Cover Story: Palm Hill Cycle Club – Come join us!

Cycling and other exercise activities are naturally social – get connected, have some fun, and get exercise designed for you. Check out our schedule and come meet some Palm Hill friends. Come ride with us! It'll be good for you in more ways than not.

- All types of bicycles are welcome – Traditional, Electric, Recumbent and others.
- We meet at least once a week and ride to different places around the area.
- We start riding within Palm Hill. This gives everyone an opportunity to ride a short or long distance.
- Once we complete the route in the park, for those that would like, we ride to a destination, we might grab a bite to eat or a rest area and then circle back to Palm Hill.

Want to learn more about the Palm Hill Cycle Club reach out to your Lead, Rich Nicholson or your Wellness Team Member, Bonnie Swanson.

* Look at the article in this addition of the Link to read about the benefits of bicycling.

We look forward to you joining us.

Editor's Corner

HELLO PALM HILL!!

It is still HOT HOT HOT---and so is our South Clubhouse. BUT our South Clubhouse events are still going on---just relocated to our North Clubhouse until we get it fixed!!

We had many good times in July!! On July 2nd we had a beautiful, decorated Golf Cart parade to celebrate Independence Day and we hit every street in the park!! After, we settled at the North clubhouse parking lots to enjoy the Largo fireworks display---then after that I saw more FIREWORKS on the left and then driving home I saw more on Ridge Road!! I must say that this was a whole new experience for me!! In Jersey most fireworks are strictly prohibited and here I saw and heard them for like a week, everywhere...lol Very cool!!

On July 8th we had a wonderful turn out for Wine Tasting---If you missed it---make sure you don't miss the next one we hope to have in the future!! There were many unique looking bottles and lots of great appetizers!! Fun wine Trivia and LOTS of Wine Tasting---or should I say LOTS of empty wine glasses...lol When I go to these functions it amazes me!! I see what can be accomplished when everyone does just a little something---and it turns out perfect because we have such a GREAT community!! Kuddos to Linda Keehl and all her lovely helpers!!

LOOK INSIDE FOR SOME WINE TASTING PHOTOS-----

The Craft Class held on July 13th was so GREAT!! We painted Rocks and Mandalas and each person's creation was unique and beautiful!! Such a fun time with paint---I was so pumped that I took the leftover paint home and painted a bunch of rocks in my yard...lol... More events like this will be held in the future so don't miss them!!

Potluck on the 14th was a little smaller than usual because of people vacationing BUT we still had lots of GREAT food---and Linda makes a mean bread pudding with this yummy sauce!! We always play LRC (Left Right Center) after dinner and MAMA is the luckiest 100 year old lady I know.....I am gonna think twice before I sit next to her again....lol....And she's very photogenetic....see her picture in the potluck section!!

I hope to see everyone at the August events, in the meantime.....

Everyone Stay Cool and Stay Active!!!

Respectfully Submitted Kris

DRIVER COURTESY REMINDERS AS SEASONAL RESIDENTS RETURN

WHOOA, NELLIE! Speed Limit is 15 miles per hour. Watch speed around corners, especially as you get close to the Park's exits/entrances. Like a horse that breaks into a run when he sees the barn up ahead, sometimes our cars speed up when nearing the Park exit roads.

PLEASE TAKE CARE WHEN DRIVING AROUND PALM HILL

Neighbors chatting, pets on a stroll with their humans, people walking or bicycling, golf carts or cars parked in the street, and delivery vehicles are all on our sidewalks and streets. As the weather cools, more people will be bicycling, walking/running for exercise, and just meandering around Palm Hill. Please also take care on corners and intersections and please stop at stop signs.

PLEASE AVOID THE STREET GRATES that cover the sewer lines, if possible. Avoidance will decrease sudden rattling noise for the neighboring residents and preserve the gates.

Golf carts are not to be operated by anyone under the age of 16 even with an adult.

RULES & REGULATIONS

Palm Hill Decals & Parking Permits

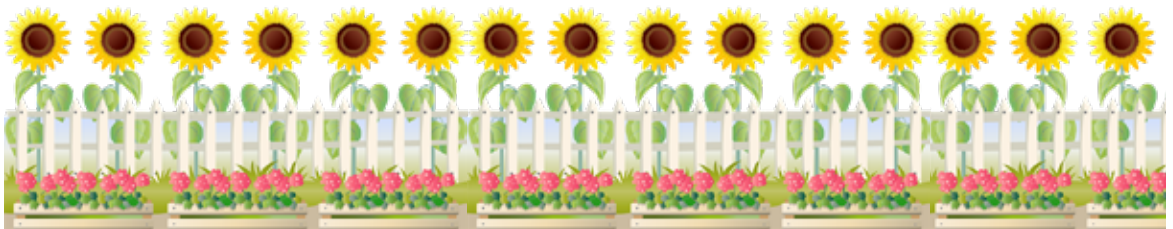

Owners/Residents of Palm Hill Country Club - Need to be sure that all their vehicles are registered and have a Palm Hill decal. This decal is to be placed on the driver’s side bottom of the windshield, allowing the decal numbers to be always visible.

