PRESIDENT'S CORNER

Submitted by Jan McCoy

While we perceive summer to be a slower paced season at Sunset Palms, our board of directors and office staff have been busy worker bees. Five new home installations are taking place (1-Azalea, 2-Oleander, 2-Canal) with more being scheduled. Interest in open lots continues, even with the removal of our new home/new shareholder sales incentives. A new “Exterior Alteration:” Approval Committee was formed at our July Board of Directors meeting. Thank you to committee members: Greg Jackson, chairman; Donald Barnes and David Bell for volunteering.

The revised Rules and Regulations draft is at legal review. We very much appreciate the groundwork of last year’s committee and the additional efforts made by this year’s volunteers. Our new 2023 Reserve Study should be in hand by the end of August. Our Home Review Committee reviewed the condition of 178 Canal Dr. which was returned to park ownership. They recommended in-place demolition of the aging single-wide mobile and restoration of the lot to its original condition resulting in approval by our Board of Directors.

We will be installing a solar streetlight on the backside of the shuffleboard court. A special thank you to the Neighborhood Watch Security Focus Group for their efforts in identifying areas of consideration for potential street light installation.

Looking towards the year end, we are evaluating election software for our 2023 Annual Elections with intent to offer increased support to our members. And, finally, our Communication Committee has exciting news in this month’s newsletter. Read on!

Our thoughts and prayers go out to our sick and shut-ins and to those who’ve lost loved ones.

Kind regards and well wishes,

Jan McCoy, President

MANAGER'S CORNER

MANAGER

It has been SO hot, but it has not stopped our maintenance team! They've earned superhero status. We experienced a lightning strike in August resulting in damage to two palm trees, a pool pump, internet signal router/extenders and DVD player in the clubhouse. We are awaiting a quote from our electrician for installation of a grounding rod, by the side door, to negate future potential impacts to the clubhouse.

Pricing is being obtained for the replacement of our second maintenance golf cart (included in our 2023 budget). Replacement of the electronics and wiring to the FOB access system connected to the pool gate, near the shuffleboard court, has been completed. An updated resident phone book is in the works. Our new office Supervisor, Marilyn Corazza, is already implementing office process improvements and did a great job as back-up while I was on vacation. It is great to have her onboard. Stop by to say hello if you haven't had a chance.

Thank you to those residents who are keeping up with your weeding! We appreciate you maintaining the 10-mph speed limit in the park. Please drive with caution!

UNVEILING THE HIDDEN WONDERS OF FLORIDA'S DEEP WATERS

Submitted by Kim Paquette

Did you know that your travel committee offers deep sea charters as one of our adventures? As summer's warm embrace covers the coastline of Florida, perhaps the allure of the ocean calls on those seeking more than sun kissed shores. If you have a spirit of exploration, and a yearning for the unknown there is an extraordinary adventure awaiting you beneath the waves.

Diving into the depths

Sunset Palm's "Gone Fishin" with Dave Allen, takes small groups of 6 on a deep-sea charter, offering an unparalleled opportunity to explore the wonders of the Gulf Stream. When you venture far from the coast, leaving the familiar behind, you enter a world of mystery and intrigue (this could be why we also love cruising). As you cast off, the vastness of the open sea becomes your canvas, promising encounters with incredible marine life and hidden wonders that few have ever witnessed.

A world of marine marvels

Beneath the wave lies an ecosystem as diverse and captivating as any rainforest. The Deep-Sea charters with Dave provide a front row seat to a mesmerizing array of marine life, from the majestic Big King Mackerel to the powerful Bluefin Tuna and from the playful Dolphins to the awe-inspiring Whales, every journey promises an encounter with the ocean's most iconic inhabitants.

Guided by an expert Captain.

Venturing into the open ocean can be a daunting prospect, but fear not, for the deep-sea captain is your guide and guardian. This seasoned professional has been chartering his business for over 30 years. He has an intimate knowledge of the oceans, currents, tides, and the habits of the inhabitants. He will lead you to the best spots, ensuring you make the most of your journey. His expertise also maximizes your chances of encountering the ocean's most magnificent creatures. You will spend a day like no other.

A lesson in conversation

The travel committee carefully selects the supplier we wish to deal with, whether it's a fishing excursion, shorter or long-haul cruise, day trip or bus tour. Price is only one factor. We choose companies based on reputation, customer service and how they handle changes, emergencies and even cancellations and refunds. We need suppliers that stand behind us and support the needs of our residents. Suppliers that understand the aging population and are flexible. This is of extreme importance and therefore most companies have been selected based on personal committee experiences.

Deep sea charters in Florida offer more than just an exhilarating adventure, they also serve as a vital platform for marine conservation. By immersing yourself in the beauty of the ocean you gain a firsthand understanding of its fragility. Witnessing the majestic marine life up close fosters a profound appreciation for the need to protect these delicate ecosystems. Engaging in marine conservation efforts, promoting responsible fishing practices, and raising awareness about the importance of preserving our oceans for future generations are all considerations of our travel committee.

