. Harold Ross, the famous founder of The New Yorker, was so fond of moving the desks of workers and the partitions in the magazine’s offices, that James Thurber hung a sign in the entrance hall that read: “Alterations Going On As Usual During Business.” —adapted from Laughter Incorporated, by Bennett Cerf

On progress

— James Thurber