Renters - Need to be sure they are displaying the parking permit on their vehicle while it is on Palm Hill property. This means in your driveway or when parking anywhere on the property.

Visitors - Visitors parking on Palm Hill property even overnight must have a parking permit displayed on their vehicle while parking not only in a driveway but when parking anywhere in the park. The permit must be displayed to show the home being visited and the dates. Their hosts should obtain the permit at the office any time prior to their guests’ arrival.

Violations – If you get a violation on your windshield, this means only that you need to register and get a decal or a parking permit. Decals and permits are provided at the office Monday through Friday; however, the parking permit may be obtained any time prior to the visit. The only information required is the address and the dates of the visit. If you have any questions, please contact the office at 727-581-8729.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

HELPING SERVICES AT PALM HILL

GEORGEANNE'S HELPING HANDS TO ASSIST WITH MEDICAL TRANSPORTATION

Ted Silva, Coordinator, 508-965-6072

Neighbors helping neighbors. If you need a ride to a medical appointment, (or wish to join GHH as a volunteer), please call Ted Silva.

GHH is an informal group of neighbors within Palm Hill who volunteer to drive other neighbors to medical appointments. Those who need transportation may contact Ted, who then alerts available volunteers. GHH usually has a volunteer available to transport people to and from their appointments. (Any appointments always include the return ride.) Volunteers do not accept payment.

EVERYONE SHOULD ALSO BE AWARE OF OTHER TRANSPORTATION SERVICES

Unfortunately, GHH is not always available when needed. Our volunteers are limited, specifically in the summer.

Pinellas Suncoast Transit Authority (PSTA) is a good resource for Palm Hill residents.

The website is: <https://psta.net/programs/psta-access-paratransit/> OR call 727 540 1888 for information on how to enroll. This is a GREAT back up transportation program.

CARELIFT- 727 461 8548 is a free service operated by volunteers which goes to Morton Plante and other BayCare facilities north of Palm Hill only. Appointments should be scheduled as far in advance as possible (2 weeks preferred) but can be less. Clients must be ambulatory. (folding walkers are allowed.)

MESCO

MESCO of Palm Hill is alive and well. MESCO offers medical equipment for loan to folks in need of anything from a cane to shower curtains, walkers, wheelchairs and the list goes on. Have some children/grandchildren coming for a visit? MESCO also loans things like highchairs, strollers, etc. If you need equipment or services, please contact the following:

- John Landrum 507-259-6934
- Vic Konsavage 717-818-1359
- Dan Hannafin 207-731-2299

The MESCO building is a free-standing building off the end of the south clubhouse near the laundry area side. There is a 50/50 drawing that is being collected on Monday at coffee in the north.

PALM HILL CALLING

Ted Silva 508-965-6072

The purpose of the project is to make sure that everyone has contact with someone at least once a day. Most people have friends or neighbors, and they routinely check on each other. The names of 40 people are on the list for a call from a Palm Hill volunteer.

Palm Hill Calling is available to anyone interested in having this service whether they are a shareholder or renter, full time or seasonal. To get on the call list call Ted.

Why Bicycle?

Cardiovascular Health : Aside from giving you increased stamina, riding a bike can lower your risk of both heart disease and cancers by more than 40%! Cycling for 30 minutes, just a few times per week, can drastically reduce your risk of serious disease.

Weight Loss: Cycling burns about 300 calories per hour. It won't happen overnight, but you can lose weight by riding a bike.

Joint Health: Walking and running have a large impact on the knees; as seniors age, they need all the relief they can get. Biking may give you that relief.

Vitamin D : Riding your bike gets you direct exposure to sunlight, something that many people take for granted. Getting proper amounts of vitamin D, which comes from sunlight, has many health benefits.

Strength and Muscle Mass: As you age, your muscles deteriorate; regular exercise is recommended to help reduce this. Cycling is a low-impact way to keep your muscles strong.

Improved Balance: Balancing on a bike is something that nearly everyone learns at a young age; however, most people stop cycling in adolescence in favor of driving. Over the years, the balance you've built up will fade. Balance issues trouble many seniors, causing yearly falls and accidents in more than 30% of elderly adults. Ride a bike to help your balance.

Better Sleep: Lack of quality sleep is something that affects many seniors; over time, not getting enough sleep can have negative effects on your mental health and physical well-being. Riding a bike will help you sleep better.

Improved Mood: Exercise has a profound effect on your mood; regular exercise routines, including bicycling, correspond to increased feelings of happiness and lowered stress. It increases your brain's production of serotonin, the chemical responsible for happiness.

* **Please Note**: If you have not been on a bicycle for some time it is suggested that you talk to your Health Care Provider about bicycling.

If you would like to join but don't have a bike let us know.

Respectfully Submitted: Bonnie Swanson, Wellness Team Member