Embarking on your Deep-Sea journey.

Dave Allen has a genuine love for fishing whether he's in the Northumberland Strait, The Atlantic Ocean, Or the Gulf Coast. So, if the Deep-Sea Experience is calling you, or you simply have an upcoming event that requires a gift purchase for your loved one, consider a "Gone Fishin" certificate. You will return with your catch cleaned, bagged and ready to cook. Life doesn't get much better.

TRAVEL CORNER

Submitted by Kim Paquette

Impact of Vacations on Mental Health

Many Northerners believe that residents in Florida for the winter season are on vacation but most of us think of this as our home, not a vacation. What do you imagine when you think about vacation? Some sightseeing, adventure, or capturing the best moments. But holidays have a lot more to give which is beyond all these things. Yes! It's true. You can also get the benefit of mental health if you go on vacation frequently.

There are numerous advantages of going on vacations, which are as follows:

Travel Diminishes Depression

Travel not only helps those people who are fighting with depression but also prevents the risk of getting into depression. Research has also shown that women who frequently go for a vacation carry fewer symptoms of stress as well as depression. Travel gives a space where people get out from their monotonous and hectic life while spending quality time.

Say Goodbye to Stress with Regular Vacations

Stress is something that can come through the boredom of life. If you go on a vacation, then you can easily break the monotony of life and offer relief from stress.

'Experts state that stress can leave an impact on both physical and mental health'

It is also believed that a short break at regular intervals of time can also help in reducing the stress of life.

'A study reveals that taking short breaks leaves a positive impact on mental health'

The reason behind the positive impact of vacation on stress is that, when people are stressed, there are a lot of things going on in their minds due to which they are not able to focus on their present situation. When they go on vacations, then they live in a different environment which breaks the chain of stress.

Vacation Lifts Your Mood

Even planning a vacation can make your mood fresh, which helps in distracting your mind from the stressful daily life. A study shows that people feel happy when they are planning a vacation as they expect to enjoy the holidays.

It has also been observed by experts that vacations help leave a positive impact on health and quality of life. Holidays have the potential to make you look forward to your life.

Develops Resilience

At first planning and arranging a tour seems to be more hectic as well as challenging, but when you face these challenges, then it makes you more independent. When you resolve any trouble after getting out of your comfort zone then helps you in building the ability to deal with all circumstances in an

continued on page 16

effective manner.

So, spending time on vacation always gives positive results such as enhanced confidence and the ability to handle difficult situations.

Boosts Your Creativity

When you visit a different place or country, and you experience a new lifestyle as well as culture, it enhances your cognitive ability and depth which results in boosting creativity. It is also important to note that, if you engage with local culture, only then your creativity will boost, otherwise visiting a new place, going on sightseeing, and coming back will not enhance creativity.

Improves Your Mental Power

When you go on vacation, your brain gets time to rest. So, if you are facing stress for a longer period and it is affecting your goal-setting abilities as well as memory power then give your brain some rest by going on a trip.

Summing Up!

Sunset Palms Travel Committee offers a variety of options to get away. Whether you want to join the group or form a group of your own, we are here to assist. Cruises are the most requested followed by Casino events.

“Gone Fishin” is a great stress breaker for a small group. Trips are offered December thru April.

Keep informed by following our Facebook page and join us on one of the excursions:

SUNSET PALMS SOCIAL CLUB – ACTIVITIES

Submitted by Jamie Calandra

Hi everyone!

I hope everyone is enjoying their summer so far. Florida weather is extremely hot with not much rain so there's not much to do outdoors. We had a 4th of July potluck; we had a pizza and game night in the Clubhouse along with Cornhole.

We will be having our Labor Day picnic on September 4th. Koffee Klatch and a luncheon is planned. Sign up sheets are in the Clubhouse. It won't be long until everybody gets back to their winter homes. Safe travels!

F LUSH ONLY: Body waste and toilet paper.
It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

The Wedding

Bob, age 92, and Mary, age 89, are all excited about their decision to get married. While out for a stroll to discuss the wedding they pass a drugstore. Bob suggests they go in.

Bob asks to speak to the pharmacist. He explains they're about to get married, and asks, "Do you sell heart medication?"

"Of course we do," the pharmacist replies.

"Medicine for rheumatism?"

"Definitely," he says.

"How about Viagra?"

"Of course."

"Medicine for memory problems, arthritis, jaundice?"

"Yes, the works."

"What about vitamins, sleeping pills, Geritol, antacids?"

"Absolutely."

"Do you sell wheelchairs and walkers?"

"All speeds and sizes."

"Good," Bob says to the pharmacist. "We'd like to register for our wedding gifts here, please."

NOTE: If your birthday or anniversary doesn't show up, it may be because we don't have it. If you would like to have it shown in the Spotlight Newsletter in the "event" month, please let me know and I will add it to the master list. On the other hand, if you don't want your event to be published, I can remove it from the list - no questions asked.
